| 3 | Public Comment            | A. Janiel Geerlings- Asked how many meetings you can miss before you are removed from your position in LMCAS. Advisor Nguyen said that 3 unexcused absences get you removed. So, you must let the board know ahead of time that you cannot attend so the board can vote on validity of the absence.   |
| 4 | Officer & Senator Reports | <ul> <li>A. Marayah Guinto- Last weekend she and a couple of other students went to the Seesaw<br/>Conference where they got to meet a lot of different colleges and a lot of different people.<br/>They went to workshops and basically these workshops either help the individual about<br/>learning about themselves and their leadership or learning about different aspects within the<br/>community college. She asked a lot of different presidents how they set up they're boards<br/>and she thinks a good organizational structure would be to have senators assigned<br/>underneath commissioners in order to delegate the senators. Feels this would be a good<br/>agenda item for next Monday.</li> <li>B. Sierra Abel- She went to the Seesaw Conference too. Said she honestly and genuinely<br/>appreciates Everyone who was able to come to these meetings talk respectfully to each other<br/>be able to disagree or just be able to figure things out and work together because what she<br/>learned on this conference is that a lot of colleges don't trust each other on the senate or<br/>have a lot of drama. She went to some workshops and learned about gender down barriers<br/>and different kinds of leadership and advocacy aspects. Stated that there were a lot of good<br/>successes from DACA week, because she heard people talking about. Hopes in the future, the<br/>board could come together and find dates and times that work for everyone. Plans to try to</li> </ul> |

Jessica Quintos- She already started posting on the Instagram story and it's going to be like a weekly thing to get some information out there. Learned that DVC implemented their Instagram ty. She will start recording a video about Student Life today.</li> <li>E. Dale Satre-Tomorrow he is going to be meeting with his accreditation workgroup and he is going to distribute the data that he found on students' opinions of the curriculum. At the last meeting he voiced his support for a court case where a group of Asian Americans are suing a university through the DOI to protest habitual discrimination by that university and other universities. |   |                |    | Bob was saying that in the nursing center there is already a lactation room, but they will be creating another lactation room in the future and it's going to be on the bottom level of the admissions and records, because students came to her about breastfeeding.   |
|   |                |    | For the parking issue she and Bob were thinking about renting or asking the city of Antioch to rent out that spot where the pumpkins are being sold to see if that could be a permanent parking spot.   |
|   |                |    | She will be inviting the police aid lieutenant, Chad, to a meeting to discuss campus safety, different things that they're doing and that they're going to be implementing. He didn't email her yet, but soon.  |
|   |                |    | They talked to a guy who fixed the water filters and he was very diligent with it.  |
|   |                |    | They talked about Chancellor Wood, the website blocking, and the pros and cons of it and how we as a college can help the chancellor do a better job and give critical feedback and different things like.  |
|   |                | I. | also looked at an entire revamp of how we decide our majors. They looked at 4 different<br>schools and are looking at adding information such as a video description of what you would<br>be doing in a classroom.<br>Priscilla Tatmon- Had a meeting with President Bob last Wednesday. Talked about doing the<br>Equity Walk after 11/4/18. They will be walking with a lot of different other classified staff to<br>check on different ways we can help provide safety on campus or even check the disabled<br>buttons. |

|   |                   | A.                   | For the following Friday, he is planning to have a Robert Robert's Rules of Order orientation<br>for the board to better understand the orders and how to motion and how to basically be<br>part of the meeting where you can actually motion everything.  |
|   |                   |                      | Commended Jessica Quintos for having all the events on campus on Instagram.  |
|   |                   |                      | He went to the Seesaw Conference with the students too and met other student<br>governments. Commended how engaged we are as well and how well we communicate with<br>each other. Said that if we had questions about the conference then we can talk to Sierra or<br>Marayah. Appreciates everyone on the board for being advocates for students and attending<br>meetings to understand what the issues are.   |
| 6 | Committee Reports | А.<br>В.<br>С.<br>D. | Marayah Guinto- The next meeting for OER is on 11/13/18 from 4:00-5:00pm in CC 213.<br>Sierra Abel- Unable to go to the IDEA committee meeting today, will be attending the<br>Academic Senate meeting today to talk about the reflection room.<br>Diamond Agee- Attending her first SGC meeting on 10/24/18.<br>Jessica Quintos- Attended her first IDEA meeting, the committee wanted her to bring up<br>feminine hygiene needs and get feedback from LMCAS. Student Life has a supply of feminine<br>products in the office according to Teresea. Sierra suggested Honors Students donate items<br>for club hours. Priscilla suggested doing 25 cents for tampons. The board talked about how<br>unfair it is for the industry to charge for tampons. Shagoofa said if we do have it for free there<br>are those students who will take advantage of it and take the tampons. Janiel suggested a<br>donating event for poverty. Sierra noted that feminine products are overprice and the<br>industry is making money off of it, so doing it for free could start something and other schools<br>could implement the same method. Diamond said that there are volunteering events for<br>people to receive donations of feminine products and will contact someone she met at the<br>Impact Conference to start up Circle K at LMC. |

The<br>second floor is going to have like a Fall Fest where clubs will sell food and things so that we<br>could get money for our own clubs. They still need volunteers for set up and clean up.<br>Motion to approve \$300 for the Halloween event<br>Motioned by: Senator Geerlings<br>Seconded by: Treasurer Satre<br>Motion passes 11-0-2  |

| 10 | LMCAS Bylaws Renewal                    |                       | There were some agreement and disagreements between Sierra Abel and Priscilla Tatmon<br>where Sierra suggests extending the senators by 5 and believes in having senators who take<br>making decisions seriously, so lowering the board next semester so that everyone has a<br>specific role, where Priscilla believes having more senators would help students, since each<br>member represents about 500 students, which would allow for more voices to be heard.<br>Sierra said she heard of other colleges where a board has 60 people sit in a room and it<br>causes too many voices and arguments about an issue. So we need to make a better<br>structure in our government. Felero Smith believes more people could fulfill all the<br>committees and subcommittees. It could also create more interconnections between diverse |

Shagoofa Khan also acknowledges that not one person can do all the events, and that we should have people to fill the committees to progress into working hard. Dale Satre asks if 1 or 2 spots should be dedicated to the Brentwood campus, and the board agreed since it is growing.</li> <li>II. Motion to increase senator bylaws by 5 members</li> <li>A. | 11  | LMCAS T-Shirts       | A. Felero Smith said that there is a person in his class who can make the shirts for a cheaper price. The board agreed to send him designs to give to that person and he can report it for next Monday. Jessica Wilson will do more research too, so the shirts are tabled for next week.   |
