Self-Assessment Checklist for Online Courses

This checklist is an abbreviated version of the Online Education Initiative's [Course Design Rubric](#).

Yellow indicates items that should definitely be addressed prior to submitting a course for review.

Not sure how to implement the Rubric? Explore our [Course Design Resources](#)! (Each item has a direct link as well.)

A: Content Presentation	Yes	Not Sure
A1: I've included **unit objectives** in the individual learning **units/modules**.	☐	☐
A2: My objectives include **demonstrable learning outcomes** and are written in language that is **student-centered**.	☐	☐
