The mission of the President's Office is to support learning, cultivate student success, and facilitate institutional achievement at Los Medanos College. To that end, the President's Office: demonstrates leadership that educates, engages, and empowers the diverse constituents of the campus community; promotes effective communication that enhances awareness, fosters dialogue, and creates an open and inclusive environment; models objective, fair, and data-driven decision-making aimed at providing exemplary educational programs and services; provides stewardship on planning, policy, legislative, and organizational issues; and reinforces a culture of equity, effectiveness, and excellence to achieve the mission and goals of the College and District.
