How can my college prepare to join the CVC-OEI Consortium?

What are the roles and responsibilities for members comprising a CVC-OEI Consortium college implementation team?

When and where does the CVC-OEI Consortium meet and who is required to attend?

When is the CVC-OEI Consortium scheduled to expand?

What are the roles and responsibilities for members comprising a CVC-OEI Consortium college implementation team?

4 years ago · Updated

The implementation team consists of college administrators, faculty, and staff who fill suggested functional roles on the team. The implementation team includes a project leader who will serve as the primary chair and liaison to the CVC-OEI. Other functional roles comprising the implementation team may include the following:

- Academic Senate Designee
- Distance Education Coordinator
- CMS/LMS Administrator
- Student Services Administrative Lead
- Financial Aid Director
- Admissions & Records Representative
- Disabled Student Programs & Services (DSPS) Representative
- Counseling Representative
- Academic/Instructional Administrative Lead
- Institutional Research Representative
- Information Technology Administrator
- College/District Public Information Officer
- Professional Development Representative

The overall responsibility of the implementation team is to work together to deploy the components of the CVC-OEI program. In many cases, implementation team members fill multiple functional roles on the team.
