# Mission Statement Review

## Process

- Review current Mission Statement
- Create opportunities for engagement/input from campus community
- Task Force: established by SGC, with all constituencies represented

## Survey

- Conducted online; solicited feedback from campus community and 200+ external community partners
  - Received 366 responses
    - 57% students, 18% faculty, 13% classified, 5% managers, 4% community
  - 48% feel current Mission accurately reflects LMC's purpose
  - 63% feel LMC's Mission Statement should not be revised

## Task Force

- Met and reviewed Mission, survey feedback, and relevant materials

# Mission Statement

Los Medanos College is a public community college that provides quality educational opportunities for those within the changing and diverse communities it serves. By focusing on student learning and success as our first priorities, we aim to help students build their abilities and competencies as life-long learners. We create educational excellence through continually assessing our students' learning and our performance as an institution. To that end, we commit our resources and design our policies and procedures to support this mission.
