The LMC Scholarship Application is now CLOSED

To be considered for an LMC scholarship opportunity, applicants must:

- Be currently enrolled at LMC for both the fall and spring semester.
- Have a minimum cumulative GPA of 2.0 at LMC.
- Complete and submit the online 2024 LMC Foundation General Scholarship Application by the posted application deadline date of Wednesday, February 21, 2024, by 11:59 pm.
- Have a minimum of TWO completed references – Both references must be from a reputable source (an LMC staff member, employer, advisor, supervisor, colleague, etc.). Your references must complete and submit your references, via the scholarship portal, by the posted application deadline.
- Complete any supplemental question listed under the Opportunities Tab at the top right of the application portal for "Recommended Opportunities."

Please note, the additional criteria for each scholarship opportunity varies based on a student's GPA, educational major, career major, community service, financial need, etc. Applicant must meet the criteria for each scholarship to be considered for the opportunity. Listed below are the LMC scholarship opportunities offered in the 2024 academic year, please note scholarship opportunities vary year to year.

External scholarships are available. External scholarships are scholarships offered outside of the LMC Foundation. For a list of external scholarships, select the Opportunities tab at the top and select External.
