

SURVIVOR: PROGRAM REVIEW ISLAND

OutPlan ☒ OutWork ☒ OutEarly

Included with your attendance:

- ☒ *Light Breakfast*
- ☒ *Learn how to “Survive and Thrive” doing your Program Review*
- ☒ *Tropical Lunch*
- ☒ *FUN (music, games/prizes and laughs)*
- ☒ *Time to work on your department’s Program Review*
- ☒ *FLEX credit*

The Los Medanos Planning Committee together with the LPG invite you to join us for a fun, interactive, and productive focused FLEX activity surrounding Unit/Program Review and Planning! This day at the beach with no sunburn (or beach) will take place on Wednesday August 15th from 9:00 a.m. (8:45 a.m. Refreshments/Music) to 3 p.m. in the Library Community Room. Challenges (games) throughout the day will surround topics such as using data, writing objectives, and strategic planning with the ultimate goal of making your planning easier, more efficient, and most importantly, effective in helping our students. There will also be time during the day to begin work on your specific program or unit review. Computers and several laptops will be available for the afternoon session, however, please feel free to bring your own laptop.

While your tropical-themed attire is optional, a tropical-themed lunch will be generously provided by the LMC Foundation, in a tiki-like setting.

So join us in this exciting adventure as we seek to both survive program review and make planning meaningful here at LMC.

To sign up for this FLEX activity, please visit

<http://www.4cd.edu/webapps/staffdevelopment/flex/lmc.aspx>, scroll down to locate this event, and choose enroll and select FA12-167.

We look forward to seeing you there!

Your Beloved Planning Committee and the LPG
