Aspen Prize 2019

Highlighting the critical importance of improving student success in America's community colleges, the Aspen Institute College Excellence Program has named Los Medanos College as one of the nation's top 150 community colleges eligible to compete for the 2017 Aspen Prize for Community College Excellence and \$1 million in prize funds, as well as Siemens Technical Scholars Program student scholarships.

The Aspen Prize, awarded every two years, is the nation's signature recognition of high achievement and performance among America's community colleges and recognizes institutions for exceptional student outcomes in four areas: student learning, certificate and degree completion, employment and earnings, and access and success for minority and low-income students.

"It is an incredible honor to be nationally recognized by the Aspen Institute. Los Medanos College is committed to providing access, equitable outcomes, and success for all of our students, and that is reflected in the dedication and passion of our faculty, staff, and managers. Together, these educators foster an institutional culture of collaboration and innovation aimed at facilitating student success and serving our community. I am very proud of the work that LMC does, and am thrilled that our College community has been acknowledged for increasing opportunities and improving outcomes for students."

LMC President Bob Kratochvil

General College Information

About the College

Contra Costa Community College District – A Brief History

The Contra Costa Community College District (CCCCD) was established by a public vote on December 14, 1948. With boundaries roughly equal to those of Contra Costa County, CCCCDD covers 686 square miles, making it the eighth largest community college district in California. It serves and is supported by more than 1,000,000 residents of Contra Costa County. Contra Costa College, in San Pablo, was the founding college in the District. Diablo Valley College was constructed in 1951 and now includes the main campus in Pleasant Hill and a center in San Ramon. In the spring semester of 1974, Los Medanos College (LMC) opened its doors to students from Antioch Unified School District, Liberty Union High School District, Mt. Diablo Unified School District and Pittsburg Unified School District, as well as to adults of all ages from central and eastern Contra Costa County. In 1998, the College opened the Brentwood Center in partnership with the Liberty Union High School District Adult Education Center. The Center moved to its current location on Sand Creek Road in Brentwood in 2001.

Los Medanos College

The Pittsburg Campus of the College is located on a 120-acre site near the city's border with Antioch. The name of the College derives from the 8,000-acre Rancho Los Medanos, which was one of the last land grants made by the Mexican government when California was still a territory of Mexico. Rancho Los Medanos covered almost all of Pittsburg and Antioch, including the current site of the College. Translated into English, the name of the College refers to inland sand dunes or sand hills, which may be a reference to the sandy terrain that characterizes eastern Contra Costa County with its long history of sand mining.

Today, Los Medanos College is a thriving center of higher education activity. LMC offers courses leading to transfer credit at four-year colleges and universities, general education and major coursework leading to associate of arts or science degrees, and courses leading to certificates of achievement. The College is also the leading force in the economic development of eastern Contra Costa County. Short-term courses are offered in a variety of technical and career-oriented subjects to enhance job skills training, technology training, and workforce preparation. To further meet the needs of local residents and businesses in the easternmost part of Contra Costa County, LMC provides an educational center in Brentwood. Los Medanos College offers high-quality instruction supported by the latest technology, while maintaining the welcoming and inclusive environment for which the institution is known.

Mission Statement

Los Medanos College is a public community college that provides quality educational opportunities for those within the changing and diverse communities it serves. By focusing on student learning and success as our first priorities, we aim to help students build their abilities and competencies as lifelong learners. We create educational excellence through continually assessing our students' learning and our performance as an institution. To that end, we commit our resources and design our policies and procedures to support this mission.

Our Vision

Los Medanos College provides the premier educational opportunity for East County residents, where learning matters most.

Our Values

Values remind us of what matters most. Los Medanos College is an educational community that cares deeply about learning, collaboration, effective communication, and engagement with our surrounding community.

Learning

Student learning and student success are the focal points of our college. We strive to create a dynamic environment that encourages lifelong engagement with academic and societal challenges. We value the importance of critical thinking, effective communication, ethical behavior and diversity. We engage in ongoing assessment to measure and improve student achievement and institutional effectiveness.

Collaboration

While we value the contributions of the individual, most of our endeavors require collaboration, communication, and cooperation. It is in working together that we spark creative and innovative approaches, build on each other's ideas, and give mutual support. It is in collaboration that we learn to value multiple perspectives and resolve conflict in constructive ways.

Communication

Communicating clearly and effectively is critical to both student success and organizational effectiveness. We want our students to read critically and write clearly. We also want them to compose oral presentations that demonstrate poise, competence, and an understanding of new technologies. We want an organization that has clear decision-making processes that embody these same competencies and expresses them in consistent, unambiguous policies and procedures.

Engagement

Our mission is to provide educational opportunities for the people who live in our surrounding communities. We must be responsive to changing needs and seek partnerships that promote the well-being of our diverse and growing communities.

Accreditation Information

Los Medanos College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (WASC), and was last reaffirmed for accreditation in January 2015.

Accreditation provides assurance to the public that colleges meet the quality and effectiveness standards for a degree-granting institution of higher education. It also includes the College among those eligible for Title IV student financial aid.

Institutions complete a self-evaluation process every seven years in order to have their accreditation status re-affirmed by ACCJC. The process includes internal and external evaluations of the College's performance, as defined by the ACCJC Standards for:

- Mission, Academic Quality and Institutional Effectiveness, and Integrity
- Student Learning Programs and Support Services
- Resources
- Leadership and Governance

Additional information about LMC's accreditation status and process is available online at:
www.losmedanos.edu/accreditation/

Los Medanos College Foundation

Everyone, regardless of economic and ethnic background, should have the opportunity to obtain an excellent education. Since 1997, the Los Medanos College Foundation has supported students to pursue the education they need to achieve successful futures.

Financial support is raised from corporations, foundations, individuals, and alumni. Funds are raised for: financial aid awards, emergency funds, student support services, and college enhancement programs. The foundation's work is essential because many of our students are from low or middle class backgrounds, often the first-generation to attend college, while many also work and raise children.

Join us in celebrating LMC students in their pursuits to become scholars, police officers, EMTs, nurses, firefighters, digital technicians, or skilled factory workers. The future contributions of each make all of us stronger as a community and nation. They deserve our support!

The Los Medanos College Foundation is the non-profit 501 (c) 3 charitable organization and as such, your contributions are tax deductible to the extent provided by law.

To make a one-time or monthly recurring gift, please go to www.losmedanos.edu/foundation.

To explore planned giving options please contact:
Trinh Nguyen, Development Officer at the Los Medanos College Foundation, at trnguyen@losmedanos.edu or (925) 473-7315.

Admission and Course Enrollment

Who Is Eligible for College Admission?

Admission to Los Medanos College is open to the following:

1. Applicants who are 18 years of age or older, or
2. Graduates of a regionally accredited high school, or
3. Applicants who have passed the GED (General Educational Development) test or the California High School Proficiency Exam
4. Applicants who are concurrently enrolled in the K-12 system, or are approved for home study, based on the following guidelines:
 - Student is 14 years of age or older and has completed the eighth grade or higher.
 - Los Medanos College may accept special admission students for enrollment in advanced academic and vocational degree applicable credit courses provided they have: 1) obtained written parental consent*; 2) acquired a written recommendation of the principal or have an affidavit of home schooling; 3) demonstrated adequate preparation in the discipline to be studied; and 4) availed themselves of all opportunities to enroll in equivalent courses through their school of attendance.
 - Special admit students are limited to seven units in fall and spring terms and five units during summer session. Students wishing to appeal the unit limit must complete a Special Admit Introduction and a Unit Limit Waiver Form and request approval from the Director of Admissions & Records.
 - Special admit students 14-15 years of age must complete a Special Admit Introduction and an Age Waiver Form and request approval from the Director of Admissions & Records.
 - Special admit students shall conform to all LMC academic policies and regulations, as well as the code of conduct expected of all students.
 - Los Medanos College reserves the right to exclude or limit enrollment into impacted programs and in other programs or courses where health, safety, instructional methodology, facility constraints, or legal requirements are deemed inappropriate for these special admit students.

* Important Note: By giving consent, parents of concurrently enrolled students agree they understand that the college is an adult learning environment and students are expected to behave accordingly. Additionally, they understand that classes will be taught at the college level and the curriculum and college procedures will not be modified, nor will other accommodations be made.

New and returning students – applications for admissions may be submitted online by visiting the college website at www.losmedanos.edu. After the application is uploaded, students will receive an email with their student ID, User ID, registration date and password, and student email instructions.

Special admit students – New and returning students must submit a college application online. This application must be submitted prior to the in-person registration date. Continuing high school students need not resubmit a college application.

Student Status

New Student: The applicant has never been enrolled LMC.

Returning Student: The applicant has previously been enrolled at LMC, but has been away for two consecutive semesters or longer.

Continuing Student: The student has been enrolled at LMC within the past two semesters.

Concurrently Enrolled/Special Admit Student: The student is enrolled at LMC at the same time as being enrolled in the high school

Residency Status

For purposes of establishing tuition fees, students are identified as either residents or non-residents.

Residents: Those who have lived in California as legal residents for at least one year and one day prior to the first day of a new semester or term. Evidence may include at least two of the following: payment of California State income taxes, registering and voting in California elections, obtaining a California driver's license, owning and registering a car in California and more. The burden of proof to establish residency is on the student. Residency must be cleared by the end of the fiscal year. Additional information may be found at the college website, www.losmedanos.edu.

Non-citizens who meet residency requirements and who desire to enroll as a California resident must provide documentation from the Immigration and Naturalization Service in addition to the California residency documentation.

Nonresidents (out-of-state and international students): Those who do not meet the California resident requirements as stated above.

All questions concerning residence requirements and status should be directed to the Admissions & Records Office at (925) 473-7500.

International Students

Los Medanos College welcomes international students to our campus. Students from a variety of cultures contribute to the diverse student population at LMC. Los Medanos College has authorization under federal law to enroll nonimmigrant students.

Applications for international student admission must be submitted by July 1 for the Fall semester and December 1 for the Spring semester. Applications and information packets are available online: www.losmedanos.edu/inted. For information, call (925) 473-7552.

In order to qualify for admission, the following is required:

1. TOEFL internet	54
TOEFL computer	157
IELTS	5.0 (minimum band score of 4.5)
International Education Center (IEC)	Completion of Adv. B level certificate
Graduation from US high school	Transcript
International General Certificate of General Education	Certificate
General Certificate of Education	Completion of 0- level Certificate
Graduate from English medium diploma programme at International Baccalaureate School	

- English assessment scores must be no older than 2 years.
- For GCE: Students must also pass five of the exams which must include English, math, social studies, Mother Tongue (or second language), and one science class.
- Citizens of countries and territories where English is an official and/or major language may be exempt from this requirement. Contact us for more information international@losmedanos.edu.

- Sufficient funds to cover the payment of tuition, fees, and living expenses.
- Health insurance fees will automatically be charged each semester when you register for courses.
- International students must pay a nonresident tuition fee, in addition to enrollment fees.
- The college does not have on campus housing and most students arrange their own housing. Information on the Home Stay program can be found at www.diablovalleyhomestay.com

Registration and Course Enrollment

To register and enroll in courses at Los Medanos College, follow these steps. Not only are the steps required, but they will support you in having a successful academic experience.

- All students new to Los Medanos College, as well as those who have missed two or more consecutive semesters, must complete an application to Admissions using our online application. Applications for the Summer, Fall and Spring semesters are accepted beginning September 15.
- New students applying to Los Medanos College are required complete assessment process, complete orientation, and develop an education plan. Students choosing not to complete an assessment, orientation, or educational plan will not receive priority registration while enrolled at the

college. Students who have taken assessment tests at another college must bring results to the Assessment Center.

3. Registration is set up on a priority system (see Course Enrollment Priority) and must be completed online.
4. Enroll in courses and pay appropriate fees (see FEES section).
5. Auditing or “sitting-in” classes is not allowed. All students who attend a class must complete the enrollment process for that class. Grades and/or credit will not be given to students who are not officially enrolled.

Registration Methods

All registration takes place on InSite, Student Planning or InSite App. Detailed instructions for the use of this system can be found on the college website at www.losmedanos.edu or in the Schedule of Classes.

Open, in-person registration is available on scheduled days prior to the start of the term at the Admissions & Records Office on the Pittsburg Campus and at the Brentwood Center. It is also available for students who need to have prerequisites cleared and for special admit high school students.

Students should pay enrollment fees at the time of course enrollment; however fees must be paid in full prior to registration for the following term.

Course Enrollment Priority

Enrollment is based on Title 5 mandates and college policy. Registration is based on a priority system which is described on the college website at www.losmedanos.edu.

Prerequisites/Advisories

In the Schedule of Classes, on the college website and in the course descriptions in this catalog, prerequisites and advisories are listed for certain courses and special information notes are included. This is a guide to assist students in selection of appropriate course levels for their maximum success. Catalog rights do not apply to prerequisites.

Important: To ensure proper placement, prerequisites for all classes will be checked **at the time of registration**. If you have taken a prerequisite course at a regionally accredited institution other than LMC, including high school, please bring transcripts or report cards with you when you register so prerequisites can be verified.* References to “successful completion” requires a grade of “P” or “C” or better. Courses in progress outside the district will not be accepted as prerequisites. Advisories are recommendations only and need not be verified. Prerequisites may be challenged through the fifth day of the term for semester-length classes or through the last date to add for short-term classes.

* Prerequisites coursework will only be accepted from regionally accredited institutions, as recognized by the U.S. Department of Education.

Duplicate or Conflicting Courses

Students are not permitted to enroll in more than one section of the same course and may not enroll in courses that have scheduled meeting times which conflict.

Course Load

Full-time status during Fall and Spring terms is 12 units; 6 units is considered full-time for Summer session; 19 units is the maximum load in Fall and Spring terms; 9 is the maximum load for Summer session. Students must request overload approval from the Director of Admissions & Records. Students should discuss the question of appropriate course load with a counselor.

Open Course Policy

It is the policy of the Contra Costa Community College District that, unless specifically exempted by statute or regulation, every course, course section or class reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to California Code of Regulations, Title 5, Section 55000.

Remedial Coursework Limitation

By state law, students are only allowed a maximum of 30 units of “remedial” course work. Remedial courses refers to precollegiate basic skills courses, defined as courses in reading, writing, computation, learning skills and English-as-a-Second Language and are designated as non-degree applicable (NDA) in the college catalog. The 30 unit limit applies to units of credit in remedial courses taken at any of the three colleges within the Contra Costa Community College District. Exemptions to the 30 unit limit apply to the following: 1) students currently enrolled in one or more courses of English as a Second Language; or 2) students identified by the College Disabled Student Program as having a learning disability.

Evening, Weekend and Online Courses

Most of the courses LMC offers are scheduled for weekdays, and during both daytime and evening hours. The College also provides weekend and online courses. Short-term classes are offered, and may start at various times throughout a semester.

Opportunities are available for those who may want to broaden their general education, wish to learn or improve a vocational skill, and those who are working toward a college degree, and/or transfer to a four-year university.

Instructional Materials

Board Policy 5017 states that each college of the Contra Costa Community College District may require students enrolled in credit or noncredit courses and programs to provide certain instructional and other materials including, but not limited to textbooks, tools, equipment and clothing if:

The instructional and other materials are used in the production of an “end product” that has continuing value to the student outside of the classroom setting.

Eligible students unable to buy their books may request assistance through the Office of Financial Aid and/or the LMC Foundation.

Zero Textbook Cost

Los Medanos College is committed to increasing access to education by helping students save money on textbooks. To achieve this, LMC offers Zero Textbook Cost (ZTC) sections of courses. These sections do not require any cost for students to obtain the required textbooks/software for that section.

Zero Textbook Cost (ZTC) sections are identified in the online schedule with the  symbol and include classes where:

- All required texts may be obtained for free online
- All assigned textbooks are optional
- There are no required textbooks
- There are no costs for required software

In compliance with California Education Code Section 66406.9, all ZTC sections are indicated in online class schedules.

However, the ZTC status of sections may change before the start of the class. If a change is made it will be updated on the online schedule of classes. Additionally, if a ZTC indication is removed (and course materials are required to be purchased), all currently enrolled students in that section will be notified of the change via email.

More information regarding the Zero Textbook Cost initiative can be found at www.losmedanos.edu/OER

Course Information

In each course, students are entitled to a course information sheet. The information about the course includes:

1. Title and catalog number
2. Instructor's name, office, phone extension and office hours
3. Course overview, including instructional methods and goals
4. Course meetings and a tentative calendar of tests and special assignments
5. Textbooks and special materials required and information about appropriate audio-visual or "on reserve" materials in the Library
6. Policy on attendance
7. Evaluation criteria for grades

Cancellation of Courses

The College reserves the right to cancel before or after the first day of instruction any planned or scheduled courses due to insufficient enrollment or inability to secure a qualified instructor.

First Day Drop Policy

If a student is enrolled in a class but does not attend the first class meeting, they are at risk of being dropped from the course. If the student is unable to attend the first class meeting, every effort must be made to contact the instructor prior to the class. Instructors have the right to drop "no-show" students

from lecture and lab/activity classes, given full classes and existing wait lists of other students who are interested in adding the class.

Non-Discrimination Policy

It is the policy of the Contra Costa Community College District and Los Medanos College to provide an educational and employment environment in which no person shall be unlawfully subject to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, sexual orientation, gender, race, color, medical condition, ancestry, marital status or physical or mental disability or based on association with a person or group with one or more of these actual or perceived characteristics. This holds true for all students who are interested in participating in educational programs and/or extracurricular activities. Unlawful harassment, discrimination or denial of access of any employee/student with regard to the above characteristics is strictly prohibited. The lack of English language skills will not be a barrier to admission and participation in the college's education programs.

Inquiries regarding compliance and/or grievance procedures may be directed to the Los Medanos College Title IX Officer and Section 504/ADA Coordinator:

Contact: Gail Newman, Senior Dean, Student Services

Email: gnewman@losmedanos.edu

Phone: (925) 473-7421

Requests for the elevation and addition of sports may also be directed to Gail Newman.

Inquiries/Complaint Procedure

Students who have questions about the procedures for filing an unlawful discrimination or harassment complaint should contact the college Title IX Coordinator/Section 504 Coordinator, the Senior Dean of Student Services. The Senior Dean will provide information about Board Policy 2001 and Human Resource Procedure 1040.07 and the student's right to file a discrimination complaint. Students may follow the informal or formal complaint procedures. The Senior Dean can be reached by calling (925) 473-7421 or email, gnewman@losmedanos.edu.

Informal Procedure

Student-complainants have the option of following the informal complaint procedure, working with the Senior Dean of Student Services. The Senior Dean will meet with the student-complainant, the respondent, and other appropriate college personnel to attempt an informal resolution within 30 calendar days of receiving the complaint. A record of the complaint and resolution will be maintained.

Formal Procedure

Students also have the right to file a formal unlawful discrimination complaint. The Senior Dean will provide students with the District complaint form and forward the completed form to the District Vice Chancellor of Human Resources. Upon receipt of a formal complaint, the District will immediately notify the State Chancellor's Office. Within 10 calendar days

of receipt, the District will commence an investigation of the complaint and notify the complainant. The District has 90 calendar days in which to investigate the complaint and report the administrative findings to the complainant and the State Chancellor's Office. The complainant may appeal the administrative determination to the District Governing Board within 15 calendar days of notice of such determination. The District Governing Board has 45 calendar days in which to act on the appeal.

Inquiries/Complaints on Basis of Disability

Inquiries regarding access, treatment, or employment on the basis of disability, should be directed to the College Section 504/ADA Coordinator, Senior Dean of Student Services, Los Medanos College, 2700 East Leland Rd., Pittsburg, CA 94565, (925) 473-7421, or TDD (925) 439-5709.

Reglamento de no discriminación

El Distrito de Colegios de la Comunidad de Contra Costa y el Colegio de Los Medanos por ley están comprometidos a ofrecer un ambiente con oportunidades de igualdad en programas educacionales y de empleo. El colegio no discrimina o apoya discriminación fundamentada en identificación de grupo étnico, origen nacional, religión, edad, sexo, orientación sexual, raza, color de piel, condición médica, ancestro, estado marital, incapacidad física o mental en cualquier nivel basado o asociado con personas y grupos con una o más de estas cualidades. Esto también aplica a todos los estudiantes que están interesados en participar en programas o actividades colegiales y/o actividades extracurriculares. Acoso ilegal, discriminación, denegación de acceso de cualquier empleado o estudiante con referencia a identificación a grupo étnico, origen nacional, religión, edad, sexo, raza, color de piel, ancestro, orientación sexual, Incapacidad física o mental es estrictamente prohibido. La falta de inglés no es impedimento para admisión o participación en los programas educacionales de este colegio.

