

Upon confirmation of enrollment, new enrollment packets will be emailed to your family. These packets must be completed in their entirety before your child can begin attending the center.

For families interested in applying for partial scholarship rates, we encourage you to reach out to the Child Study Center Office directly. CCAMPIS scholarship rates are available for Pell-grant or promise-eligible students who maintain 6 units or more, have an education plan on file, maintain a GPA of 2.0 or higher, and fulfill weekly lab school participation hours or are enrolled in CHDEV 22. The continuation of scholarship eligibility will be determined based on the weekly census of participation.
