What they need to be successful and to listen to their obstacles.</i></p> <p>Why am I here? <i>Many students get frustrated because their needs are not being met. Some students did not speak up? I am committed to lift the students voices to make change and do better as an institution.</i></p> <p>Action:</p> <ul style="list-style-type: none"> ➤ <i>We do this by tabling and taking surveys, strategic questioning, get to know the students, post it boards for student issues, etc.</i> ➤ <i>People only give limited information in surveys through the internet.