Investigaciones en referencia sobre el cumplimiento y procedimientos reglamentarios pueden ser dirigidos a Los Medanos College Title IX Officer and Section 504/ADA Coordinador:

Contacto: Gail Newman, Senior Dean, Student Services.
(Decano, de Servicios Estudiantiles.)

Correo electrónico: gnewman@losmedanos.edu

Teléfono: (925) 473-7421

Investigaciones/Cumplimiento del Proceso

Los estudiantes que tengan preguntas o sientan que han sido discriminados pueden completar el procedimiento apropiado de denuncias sobre; reglamento de discriminación ilegal o acoso sexual, deben de notificar al Colegio Título IX Coordinador/ Sección 504 Coordinador, Al Decano de Servicios Estudiantiles (Senior Dean of Student Services.) El Decano proporcionará información acerca la ley y la póliza del 2001, el procedimiento de Recursos Humanos 1040.07 y los derechos del estudiante en

como documentar la queja de discriminación. Los estudiantes pueden seguir el procedimiento de quejas informal o formal. El Decano puede ser localizado por teléfono al (925) 473-7421 o por correo electrónico gnewman@losmedanos.edu.

Proceso Informal

Si la queja no puede ser resuelta informalmente, el Presidente o la persona asignada deberá notificar al estudiante de sus derechos para presentar una queja formal de discriminación ilegal completando la forma de quejas de el distrito y enviarla al Vice Canciller de Relaciones Humanas De El Distrito.

Una vez recibida la queja formalmente, el distrito notificará (inmediatamente) a la oficina del Canciller Del Estado. Dentro de 10 días después de recibir la queja, el Distrito deberá comenzar una investigación y notificar al estudiante. El Distrito tiene 90 días para investigar la queja y reportar los resultados administrativos al estudiante y a la oficina del Canciller del Estado. El estudiante podrá apelar la determinación administrativa al Consejo Gubernamental Del Distrito dentro de los 15 días de la notificación de dicha determinación. El Consejo Gubernamental Del Distrito tendrá 45 días para actuar sobre la apelación. La falta de actuación del Consejo dentro de los 45 días, indicará la aprobación de la determinación administrativa. El estudiante tendrá el derecho de someter una apelación por escrito a la oficina del Canciller del Estado dentro de 30 días después que el Consejo Gubernamental emita la decisión final del Distrito o permita que la decisión administrativa sea final conforme a lo anterior. El Canciller tendrá la discreción de aceptar o rechazar cualquier petición semejante para revisar casos de discriminación de empleo.

Preguntas quejas a base de incapacidad

Preguntas en cuanto al acceso, tratamiento o empleo a base de incapacidad, deben ser dirigidas al Decano Servicios Estudiantiles De El Colegio Los Medanos, 2700 East Leland Rd., Pittsburg, CA 94565, (925) 473-7421, o TDD (925) 439-5709.

Standards of Scholarship

These regulations pertain to Los Medanos College as permitted under Governing Board Policy curriculum and instruction 4001 and Title 5 of the California Administrative Code. A full text of these policies are on file in each of the college administrative offices.

Attendance

Students are expected to be punctual and attend all courses in which they are enrolled. Students may be dropped by the instructor for failure to attend class in the following circumstances:

1. Failure to attend first class meeting

- Absence from two consecutive weeks of lab or lecture
- At any point when it is concluded that absences have irretrievably affected the student's progress

Grades should not be used as punishment for absences. However, academic grades may be lowered to the degree that instructors can estimate the loss of cognitive, affective, or skills learning due to student absences.

Equally, students can expect the instructors also to be punctual in their attendance. Instructors have a professional obligation to enforce this institutional policy within the dictates of their particular courses and within the bounds of professional discretion.

If a cancellation notice for that meeting has not been posted and the instructor has not arrived, students are automatically dismissed without penalty 15 minutes after the scheduled course starting time. If a course session started late, the instructor should still dismiss as scheduled.

To protect student rights against instructor error and opportunity and to explain mitigating circumstances, the due process of appeal will follow this order:

- To the instructor;
- If necessary, to the instructor and appropriate dean;
- In unusual cases, to the instructor, appropriate dean and the President.

All courses are required to have a final examination or skill evaluation appropriate to the type of course.

Grading

The evaluation in college-level courses is a prime responsibility of the instructor. Such evaluation involves the measurements of achievement against the objectives of the course and the assignment of a grade to denote the student's degree of success.

The grade, as submitted by the instructor, shall be considered final and permanent. Grades cannot be changed by submitting additional course work or taking examinations after the semester (or term) is completed. Under state law, the instructor's determination is final unless the grade given was the result of 1) mistake, 2) fraud, 3) bad faith, or 4) incompetence. (Ed Code Section 76224)

No grade may be challenged more than one year after the end of the session in which the grade was assigned. For information on the Policy regarding grade challenges, contact the Office of Student Life: (925) 473-7554.

Final Grades

Final grades can be accessed at the end of instruction, following instructor grade entry online. Students can check their final grades by logging into InSite at the college website.

Honors Status

Honors Status & Dean's List

Full-time students who achieve a term grade point average of 3.0 or better in 12 or more units of graded courses are recognized with honors status for that term. Notation of this academic achievement is printed on the student's record. Full-time students (including students approved for Reduced Course Load) who achieve a term grade point average of 3.0 or better are recognized on the Dean's List for that term.

Graduation with Honors

Students who achieve an overall grade point average of 3.5 or better for all coursework applied to the degree at the time of graduation are recognized with honors status. Notation of this academic achievement is printed on the student's record, on the diploma and in the graduation program. Students who achieve an overall grade point average of 4.0 are acknowledged at the graduation ceremony.

Alpha Gamma Sigma (AGS) is the academic honor society and service organization of the California Community Colleges. Initial membership is attained by completing 12 units with a cumulative grade point average of 3.0.

All life members of the California Scholastic Federation and those who graduated high school with a 3.5 GPA are also eligible for temporary membership during their first semester at LMC. Permanent AGS status is achieved by maintaining active involvement in our chapter and a high GPA. Permanent membership is noted on the student's official college transcript. For further information, contact the AGS Advisor.

Evaluative Symbols/Grading Scale

SYMBOL AND DEFINITION	GRADE POINTS
A Excellent	4
B Good	3
C Satisfactory	2
D Passing, less than satisfactory	1
F Failing	0
P Passing (at least satisfactory — C or better — units awarded not counted in GPA).	
NP No Pass (less than satisfactory or failing — units not counted in GPA).	

Pass/No Pass Grade Option

The purpose of the pass/no-pass (P/NP) option is to allow students to take challenging courses while avoiding undue concern for their grade point averages. Students who select this option are, however, expected to complete the course, comply with attendance requirements, and comply with all other requirements of the course.

Selected courses have been labeled with "SC" to indicate student choice for the P/NP option. If students do not choose the P/NP option before the deadline, they will be issued a letter grade for the course. Students should discuss this choice with a counselor.

In order to exercise this option, a petition must be filed with the Admissions & Records Office no later than the end of the fourth week of the semester for a full-semester class. Petitions for summer session and short-term courses must be filed within the first 30 percent of the course. After the deadline has passed, the grading choice may not be reversed.

Important information related to the P/NP option:

- A "P" (pass) grade represents a letter grade of A, B, or C.
- An "NP" (no pass) grade represents a D or F letter grade.
- Units earned on a P/NP basis will not be used to calculate grade point averages.
- Units attempted for which NP is recorded will be considered in factoring probation and dismissal status.
- Units earned on a P/NP basis will apply to the 60 units required for an associate degree.
- Students should be aware that other colleges and universities may or may not limit the number of P units that will be accepted from transfer students.

Los Medanos College offers:

1. Some courses solely for a pass/no-pass (P/NP) grade
2. Some courses solely for a standard letter grade
3. Some courses in which the student may choose to complete the course for either a credit/no credit (P/NP) grade OR a standard letter grade (SC)

Courses offered as "P/NP" or "SC" are identified in the course description section of the catalog.

Non-Evaluative Symbols

I Incomplete: Conditions for Assigning an Incomplete: Academic work that is incomplete for unforeseeable, emergency, and justifiable reasons at the end of a term may result in an "I" symbol being entered in a student's record.

Procedures for Use of Incomplete: An Incomplete form shall be filed with the Director of Admissions & Records and a copy given to the student by the instructor at the end of the term. This Incomplete form shall contain the condition for removal of the "I" and the grade assigned in lieu of its removal.

A final grade shall be assigned when the work stipulated has been completed and evaluated or when the time limit for completing the work has passed. If the instructor has not changed the grade by the end of the expiration date, the grade will convert automatically.

The incomplete must be made up no later than one year following the end of the term in which it was assigned. The "I" symbol shall be used only in calculating enrolled units for progress probation.

IP In Progress: The "IP" symbol shall be used only in those courses which extend beyond the normal end of the academic term. It indicates that work is "In Progress," but that assignment of a substantive grade must await its completion. The IP symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative grade and unit credit shall be assigned and appear on the student's record for the term in which the required work of the course is completed. The "IP" symbol shall not be used in calculating units attempted, nor for grade points. If a student enrolled in an "open-entry, open-exit" course is assigned an "IP" at the end of an attendance period and does not re-enroll in that course during the subsequent attendance period, the appropriate faculty will assign a evaluative symbol.

RD Report Delayed: Only the Director of Admissions & Records may assign the "RD" symbol. This symbol is to be used when, for reasons beyond the control of the student, there is a delay in reporting the grade of that student. The "RD" is a temporary notation to be replaced by a permanent symbol as soon as possible. The "RD" symbol shall not be used in calculating units attempted, or for grade points.

W Withdrawal: Withdrawal from a course shall be authorized through 75% of the term or course. No notation (W or other) shall be made on the academic record of the student who withdraws on or before the last business day prior to census.

1. The District may authorize withdrawal from a course in extenuating circumstances after the last day of the fourteenth week or 75% of the term, whichever is less, upon petition of the student after consultation with the appropriate faculty. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.
2. A "W" shall not be assigned, or if assigned shall be removed, from a student's academic record if a determination is made that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment.
3. A "W" shall not be assigned to any student who withdrew from one or more classes, where such withdrawal was necessary due to fire, flood or other extraordinary conditions.
4. A student may petition to take a course a fourth time; with documented extenuating circumstances for the third attempt. The college must provide intervention in cases of multiple withdrawals.

MW Military Withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses.

1. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the Governing Board during which no notation is made for withdrawals;
2. Military withdrawals shall not be counted in progress probation and dismissal calculations.
3. "MW" shall not be counted for the permitted number of withdrawals.

Withdrawal and Drop Policy

Upon entering Los Medanos College, students assume the responsibility of completing each course in which they are enrolled. Students are responsible for officially withdrawing from any classes in which they no longer wish to attend; it should not be assumed that an instructor will process the drop when a student quits attending. Non-attendance and non-payment of fees does not release the student from this responsibility and may result in a failing grade and a debt on their record.

Students may drop on WebAdvisor or in person at the main campus or at the Brentwood Center, prior to the designated deadline for dropping classes.

Withdrawals

- Students who have documented extenuating circumstances such as accidents, illness or other situations beyond the control of the student, may apply for a withdrawal after 75% of the term.
- A 'W' shall not be assigned if the student withdraws due to the impact of fire, flood or other extraordinary conditions (petition required).
- In the case of discriminatory treatment or retaliation for discriminatory treatment a 'W' shall not be assigned.
- Active or reserve military students who receive orders compelling a withdrawal from courses will receive a military withdrawal which shall not be counted in the limit of withdrawals or progress probation.

Probation and Dismissal

Definition of Terms

Units Attempted: A, B, C, D, and F (for calculation of GPA)

Units Enrolled: A, B, C, D, F, W, I, P, and NP (for calculation of progress)

Consecutive Semester: The order shown on academic record, including Summer session

NOTE: Non-degree-applicable course grades are not included in calculating the GPA for a degree.

Academic

Academic Probation: Cumulative GPA under 2.0 with 12 or more cumulative units attempted.

Removal from Academic Probation: Cumulative GPA 2.0 or better.

Academic Dismissal Status: Three consecutive semesters of Academic Probation unless most recent semester GPA is 2.0 or higher.

Progress

Progress Probation: With 12 cumulative units attempted, 50% or more are W, I, and/or NP.

Removal from Progress Probation: Cumulative units completed are more than 50% of cumulative units attempted.

Progress Dismissal Status: Three consecutive semesters of Progress Probation unless most recent semester student completes 50% or more of attempted units.

Notification of Probation and Dismissal

Students on Probation or Dismissal status are notified by the department of Student Success & Retention Programs as soon as possible, but not later than the end of the following term.

Students on Probation II and/or Academic Dismissal status are required to meet with a Student Success & Retention counselor.

Reinstatement for Academic Probation and Dismissal

A student on Probation I, II, or dismissal status will be required to complete the steps below prior to enrolling in courses. Requirements are based on students' respective status.

Probation I Status:

Step 1: Review notice of Probation I status emailed to InSite.4cd.edu address

Step 2: Complete online Probation I Workshop

Probation II Status:

Step 1: Review notice of Probation II status emailed to InSite.4cd.edu address

Step 2: Register and attend LMC Probation II Workshop (go to www.losmedanos.edu/counseling/workshops.asp)

Step 3: Earn a minimum term GPA 2.0 or better with no grade below C, including NP, I or W.

Step 4: Submit Academic Progress Report (APR) by date specified to LMC Student Success & Retention Programs (SSRP).

Step 5: Meet with a Student Success and Retention Programs (SSRP) counselor by date specified

NOTE: Students on Probation II will lose their registration priority but may appeal their registration date with Admissions & Records. Students will also lose their eligibility for the California College

Promise Grant (CCPG)- formerly known as Board of Governors (BOG) Fee Waiver. For more information on how to complete an appeal please check in with the Financial Aid Office.

Based on student cumulative GPA, one or more semesters may be required to remove a student from Probation II status.

Dismissal Status:

Step 1: Review notice of dismissal status emailed to insite.4cd.edu address

Step 2: Register online to meet with a Student Success & Retention Coordinator (SSRP) to begin the process for reinstatement (go to www.losmedanos.edu/counseling/workshops.asp).

Step 3: Complete additional requirements and submit supporting documents.

Step 4: Receive notification of Petition for Reinstatement Status (i.e. approved, denied, or pending) at insite.4cd.edu address within 10 business days after submission of supporting documents.

Step 5: If reinstatement petition is granted, student may register for classes and must adhere to the following guidelines:

- * Earn a minimum term GPA 2.0 or better with no grade below C, including no NP, I or W.
- * Meet with a Student Success and Retention Programs (SSRP) counselor by date specified
- * Submit Academic Progress Report (APR) by date specified to LMC Student Retention and Support Services to maintain admissibility.

Students who fail to earn a term GPA 2.0 or better with no grade below a C, including an NP, I or W and/or fail to submit an APR will be dismissed for a period of at least one semester. Based on student cumulative GPA, one or more semesters may be required to remove student from dismissal status.

NOTE: Students on Dismissal will lose their registration priority but may appeal their registration date with Admission and Records, if their Hold Release petition is approved. Students will also lose their eligibility for the CCPG waiver. For more information on how to complete an appeal please check in with the Financial Aid Office.

Credit Accepted at Los Medanos College

Other College

Los Medanos College accepts credit from institutions accredited by one of the five regional accrediting associations or follows the recommendation of the American Association of Collegiate Registrars and Admissions Officers. Transcripts are evaluated when the student requests an evaluation from Admissions & Records.

Military Experience

1. Applicable lower-division credit for verified completion of special military schools, as recommended by Guide to the Evaluation of Educational Experiences in the Armed Services, published by American Council on Education.
2. Six elective semester units may be granted toward the associate degree for honorably discharged veterans, provided the elective credit applies toward the student's educational objective. The credit will be granted upon verification of completion of a basic or recruit training program with the United States Armed Forces.

Credit by Examination

Credit by examination may be granted to eligible students, as authorized by California Administrative Code, Title 5, Sections 55002, 55023 and 55050, and Board Policy 4001. The credit by examination process provides an alternate means of receiving credit for designated courses offered at Los Medanos College (LMC).

Currently there are no courses approved for credit by exam.

Credit Through High School Articulation

Los Medanos College will grant college credit for courses formally articulated with area high schools in occupation/career areas where articulation agreements have been signed between high schools and Los Medanos College. The students' high school instructors will provide agreed upon information for the college credit.

For a list of currently articulated high school courses, visit: www.losmedanos.edu/cte/articulations.asp

Credit by Advanced Placement (AP)

Los Medanos College grants credit toward undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. The policy for granting credit for specific scores and exams is presented in the table.

Students who participate in this program should indicate at the time they take the Advanced Placement Examinations that their scores be sent to Los Medanos College. Credit may not be earned at Los Medanos College for courses which duplicate credit already allowed for examinations as listed under course equivalents.

Note that credit granted at LMC based on AP scores may not be accepted at other institutions.

High School Credit

Students may use credit for courses completed at Los Medanos College toward completion of a high school diploma providing the high school agrees to accept the course for such purposes. Responsibility for making equivalency arrangements with the high school rests with the student.

Notes: 1. A student planning to transfer to a four-year college or university should consult that transfer institution's catalog regarding its awarding of Advanced Placement credit. Credit awarded at Los Medanos College for the completion of a CSU general education area and/or IGETC is as noted above.

2. Units awarded for Advanced Placement exams may not be used to meet the residency requirements for the associate degree.

3. AP tests may not satisfy the requirements for specific majors at four-year colleges. Please consult with a counselor or a university representative.

* If test was taken in Fall 2009 or earlier, credits may apply to either B1& B3 or B2 & B3. After Fall 2009, these credits apply only to B1 & B3.

** If more than one exam passed in calculus or computer science, only one exam may be used for transfer.

*** If more than one exam passed in physics: maximum of four units for CSU GE, six units for CSU transfer, 5.3 units for UC.

**** Partially fulfills the American History & Institutions requirement. California government requirement can be fulfilled after transfer.

***** If taken prior to Fall 2009.

Course Repetition Policy

Courses are not repeatable unless noted within the course descriptions listed in the catalog. Students may repeat a non-repeatable course only to alleviate a substandard grade of D, F or NC/NP.

Students are limited to enrolling in credit classes a maximum of three times. This includes students earning substandard grades or dropping with a "W".

Students earning substandard grades or dropping with a "W" may submit a petition for course repetition. Students will be notified upon registration if they are enrolling for a second time. Students enrolling for a third time will be blocked from registration and required to submit a Petition for Course Repetition. Students are urged to manage course load and be aware of the number of enrollments for a specific course, carefully consider dropping courses and understand all deadlines. Take advantage of tutoring and other support services to achieve successful completion of all courses.

When a course is repeated to alleviate a substandard grade, the previous grade will be disregarded in computing the student's grade point average. The substandard grade will remain on the student's transcript with a notation that the course has been repeated.

Courses that are repeatable are noted in the college catalog with the number of repeats allowed. Students may not repeat a course beyond the maximum repeats, even to alleviate substandard grades.

Courses of similar content will be placed in "families". Students cannot repeat individual courses within a family and the maximum of enrollments within a family will be 4.

Course repetition cannot be used to make up an "I" incomplete grade.

Repeat of Biology Courses

Students who have received two substandard grades or "W"s or any combination in the same Biology 40, 45 or 50 course will be blocked from future enrollment in that course. Students may appeal the policy using the Petition for Course Repetition form, along with a written explanation of the circumstances.

Academic Renewal Policy

Based on the Academic Renewal Policy, substandard grades may be disregarded if they are not reflective of a student's demonstrated academic ability. If Academic Renewal is approved, the student's permanent record will be notated with appropriate comments and the substandard (D, F, NC/NP) unit values will not be computed in the cumulative grade point average. The "renewed" courses and the related grades will not be removed from the record, as the district is required to show a complete and accurate academic record for every student (Title 5, Section 55046).

Students MUST meet with a counselor to review options for Academic Renewal, as this procedure is irreversible.

