<sup>◊</sup> These sessions are available for members of the College community to present information and “stories of success” about programs/departments/units, initiatives, partnerships, etc... Topics will be updated throughout the semester.

\*This “TBD” time slot may be needed for college-wide initiatives (e.g. Institutional Planning, Guided Pathways, etc...). If they are not utilized for such purposes, these sessions will be available for departmental/project meetings.

Please note that, during the course of the semester, meetings may be designated as “management-called” (based on a presentation/dialogue topic of institutional importance).
