

Skills Certificate Approval Form

Los Medanos College 2700 East Leland Road Pittsburg CA 94565 (925) 439-2181

A Skills Certificate Program (less than 18 units) may be part of a “ladder” of skills, beginning with job entry skills and leading to a full Career Certificate Program, or may constitute a skill set that enables a student to upgrade or advance in an existing career. A Skills Certificate Program may meet a continued education need for those in an evolving profession or may fulfill a demonstrated need that is verified by the local Curriculum Committee.