1. You may only utilize Academic Renewal one time within the District.
2. Only substandard grades will be renewed.
3. You must have completed 20 units of satisfactory work that has been completed within the Contra Costa Community College District or any other accredited college or university, since receiving the last substandard grade (the unit count begins the semester after the substandard grade is received). In-Progress semesters cannot be included.
4. If you have coursework from another college, student must provide official transcript.
5. You must not have received any of the following: D, F or NC/NP, since the substandard work (minimum 2.0 since substandard work).
6. Courses that have already been removed from GPA by course repetition cannot be reversed.
7. Academic Renewal cannot be reversed.
8. There is no minimum or maximum time limit (no waiting period since the substandard work).
9. A maximum of 24 units within the district may be renewed, however each college will make their own adjustments.
10. The processing time is 2 weeks.

Transcript Requests

In order to evaluate previous college course work that may apply toward prerequisite verifications, program planning, veteran certifications, graduation requirements, and financial assistance, students must request official transcripts from high school or other colleges to be sent to the Los Medanos College Admissions & Records Office. Once received by LMC, incoming transcripts cannot be released to the student or forwarded to a third party. Students may request an evaluation of transcripts.

The Admissions & Records office must receive written authorization in order to release official LMC student records. Students may request their official transcripts online by logging into WebAdvisor. More information can be found at the college website.

Separate transcripts are maintained for each college within the district. Transcript requests processed through the college will only contain academic history for coursework completed at LMC.

Enrollment and Degree Verifications

Enrollment and Degree Verification are available online through the National Student Clearinghouse. To obtain free copies of official verification of enrollment (24 hours a day, 7 days a week), visit: www.losmedanos.edu. Log onto InSite and click on "Enrollment Verification" for this free service.

Students requesting an enrollment verification from the Admissions & Records Office will incur a charge, depending on the type of service requested.

If an agency needs to verify student enrollment or degree completion and will not accept a printed copy from the student, the agency should be referred to: National Student Clearinghouse, www.studentclearinghouse.org. Enrollment information is sent to the Clearinghouse three times each semester.

Rights of Instructors

Los Medanos College instructors have the following rights:

1. The right to drop students who fail to attend the first meeting of any course.
2. The right to deny permission to use an audio/video recorder in class.
3. The right to drop the student when he/she is absent during two consecutive weeks of lab or lecture or when students are tardy to the degree that classes and learning opportunities are disrupted.
4. The right to drop a student at any point that the instructor concludes that absences have irretrievably affected a student's progress in a course.
5. The right to remove a student from a single course session and one following for conduct disturbing to the class or the instructor.
6. The right to recommend suspension of a student.

Fees, Benefits & Financial Aid

Enrollment Fee for California Legal Residents

As established by state legislation, enrollment fees* are \$46 (beginning Summer 2012) per unit for California residents.

*The District reserves the right to adjust the enrollment fee, based on changes in state legislation.

Tuition for Non-California Residents

Nonresident tuition for non-California residents* is \$259 per unit, in addition to the enrollment fee of \$46 per unit. The nonresident fee for non-U.S. citizens is \$259 per unit, in addition to the enrollment fee.**

*The District reserves the right to adjust the nonresident tuition fee consistent with applicable law.

Nonresident Tuition Exemption*

The VACA Act (Veterans Access, Choice and Accountability) was effective July 1, 2015. This act waives nonresident tuition for certain veterans and their dependents beginning Fall 2015 semester. Student veterans covered under Chapter 30 and 33 are eligible. For further information inquire at the Admissions & Records Office.

*(VACA, Veterans Access, Choice and Accountability Act, AB 13)

Nonresident Tuition Exemption (AB 540/AB 68)

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

- The student must have:
 - Attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or
 - Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years, and
- The student must have:
 - Graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or
 - Completed an associate degree from a California Community College, or
 - Completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, and
- The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and
- The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

Nonresident Tuition Exemption (AB 2000)

Effective January 1, 2015, students may be exempt from paying Nonresident Tuition under AB 540 if they attained credits earned in California from a California high school equivalent to three or more years of full-time high school coursework and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of those schools. The student must also have received a diploma or equivalent in California.

Nonresident Tuition Exemption (SB 150)

Concurrently enrolled students (high school students enrolled in college classes) who are classified as non-resident students for tuition purposes may be eligible for the SB150 waiver of non-resident tuition while still in high school. Students must be special admit part-time (enrolled in 11 units or less) students who currently reside in California and are attending high school in California. Students wishing to take advantage of this exemption

should complete a residency reclassification form and attach a copy of high school transcripts showing current enrollment. Forms and attachments should be submitted to the Admissions & Records Office in Pittsburg or Brentwood.

DACA (Deferred Action for Childhood Arrivals)

Effective June 2014, students who have been given a C33 Visa (Deferred Action for Childhood Arrivals) may qualify for California residency with appropriate documentation. Please contact Admissions & Records for more information.

Student Union Fee Information

Based on a student vote in a campus election, a student union fee is required of all students (except CCPG waiver recipients, with CalWORKs, TANF, general assistance, and SSI). The fee is \$1.00 per unit, to a maximum of \$10.00 per academic year. The student union fee must be paid at the time of registration. The fee will contribute funding toward the construction and maintenance of a student center in upcoming years.

Student Activity Fee

The Student Activity Fee in the amount of \$5.00 per semester (Fall and Spring only) allows the Los Medanos College Associated Students (student government) to provide scholarships, leadership opportunities, cultural programs and other co-curricular programs for the college. It also funds programs such as the textbook on reserve program that allows students to check out course textbooks for use in the library. Students may request a refund of the fee by submitting the Student Activity Fee Refund Request Form before the refund deadline. That form is available online at: www.losmedanos.edu/admissions/ActivityFeeRefundForm.pdf.

Financial Holds

A hold may be placed on a student's record whenever that student has failed to pay any debt owed to the college or has failed to return a library book or other college property or equipment. Students with holds will not be allowed to register, receive transcripts, receive certificates or degrees, and/or receive other services related to student records. The hold will be removed once the student has cleared the obligation with the college.

Effective with the start of each term, official transcripts will not be processed for students who have an outstanding debt for the current term.

If your debt remains unpaid, Los Medanos College may garnish your California state tax return through the state-mandated Chancellor's Office Tax Offset Program (COTOP). In this instance, a 33 1/3% administrative fee will be added to your delinquent balance. This balance will be forwarded for collection to the State Franchise Tax Board (FTB). In the event you are owed a state tax refund, win a California Lottery prize, or have unclaimed property to be distributed to you by the State of California Controller's Office for the upcoming tax year, California State Government Code sections 12419.2, 12419.7, 12419.10, and 12419.11 authorize

the Office of the State Controller and the FTB to collect money owed to individuals and redirect these funds to pay the individual's debt owed to the agencies/colleges.

Student Fee & Enrollment Refund Policy

Fee refunds for students who withdraw from school or drop classes by the deadline for refunds will be automatically calculated at the District Office. Refunds for complete or partial withdrawals from school will be processed after the first two weeks of instruction. Refund checks will be mailed to the student address* on file in WebAdvisor. If the student paid by credit card on WebAdvisor, the refund will be processed as a credit to the credit card.

***If you have a new address, please change your address in WebAdvisor prior to dropping classes.**

A refund will not be made if the student has other outstanding debts to the college. Refund checks will be issued monthly after the first two weeks of instruction each semester. No refund of the enrollment fee will be made to any student who withdraws from classes after the first two weeks of instruction for a full semester class, or after 10% of the class time for a short-term class.

The Student Union Fee refund policy is identical to the refund policy for enrollment fees.

Students who register early and subsequently drop all classes prior to the beginning of the semester may petition for an early refund at the Cashier's Office. The above policy also applies to the refund of nonresident tuition fees.

Financial Aid Enrollment Fee Refunds

If subsequent to paying enrollment fees, a student becomes eligible for financial aid and receives an enrollment fee waiver, the student will automatically be mailed a full refund check or a credit card credit will be issued according to the same refund processing cycle as enrollment fee refunds.

Parking Fees

Students may purchase a parking permit, valid for one semester. The cost is \$48.00 for automobiles and \$30.00 for motorcycles or mopeds for Fall or Spring semesters. Summer permits are \$25.00 for automobiles and \$15.00 for motorcycles or mopeds. A permit holder may be purchased for an additional \$1.00, if desired. Permits should be placed on the front or rear window or hung from the rearview mirror on a permit holder. Session-long permits can be purchased online through InSite/WebAdvisor, www.4cd.edu/webadvisor.

Daily parking permits may be purchased from the ticket machines for \$3.00. These machines are located in Lot A, Lot 1A, Lot B, Lot C and on the perimeter road, (Los Medanos Drive) by the softball fields. Daily permits must be displayed on the dashboard of the student's vehicle.

Students who qualify for the CCPG fee waivers may purchase a parking permit at a discounted price.

Parking Permit Refunds

Parking permit refunds will be made if the student drops all classes within the first two weeks of instruction for semester-length courses or by 10% of the length of short-term courses. Lost or stolen parking permits are not refundable.

Parking permits are sold through a third party vendor. Please go to our website to purchase parking permits. The parking decal must be returned to the Cashier's Office for a refund. Refunds will be provided by the vendor that sold the parking permit.

Returned Check Fee

Only cash or cashier checks will be honored for clearing checks returned for insufficient funds. The returned check fee is \$15.00. Records are held until the fee is cleared. Students who fail to clear debt for enrollment fees will be placed on hold.

Student Payroll

Paychecks for all student employees are distributed at the payroll window in Business Services on the tenth of each month and the following four business days. If the tenth of the month should fall on a Saturday or Sunday, the paychecks will be distributed the Friday before. After 5 business days, paychecks will be mailed to the address of record. All student employees with a bank account are eligible for direct deposit. Direct deposit stubs are no longer printed but pay advices are now available for viewing online through WebAdvisor.

Instructional Materials Fee

Instructional materials fees for certain selected courses may be paid at the time of registration, the first week of class or the materials may be purchased on your own. Authority for the charge is granted under Contra Costa Community College District Board Policy 5024. These instructional and other materials include but are not limited to: textbooks, tools, equipment and clothing if:

- The instructional and other materials required for the course have a continuing value to the student outside of the classroom setting, or
- The instructional and other materials are used in the production of an "end product" that has continuing value to the student outside the classroom setting.

At the beginning of each term, the instructor will inform you of the material specification. Students may choose to purchase the material on their own or may choose to pay the instructional materials fee.

Instructional materials fee refunds are provided to students who withdraw from school or drop the course by the required drop date. This refund is contingent upon the return of all usable materials. The instructor will verify that all materials have been returned and suitable for resale and reuse. Refund checks will be processed after the first two weeks of instruction and mailed to the student.

Veterans Benefits

Los Medanos College is approved for the training of veterans, dependents of deceased veterans, and children of disabled veterans under applicable federal and state laws administered by the Veterans Administration and the State Department of Veterans Affairs. Eligibility for benefits under any of these programs is determined by the appropriate federal or state agency. The College will make necessary certifications of enrollment and progress for such eligible students and will provide any desirable or necessary planning of programs of study. Certification of attendance depends upon the student's being registered in the College, enrolled in courses, and requesting such certification. Priority registration appointments are available by request to active military personnel and to honorably discharged veterans.

Only courses which meet requirements for the major and degree objective indicated on the student veteran's educational plan will be certified for payment of benefits. If the educational objective has changed, the student must request a new evaluation. Los Medanos College is approved to certify for an associate degree or a certificate of achievement, as listed in the catalog, or for transfer majors approved for UCs and CSUs colleges only. Students may earn multiple degrees or certificates. Veterans are cautioned that some courses are less than a semester in length and benefits are paid according to chapter and load.

Student veterans must report any change in academic program to the Admissions & Records Office immediately. Failure to report changes, such as withdrawal from courses or from the college, will be interpreted as a violation of the Educational Benefits Act.

A GPA of 2.0 is required to meet graduation requirements.

A veteran whose GPA falls below the required minimum average will be placed on academic probation. If the veteran does not improve their GPA to the required minimum by the end of this period, their veterans benefits will be terminated. Additionally, repeated withdrawals from courses may also result in unsatisfactory progress. Unsatisfactory progress resulting in a status of progress probation will also result in the termination of benefits.

Six elective semester units will be granted toward the associate degree for honorably discharged veterans, provided that elective credit applies toward the student's educational objective. The credit will be granted upon verification of completion of a basic or recruit training program with the U.S. Armed Forces.

Additional information may be obtained from the Admissions & Records Office or from the Veterans Administration Regional office, San Francisco, (800) 827-1000.

Extended Opportunity Programs & Services (EOPS)

www.losmedanos.edu/eops
(925) 473-7480

EXTENDED OPPORTUNITY PROGRAMS & SERVICES (EOPS) is state-funded program that exists to increase the enrollment, retention, persistence, and success rates of low-income students from educationally disadvantage backgrounds. To qualify for EOPS, you must: 1) be a California resident; 2) be enrolled full-time at LMC; 3) qualify for a California College Promise Grant (CCPG) fee waiver (A or B); 4) have earned less than 70 degree-applicable units; and 5) demonstrate an academic disadvantage (for example, if neither parent earned a 4-year college degree). By partnering with EOPS, students benefit by receiving academic and financial support services that is above, beyond, and in addition to services available to all LMC students, such as priority registration, parking permits, transfer application fee waivers, academic and personal counseling, calculator loans and book vouchers.

COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE) is a state-funded program that exists to increase the enrollment, retention, persistence, and success of EOPS students who are single head-of-households that personally receive TANF/CalWORKs or are the parent of a child under 13 that is receiving TANF/CalWORKs services. By partnering with EOPS, CARE students benefit from an additional layer of academic and financial support services such as—cash grants, personal life development workshops, meal tickets* (for use in LMC's cafeteria) and childcare* provided through the LMC Child Study Center. (*Dependent upon State budget)

Vocational Rehabilitation

The State Bureau of Vocational Rehabilitation provides financial assistance in some cases to students who require vocational training. Aid covers fees and books. Applicants should see a Vocational Rehabilitation Counselor well in advance of the school term to work out necessary arrangements. Contact the Department of Rehabilitation, 3656 Delta Fair Blvd., Antioch; (925) 754-7700

Financial Aid

www.losmedanos.edu/financialaid/
(925) 473-7525

The Los Medanos College Office of Financial Aid, in compliance with Titles VI and VII of the Civil Rights Act of 1964, and Title IV of the Higher Education Act of 1965, P.L. 89-329, as amended and the Rehabilitation Act of 1973, does not discriminate on the basis of race, creed, color, national origin, mental or physical handicaps, age, or sex in any of its policies, practices or procedures.

The Philosophy of Financial Aid

Financial Aid is a means of assisting students to receive a college education who would otherwise be unable to afford this opportunity.

Students to be helped are those who show the most financial need and who demonstrate the desire and ability to achieve academic goals and complete a course of study in a degree or certificate program.

There are three types of financial aid:

- Grants – awards that a student does not have to repay unless student drops all classes before completing 60% of the semester or drops below half-time status between the first and second payments .
- Federal Work-Study – part-time work earned on a monthly basis.
- Loans – low interest government loans that students can borrow and must be repaid with interest.

Basic Requirements

To be eligible, students must meet certain requirements:

- Complete a Free Application for Federal Student Aid (FAFSA).
- Be a U.S. citizen or eligible noncitizen.
- Be enrolled in an eligible program working toward a degree or certificate (an associate degree or transfer program to a four-year school or a certificate program that meets requirements).
- Have a high school diploma, a GED Certificate, or a home school certificate.
- Not be in default on a Federal student loan or owe a repayment on a Federal grant.
- Be registered with Selective Service (male students).

How to Apply for Financial Aid

All students are encouraged to apply for all forms of Federal and State financial aid programs offered at Los Medanos College by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov.

The FAFSA should be completed beginning October 1 and no later than March 2 to meet priority filing date. Students must reapply each year to continue receiving funding.

1. Complete a "Free Application for Federal Student Aid (FAFSA)" online at www.fafsa.gov.
2. You will receive an electronic or paper "Student Aid Report (SAR)" from the Federal government Central Processing System (CPS).
3. If you complete the FAFSA you will also be automatically considered for the CC Promise Grant fee waiver which waives or refunds your enrollment fees (assuming you are a California resident). You do not have to file a separate (CCPG) application.
4. If you want only your fees paid or refunded, you can complete the shorter CC Promise Grant fee waiver form online using OpenCCC, www.losmedanos.edu/financialaid/apps.asp. Next, click on "CCPG Application".

State financial aid programs are available to AB540 students. AB540 students are encouraged to complete the California Dream Act application online at dream.csac.ca.gov.

California College Promise Grant Program

All California residents and AB540 students are encouraged to apply for a state-funded CC Promise Grant (CCPG) which waives or refunds your enrollment fees.

Students who complete the FAFSA or Dream Act application will automatically be considered for the CC Promise Grant fee waiver.

Students will be considered for one of the fee waivers as follows:

CCPG – A:

You or your family are receiving public assistance from CalWORKs/Temporary Assistance for Needy Families (TANF) or Supplemental Security Income (SSI) or General Assistance/General Relief.

CCPG – B:

You must meet the following income criteria for the 2018-2019 academic year:

Family Size	2016 Income
1	\$18,090
2	\$24,360
3	\$30,630
4	\$36,900
5	\$43,170
6	\$49,440
7	\$55,710
8	\$61,980

Each Additional Family Member: \$6,270
All amounts subject to change.

CCPG – C:

You have completed the Free Application for Federal Student Aid (FAFSA) and you have "Financial Need" as defined by the Department of Education located on your Student Aid Report.

CCPG-D:

You may qualify for CCPG D if the financial aid office has verified you have been without a residence in the last 24 months (homeless).

CCPG – F:

You must have certification from the California Department of Veteran Affairs.

Beginning with the Fall 2018 semester, there are minimum academic progress standards that must be met for continued eligibility for the CCPG.

- Academic standards: sustain a cumulative GPA of 2.0 or higher
- Progress standards: cumulative satisfactory completion of more than 50% of all coursework attempted.

Students with extenuating circumstances are given an opportunity to appeal.

Other Federal and State financial aid programs available at Los Medanos College:

- Community College Completion Grant
- Full-Time Student Success Grant
- Federal Supplemental Educational Opportunity Grant
- Federal Pell Grant
- Federal Work-Study
- Federal Direct Loans (Subsidized and Unsubsidized)
- Full Time Student Success Grant
- Cal Grant B
- Cal Grant C
- California Chafee Grant
- Community College Completion Grant

Deadlines

To get the best aid available, apply early. Students whose applications are completed by March 2 will receive priority for some limited funds and can apply for certain state programs.

If this deadline has already passed, don't panic! Students may still be eligible for significant assistance—like a Pell Grant and a CC Promise Grant Waiver.

Satisfactory Academic Progress (SAP)

Each student receiving financial aid in the District is expected to maintain satisfactory and measurable academic progress.

Satisfactory and measurable academic progress is defined within the District as successfully maintaining a semester and cumulative GPA (grade point average) of 2.0 (C or greater) and complete 67% (or more) units attempted each and every term. Also, students cannot exceed 150% of units as stated in the student's educational plan.

Warning

If the above conditions are not met during a given semester the student will be placed on Financial Aid Warning for the following semester of attendance. The student will be allowed to receive financial aid during the warning semester. However, if the student fails to meet the satisfactory academic progress standards during the warning period, the student will be suspended from financial aid assistance.

Suspension

If the student is placed on warning and the student has not successfully improved their semester and cumulative Grade Point Average and/or did not complete 67% of their attempted units the student will be suspended from financial aid the following semester.

Students who have been suspended from financial aid have the right to appeal for reinstatement.

Financial Aid Appeals

A student who is suspended from financial aid may have their eligibility reinstated. If a student feels he/she has unusual or extenuating circumstances that have affected the student's ability to make progress, they should submit a suspension appeal and supporting

documentation outlining the circumstances to the Office of Financial Aid. The appeals will be reviewed by the Appeal Committee. If approved, a student will be placed on probation for that semester. At the discretion of the Appeal Committee, students who have met minimum academic requirements of the SAP policy while in Financial Aid probation for the previous semester, may be reconsidered for automatic continuance of their "probation" status for the current semester.

Refusal of Financial Aid Award

If you decide not to accept any program on your Financial Aid Award Notification Letter, please contact the Office of Financial Aid.

