Welcome Back and Happy New Year LMC!

The LMC Marketplace and Basic Needs officially reopened this week for the Spring 2024 semester. Our hours for the Spring 2024 semester are the same as last semester. We have, however, implemented some new changes and added additional resources. Please continue to support us in getting the word out about Basic Needs services and resources available to students. Also, feel free to add the following information to your syllabus and/or communication with students. We would be willing to do presentations in your classrooms on the services we provide. If you are interested, please let me know.

Basic Needs operates out of the LMC Marketplace which is designated as the "MP" building on the Pittsburg LMC Campus Map near the Child Study building. We are located in the brown portable next to the LMC Lake. The LMC Marketplace provides free food, clothing, and hygiene items for LMC students and employees during our hours of operation which are as follows:

Tuesdays: 10:00 AM-3:00 PM
Wednesdays: 1:00 PM-5:00 PM
Thursdays: 10:00 AM-3:00 PM

In addition, we assist students with accessing and/or signing up for:

CalFresh:

The CalFresh Program, federally known as the Supplemental Nutrition Assistance Program (SNAP), issues monthly electronic benefits to eligible students that can be used to buy most foods at many markets and food stores.

TimelyCare:

TimelyCare provides 24/7 virtual medical care and mental health services to students free of charge.

Low-Cost Auto Insurance:

Other resources that we provide include:

- Emergency Grant Assistance in collaboration with the LMC Foundation
- Transportation Assistance
- Technology Assistance
- Housing Referrals

Thank you in advance for your support!
