

LMC Foundation Funded Mini-Grant Applications
L. Maynes, 3/7/13

Debate Spring Fling

- Supported students to attend a debate tournament
- Students came in first place in their category

Honors Student Retreat

- Supported students to attend their annual Honors Leadership Retreat
- Helps build teamwork and creates a cohesive group

NASA Reduced Gravity Student Flight Educational Program

- Provided funding for students' project which was submitted to NASA in a national competition
- Was one of two community colleges selected amongst many 4 year universities
- Students were also funded to travel to Houston to visit NASA

UCLA Transfer Conference Tour

- Provided funding for the bus trip to UCLA
- LMC is the only East Bay community college with a Transfer Agreement with UCLA

Lab Fees for EMT students

- Provided "emergency" funding for students in the EMT program who could not afford to purchase all the equipment and supplies
- This helps students who would have dropped out of college because of the costs

T1 Graphing Calculator Loan Program

- Provided funding to purchase T1 graphing calculators that are required for classes
- This calculator is very expensive and so the LMC math labs have them to loan out to students

LiveScribe pens for Disabled Students

- Provided funding to purchase eight LiveScribe pens for students to use to take notes
- This pen records lectures. Saves the DSPS department from having to hire very expensive note takers

Study Slam

- Provided funding to purchase pizza and drinks for students using the Tutoring Center during finals
- Easier to study when your tummy isn't growling...

Chemistry Mentors

- Provided funding for LMC Chemistry students to go to Pittsburg High School to be mentors
- Strengthened link between high school students and college students

Online School News software

- Provided funding to The Experience so the newspaper could be published online
- Printed fewer paper copies (environment) and more students will read the paper online

Sports Medicine Educational Symposium

- Provided funding for the LMC Athletic Trainer to attend two conferences regarding concussion and head injury protocols
- Improved evaluations/treatments for out 180+ student athletes.