Changing Majors: Maximum Time Frame

Students who change their career goals and thus need to revise their educational plan may do so by consulting an academic counselor and filing a new educational plan. However, such changes should be minimized, as students who have 150% of the minimum credit hour requirements toward a course of study (as defined in the College Catalog) or have attempted the maximum time frame of six semesters (prorated for less than full-time enrollment) will not be eligible for financial aid.

If you believe there are extenuating circumstances that prevented you from completing your degree within the time frame or you think the credit totals are inaccurate, you may appeal for an extension or a review of your time frame. On your appeal, you should explain why you were unable to complete your degree within the time frame allowed. Attach supporting documentation to substantiate your petition.

Financial Aid Disbursement

If you have a Federal Work-Study job, you will receive a monthly pay check for the hours you work. Contra Costa Community College District offices will mail out Student's Financial Aid Disbursement Checks, according to the agreed upon District-wide Financial Aid Processing Schedule. Students can also select ACH Transfer (direct deposit) or a Money Network enabled college cash card as their funding option.

Refund and Repayment

A "**student refund**" is money you receive if you pay fees and then drop out of Los Medanos College during the refund period. All LMC students receive 100% refund of fees if they drop by the refund period. If subsequent to paying enrollment fees the student is eligible for the CC Promise Grant, the student will automatically be mailed a full refund check or a credit card credit will be issued according to the same refund processing cycle as enrollment fee refunds. Students who qualify for the CC Promise Grant, are exempt from parking fees over \$20.00 per semester.

A "**repayment**" is money you may owe to the Federal programs if you received money for your indirect expenses (like rent, food, etc.) and dropped all classes before completing 60% of the semester. The Office of Financial Aid will calculate the percentage of Federal Aid that you have "earned", according to the day you withdrew. Note: If you withdraw after you have earned 60% of your Financial Aid, you will not have to repay any of the Financial Aid money that you received. Otherwise, you must make the repayment when notified.

Students Rights and Responsibilities

Students Have the Right to Ask the College:

- What it costs to attend and what the refund policies are if you drop out.
- How LMC determines whether you are making satisfactory academic progress and what happens if you're not.
- What kind of financial help is available, including information on all federal, state and college financial aid programs, not just loans.
- About the deadlines for submitting applications for each financial aid program and how recipients are selected.
- How your financial need is determined: including how costs for tuition, fees, housing, food, transportation, books, supplies, personal and miscellaneous expenses are considered in your cost of attendance.
- What resources (such as parental contribution, private scholarships, personal assets) are considered in the financial need calculation, and how much of your financial need (as determined by the college) is met.
- To explain the various elements in your financial aid package, and how and when you will receive your aid.
- To reconsider your financial aid application, if you believe you have extenuating circumstances.
- How much of your financial aid must be paid back, and what portion is grant or gift aid. If you are offered a loan, you have the right to know the interest rate, the total amount that must be repaid, repayment methods, scheduling payment with Department of Education, not Los Medanos College.
- About the effect outside scholarships may have on your financial aid award.
- For its statistics on crimes committed on and off campus, and for campus safety policies and procedures.

Student Responsibilities

Students have a responsibility to:

- Review and consider all information about the college's programs before enrolling.
- Compare your anticipated monthly student loan payments and other expenses to your expected income pay after college.
- Complete the financial aid application accurately and submit it on time at www.fafsa.gov. Intentional misrepresentation on an application for federal financial aid is a violation of law and a criminal offense subject to penalties.
- Read and keep copies of all forms and agreements you sign.
- Respond promptly and provide all required documentation, verification, corrections or new information to the appropriate office.
- Notify the college and lender promptly of changes in your name, permanent mailing address, telephone number or enrollment status.

- Know and comply with the deadlines for applications or reapplications for aid, and understand the school's refund policies.
- Repay your student loans, even if you don't complete your education, can't get a job or aren't happy with your education.
- File for a deferment or forbearance, or change repayment plans if you are at risk of default.
- Complete entrance counseling before you receive your first loan disbursement, and exit counseling before you leave school.
- Report in writing to your college financial aid office all additional financial aid resources you receive.

Student Services

Philosophy

LMC recognizes that student services is an integral part of the student's educational experience from the initial recruitment through the attainment of educational goals.

Student success depends on the collaboration and cooperation of instructional areas and student services, which fosters appreciation of the ethical, cultural, and aesthetic heritage of humanity.

Goals

- We encourage student awareness and their full use of student services to help define and achieve their goals.
- We foster student engagement, respect, socially responsible behavior and self-advocacy in a supportive learning environment.
- As Student Services leaders, we collaborate with campus and community partners to ensure consistent and quality services.
- As educators and advocates, we are committed to understanding and addressing the needs and goals of our students.

Objectives

- Sponsor activities that complement academic programs, enhance personal development, provide opportunities for leadership development, reflect cultural diversity and contribute to the general enrichment of the student and the college community.
- Assist students in exploring career options and defining an educational plan to achieve career and transfer goals.
- Provide leadership, coordination, and collaborative efforts among instructional areas, student services, other institutions and community agencies to meet the needs of a diverse population.

- Conduct ongoing research, planning and evaluation to ensure that the student services mission is being accomplished.

Admissions & Records

www.losmedanos.edu/admissions
(925) 473-7500

Admissions & Records assists students with admission and registration-related activities, processes incoming and outgoing transcripts, evaluates coursework for degrees and certificates, and processes faculty rosters. The international student program, military veterans services, and nursing program applications are also handled through this office.

Mission Statement

The Admissions & Records Office staff strive to provide quality and efficient services to students, faculty and community members. By focusing on student learning and success, we aim to help students build their abilities and competencies as life-long learners.

Program Student Learning Outcomes

1. New students will be able to complete and successfully submit the online application.
2. Upon completion of the college application, new students will understand the next steps leading to course enrollment.
3. LMC students, (faculty and staff) will understand the process and timelines for adding and dropping classes.
4. Students who use the early graduation application process leading up to the last semester of their program will use the early registration appointment to be able to get the classes they need to graduate.

Assessment Center

www.losmedanos.edu/assessment
(925) 473-7431

The Assessment Center provides English and math placement based on completing a Multiple Measures Assessment Placement, transcript evaluation, results from previously administered placements or by taking the Los Medanos College placement. Placement scores from other colleges can be brought to the Assessment Center and transcripts can be submitted to the Admission & Records Office. Assessment is required for all students who plan to earn an associate degree, transfer to a four-year institution or enroll in certain courses with prerequisites. Assessment is required for priority enrollment. If necessary, the college placement test is administered in the Assessment Center at the Pittsburg Campus or at the Brentwood Center and is available by appointment during the scheduled testing hours.

Bookstore

www.lmcbookstore.net
(925) 439-2056

The Bookstore is a self-supporting, institutionally owned enterprise. Bookstore profits are used for the general benefit of the student body, as determined by the Governing Board. Thank you for supporting your Bookstore!

The Bookstore is your place for official Los Medanos College textbooks, gear and supplies. Buy, sell and rent used and new textbooks, find official LMC clothing, and purchase supplies and gifts. The Bookstore is located next to the Cafeteria on level 3 of the College Complex. To view textbook information related to specific classes, order books and other materials online, visit our website.

Textbook Rental Program – over 100 book titles and over 1,000 books are available for rent. A valid picture ID, student ID #, e-mail address, and Visa or MasterCard are required to rent books.

Payment for Purchases

Purchases may be paid for with cash, MasterCard or Visa. Personal checks are not accepted. An ATM is located in the bookstore for your convenience.

Buy-Back Policy

During the last week of each semester, a textbook buy back will be held. The days and hours will be posted online and in the store.

Up to 50% of the purchase price per book will be given unless:

- The instructor has dropped the text for next semester.
- The publisher has printed a new edition.
- The store is overstocked for the next term.
- The book is not in resalable condition in the bookstore's judgment.
- The course will not be offered the next term.
- The instructor has not notified the store of the book(s) that will be required.
- The book is a one-time use item such as a workbook or loose leaf.
- The book retails for less than \$3.95.

You are urged to:

- Read signs regarding buy-back policies before selling any books.
- Ask how much is being offered for each book.
- Keep any books that may be used again (in or out of class).
- Not sell your books if you feel the amount offered is not a fair return.

Refund Policy

During the first week of each semester, the Bookstore will accept textbook returns and refund the cost to students, provided:

1. Textbooks were purchased at the beginning of the current semester.
2. The original cash register receipt received at the time of purchase is submitted with the refunded book.
3. New textbooks are returned in new condition. If books are marked with any highlighting or names, the refund allowance may be at the USED book purchase price. Used books must be in resalable condition.
4. Shrink-wrapped books cannot be returned if the wrap has been removed.
5. Refunds/exchanges can only be performed at the main campus Bookstore in Pittsburg, regardless if the original purchase was made at the Brentwood Center or online.
 - No refunds/exchanges on reference books, supplies, food/drink and study aids.
 - Always save your receipt. Refunds/exchanges can only be processed with original cash register receipt.
 - SUMMER SESSION: Refunds/exchanges are issued only during the first 4 days of summer session.
 - SHORT-TERM SESSIONS: Refunds/exchanges are only issued when textbooks are returned within the first 24 hours of the first day of class.

Bulletin Boards

The Office of Student Life supervises and authorizes all campus publicity on official Student Life bulletin boards throughout the Pittsburg Campus. All individuals or organizations wishing to post on these LMC bulletin boards must bring 10 copies of their postings directly to the Office of Student Life (GA-1) or through campus mail to mailbox #63, for approval and posting. Postings will also be forwarded for posting at the Brentwood Center.

Career Services – see Transfer & Career Services

Counseling Services

www.losmedanos.edu/counseling

(925) 473-7450

(925) 513-1625 (Brentwood Center)

The Counseling Department is devoted to assisting students in the discovery of their career aspirations, academic interests, individual abilities, and life experiences and helps students draw on their discoveries to: 1) define a career objective, 2) select an educational goal, 3) create an educational plan, and 4) identify a major or particular field of study (e.g., art, math, sociology, etc.).

Guided by the mission and core values of the College, the Counseling Department partners with students, recognizing the intellectual, psychological, cultural and social aspects of their educational development. The department promotes

student success by offering comprehensive services, minimizing educational barriers, enhancing learning activities, fostering intercultural competence, referring to on and off-campus services, and assisting students in their continued exploring and clarification of their goal and life options.

Whether in person, via the internet, one-to-one, or through a workshop or Counseling course, the Department facilitates student learning with the intent to build student: 1) critical thinking skills, 2) ability to apply critically thinking skills to personal life challenges, 3) strategic planning, that draws on internal and external resources, and 4) accountability as agents, capable of modifying personal behavior and using influence that propels them to their their goals.

Services provided:

1. Exploration of solutions to personal and educational problems
2. Exploration of vocational and career choices
3. Exploration of vocational majors offered at LMC
4. Exploration of majors offered at four-year institutions
5. Advice concerning general education requirements
6. Advice concerning major and transfer requirements
7. Assistance in adjusting to College
8. Assistance in developing effective study habits and study skills
9. Assistance in developing an educational plan—abbreviated and comprehensive
10. Counseling courses focused entitled: Orientation To College (COUNS 30), Career Development (COUNS 32), Transfer Planning (COUNS 33), College Success (COUNS 34)

Mission Statement

The Counseling Department embodies a comprehensive, student-centered approach. We believe in fostering the strengths of our diverse student population and working collaboratively with all student services to empower students in their educational process. We believe in cultivating shared responsibility in navigating the educational system that results in positive student outcomes and personal growth.

Program Student Learning Outcomes

1. Students will be able to clarify their educational goals after meeting with a counselor during express counseling.
2. Students will understand how to reach their educational goals after meeting with a counselor to complete the educational plan.

Disabled Students Program and Services

www.losmedanos.edu/dsps

(925) 473-7471

TDD (925) 439-5709

The Disabled Students Program and Services (DSPS) provides reasonable academic accommodations and auxiliary aids and specialized instruction to individuals with verified disabilities. To ensure equality of access for students with disabilities, academic accommodations and auxiliary aids shall be provided to the extent necessary to comply with state and federal law regulations. For each student, academic accommodations and auxiliary aids shall specifically address those functional limitations of the disability that adversely affect equal educational opportunity.

Services may include specialized instruction, adaptive equipment, assistive technology, sign language interpreting and captioning services, note takers, scribes, textbooks in audio and alternate format, instructional material in alternate format, testing accommodations (including alternate format), educational counseling and planning, and priority registration. All services are elective and must be requested by the student. Some accommodations require advance appointments.

Substitution Policy

When the severity of the disability of an otherwise qualified student precludes successful completion of a course required for graduation from LMC, despite an earnest effort on the part of the student to complete the course and despite provisions of academic accommodations and/or auxiliary aids, a course substitution shall be considered. Contact the Disabled Student Program & Services office for more information on policies and procedures.

Mission Statement

It is the mission of the Disabled Students Programs and Services to facilitate access for students with all disabilities to the educational programs, student services, and activities of Los Medanos College.

Program Student Learning Outcomes

1. Students attending a DSPS orientation will demonstrate the ability to successfully use the Web Advisor system.
2. Students who utilize alternate media services will demonstrate a greater understanding of their course content.
3. Students with disabilities will demonstrate the ability to successfully navigate college and community support systems.
4. Students with disabilities will demonstrate the ability to make progress toward their individual educational goals, such as associate degrees, certificates and transfer requirements.

E.O.P.S. & C.A.R.E.

Extended Opportunity Programs and Services

www.losmedanos.edu/eops

(925) 473-7480

EXTENDED OPPORTUNITY PROGRAMS & SERVICES (EOPS) is State-funded program that exists to increase the enrollment, retention, persistence, and success rates of low-income students from educationally disadvantage backgrounds. To qualify for EOPS, you must: 1) be a California resident; 2) be enrolled full-time at LMC; 3) qualify for a California College Promise Grant (formerly known as the Board of Governor fee waiver (BOG A or B); 4) have earned less than 70 degree-applicable units; and 5) demonstrate an academic disadvantage (for example, if neither parent earned a 4-year degree). By partnering with EOPS, students benefit by receiving academic and financial support services that is above, beyond, and in addition to the services available to all LMC students, such as priority registration, parking permits, transfer application fee waivers, cash grants, academic and personal counseling, calculator loans and book vouchers.

Mission Statement

EOPS is a state-funded student support service program established to promote the enrollment, retention, persistence, and success of students from low-income, underrepresented backgrounds in higher education by offering services that are above, beyond, and in addition to services available to all Los Medanos College students.

Program Student Learning Outcomes

Students who have participated in EOPS for two consecutive semesters will be able to:

1. Demonstrate the ability to develop an educational plan that specifies an educational goal and outlines a sequence of courses needed to achieve the specified goal in six (semesters).
2. Establish student-instructor relationships that promote intellectual development.
3. Develop and increase academic support networks with, both LMC non-instructional staff and agencies external to the college.

C.A.R.E.

www.losmedanos.edu/care

(925) 473-7481

A component of the EOPS program, Cooperative Agencies and Resources for Education (CARE) assists students who are TANF/CalWORKs (Temporary Assistance to Needy Families/California Work Opportunities and Responsibility to Kids) recipients, single head of household, with children under 13 COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE) is a State-funded program that exists to increase the

enrollment, retention, persistence, and success of EOPS students who are single head-of-households that personally receive TANF/CalWORKs services, or are the parent of a child under age 13, receiving TANF/CalWORKs services. By partnering with EOPS, CARE students benefit from an additional layer of academic and financial support services such as— cash grants, personal life development workshops, and childcare* provided through the LMC Child Study Center. (*Dependent upon State budget)

CalWORKs

(925) 473-7482

The CalWORKs program is a state-funded program assisting TANF/CalWORKs recipient students, and those in transition off of welfare, to achieve long-term self-sufficiency through coordinated student services. The CalWORKs team works directly with its students to develop educational plans with specified majors, while offering additional services -- e.g., work study, job placement, childcare assistance, work-ready skill-building activities, supply kits, book vouchers, parking permits, one-to-one and group counseling, and priority registration— all designed to help students continue their enrollment from term to term, maintain focus on their goals, and draw on internal and external resources to devise strategies for overcoming obstacles that impede progress to their goals.

CalWORKs offers support services including:

Mission Statement

The mission of the CalWORKs Program is to provide comprehensive academic support services that enable CalWORKs students to transition from welfare to long-term self-sufficiency.

Program Student Learning Outcomes

Students who participate in CalWORKs for two consecutive semesters will be able to:

1. Demonstrate the ability to develop a professional resume.
2. As a potential interviewee, define and demonstrate the techniques of effective interviewing.
3. Demonstrate self-advocacy when accessing external resources.

Waivers, Appeals and Complaints

Students who wish to request waivers, or file appeals or complaints on the basis of their Title 5 Matriculation Rights must follow the sequence of steps outlined below: (Students filing other types of complaints or alleging discriminatory practices should follow the procedures listed in the college catalog under "Student Rights and Responsibilities—Grievance Process" or "Admission and Course Enrollment—Equal Opportunity Policy.")

A. Initial Review of Waiver Appeal or Complaint

1. The student should contact the Dean of Student Success and complete an "Appeal or Request for Waiver" form or file a complaint regarding matriculation rights. The completed form should be turned in to the Dean of Student Success or to campus mailbox 34.

2. The Dean of Student Success will contact the student and schedule a meeting to discuss the problem and/or inform the student of the decision.
3. In the event that the appeal or request for waiver is not granted, the student will be advised of his/her rights to further appeal and the correct procedures to follow.

B. Appeal to the Senior Dean of Student Services

1. If the initial appeal or request for waiver is not granted and the student does not accept this decision, the student may next submit the initial form to the Senior Dean of Student Services for further review.
2. The Senior Dean will review the appeal or request for waiver and will meet with the student and/or inform the student of his or her decision concerning the matter.
3. In the event the appeal or request for waiver is not granted by the Senior Dean, the student will be advised of his/her further right to further appeal and the correct procedures to follow.

C. Appeal to the President

1. If the student does not accept the dean's decision, the student may then submit the appeal or request for waiver to the College President.
2. The President will review the appeal and will meet with the student and/or inform the student of the final decision concerning the appeal or request for waiver.

Financial Aid and Scholarship Program

www.losmedanos.edu/financialaid

(925) 473-7525

www.losmedanos.edu/scholarship

(925) 473-7518

Financial Aid

LMC has a comprehensive financial aid program, including grants, and on-campus part-time employment opportunities. Programs available include the California College Promise Grant (formerly the Board of Governor's Fee Waiver), the Federal Pell Grant, the Federal Supplemental Education Opportunity Grant, Federal Work-Study, Cal Grant B & C, Full Time Student Success Grant, Community College Completion Grant, and Federal Direct Loans (Subsidized and Unsubsidized).

Mission Statement

The mission of the Financial Aid Office is to provide quality financial assistance to the maximum pool of eligible students through the coordination of private, state, and federal funding. We strive to provide fast and courteous customer service to all financial aid recipients and the LMC community and to aid our students' completion of their desired goals.

Program Student Learning Outcomes

1. Students who attend the Financial Aid Lab will be able to complete and submit a Free Application for Federal Student Aid (FAFSA) and receive financial aid successfully (if determined eligible).

- Students who access the mandatory Satisfactory Academic Progress Policy (SAP) online module will demonstrate understanding of the SAP requirements to maintain financial aid eligibility.
- Students who attend a Loan Workshop will demonstrate an understanding of responsible borrowing.
- Students who attend a scholarship workshop will be able to complete and submit an LMC Foundation Scholarship application successfully.

Scholarship Program

A scholarship is considered a gift of money to assist a student in financing their higher education. LMC scholarships are provided to students by the generosity of the LMC Foundation, corporations and individual donors. Generally, scholarships may be awarded based on academic achievement, demonstrated leadership, community involvement, athletic talents, and field of study or ethnicity. The amount available for individual students and scholarships may vary.

Food Service

(925) 473-7898

The LMC Cafe provides food service and is operated by Fresh & Natural. Service is available to the entire college population, as well as to college's student clubs, organizations, and for college-related activities and special events. For information regarding planning special events, please call the number listed above.

The LMC Cafe is open five days and four evenings a week during posted hours. It offers breakfast, lunch, and dinner. In addition, sandwiches, hamburgers, desserts, snacks, beverages, etc., are available.

