**To:** LMC ALL Employees  
**Subject:** Introducing the New LMC Director of Transfer & Career Services

Greetings Los Medanos College,

I am pleased to announce the successful hiring of our **new LMC Director of Transfer & Career Services!**

**Kristin Conner** will be joining the LMC family as the new leader for the Transfer and Career services team. Kristin comes to us from Stanford University where she spent the past 15 years as an Assistant Director and Career Counselor in the Career Development Services department. She is a transfer success story herself, having transferred from DVC to Sonoma State University when completing her B.A. in Psychology. She also possesses a M.S. in Counseling from San Francisco State University and most recently completed her Ed.D. at University of San Francisco this spring, where her dissertation focused on experiences of undergraduate students participating in alumni mentoring programs.

Kristin will officially be **joining us on July 27**. However, you will see her on-campus throughout July, as she will be in for a few days throughout the month in order to begin getting acclimated to our campus.

Please help me in welcoming Kristin Conner to the Los Medanos College family!

Best,  
Dave
