SPECIAL INTERNSHIP & JOB FAIR PREP WORKSHOP

Job Fair Prep - Resume Writing & Networking Tips

Monday, April 22nd at 2:00 PM

**Resume
Workshop
Registration**

Attending an internship and job fair is a valuable opportunity to make important professional contacts, practice your interviewing skills and gain intelligence about the job market within your major and outside of it. Transfer and Career Services is holding this special job fair preparation workshop to assist you in learning the essentials of how to write a professional resume and networking skills that get you noticed.

Here are just some of the employers attending:

BART

Costco Wholesale

Environmental Protection Agency

California Department of Justice Bureau of Forensic Services

Contra Costa County Family Medicine Program

Local 159 Plumbers and Pipefitters

CAL FIRE

East Bay Municipal Utility District (EBMUD)

Pittsburg Unified School District

City of Pittsburg

El Campanil Theatre

California Correctional Health Care Services

2023-2024 Industry Tours

Industrial visits are an essential part of major and career path exploration. Being a part of interactive learning, such educational visits give students a major exposure to real working environments along with a practical perspective of a theoretical concept allowing student to make a better-informed decision when declaring their major.