There are vending machines available on the second floor of the college complex and in the vestibule next to the cafe. Snacks, soft drinks, as well as hot chocolate, tea and coffee are available. Refund requests can be obtained at the Cashier's Office.

Health Services Referral

Information on a variety of topics, including but not limited to, counseling, crisis intervention, family counseling, alcohol and drug abuse, and mental health, may be obtained from LMC Counseling Services at (925) 473-7450.

It is the student's responsibility to assume all expenses involving injury or illness.

Students who have a medical problem that might require immediate action (e.g., diabetes, bee sting allergy, epilepsy, etc) should inform their instructors or contact Police Services, CC1-132, (925) 473-7332.

InSite and InSite Mail (Student Email)

www.4cd.edu/

InSite is the college's customized student portal to campus news, events and reminders, the LMC website, WebAdvisor, and even real-time local weather. Students can access their class schedule, financial aid information, grades, and holds. This is also where students can check for schedule changes, notification of eligibility to register from the waitlist, reminders of class start dates, and online payment receipts. Important alerts will be posted here, such as emergencies and closures.

InSite is the portal to access InSite Mail, the college's official email system to students. Students are responsible for reading and responding to official communications sent to their InSite mail account.

The college recommends you forward your InSite email to a personal email account, so your messages are not missed.

LMC LGBTQ Resources

www.losmedanos.edu/lgbtq/

www.facebook.com/LMC.LGBTQ/

(925) 473-7857/ (925) 473-7841

LMC offers a variety of resources to ensure that LGBTQ (Lesbian, Gay, Bisexual, Transgender, Queer/Questioning) people are valued and served with dignity and respect, regardless of sexual orientation or gender identity. We have an LGBTQ Faculty & Staff Caucus which annually publishes an OutList, we offer a Safe Space program for all students, and we have a robust LGBTQ student club, ALLIES. We also will soon be offering an LGBTQ Studies A.A. Degree and Certificate program. LMC is dedicated to providing a safe, supportive, and stimulating place for LGBTQ people to learn and grow. For more information, use the links above.

Matriculation Services

(See Admission and Course Enrollment Section)

Parking Regulations & Enforcement

www.losmedanos.edu/parking

All vehicles parked on the campus, whether in a parking lot, gravel lot, or on any perimeter road must have a valid parking permit. Be aware that there are designated student parking areas, as well as faculty and staff parking areas. Parking permits are required for spring, fall and summer. Session-long permits can be purchased online through the InSite/WebAdvisor link, www.4cd.edu/webadvisor. Daily permits can be purchased at kiosks in the parking lots. Limited parking meters are provided.

Students who park in faculty/staff spaces will be ticketed. Students can park in staff lots after 5:00 p.m., except in Lot B. These defined areas are indicated on the campus map, which may be picked up at the information desk or in the Police

Services Office, on the bottom level of the College Complex. Copies of the college parking regulations are available in the Business Office and the Police Services Office. The College District assumes no responsibility for damage or loss to vehicles or persons using parking facilities.

Parking regulations are enforced 24 hours a day, from 7:00 a.m. on Monday through 5:00 p.m. on Friday. Parking regulations are not enforced on weekends or holidays.

Important: To avoid a citation, a parking permit must be visible at all times, while parked on campus.

Police Services

www.4cd.edu/911

(925) 473-7332

College Complex, CC1-132

Within the Contra Costa Community College District, the Police Services department is responsible for campus safety and security and serves as the primary law enforcement agency at all District locations, including LMC's Pittsburg Campus and Brentwood Center. The officers and staff are available to assist with problems involving unsafe conditions, lost property, personal injury, theft, civil disturbance, etc... All sworn officers are authorized to enforce all State and Federal laws and regulations on College/District-controlled property and surrounding areas.

Student Life

Student Life Building, GA-1

www.losmedanos.edu/studentlife

(925) 473-7555

LMC offers a range of extracurricular activities for students. These activities help students make friendships, connect with faculty and staff outside of the classroom, and build their leadership skills in clubs and organizations.

Mission Statement

The Office of Student Life provides leadership opportunities that support students in becoming agents of positive social change and responsible members of a diverse and global society.

Program Student Learning Outcomes

Students who participate in LMCAS (student government) will:

1. Student Life Associates will be able to demonstrate strong leadership skills in planning and implementation of sponsored events by the Office of Student Life.
2. Students who participate in the Impact Conference will learn skills and strategies for being effective leaders in their clubs, communities, organizations and programs.
3. LMCAS students will understand shared governance by participation on committees and be able to engage in thoughtful discussion regarding funding initiatives and programs.

Leadership Programs

www.losmedanos.edu/leadershipprograms

The Office of Student Life provides a variety of leadership development programs and opportunities to support the many student leaders engaged throughout the fabric of LMC. These programs include orientations, workshops, courses for credit, campus retreats, trips to regional conferences, film discussions and more. All LMC students are welcome and encouraged to participate in the many opportunities provided by the Office.

Student Government (LMCAS)

www.losmedanos.edu/lmcas

The Los Medanos College Associated Students (LMCAS) is the official student government at LMC. Their primary purpose is to advance the welfare of all students. They do this by providing programs and services designed to meet the varied needs of students, sponsoring activities and events, and representing the student body on many College and District committees.

The LMCAS Student Senate holds open public meetings every week and members of the student government are regularly available for consultation in the Office of Student Life.

Student Clubs & Organizations

www.losmedanos.edu/clubs

Students are encouraged to organize and participate in clubs that reflect their interests. Each club is registered with the Student Life Office and has a faculty/staff advisor who helps organize meetings and plan activities.

The Office of Student Life provides support and advising to all LMC clubs by holding orientations and retreats for club leaders. In addition, the office advises and coordinates the Inter-Club Council (ICC), the coordinating body for many of the clubs. ICC members collaborate on joint club events and recommend the allocation of funds to support club activities. Contact the Office of Student Life to join a club or start one of your own!

Student Life Associates

Student Life Associates are a select group of student leaders who represent the diverse population of Los Medanos College. These student leaders support student engagement on campus by supporting the planning, production, and marketing of a variety of events and activities in Student Life each year.

Student Outreach and Welcome Services

Mission Statement

The Student Outreach Office assists prospective and current students by introducing them to information, processes and resources that will increase their awareness of the college experience, inform them of educational options, and provide steps to help them reach their educational goals. The office will assist students complete the core Student Success and Support Programs services. The Office will provide the leadership to create and enhance outreach programs and efforts that focus on underrepresented and under-prepared students.

Program Student Learning Outcomes

1. High school students who participate in the pre-orientation outreach workshops will be given college information and will be able to complete the college application, English and math assessment, and the new student orientation.
2. Students who attend the High School Senior Saturday orientation will be provided with the available campus resources to connect with a student support program.
3. Student who attend the New Student Ed Planning Workshop will develop a first semester educational plan.
4. Students who visit the Welcome Center for admission questions will be provided with information to complete the Student Success and Support Programs services: application, orientation, assessment, and educational planning.
5. Students who access the Welcome Services will learn to navigate the college online services.

Student Success & Retention Programs (SSRP)

www.losmedanos.edu/student-services/reengage.asp

(925) 473- 7483

SS4-414

The Office of Student Success & Retention Programs is dedicated to ensuring a transformative educational experience for all students by building a comprehensive network of integrated services and resources that promotes academic, personal, and social success.

Transfer & Career Services

www.losmedanos.edu/transfer | www.losmedanos.edu/career

(925) 473-7444

Transfer & Career Services provides a variety of career development and exploration services to all students as well as information for students planning to transfer to four-year colleges and universities. Support services are available to help students explore and plan for transfer and career success.

Career Services

Transfer & Career Services provides information and programming that assists students in exploring majors and careers, preparing for job and internship searches through resume, cover letter and interview assistance, and best practices on-the-job for new professionals. Individual appointments are available with a career counselor to discuss career exploration, ideas and goals.

Transfer & Career Services provides a robust calendar of events that include the opportunity for students to connect with career and industry professionals as a way to explore options and make connections for internship and job opportunities. Programs include speakers, career panels, networking events and company visits.

Mission Statement

The mission of LMC Career Services, as part of Transfer & Career Services, is to provide comprehensive services and resources to students, enhancing their ability to successfully identify and pursue their academic and career goals.

Program Student Learning Outcomes

1. Students who attend a workshop or meet with a career coach regarding the job/internship search process will learn techniques to improve their potential to find employment.
2. After attending a resume workshop or meeting with a career coach on how to develop a resume, students will gain information on how to create well-written and effective resumes.

Transfer Services

Transfer & Career Services provides information and programming that assists students in transferring to a four-year college. Outreach programs, university tours, workshops, fairs, weekly newsletters and social media, and the Transfer Academy (a learning community supporting students toward transfer-ready status) develop awareness of the opportunities and resources available to achieve student success and transfer.

Transfer & Career Services schedules regular visits by representatives from colleges and universities. Students can drop in for questions or schedule individual advising appointments with these representatives. Transfer & Career Services also coordinates tours of various transfer universities each semester.

Transfer & Career Services has extensive information regarding UC, CSU, out-of-state and private institutions, historically black colleges and universities (HBCUs), as well as provides workshops on topics such as completing UC, CSU, and private university admissions applications, financial aid resources, and next steps after receiving transfer admission. Additionally, LMC coordinates many programs designed to facilitate the transfer process. Some examples are Transfer Admission Guarantees (TAGs), Cross Enrollment programs, "On-the-Spot" Admissions, and the Transfer Academy.

The Transfer Academy provides a dynamic academic experience with strong supports in and outside of the classroom, like academic counseling, academic support, workshops, leadership development, and campus tours. Benefits of the academy include blocked General Education (GE) classes with other Transfer Academy students, academic support, and transfer counseling.

Mission Statement

The mission of LMC Transfer Services, as part of Transfer & Career Services, is to provide comprehensive services and resources to students to enhance awareness of and access to transfer information and processes, increasing their ability to transfer from LMC to four-year colleges/universities.

Program Student Learning Outcomes

Students who participate in an application workshop or drop in session will:

1. Increase their knowledge of the university (CSU/UC/Private) transfer admissions application process.
2. Demonstrate ability to apply to a four-year college.

Students who participate in university tours will:

1. Increase their knowledge of the application process, their major and the campus culture of the universities they visit.

Veterans Resource Center

College Complex, CC-821
www.losmedanos.edu/veterans
 (925) 473-7511

The Veterans Resource Center opened in April 2016, and provides an evolving array of services and resources for our student veterans. Current staff include a veterans counselor, education benefit certifying officials, and work-study student veterans. Resources consist of access to computers with printing; a relaxing atmosphere for our veterans to study and network with other veterans; financial aid information/application assistance; academic counseling; and referrals to off-campus community veteran services and resources with dedicated meeting space on-site as needed.

Instructional Services

Athletic Program

www.losmedanos.edu/athletics
 (925) 473-7605

Los Medanos College has a proud tradition of winning teams and successful athletes, who have followed their dreams of college graduation, transfer to four-year colleges and career success.

The Athletic Program supports seven intercollegiate teams competing among colleges throughout Northern California. Men's and women's basketball, football, women's soccer and women's volleyball participate in conference play in the Fall. Baseball and softball teams compete in the spring. Successful teams compete in regional and state play-offs. To be eligible for intercollegiate sports, a student must be enrolled in 12 units for the first season and must complete 24 units and a 2.0 GPA before the second season of participation. Interested students should contact the appropriate coach or the Athletic Director at (925) 473-7605 or rvillegas@losmedanos.edu.

Center for Academic Support

Core Building, CO-300
www.losmedanos.edu/cas
 (925) 473-7590

The Center for Academic Support provides quality academic support to all LMC students as they pursue their particular educational goals in a comfortable intimidation-free environment.

Reading and Writing Consultants

Our Reading and Writing Consultants offer individualized support with reading and writing assignments for all disciplines. Consultants will provide assistance during any phase of the reading and writing process such as reading comprehension, assignment clarification, prewriting, thesis development, organization and more.

Tutoring Services

The mission of LMC's peer tutoring services is to assist students in becoming critical thinkers as well as independent, self-reflective, lifelong learners. Our outstanding tutors provide general tutoring and subject specific tutoring available in various labs on campus, including the Center for Academic Support, the Math Lab, the Music Lab, and at the Brentwood Center.

The Professor Is In!

Students who are stumped by class concepts or need advice on tackling a difficult assignment can meet with select professors who hold office hours in the Center for Academic Support.

Child Care Services

www.losmedanos.edu/childcare
 (925) 473-7640

LMC provides a wide variety of childcare through the Child Study Center. Programs include:

- Full-day and half-day child care for Infants, toddler, pre-school, pre-kindergarten and kindergarten children. Children aged 0 to 5 years may attend the part time child care program in four-hour scheduled time blocks. The hours for this program are 8:00 a.m. to 4:00 p.m., Monday through Friday.
- Enrollment is open to the children of LMC students, LMC employees, and community members. Children must attend the Center on a regular basis – no drop-in care is available. Hours are scheduled in minimum four-hour time blocks. Highest priority is given to full-time LMC student-parents who are continuing their education from semester to semester.
- A parenting class is being offered and weekly participation of 1.5 hours is required for all students wishing to apply for partial scholarship options.
- For up-to-date information on schedules and cost, see the Child Care Center webpage: www.losmedanos.edu/childcare.

Cooperative Work Experience Education (CWEE)

www.losmedanos.edu/cwee
(925) 473-7417

Cooperative Work Experience Education, or CWEE, is an academic program designed to accelerate the career growth of students by combining classroom learning with work experience, i.e. internships, employment or volunteer work. An agreement is established between the college, the employer and the student to develop work-based learning objectives and to use various mechanisms to evaluate learning outcomes. In addition to undertaking new learning objectives at work, students complete career development assignments according to their individual needs. Students may earn up to 4 units per semester of transferable college credit.

Drop-In Computer Lab

Core Building, CO-200, Pittsburg Campus
www.losmedanos.edu/computerscience/
(925) 473-7788

The Drop-In Computer Lab provides computers and networking resources for students, faculty and staff. Students have the opportunity to sharpen their computer skills, apply theory and complete assignments in most disciplines. The lab is staffed by technicians, student assistants, instructors and tutors. Lab equipment is constantly updated to reflect the ongoing changes in today's technology. The Drop-In Computer Lab hours are as follows:

Fall / Spring hours: Monday -Thursday: 8:00 a.m. to 9:45 p.m.
Friday: 8:00 a.m. to 1:00 p.m.

Summer hours: Monday - Thursday: 8:00 a.m. to 9:45 p.m.

Honors Program

www.losmedanos.edu/honors
(925) 473-7600

The Honors Program provides a challenging academic environment for highly motivated students. It offers students:

- Honors courses that involve substantial research, writing and critical thinking and will prepare students for upper-division and graduate work. These courses will have smaller class sizes to facilitate more personal attention and discussion.
- Honors contracts that allow students to create and complete independent research projects, in addition to regular course work.
- Transfer agreements with prestigious California universities that will greatly increase students' chances for transfer acceptance and scholarship opportunities.
- Research conference presentation opportunities at UC Berkeley and Stanford University.

- Access to the Honors Center, a fully-equipped work and research building with computers, study tables, and places to socialize with other honors students.
- Transcript designation of honors coursework and program completion so that universities or employers can see the honors work students have done.

Students may complete the entire Honors Program, or simply take a few honors courses and contracts. (Transfer agreements are only available to students who complete the entire program.)

Honors Program Admission Requirements

Students who wish to enter the Honors Program must meet both of the following two requirements:

English Requirement. To meet this requirement a student must:

- Be eligible for English 100 by receiving an A in English 95 or an assessment placement score indicating readiness for English 100; OR
- Have completed English 100, 221 or 230 with a grade of A or B; OR
- Have received a score of 3, 4 or 5 on either AP English exam.

Academic Requirement. To meet this requirement a student must have:

- A cumulative college GPA of 3.25 or higher with a minimum of 12 degree applicable units; OR
- A cumulative high school GPA of 3.25 or higher (first-time LMC students only); OR
- A letter of recommendation from a previous teacher, plus an admission essay, plus approval by Honors Advisory Board.

Visit www.losmedanos.edu/honors for an application for the Honors Program.

Information Technology & Services

Library Building, 2nd floor
www.losmedanos.edu/its/its.asp
(925) 473-7767

The Information Technology & Services (IT&S) department is located on the upper level of the Library Building. The IT&S Help Desk (near the Media Services sign) is staffed by students during the hours posted at the desk and provides the following services to faculty and staff:

- Access to the Scantron reader for grading of Scantron-based tests and quizzes
- Entering a ticket in SysAid for computer and smart classroom hardware issues

Library

Library Building, 1st floor
www.losmedanos.edu/library
 General Information: (925) 473-7570
 Reference Desk: (925) 473-7575

The Library strives to impact the success of all LMC students by teaching information literacy skills and offering the guidance and encouragement to support students in their quest towards their academic goals. The library provides the entire LMC community with access to a place and information resources designed to support academic inquiry.

The library accomplishes its mission by providing materials, services and instruction to all students and faculty on campus, online and at the Brentwood Center. Current students, faculty and staff may borrow materials from the library or through interlibrary loan and use the electronic databases and eBooks both on and off campus. Members of the community may also use materials in the library. The library currently holds over 25,000 print titles and has an additional 80,000+ eBook titles. The library subscribes to 76 print periodicals and over 60 electronic databases, which allow for 24/7 access to thousands of full-text journals, magazine, newspapers and streaming videos. Additionally, the library holds over 1,450 DVDs and CDs along with the equipment needed to utilize these items.

Two reserve textbook collections are available for limited checkout and on-site use during normal operating hours. The largest reserve collection is housed at the Circulation Desk in the main Pittsburg Campus library, and there are additional reserve textbooks located at the Brentwood Center. This reserve system is designed to meet the needs of students who cannot otherwise afford to purchase required books for general education. The textbooks in the collection come from titles requested by faculty, students and the library staff who make note of textbooks students frequently inquire about.

LMC Librarians assist patrons with their research needs in various ways, including research consultation appointments and drop-in research help at both the reference desk and the Brentwood Center, email reference, IM chat, video conferencing and phone reference. The library provides custom library instruction workshops at the request of faculty members.

Highlights of the Library building include:

- Over 50 computer stations for student and public use
- Children's book collection and reading area
- ESL and Spanish language collections
- 5 group study rooms
- Seating for 200
- Wireless coverage
- Full-color and black & white printers
- 1 self-checkout station
- 2 copy machines

Math Lab

Math Building, MA-102
www.losmedanos.edu/mathlab
 (925) 473-7662 Pittsburg Campus
 (925) 473-6925 Brentwood Center

The Math Tutoring and Computer Math Labs are staffed by professors, tutors, and Math Lab coordinators and is the place for students to get help on lab assignments, course concepts, computer software, and other assignments. The Math Tutoring Lab at the Pittsburg Campus offers a large study area along with five smaller rooms for study groups. Students can check out calculators to use in class as well as textbooks to use in the Math Tutoring Lab. Each Math Lab computer is installed with software used in the most current math courses. A separate quiet study room and testing center offers a noise-free space for students to work (no tutoring occurs in here as a courtesy to other students) and take mastery quizzes and exams. There is also a Math Tutoring Lab at the Brentwood Center. This service is limited to LMC students enrolled in the college's math classes.

MESA Program

www.losmedanos.edu/mesa
 (925) 473-7685

Math Engineering Science Achievement (MESA) Program provides academic support for of educationally and economically disadvantaged students so they can excel in math and science. MESA helps develop the necessary academic and leadership skills to successfully transfer and later graduate from a four-year university with a degree in mathematics, engineering, science or computer science. The MESA program supports STEM students through mentoring, tutoring, and workshops and by providing them with scholarship and numerous internship opportunities.

Puente Program

www.losmedanos.edu/puente

The mission of the Puente Program is to increase the number of educationally under-served students who transfer to four-year colleges and universities, earn college degrees, and return to the community as mentors and leaders to future generations. The Puente Program, with a fifteen-year legacy at Los Medanos College, is sponsored by the University of California Office of the President and the California Community Colleges.

