Examples taken from the LMC Library’s Guide to MLA Works Cited handout

Works Cited

Notes on formatting a works cited page:
1) Double-space all lines. Indent one-half inch after the first line.
2) Arrange citations in alphabetical order. Do not divide by type or format of item.
3) Title the page “Works Cited” and center this at the top of the page.

For more information about specific situations, please ask an LMC librarian for help or go to the Purdue Online Writing Lab at http://owl.english.purdue.edu/owl/resource/747/05/
