Loss of Priority Registration:

Per Title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will impact your assigned registration date for future semesters. A second consecutive term (summer/fall/spring semesters) on academic or progress probation will result in the loss of continuing student priority registration. This will also apply to any student over 100 degree applicable unit limit within the Contra Costa Community College District (Contra Costa, Diablo Valley and Los Medanos Colleges). This means you would register after all continuing students possibly losing your opportunity for the courses you need to meet your educational goal.

1. Complete the appeal form and provide a written description of your situation.
2. Include a current copy of your educational plan.
3. If you are requesting an appeal for Academic/Progress probation due to Extenuating Circumstances such as verified illness, accident or circumstances beyond your control, submit supporting documentation.
4. Submit the completed Appeal form to Admissions & Records with all of the supporting documentation that is indicated on the form based on your appeal reason (appeal form, written description, comprehensive education plan, and supporting documentation).
5. For probation/dismissal, if your registration appointment appeal is approved, your BOG reinstatement will be approved. If your registration appointment appeal is denied, Financial Aid will consider your BOG reinstatement appeal separately.
6. Any missing information will result in your Registration Appointment/BOG Fee Waiver Appeal being rejected.

Registration Appointment Appeals are accepted during the following time periods: Summer—March 15-April 15; Fall—April 1-30; Spring--November 1-30. You will receive a response to your InSite email within 3-5 business days.

Loss of Board of Governors Fee Waiver (BOG):

A student that continues on a second consecutive term (fall/spring semesters) on academic or progress probation will result in the loss of the BOG Fee Waiver. In an effort to help students succeed in the California community colleges, the Student Success Act of 2012 (California Senate Bill 1456) was signed into law by Governor Brown. Among other aspects, the Act included the creation of minimum academic and progress standards that must be met for continued eligibility for the Board of Governors Fee Waiver Program (BOG). These are different and separate standards from those for student federal aid, Cal Grant, and enrollment priority.

1. Complete the appeal form and provide a written description of your situation.
2. Include a current copy of your educational plan.
3. If you are requesting an appeal for Academic/Progress probation due to Extenuating Circumstances such as verified illness, accident or circumstances beyond your control, submit supporting documentation.
4. If you are a CalWorks, EOPS, DSPS, or Veteran student you must meet with the appropriate program Counselor or coordinator.
5. Submit the completed Appeal form to Admissions & Records with all of the supporting documentation that is indicated on the form based on your appeal reason (appeal form, written description, comprehensive education plan, and supporting documentation).
6. For probation/dismissal, if your registration appointment appeal is approved, your BOG reinstatement will be approved. If your registration appointment appeal is denied, Financial Aid will consider your BOG reinstatement appeal separately.
7. Any missing information will result in your Registration Appointment/BOG Fee Waiver Appeal being rejected.

BOG Appeals must be submitted during the following time periods: Fall—April 1-December 2; Spring—November 1-May 12. You will receive a response to your InSite email within 10-15 business days.