Student Newspaper—The Experience

www.losmedanos.edu/journalism
 (925) 473-7827

Los Medanos College's award-winning newspaper, "The Experience," is a practical laboratory for journalism students and serves as a First Amendment forum for the college community. Students experience the excitement of a working newsroom while honing practical skills as reporters, columnists, artists, photographers, videographers and editors. Groups and organizations with short news items for publication should

contact "The Experience" by noon on the Monday before each Friday's issue. A two-week lead time is needed for the assignment of full-length stories or event coverage. The weekly print edition is available for pick-up from newspaper stands on campus. You can read the online edition at lmcexperience.com. For those needing information from older editions of the college newspaper, a historical archive of issues from Fall 1974 through Spring 2015 is available through the California Digital Newspaper Collection at www.cdnc.ucr.edu/. Go to Browse by Title and click on the Experience link. You can view historical issues online or download the PDF files of specific issues.

Umoja Scholars Program

www.losmedanos.edu/umoja
(925) 473-7602

The Umoja Scholars Program is committed to enriching, fostering, and nurturing the educational experience of all students, especially African-American and first-generation college students, ultimately preparing them for academic, personal, and professional success beyond Los Medanos College. This program addresses student needs through academic support services and a curriculum that focuses on African-American literature and history as well as contemporary issues facing the African-American community.

Member benefits:

- Counseling Services: Educational and career planning
- Blocked courses for English and math
- Tutoring services
- Community service & leadership opportunities
- Cultural events & activities
- Culturally relevant curriculum

Student Rights & Responsibilities

Academic Freedom

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the large community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. Los Medanos College has a duty to develop policies and procedures which provide and safeguard

this freedom. The purpose of this statement is to enumerate the essential provisions for student freedom to learn. The policies and procedures as set forth in this statement are for institutional use but cannot be separated from the laws of the wider society; therefore, everything stated herein must be considered within the limits of the law.

Freedom of Association

Students bring to the campus a variety of interests previously acquired and develop many new interests as members of the academic community. Students are free to organize and join associations to promote their common interests.

1. The membership, policies, and actions of a student organization will be determined by vote of only those persons who are bona fide students of Los Medanos College.
2. Affiliation with an extramural organization will not disqualify a student organization from institutional recognition.
3. Faculty advisors are necessary; each organization is free to choose its own faculty advisor. Faculty advisors may advise organizations in the exercise of responsibility, but they will not have the authority to control the policies or legal activities of such organizations.
4. Student organizations are required to submit a statement of purpose, criteria for membership, rules of procedures, and a current list of officers. They will be required to submit a membership list as a condition of institutional recognition.
5. Campus organizations, including those affiliated with an extramural organization, are open to all Los Medanos College students without respect to race, creed or national origin.

Freedom of Inquiry and Expression

It is the policy of the district and LMC to allow and protect reasonable and legal expressions, speeches and actions according to federal and state laws and Education Code section 76120.

1. Students and student organizations will be free to examine and discuss all questions of interest to them and to express opinions publicly and privately. They should always be free to support causes by orderly means which do not disrupt the regular and essential operation of the institution. At the same time, it should be made clear to the academic and the large community that in their public expressions or demonstrations, students or student organizations speak only for themselves.
2. Students have the right to exercise free expression, including the use of bulletin boards, the distribution of printed materials or petitions, and the wearing of buttons, badges or other insignia. The policy excludes expression which is obscene, libelous or slanderous according to current legal standards or that incites students to create a clear and present danger or to commit unlawful acts on community college premises or damage to persons or property. Inciting students to riot, or the violation of lawful community college regulations or

the substantial disruption of the orderly operation of the community college, is also prohibited. Copies of the district and college policies are available at the Student Life Office and online at www.losmedanos.edu.

3. Students will be allowed to invite and to hear any person of their own choosing. Those routine procedures required by an institution before a guest speaker is invited to appear on campus should be designed only to insure that there is orderly scheduling of facilities and adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. The institutional control of the campus facilities should not be used as a device of censorship. It should be made clear to the academic and large community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution.

Exercise of Rights of Citizenship

College students are both citizens and members of the academic community. As citizens, students enjoy the same freedom of speech, peaceful assembly and right of petition that other citizens enjoy and, as members of the academic community, they are subject to the obligations which accrue to them by virtue of this membership. Faculty members and administrative officials insure that institutional powers are not employed to inhibit such intellectual and personal development of students as is often promoted by their exercise of the rights of citizenship both on and off campus.

Institutional Authority and Civil Penalties

Activities of students may, upon occasion, result in violation of law. Students who violate the law may incur penalties prescribed by civil authorities, however institutional authority should never be used merely to duplicate the function of general laws.

The student who incidentally violated institutional regulations in the course of his/her off-campus activity, such as those relating to class attendance, is subject to no greater penalty than would normally be imposed. Institutional action is independent of community pressure.

Student Participation in Institutional Governance

As constituents of the academic community, students will be free, individually and collectively, to express their views on issues of institutional policy and on matters of general interest to the student body. The student body should have clearly defined means to participate in the formulation and application of institutional policy affecting academic and student affairs. The role of the student government and both its general and specific responsibilities should be made explicit, and the actions of the student government within the areas of its jurisdiction should be reviewed only through orderly and prescribed procedures.

Student Responsibilities and Educational Goals

1. It is the student's responsibility to verify the correctness and completeness of his/her transcript upon transferring to a four-year institution. It is the student's responsibility to pursue any discrepancies that may occur with the acceptance or non-acceptance of his/her transcript.
2. Each student has the responsibility as to the completeness and correctness of his/her transcript to receive an associate degree, certificate of completion or certificate of achievement.
3. It is the student's responsibility to do the assigned course-work and attend courses regularly.
4. It is the student's responsibility to drop courses he/she does not plan to attend.

Off-Campus Activities

Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450 (also CCCCD Governing Board Policy 4002), you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

Progress Evaluation by Faculty

Any student has the right to request and obtain an informal grade evaluation by his/her instructor prior to the mandatory drop date. In order for a student to make a knowledgeable decision of retention in a class and to increase motivation for improvement, the student needs to know his/her standing in each course.

Student Complaint Process

The Student Complaint Procedures are available to every Los Medanos College student, offering an equitable means of seeking an appropriate remedy for a grievance related to any college-related matter (other than as defined under the unlawful discrimination section of this catalog). Complaint procedures are provided for the following: grade appeals process, complaints regarding a faculty member, complaints regarding a staff member, or complaints about a manager. Copies of the Student Complaint Procedures are available in the following locations:

- Office of Student Life, GA-1, (925) 473-7555
- Office of Instruction, (925) 473-7397/(925) 473-7398
- Welcome Desk/Center, (925) 473-7434
- Counseling Center, (925) 473-7450

Information about the process and related forms are also available online at www.losmedanos.edu.

Student Code of Conduct & Expectations for Student Behavior

Student conduct is governed by rules designed to preserve both individual and community freedoms. The individual student, in order to learn and grow, must enjoy freedom of expression and action. The academic community, if it is to properly serve the student, must enjoy freedom from disruption. Students enrolling in the College assume an obligation to conduct themselves in a manner compatible with the College's function as an educational institution, and in accordance with the Student Code of Conduct.

Student Code of Conduct (CCCCD Student Services Procedure 3027)

I. INTRODUCTION

The Student Code of Conduct is a statement of the Contra Costa Community College District's expectations regarding student standards of conduct, both academic and nonacademic. Students are expected to obey all laws and District policies and regulations. Students shall be subject to discipline for violation of these laws, policies, and regulations. Student misconduct may also be subject to other regulations of the District, including but not limited to regulations regarding complaints of harassment and discrimination.

II. DEFINITIONS

For the purpose of these Rules and Regulations, the following words and terms are defined as follows:

- A. "Student" shall mean all persons enrolled in any courses at the colleges in the district, regardless of where courses are taught, whether they are enrolled full-time or part-time, for credit or non-credit or not-for credit or contract education, and whether or not s/he is planning to earn a degree, certificate of achievement or other certification. Persons who are enrolled in online or hybrid courses are also considered 'students'. Persons who are not officially enrolled for a particular term, but who have been admitted to the college and enroll in courses from time to time, and have a continuing relationship with the college are considered 'students'.
- B. "Governing Board" shall mean the Governing Board of the Contra Costa Community College District.
- C. "District" shall mean the Contra Costa Community College District, including but not limited to its administrative staff and each of its colleges.
- D. "College" shall mean a college operated and maintained by the District.
- E. "Member of the College Community" shall mean the District Trustees, the academic personnel, support staff, and administrative personnel of the District, the students of the District and any other person while on District or college property or at a District or college function or activity.
- F. "Day" shall refer to a college instructional day unless otherwise noted.
- G. "Good Cause" as defined in Education Code, Section 76033 includes, but is not limited to the following offenses:
 - 1. Continued disruptive behavior, continued willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel.
 - 2. Assault, battery, or any threat of force or violence upon a student or college personnel.
 - 3. Willful misconduct which results in injury or death of a student or college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District.
 - 4. Use, sale, or possession on campus of, or presence on campus under the influence of any controlled substance, or any poison classified as such by Schedule D in section 4160 of the Business and Professions Code.
 - 5. Willful or persistent smoking in any area where smoking has been prohibited by law, by regulation of the Governing Board, or by college policy.
 - 6. Persistent serious misconduct where other means of correction have failed to bring about proper conduct.
 - 7. Other behavior that may warrant disciplinary action.
- H. "Sexual harassment" is unwelcome conduct of a sexual nature, including (but not limited to) unwelcome sexual advances, requests for sexual favors, and other verbal, non-verbal, or physical conduct of a sexual nature.
- I. "Sexual violence" means any physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to minority/or an intellectual or other disability. A number of different acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, and sexual coercion. All such acts of sexual violence are forms of sexual harassment.
- J. "Complainant" shall mean any member of the college community (student, faculty or staff member) who submits a charge alleging that a student violated this Code. A complainant who accuses a student of sexual harassment or sexual violence and who believes they are a victim of these prohibited actions will be guaranteed the same rights as the student accused, including the right to present witnesses and other evidence and to be accompanied by an advisor at a hearing, the right to be notified of the outcome of the complaint and the same appeal processes as are provided to the accused student. Complainants may not be entitled to know the exact level of discipline imposed due to privacy rights.
- K. "Preponderance of the evidence" standard means the greater weight of the evidence (i.e. it is more likely than not that misconduct occurred).
- L. "Hate violence" means any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons, or the property

of any person or group of persons because of ethnicity, race, color, national origin, religion, sex, sexual orientation, gender identity expression, disability or political or religious beliefs of that person or group.

III. GROUNDS FOR DISCIPLINARY ACTION

A. Students shall conduct themselves consistent with the

Student Code of Conduct while on campus or participating off campus in online or hybrid courses, or at college sponsored events or programs, including but not limited to field trips, student conferences, debate competitions, athletic contests, club-sponsored events, and international study programs, regardless of location. Students shall also conduct themselves consistent with the Student Code of Conduct in any matter related to school activity or attendance. Students shall be suspended or expelled only for good cause.

The College may have an obligation to respond to student-on-student harassment that initially occurred off campus. If a student files a complaint with the college, regardless of where the conduct occurred, the college must process the complaint in accordance with its established procedures, if the complaint relates to college activities. Because students often experience the continuing effects of off-campus harassment in the educational setting, colleges should consider the effects of off-campus conduct when evaluating whether the District has jurisdiction to process the complaint. The college should take steps to protect a student who was assaulted off campus from further harassment or retaliation from the perpetrator and his or her associates, if the District has jurisdiction over the matter.

B. Misconduct that constitutes grounds for disciplinary action includes, but is not limited to:

1. Acts of academic dishonesty, including, but not limited to:

- a. Cheating defined as unauthorized copying or collaboration on a test or assignment or the use or attempted use of unauthorized materials;
- b. Tampering defined as altering or interfering with evaluation instruments or documents;
- c. Fabrication defined as falsifying experimental data or results, inventing research or laboratory data or results for work not done, falsely claiming sources not used or fabricating or falsifying documentation to try to change a course grade;
- d. Lying;
- e. Plagiarism defined as representing someone else's words, idea, artistry, or data as ones' own, including copying another person's work (including published and unpublished material, and material from the Internet) without appropriate referencing, presenting someone else's opinions and theories as one's own, or working jointly on a project, then submitting it as one's own; or
- f. Assisting others in an act of academic dishonesty, defined as assisting another student in an act of academic dishonesty, such as taking a test or doing an

assignment for someone else, changing someone's grades or academic records, or inappropriately distributing exams to other students;

2. Other forms of dishonesty, such as lying, plagiarism, knowingly furnishing false information, or reporting a false emergency to any college official, faculty or staff member or office or to the District;
3. Forgery, alteration, misappropriation or theft, misuse of any District or college document, record, key, electronic device, or identification including, but not limited to, unauthorized grade changes and forged signatures on official college forms;
4. Misrepresentation of oneself or of an organization to be an agent of the District;
5. Obstruction or disruption on or off District property of teaching or of the District's educational process, administrative process, disciplinary procedures, or other District functions and activities, on or off District property;
6. Disruptive or abusive behavior, such as verbal harassment, habitual profanity or vulgarity, physical abuse, hate violence, intimidation, bullying, hazing, or stalking of any member of the college community. Harassment includes the infliction of psychological and/or emotional harm upon any member of the college community through any means, including but not limited to e-mail, social media/networking, text messages, and other technological forms of communication. When harassment, abuse, intimidation and bullying are motivated by bias against students based on their actual or perceived race, ethnicity, color, national origin, sex, disability, sexual orientation, gender identity/expression or political or religious beliefs, students found responsible for violating the Code may receive enhanced sanctions;
7. Vandalism, graffiti, or other willful misconduct which results in cutting, defacing, or other damages to any real or personal property owned by the District or a member of the college community;
8. Assault, battery, violence or threat of violence, or any willful misconduct which results in an injury or death of a student or District personnel or behavior that threatens the health and safety of any member of the college community;
9. Theft of District property, or property in the possession of, or owned by, a member of the college community;
10. Violation of District or college policies or regulations including but not limited to those concerning the formation and registration of student organizations, the use of college facilities or the time, place, and manner of public expression or the distribution of leaflets, pamphlets, or other materials;
11. Failure to comply with the directions of the District or college officials acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so;

12. The use, sale, distribution, or possession on campus of, or presence on campus under the influence of, any controlled substances, or any poison classified as such by Schedule D section 4160 of the Business and Professions Code or other California laws on District property or at any District-sponsored event. Use of a prescription drug if the prescription was not issued to the student, or the distribution or sale of a prescription drug to a person to whom the prescription was not originally issued. Intentionally or recklessly inhaling or ingesting substances (e.g., nitrous oxide, glue, paint, etc.) that will alter a student's mental state is also prohibited. Possession of drug paraphernalia including, but not limited to, bong or glass pipes. This regulation does not apply when the person named on the prescription possesses the drugs or narcotics or when the drugs or narcotics are permitted for and are being used in research, instruction, or analysis;
13. Possession, consumption, sale, distribution or delivery of any alcoholic beverage in college buildings or on college grounds, or at college-sponsored or supervised activities, regardless of their location, unless authorized by college officials;
14. Possession or use of explosives, dangerous chemicals, or deadly weapons on District property or at a campus function, without prior authorization of the College President;
15. Engaging in lewd, indecent, or obscene behavior on District-owned or controlled property or at a District-sponsored or supervised function;
16. Rape, date rape, sexual harassment, sexual violence, sexual assault, or threat of an assault upon a student or member of the college community on District property, or at a college or District-sponsored or supervised function;
17. Unauthorized use of, or misuse of District property, including, but not limited to, unauthorized possession, duplication or use of District keys and/or unauthorized entry into, unauthorized use of or misuse of District property;
18. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Governing Board, or college policy;
19. Knowingly assisting another person in the commission of a violation of the Student Code of Conduct;
20. Misuse of computers and networks which includes but is not limited to utilizing an unauthorized account, password, campus network, interfering with normal computer operations, circumventing data protection schemes or uncovering security loopholes, or violating terms of the software agreements;
21. Willful disruption of the orderly operation of the campus;
22. Leading or inciting others to disrupt scheduled and/or normal authorized activities;
23. Obstruction of the free flow of pedestrian or vehicular traffic on College premises or at college sponsored or supervised events.

24. Unauthorized use of electronic or other devices to make an audio or video record of any person while on college premises without his/her prior knowledge, or without his/her effective consent when such a recording is likely to cause injury or distress. This includes, but is not limited to, surreptitiously taking pictures of another person in a gym locker room or a restroom;
 25. Any other cause identified as good cause by Education Code section 76033, not identified above; or any applicable Penal Code sections, or other applicable local, state, or federal laws; and
 26. Any other ground constituting good cause.
- C. Violation of parking laws, regulations, or rules shall not be cause for the removal, suspension, or expulsion of a student (Ed. Code § 76036).
- D. Nothing in these procedures shall preclude a student with a disability from receiving appropriate accommodations as identified by Disability Support Services.

IV. TYPES OF DISCIPLINARY ACTION

The following discipline may be imposed, individually or in various combinations, on any student found to have violated the Student Code of Conduct:

WARNING: A warning is a written or oral notice to the student that continuation or repetition of certain conduct may be result in further disciplinary action.

RESTITUTION: Restitution is reimbursement by the student for damage to, loss of or misappropriation of property. Reimbursement may take the form of appropriate service by the student to repair property or otherwise compensate for damage.

PROJECTS AND ASSIGNMENTS: Projects and assignments may include educational projects, service to the college, and other related discretionary assignments.

DISCIPLINARY PROBATION: Probation is a status imposed for a specific period of time in which a student must demonstrate his or her conduct conforms to District standards of conduct as set forth in these regulations. Conditions may be imposed at the discretion of the District or the President's designee. Misconduct during the probationary period or violation of any conditions of the probation may result in more serious disciplinary action, such as loss of privileges, suspension, or expulsion.

LOSS OF PRIVILEGES: Loss of privileges is the denial of extracurricular activities or other special privileges for a designated period of time. Violation of any conditions or campus regulations during the period of sanction may result in far more serious disciplinary action, such as suspension or expulsion.

REMOVAL: Removal of a student from class by an instructor or with the assistance of Police Services, if necessary.

SUSPENSION: Suspension is a separation from the District for a designated period of time after which the student will be eligible to return. A suspension may consist of (a) a period of

time from one or more classes for a period up to ten (10) days of instruction; (b) from one or more classes for the remainder of the school term; and (c) from all classes or activities of the college for one or more terms for up to three years.

EXPULSION: Expulsion is the permanent termination of student status by the Governing Board for good cause when other means of correction fail to bring about proper conduct or when the presence of the student causes a continuing danger to the physical safety of the student or others. A student who is expelled is prohibited from participating in any college activities or programs and from entering District premises.

REVOCAION OF DEGREE OR CERTIFICATION: A degree or certificate awarded from the college may be revoked for fraud, misrepresentation, or other violation of college standards in obtaining a degree or certification, or for other serious violations committed by a student prior to graduation.

V. RECIPROCITY OF SANCTIONS

During a period of suspension or expulsion, a student shall not be enrolled in any other colleges within the District. Disciplinary actions or sanctions shall apply to the student at all District colleges.

VI. CONDUCT RELATED TO COLLEGE

After a hearing the President's designee may impose an immediate suspension on a student when such action is required in order to protect property, safety, and to ensure the maintenance of order on the campus or at a campus function. No student may be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance.

VII. RECORD OF DISCIPLINARY ACTION

In accordance with Education Code section 76220, Community College Districts shall establish, maintain and destroy student records according to regulations adopted by the Board of Governors of the California Community Colleges. The President's designee will create a record of disciplinary actions, along with relevant supporting documents and evidence. Consistent with the Family Educational Rights and Privacy Act and District Student Services Procedure 3009, this record shall be maintained as a confidential student education record and may not be released without the permission of the student, except as permitted by law and policy. The student shall have a right to inspect the record and to challenge the contents. Disciplinary records shall be retained in a manner consistent with federal and state law and District policy, and may be destroyed in a manner consistent with District Administrative Procedure 1900.01.

In accordance with Education Code section 76234, whenever there is included in any student record information concerning any disciplinary action taken by the college or District in connection with any alleged sexual assault or physical abuse or any conduct that threatens the health and safety of the alleged victim, the alleged victim of the sexual assault or physical abuse shall be informed within three (3) days of the results of any disciplinary action by the college and the results of any appeal, provided the student keeps this information confidential.

