2014 Budget Forums Scheduled

The 2014 Budget Forums schedule has been established. Led by Chancellor **Helen Benjamin**, Executive Vice Chancellor, Administrative Services' **Gene Huff**, Associate Vice Chancellor/Chief Financial Officer **Jonah Nicholas**, and Director of District Finance Services **Arzu Smith**, these sessions offer employees the opportunity to understand the District's financial picture for the current academic year, and what may be in store for 2014-15.

The passage of Proposition 30 has stabilized the budget picture for now, but the challenge of increasing student enrollment to maximize state apportionment growth funding still remains.

The sessions are open to all employees, so pick the date and time that works best for you!