VIII. REMOVAL BY INSTRUCTOR

An instructor, for good cause, may remove a student from his or her class for the day of the removal and the next class meeting. (Ed. Code §§ 76032 and 76033.)

A. Procedures Before The Removal.

1. The instructor shall notify the student of the instructor's consideration of the removal from class and the reasons for the proposed removal.
2. The instructor may remove the student from the classroom immediately. Under normal conditions, the instructor should permit the student an opportunity to present a rebuttal to the accusation or otherwise offer relevant comment on the proposed removal. There need be no delay between the time notice is given to the student and the time of such a review.
3. The instructor shall decide whether or not to proceed with the proposed removal after hearing the student's explanation and considering all of the information relative to the issue. There need be no delay between the time notice is given to the student and the removal.
4. The decision may be given to the student either orally or in writing.
5. The instructor's decision is final and may not be appealed.

B. Procedures After The Removal.

1. Immediately following the removal, the instructor must notify the College President or President's designee of the removal.
2. If the student removed is a minor, the College President or President's designee shall ask the parent or guardian of the student to attend a parent conference regarding the removal as soon as possible. If the instructor or the parent or guardian so requests, a college administrator shall attend the conference.
3. The instructor may request that the student meet with the College President or President's designee, within three (3) days of removal, prior to returning to class.
4. During the period of removal, the student shall not be returned to the class without the concurrence of the instructor.
5. After the student returns to class, if there are additional incidents of disruption or other behavior constituting good cause, the faculty member will provide the necessary documentation to the President's designee so that more serious consequences, such as suspension from this particular class or from all classes for the rest of the semester, can be assigned.

IX. PRELIMINARY PROCEDURES FOR SUSPENSION BY PRESIDENT'S DESIGNEE

The following procedures shall be taken before suspension except in the event that an emergency/interim suspension is made as set forth in Section XIV.

A. Administration. The President's designee shall administer

these procedures and take appropriate action, subject to the approval of the College President and the Governing Board if required herein or otherwise by law.

- B. **Disciplinary Action Which May Be Imposed.** The President's designee may suspend or impose a lesser sanction on a student. A suspension may consist of a period of time as follows:
1. From one or more classes for a period up to ten (10) days of instruction;
 2. From one or more classes for the remainder of the school term;
 3. From all classes and activities of the college for one or more terms. A suspension shall not exceed three (3) years.
- C. **Reporting Of Conduct.** Alleged student misconduct shall be reported to the President's designee. The President's designee shall be the Vice President of Academic and Student Affairs or the Senior Dean of Student Services at Contra Costa College, the Dean of Student Life at Diablo Valley College, and the Senior Dean of Student Services at Los Medanos College. Other officials may be designated as the President's designee, whenever necessary for the efficient operation of the District.
- D. **Investigation.** Upon receiving a report of alleged student misconduct, the President's designee shall initiate an investigation.
- E. **Notice.** Before imposing discipline, the President's designee shall give or make reasonable efforts to give the student oral or written notice of the reason for the proposed disciplinary action. If the student is a minor, the President's designee shall also notify the parent or guardian of the investigation and charges.
- F. **Preliminary Hearing.** Within a reasonable period of time (normally within five (5) days following the delivery to the student of the notice referred to above), the President's designee shall offer the student an opportunity to attend a meeting ("Preliminary Hearing") at which time the student may present a rebuttal to the accusation or otherwise offer relevant comment on the proposed discipline. There need be no delay between the time of the notice given to the student and the time of the meeting. If the student fails to arrange a preliminary hearing (or if he/she fails to appear for a preliminary hearing within five` days of the service or mailing of the notice or if he/she fails to appear for the preliminary hearing he/she has arranged), the decision of the President's designee will be final and not subject to a further Appeal Hearing.
- G. **Determination After Preliminary Hearing.** Based on the evidence presented, the President's designee shall decide whether or not to proceed with the proposed suspension and/or to recommend expulsion after hearing the student's explanation and considering all of the information. If the decision is to suspend for up to five (5) days, the President's designee may inform the student of the decision and send a written confirmation to the student's last known address within five (5) working days. The confirmation shall include

a statement that the decision to impose a suspension for five (5) days or less, or a lesser sanction, is not appealable. If the decision is to suspend for more than five (5) school days or to recommend expulsion, the President's designee shall send the student a written notice via personal delivery or certified mail to the student's last known address as set forth below.

- H. **Notice To The College President.** The President's designee shall report any disciplinary action imposed to the College President.
- I. **Notification After A Suspension Of More Than Five (5) Days.** If the President's designee imposes a suspension of more than five (5) days, the President's designee shall promptly send the student a letter of notification that is hand delivered or sent via certified mail to the student's last known address. The notification shall include:
1. A statement of the charges, the reason for the suspension or recommended expulsion offer, and a description of facts related to the misconduct, including the evidence against the student, the date of the incident(s), time of the incident(s), and location of the offense(s).
 2. A copy of the Student Code of Conduct and Board Policy.
 3. An explanation that a student who has been suspended for more than five (5) days is entitled to appeal the decision and has a right to a further hearing ("Appeal Hearing"). The notification shall also state that a request for an Appeal Hearing shall be filed within five (5) business days of the service or mailing of the notification, whichever is earlier. The written request for an appeal hearing must be submitted to the President's designee, and must cite the specific ground(s) for the appeal (from those listed below), and provides information which substantiates the ground(s) on which the appeal is being made.
 4. Grounds for appeal - A student may appeal the decision of the President's designee on grounds that: (a.) Fair consideration was not provided to the student, (i.e., there is evidence that some aspect of the hearing was prejudicial, arbitrary, or capricious). (b.) New and significant information, not reasonably available at the time of the initial hearing, has become available. (c.) The sanction or remedy imposed is not in due proportion to the nature and seriousness of the offense. Any evidence supporting these grounds must be included in the request for an appeal hearing.
 5. A statement that the student has the right to be accompanied at an "Appeal Hearing" by an on-campus advisor of his or her choice. If the student decides to be accompanied by an advisor, the name and address of that advisor must be submitted to the President's designee at the time the appeal is filed.
 6. The President's designee may note that he or she will also recommend expulsion.
 7. The Notification shall include the date, time, and location of an Appeal Hearing if requested by the student.
- J. **Student Right To Appeal A Suspension Of More Than Five**

(5) Days. The student may accept a suspension in excess of five (5) days without admitting the conduct charged. In such a case, the decision of the President's designee will be final and not subject to a further Appeal Hearing. Should the student not accept a suspension in excess of five (5) days, the student has a right to appeal. A suspension appeal must be filed by the student no later than five (5) business days from the date the notification letter is personally served or mailed.

K. Schedule Of Hearing. The President's designee shall schedule an Appeal Hearing no later than ten (10) working days from the date of the suspension.

X. HEARING AUTHORITY FOR APPEAL HEARING

A. The College President will assign either an Administrative Hearing Officer or may utilize a Student Discipline Committee ("Committee") to conduct Appeal Hearings at the college ("Hearing Authority").

B. An Administrative Hearing Officer shall be a college official.

C. A Committee shall include: one faculty member, one administrator or manager, and one student. The selection process for the Committee, if any, will normally occur at the beginning of each academic school year.

1. The Academic Senate will select a faculty representative and alternate(s). Vacancies will be filled by an action of the Academic Senate.
2. The Associated Student Body will select a student representative and alternate(s). Vacancies of student members shall be filled by an action of the Associated Student Body.
3. The College President will select the administrative or management representative and alternate(s). The administrative or management representative will serve as the Committee Chair. The student or the college employee shall notify the Committee if he or she has a conflict of interest because he or she is involved in the discipline matter, or has a personal relationship with any of the involved parties, and, therefore, is unable to serve as a neutral party.
4. Alternate faculty, administrative, and student members shall be appointed to ensure that a standing committee can always be convened promptly.

XI. APPEAL HEARING PROCEDURES

- A. The President's designee shall submit to the Hearing Authority: a description of the charges, notices, evidence, and a copy of the proposed decision. The President's designee shall present relevant evidence regarding the alleged misconduct. The accused student may then present any relevant evidence. Each party may call, examine, and cross-examine witnesses. Written statements, if any, shall be submitted under penalty of perjury. The Hearing Authority may also question witnesses. Opening and closing statements shall be limited to five (5) minutes. The President's designee shall speak first, followed by the student.
- B. The Hearing Authority shall rule on all questions of procedure and admission of evidence.
- C. Hearings need not be conducted in accordance with strict

rules of evidence or formality of a court hearing.

- D. The Hearing Authority shall consider no evidence other than that evidence received at the hearing. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself, to support a finding.
- E. A student may be accompanied by an advisor of his or her choosing, at the student's request. The role of the advisor is passive in this procedure. The advisor may be present at the hearing and may counsel the student. The advisor may not address the Hearing Authority and shall not be permitted to participate in any way during the hearing except to offer counsel to the student. If the student decides to be accompanied by an attorney, the name and address of that attorney must be submitted to the President's designee at the time the request for hearing is filed.
- F. The Appeal Hearing shall be closed to protect the privacy and confidentiality of everyone involved unless the student and District agree in writing to have a public hearing at least five (5) days in advance of the hearing. A closed hearing will be closed to everyone except the following:
1. The student charged.
 2. The Hearing Authority.
 3. An advisor for the student charged, if so desired.
 4. The President's designee.
 5. A witness, while presenting evidence.
 6. An on-campus advisor for a witness while presenting evidence.
- G. An official audiotape recording of the hearing shall be kept. The record shall be the property of the District. The student charged may listen to the tape at a mutually agreeable location at the college. An accused student may, upon request, be provided a copy at his or her own expense.

XII. HEARING AUTHORITY'S CONSIDERATION AND RECOMMENDATION

Following presentation of the evidence, the Hearing Authority shall privately consider the evidence with all persons excluded. The Hearing Authority shall send a written report to the College President within five (5) working days of the termination of the hearing. The report shall contain the following information:

- A. A summary of factual findings and a determination that the accused student did or did not commit the act(s) charged.
- B. A finding that the student's act(s) did or did not constitute a violation of the Student Code of Conduct.
- C. A recommendation for upholding or modifying the proposed discipline. The Hearing Authority may also recommend further investigation.

XIII. COLLEGE PRESIDENT'S DECISION

- A. The College President shall reach a decision after reviewing the report submitted by the Hearing Authority. The College President may refer the matter back to the Committee or

hearing officer for further clarification on details of the case, such as evidence and findings of fact. The College President may uphold the suspension, uphold the recommendation by the Hearing Authority, or adopt a lesser sanction, if appropriate. A written statement of the decision shall be sent via certified or registered mail to the student's last known address within three (3) working days of the College President's receiving the Hearing Authority's recommendation.

- B. The decision of the College President to suspend or impose a lesser sanction shall be final and not subject to further appeal.
- C. The College President shall report a disciplinary suspension of any student to the Governing Board at its next regular meeting after the suspension has been imposed. A copy of the suspension determination, including the reasons for the suspension, shall be placed in the student's permanent disciplinary record (not the transcript).
- D. If the College President determines that a student should be expelled, he or she will forward that recommendation through the Chancellor, to the Board of Trustees for determination.
- E. In the event that a College President is or will be unavailable for the making of a prompt decision, the College President may appoint an unbiased designee to act on the appeal.

XIV. EMERGENCY INTERIM SUSPENSION

- A. An emergency/summary suspension is an immediate suspension imposed upon a student for good cause. (Ed. Code § 66017.)
- B. Notwithstanding the foregoing, the College President or the President's designee may impose an emergency/summary suspension. It is an extraordinary measure and shall be utilized when necessary to protect lives or property and to ensure the maintenance of order pending a hearing.
- C. A preliminary hearing shall be provided within ten (10) calendar days of an emergency/summary suspension. (Ed. Code § 66017.) The procedures set forth in Sections IX and X shall apply to the preliminary hearing and any appeal hearing.
- D. An emergency/summary suspension shall be reported to the Governing Board at its next regular meeting after such suspension has been imposed. A copy of the suspension may be placed in the student's permanent record at the discretion of the College President.

XV. NOTIFICATION

The College President or President's designee shall, upon suspension or expulsion of any student, notify the appropriate law enforcement authorities of the county or city in which the school is situated of any acts of the student which may be in violation of section 245 of the Penal Code. (Ed. Code § 76035.)

XVI. EXTENSIONS OF TIME

Calendar restraints may be extended with the agreement of both parties.

XVII. EXPULSION

The Governing Board has the sole authority to expel a student. If the College President determines that a student should be expelled, he or she shall send the recommendation through the Chancellor to the Governing Board.

- A. Within 30 instructional days of the receipt of the recommendation from the College President, and with the agreement of the Chancellor, the Governing Board shall conduct an appeal hearing in closed session with the accused student and the College President (or President's designee).
 - 1. The hearing shall be closed to protect the privacy and confidentiality of everyone involved, unless (a) the accused student requests an open hearing, in writing, within 48 hours of being notified of the hearing, and (b) it is determined that holding the hearing in open session would not lead to the giving out of information concerning students which would be in violation of state or federal law regarding the privacy of student records.
 - 2. A closed hearing will be closed to everyone except the following:
 - a. The student charged.
 - b. An advisor/advocate for the student charged, if so desired. If the student chooses to be accompanied by an attorney, the student must notify the District in writing of his/her intent to bring an attorney at least five (5) business days prior to the hearing. Failure to notify the District will result in a waiver of the right to be accompanied by an attorney, or a one month postponement of the hearing.
 - c. The College President and/or President's designee.
 - d. The Governing Board.
 - e. The Chancellor and/or District Legal Advisor.
 - f. The student's parent(s) or guardian, if the student is a minor.
- B. The accused student shall be notified in writing of the date and time of the hearing, and shall be provided with a copy of this policy. The notice shall be mailed via certified or registered mail, or served personally, if the student is a minor.

Student Services Procedure 3027

- C. The hearing shall be conducted in accordance with the following procedures:
 - 1. The President of the Governing Board will serve as chair of the hearing, and will rule on all questions of procedure and admission of evidence.
 - 2. Hearings need not be conducted in accordance with strict rules of evidence or formality of a court hearing.
 - 3. Before commencement of the hearing, the Governing Board shall review a description of the charges, notices, evidence, findings, and a copy of the proposed decision from the college-level disciplinary appeal hearing. The Governing Board shall consider no evidence other than that evidence received in the hearing process.

4. The College President (or the President's designee) shall make a brief statement to the Governing Board, referring to relevant evidence regarding the alleged misconduct.
5. The accused student may then make a brief statement to the Governing Board and present any relevant evidence.
6. The statements shall be limited to five (5) minutes.
7. Upon completion of these statements, the Governing Board will have an opportunity to ask questions of both the student and the College President (or President's designee).
8. The Governing Board will conclude the hearing, dismiss the parties, and privately deliberate as to a decision.
9. The Governing Board shall issue a statement of decision including findings of fact and a determination that the accused student did or did not commit the act(s) charged, a finding that the student's act(s) did or did not constitute a violation of the Student Code of Conduct, and a decision as to whether the expulsion proposed by the President would be upheld or modified. The Governing Board may also recommend further investigation. Pursuant to Education Code section 72122, regardless of whether the matter is heard in open or closed session, the final action of the Governing Board shall be taken in open session, and the result of that action shall be a public record. The name of the student, however, shall not be released.
10. The Chancellor's Office will send a written statement of the Governing Board's decision via certified or registered mail to the student's last known address within three (3) working days of the hearing.
11. If the Governing Board's decision is unfavorable to the student, the student shall have the right to submit a written statement of his/her objections to the decision. This statement shall become a part of the student's records.
12. The decision of the Governing Board is final, and not subject to further appeal.
13. The hearing shall be electronically recorded. The record shall be the property of the District. The student charged may listen to the tape at a mutually agreeable location at the college. An accused student may, upon request, be provided a copy of the recording at his or her own expense.

Drug-Free Campus Policy

As defined by State and Federal law, it is the policy of Los Medanos College to maintain a campus where students, faculty, staff, and administration are prohibited from the unlawful manufacture, distribution, dispensing, possession, or use of controlled substances, as listed in Schedules I through IV of Section 202 of the Controlled Substances Act (21 USC Section 812) and from abuse of alcohol.

This policy applies not only to the campus, but also includes participation in field trips, athletic competition, international study programs, and any activity sponsored by the College. Any violation of this policy will be cause for disciplinary action, up to and including expulsion.

For information about substance abuse treatment, students may contact a campus counselor or refer to the information binder located in the Counseling Center and Information Center.

Smoking Policy

Los Medanos College is a Tobacco-Free Institution

Los Medanos College is committed to promoting the good health of our students, staff and broader community by providing a healthy environment in which to learn and work. Given the negative health impacts of tobacco and similar product use, the Governing Board has established policy (BP #2045) designating Los Medanos College as a tobacco-free institution. Therefore:

Smoking, smoking substitutes, smoke inducing devices and vaping are considered a health hazard and are prohibited on all college property. This includes, but is not limited to, products containing tobacco or nicotine, e-cigarettes, cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, hookah smoking, personal vaporizers/electronic smoking devices, marijuana and controlled substances regulated under federal law.

The use of all smoking/tobacco/vaping products as defined is prohibited on campus grounds, playing fields, walkways, roadways, parking lots, in all vehicles on Los Medanos College property and in or around the perimeter of any building.

This policy shall apply to all students, employees, volunteers, vendors, consultants, agents, contractors, and visitors on Los Medanos College property as defined above. Consistent with Government Code 7597.1, the Governing Board has imposed fines and set enforcement standards for Los Medanos College in order to ensure a tobacco-free environment.

Los Medanos College recognizes the health hazards associated with tobacco addiction. Los Medanos College also recognizes the challenges faced by those addicted to tobacco products and therefore supports efforts of employees and students to quit using tobacco products. Any student who needs information about cessation programs may consult a college counselor, who can provide the student with information about available resources.

Adherence to our tobacco-free policy relies, in large part, on the initiative of students and staff to politely request that smokers comply and on the courtesy of smokers to acknowledge and observe the restrictions. Los Medanos College promotes the initiative of educating others about the hazards of smoking and will endeavor to educate rather than punish. In the absence of compliance, however, any student who violates the policy may be subject to citation and disciplinary measures in accordance with the provisions of the Student Code of Conduct and Governing Board policy. Visitors to Los Medanos College who do not comply with this policy may be cited and/or asked to leave Los Medanos College property.

Animals on Campus

The Contra Costa Community College District (CCCCD) fully supports individuals with disabilities who benefit from trained service animals. Per CCCCCD Governing Board Policy 2058, and in compliance with state and federal law, individuals with a disability are permitted to use a trained service animal in all District facilities. Students using service animals should coordinate with Disabled Students Programs & Services (DSPS). To provide the LMC community with a safe and productive environment for teaching, learning, and working, other animals – including emotional support animals – are prohibited on CCCCCD property. This policy shall not prohibit an employee from possessing an animal for approved instructional activities on District property.

Student Success & Retention Programs

Steps to successful registration and enrollment

To register and enroll in courses at Los Medanos College, follow these steps. These required steps are designed to support students in having a successful academic experience.

1. **Application:** All students new to Los Medanos College, as well as those who have missed two or more consecutive semesters, must submit a completed application online. Applications for the Summer, Fall and Spring semesters are accepted beginning September 15.
2. **Assessment:** The Assessment Center provides English and math placement based on completing a Multiple Measures Placement survey, transcript evaluation, results from previously administered placement tests, or by taking the Los Medanos College placement test. Considering these measures, we will evaluate and place you based on your academic history (e.g. high school GPA, courses completed). An English or math assessment is required for all students who plan to earn an associate degree, transfer to a four-year college or enroll in certain courses with prerequisites. Assessment is required for priority enrollment. Additionally, a Multiple Measures survey and placement test scores from other colleges can be brought to the Assessment Center and transcripts can be submitted to the Admission & Records Office. The college placement test is administered in the Assessment Center at the Pittsburg Campus or at the Brentwood Center and is available by appointment during the scheduled testing hours.
3. **Orientation:** All new students are required to complete an online orientation to LMC. Students can also attend the New Student Workshop. In the New Student Workshop, students will be able to clarify their educational goals, learn about student services and programs, as well as develop their initial education plan.
4. **Education Plan:** All new students are expected to complete an initial individual electronic education plan with the assistance of a counselor prior to registering for classes. This is completed in the "New Student Workshop". As part of the education planning process, all students must state a specific education goal no later than upon completion of 15 units of course work.
5. **Registration:** Registration is set up on a priority system (see Course Enrollment Priority) and may be completed online. Students who enroll in courses must pay appropriate fees (see FEES section). Students are considered officially enrolled when all fees have been paid in full.
6. **Counseling:** All students are expected to schedule an appointment with a counselor at least once each semester or as needed, to review, update and expand their initial educational plan.
7. **Attendance & successful completion of classes:** All students are expected to attend their classes regularly, complete assigned coursework on time, and complete their courses each semester. Students are also expected to maintain regular progress towards their educational goal.

Failure of a student to fulfill the responsibilities listed above may result loss of priority registration and the suspension or termination of college services.

Textbooks

Information on textbooks is located under "Bookstore" on page 28.

Waivers, Appeals and Complaints

Students who wish to request waivers, or file appeals or complaints on the basis of their Title 5 Matriculation Rights must follow the sequence of steps outlined below:

(Students filing other types of complaints or alleging discriminatory practices should follow the procedures listed in the college catalog under "Student Rights and Responsibilities—Grievance Process" or "Admission and Course Enrollment—Equal Opportunity Policy.")

A. Initial Review of Waiver Appeal or Complaint

1. The student should contact the Dean of Student Success and complete an "Appeal or Request for Waiver" form or file a complaint regarding matriculation rights. The completed form should be turned in to the Dean of Student Success or to campus mailbox 34.
2. The Dean of Student Success will contact the student and schedule a meeting to discuss the problem and/or inform the student of the decision.

3. In the event that the appeal or request for waiver is not granted, the student will be advised of his/her rights to further appeal and the correct procedures to follow.

B. Appeal to the Senior Dean of Student Services

1. If the initial appeal or request for waiver is not granted and the student does not accept this decision, the student may next submit the initial form to the Senior Dean of Student Services for further review.
2. The Senior Dean will review the appeal or request for waiver and will meet with the student and/or inform the student of his or her decision concerning the matter.
3. In the event the appeal or request for waiver is not granted by the Senior Dean, the student will be advised of his/her further right to further appeal and the correct procedures to follow.

C. Appeal to the President

1. If the student does not accept the dean's decision, the student may then submit the appeal or request for waiver to the College President.
2. The President will review the appeal and will meet with the student and/or inform the student of the final decision concerning the appeal or request for waiver.

Student Records Privacy Law

A cumulative record of enrollment, scholarship, and educational progress shall be kept for each student. Student records shall be maintained in a manner to insure the privacy of all records and shall not, except as otherwise herein authorized, permit any access to nor release of information therein. Students have the right to examine their own records and provision is made for the student to have copies of those records by written request and by payment of appropriate fees. Provision is also made for the student to challenge the accuracy of these records.

In conformance with federal and state laws, Los Medanos College hereby provides notice that the Contra Costa Community College District Governing Board has adopted a policy regarding access to student records maintained by the college.

Release of Student Records. No instructor, official, employee, or governing board member shall authorize access to student records to any person except under the following circumstances:

- Student records shall be released pursuant to a student's written consent.
- Directory information may be released in accordance with Board Policy, unless otherwise specified by the student.

Directory information shall include:

1. Student name
2. Student participation in officially recognized activities and sports, including weight, height, and high school of graduation of athletic team members.
3. Degrees and awards received by students, including honors, scholarship awards, athletic awards, and Dean's List recognition.

- Student records shall be released pursuant to a judicial order or a lawfully issued subpoena, or in the event of litigation towards the college district. If a parent or eligible student initiates legal action against an educational agency or institution, the educational agency or institution may disclose to the court, without a court order or subpoena, the student's educational records that are relevant for the educational agency or institution to defend itself.
- Whenever there is included in any student record any information concerning any disciplinary action taken by a community college in connection with any alleged sexual assault, or physical abuse, or threat of sexual assault, or any conduct that threatens the health and safety of the alleged victim, the alleged victim of that sexual assault or abuse shall be informed within three days of the results of any disciplinary action by the community college and the results of any appeal. The alleged victim shall keep the results of that disciplinary action and appeal confidential.
- Student records may be released to officials and employees of the District only when they have a legitimate educational interest to inspect the record. The assigned custodian of records at each campus determines access to student records.
- Student records may be released to authorized representatives of the Comptroller General of the United States, the Secretary of Education, an administrative head of an education agency, state education officials, or their respective designees or the United States Office of Civil Rights, where that information is necessary to audit or evaluate a state or federally supported educational program or pursuant to federal or state law. Exceptions are that when the collection of personally identifiable information is specifically authorized by federal law, any data collected by those officials shall be protected in a manner that will not permit the personal identification of students or their parents by other than those officials, and any personally identifiable data shall be destroyed when no longer needed for that audit, evaluation, and enforcement of federal legal requirements.
- Student records may be released to officials of other public or private schools or school systems, including local, county or state correctional facilities where education programs are provided, where the student seeks or intends to enroll or is directed to enroll. The release is subject to the conditions in Education Code 76225.

- Student records may be released to agencies or organizations in connection with a student's application for, or receipt of, financial aid, provided that information permitting the personal identification of those students may be disclosed only as may be necessary for those purposes as to financial aid, to determine the amount of the financial aid, or conditions that will be imposed regarding financial aid, or to enforce the terms or conditions of financial aid.
- Student records may be released to organizations conducting studies for, or on behalf of, accrediting organizations, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering financial aid programs, and improving instruction, if those studies are conducted in such a manner as will not permit the personal identification of students or their parents by persons other than representatives of those organizations and the information will be destroyed when no longer needed for the purpose for which it is conducted.
- Student records may be released to appropriate persons in connection with an emergency if the knowledge of that information is necessary to protect the health or safety of a student or other persons, subject to applicable federal or state law. The assigned custodian of records at each campus will make this determination.
- The following information shall be released to the federal military for the purposes of federal military recruitment: student names, addresses, telephone listings, dates and places of birth, levels of education, degrees received, prior military experience, and/or the most recent previous educational institutions enrolled in by the students.

Availability of Specific Information

The following specific information is on file at the Admissions & Records Office and/or is available to students upon request.

1. The types of student records and information contained therein which are directly related to students and maintained by the institution.
2. The official responsible for the maintenance of each type of record, the persons who have access to those records, and the purposes for which they have such access.
3. The policies of the district for reviewing and expunging these records.
4. The right of the student to access to his/her records.
5. The procedures for challenging the content of student records.
6. The cost which will be charged for reproducing copies of records.
7. The categories of information which the institution has designed as directory information and the parties to whom such information will be released unless the student objects.
8. Any other rights and requirements set forth in Chapter

1.5 (commencing with Section 15430) of Division 18.5 of the Education Code.

Address Changes

Students should notify the Admissions & Records Office of changes of address. Address and phone number changes should be submitted by going into InSite on the college website, (www.losmedanos.edu). Students who are also working as employees of the college should submit address, phone and/or e-mail changes by the same procedure.

Student Right-To-Know and Campus Security Act

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Contra Costa Community College District and Los Medanos College to make the following information available:

- The completion or graduation rates of certificate or degree-seeking, first-time, full-time students beginning Fall 2013 and annually thereafter. Based on a cohort of first-time, full-time freshman with a declared program of study, 34.22% attained a certificate or degree or became 'transfer prepared' during a three-year period, from Fall 2013 to Spring 2016. Based on the cohort of first-time freshmen with a declared program of study, 6.27% transferred to another public institution in California (UC, CSU, or other California Community College) prior to attaining a degree or certificate or becoming "transfer-prepared" during a three-year period, from Spring 2014 to Spring 2016.
- Annual reports of criminal activity on campus and procedures for prevention of campus crime, as required by the Crime Awareness and Campus Security Act of 1991. This information is available, on request, from the campus Police Services Office or the LMC website under Campus Police.

2

Section

College Transfer and Graduation Requirements

Transfer Information

Many students will transfer to a four-year college or university after completing their freshmen and sophomore courses at Los Medanos College. Each four-year institution has a basic pattern of lower-division general education/breadth requirements and specific major requirements which may be fulfilled at Los Medanos College before transferring.

All students who plan to transfer should consult with an LMC counselor to develop an educational plan and to update it on a regular basis. Students should acquaint themselves with the catalog and website of the intended university, especially regarding admission requirements and application procedures. Students are advised to talk with LMC counselors and/or university representatives when selecting courses to meet major and general education requirements.

Some majors, such as engineering, pre-medical/dental/veterinary, biology, chemistry, physics, astronomy, architecture, and liberal studies, have very specific courses that must be completed before transfer, and do not require as many general education courses. A very useful website for LMC students planning to transfer to California public universities is www.assist.org. Students should also consult with an LMC counselor regarding majors leading to professional careers in fields such as teaching or law. Information about the teaching profession may be obtained at www.teachcalifornia.org.

Students will find that the LMC Transfer & Career Services provides information and support for transfer planning. Students can drop in at Transfer & Career Services, call (925) 473-7444, or visit www.losmedanos.edu/transfer.

Transfer to the California State University (CSU)

Los Medanos College transfers students to all 23 campuses of the California State University system. The CSU campuses are located throughout the state, and students can find information about the CSU system at www.csumentor.edu. Admission representatives from local CSU campuses visit Transfer & Career Services on a regular basis. Please consult with an LMC counselor and check with Transfer & Career Services for more information.

Transfer Admission Requirements for CSU Students who have completed college units after graduation from high school are considered transfer students. A total of 124 units of college level work is the minimum required for graduation from a California State University with a baccalaureate degree. Of these 124 units, a maximum of 70 units may be transferred from a community college. Students should complete classes that meet general education and major requirements.

Many majors have specific course requirements that must be met to be eligible for admission. A higher grade point average than the minimum may also be required. The requirements for a particular major may differ from one CSU campus to the next and may change annually, so students must consult regularly with a counselor when selecting their courses.

Lower Division Transfers

Students who have completed 59 or fewer transferable college semester units are considered lower division transfer students. Students are eligible for admission if they have a grade point average of 2.0 (C) or better in all transferable units attempted, are in good standing at the last college or university attended, and meet any of the following standards:

1. They were eligible as a freshman at the time of high school graduation, i.e. met the eligibility index (GPA/SAT I score) and completed the 15 unit pattern of college preparatory subjects.
2. They were eligible as a freshman at the time of high school graduation except for subject requirements and have made up the missing subjects at a high school or college.
3. Some campuses may require completion of English composition and general education math.

Students should contact their campus of choice to determine whether they have limits on admission as a lower division transfer or if they are accepting lower division transfer.

Upper Division Transfers

Students who have completed 60 or more transferable semester college units are considered upper division transfer students. Students are eligible for admission if they meet the following requirements:

1. Students must have a grade point average of 2.0 (C) or better in all transferable units attempted. Non-California residents must have a 2.4 grade point average or better.
2. Students must be in good standing at the last college or university attended (i.e., eligible to re-enroll).
3. Students must have completed or will complete prior to transfer at least 30 semester units of college coursework equivalent to courses that meet general education requirements with a grade of C or better in each course. The 30 units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking) and at least one course of at least 3 semester units in college level mathematics. Students may complete the Intersegmental General Education Transfer Curriculum (IGETC).

Special Note

Students who complete college units before they graduated from high school or during the summer between high school graduation and CSU enrollment are considered first-time freshman and must meet those admission requirements.

Transfer to the University of California (UC)

Every year, Los Medanos College students transfer successfully to the UC system. The UC system is comprised of ten campuses, the following nine of which have undergraduate programs: UC Berkeley, UC Davis, UC Irvine, UCLA, UC Merced, UC Riverside, UC San Diego, UC Santa Barbara and UC Santa Cruz. Admission representatives from UC campuses visit the Transfer & Career Services on a regular basis. Check with the Transfer & Career Services counter to obtain a schedule of these visits, or visit www.losmedanos.edu/transfer.

The University of California considers a transfer applicant to be a student who graduated from high school and enrolled in a regular session at a college or university. A student who meets this definition cannot disregard his or her college record and apply as a freshman. Students at a California community college should take courses that are transferable, satisfy university and college requirements, and fulfill lower division requirements in their major.

Course requirements vary from one UC campus to the next. Therefore, students should work with a counselor to first select a particular UC campus and then formulate a strategy for completing UC transferable courses which satisfy that campus' requirements for admission, general education, and major course of study.

Minimum Admission Requirements for UC Transfer Applicants

University of California admission requirements for transfer students vary depending upon the student's eligibility to enroll at UC when the student graduated from high school. Many UC campuses do not accept lower division transfers, that is, students with less than 60 UC transferable units.

To be eligible to apply for transfer as a junior, students must complete at least 60 units of UC transferable credit and meet specific admission requirements. In most cases, students may transfer up to 70 semester units of credit from a community college. Information on transferring to the UC system may be obtained online at www.universityofcalifornia.edu/admissions.

Eligible or Partially Eligible from High School

Students who were eligible for admission to the University when they graduated from high school—meaning they satisfied the Subject (15 unit pattern of college preparatory subjects), Scholarship (2.8 minimum GPA), and Examination (SAT I & II) Requirements, or were identified by the University during the senior year in high school as being eligible under the Eligibility in the Local Context (ELC) program—are eligible to transfer if they have a C (2.0) average in transferable college coursework.

Students who met the Scholarship Requirement, but did not satisfy the Subject Requirement, must take transferable college courses in the missing subjects, earning a C or better in each required course, and have an overall C average in all transferable coursework to be eligible to transfer.

Transfer to UC as a Junior

Students who were not eligible for admission to UC when they graduated from high school may be eligible to transfer as a junior if they:

1. Complete 60 semester units of transferable college credit with a grade point average of at least 2.4, AND
2. Complete the following course pattern requirement, earning a grade of C or better in each course:
 - Two transferable college courses (3 semester units each) in English composition, and;
 - One transferable college course (3 semester units) in mathematical concepts and quantitative reasoning, and;
 - Four transferable college courses (3 semester units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Students who satisfy the Intersegmental General Education Transfer Curriculum (IGETC) prior to transferring to UC will satisfy these transfer admission requirements. For more information please see IGETC Requirements in this catalog and consult with a counselor.

The minimum admission requirements for nonresident transfer applicants are the same as those for residents, except that non-residents must have a grade point average of 2.8 or higher in all transferable college coursework.

Please note that the requirements described above represent the minimum level of achievement to be eligible for admission to the University. At most UC campuses admission is competitive, and a grade point average higher than the 2.4 minimum may be required.

Special Transfer Admissions Programs

Transfer Admission Agreements/Guarantee

Some universities offer a program that guarantees students admission to a specific major as a junior if they complete the specified requirements. Participating universities include many University of California campuses and a variety of private universities, including nine Historically Black Colleges and Universities (HBCUs).

To learn about current universities offering transfer guarantees, their specific requirements, and the timeline for completing an agreement, visit the Transfer & Career Services or check online at www.losmedanos.edu/transfer.

Concurrent Enrollment (UC Berkeley)

The Concurrent Enrollment Program permits access to UCB classes so that eligible students may test their potential for success in a university setting and/or students may take required courses at the University, which may not be available at the community college.

Cross Registration (CSU East Bay)

The Cross Registration Program allows eligible students to enroll concurrently at CSU East Bay and provides the opportunity to take required or exploratory courses at this baccalaureate institution.

Honors Transfer Admission Agreements

Graduates of the Honors Program receive either guaranteed or priority admission from our ten honors transfer partners. Many of our transfer partners also offer guaranteed or priority scholarship assistance to accepted Honors Students.

The honors transfer partners include UCLA, CSU East Bay, San Francisco State University, Mills College, Saint Mary's College and other public and private universities around the state. For details and a complete list, visit the Honors Program website at www.losmedanos.edu/honors. Or contact Honors Director Jennifer Saito at jsaito@losmedanos.edu.

Intersegmental General Education Transfer Curriculum (CSU & UC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern which community college transfer students can use to fulfill lower-division general education requirements in either the California State University (CSU) or University of California (UC) system without the need, after transfer, to take additional lower-division general education courses.

IGETC is not advisable for all students planning to transfer. IGETC is only one way to fulfill the lower-division general education requirements of the UC or CSU. It is not recommended for certain majors and certain colleges, and some colleges do not accept IGETC. Students pursuing majors that require extensive lower-division major preparation may not find the IGETC option to be advantageous. Engineering and architecture are examples of those majors. Roosevelt and Revelle Colleges at UC San Diego, the HAAS School of Business at UC Berkeley, and the College of Environmental Design (architecture and landscape architecture majors) at UC Berkeley will not accept the IGETC. Some students may be better served by taking courses which fulfill the CSU general education-breadth requirements OR those of the UC campus or college to which they plan to transfer. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus. Students should check with an LMC counselor or university representative about whether or not IGETC is appropriate for them.

To be certified under IGETC, the entire program must be completed prior to transfer. All courses must be completed with a grade of "C" or better. If the IGETC is not completed prior to transfer, students will be subject to the lower-division general education requirements of the campus or college to which they transfer.

All coursework applicable to the IGETC must be completed and certified in order to be accepted by CSU and UC. In addition to the course requirements for each subject area, full certification for the CSU must include completion of the oral communication requirement. For the UC, oral communication is not required, but the certification must include satisfaction of the foreign language proficiency requirement. Students should consult with an LMC counselor and contact the Admissions Office at LMC for IGETC certification.

See the following pages for classes that meet the IGETC pattern or the CSU GE/Breadth requirements at Los Medanos College. Contact the Counseling Services or Transfer & Career Services for the most current approved course list and for questions related to IGETC or general education.

Transfer to Private and Out-of-State Colleges and Universities

Every year, LMC students transfer to private colleges and universities in California. LMC students also transfer to universities and colleges out of state, both private and public. Entrance requirements and general education course equivalents are so varied, however, that students anticipating transfer to one of these colleges should obtain its catalog, or consult its website, and work closely with a Los Medanos College counselor to ensure that transfer planning is effective. Some private and out-of-state colleges and universities will accept the completed IGETC to meet their lower-division general education requirements. Admission representatives from local private colleges and universities visit Transfer & Career Services on a regular basis. Contact Transfer & Career Services for more information.

GET READY TO TRANSFER!

Transfer & Career Services is the place to go

TRANSFER RESOURCES

- Reference books on higher education
- Internet access for college transfer information, including ASSIST and CSU Mentor
- CSU, UC, and private university admission applications
- A variety of college guides to help you choose the right school for you
- Transfer & Career Services offers a wide array of services and resources to help students transfer to the four-year institution of their choice

LOS MEDANOS
COLLEGE

Transfer & Career Services

www.losmedanos.edu/transfer

TRANSFER SERVICES

- Walk-in transfer information and assistance
- Workshops and seminars on transfer issues and concerns
- Application filing assistance
- Opportunities to meet with representatives from four-year colleges and universities
- General education information (CSU GE and IGETC)
- Transfer Admission Guarantee
- Annual College Transfer Day
- University tours
- Friendly and helpful staff

SPECIAL TRANSFER PROGRAMS

- **TAG (Transfer Admission Guarantee)**
TAG guarantees students admission to a specific major as a junior if they complete the specified requirements. LMC does TAGs with UC Davis, UC Santa Barbara, UC Irvine, UC Merced, UC Santa Cruz, UC Riverside, as well as HBCUs (Historically Black Colleges and Universities) and more.
- **Cross Enrollment (CSUEB)**
Cross Registration is a program that allows students to enroll concurrently at CSUEB if they meet eligibility requirements. It gives the students the opportunity to take courses at CSUEB while paying community college fees.
- **Cross Enrollment (UC Berkeley)**
This program permits access to UCB classes so students may test their potential for success in a university setting and/or may take required courses at the University that might not be available at their home institution.
- **Transfer Academy**
The Transfer Academy provides a dynamic academic experience with strong supports in and outside of the classroom, like academic counseling, academic support, workshops, leadership development and campus tours.

CSU: California State University 2018 – 2019

GENERAL EDUCATION - BREADTH REQUIREMENTS

Students choosing to transfer are **strongly encouraged to see an LMC counselor**, since four-year college requirements vary widely and are subject to change. Students must request that the CSU GE certification be sent to the four-year campus that they will be attending. Check the appropriate box on the "Transcript Request" form at Admissions & Records. Partial GE Certification is available.

Credit by Advanced Placement

LMC grants credit toward undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. See page 18 of the college catalog for the policy for granting credit for specific scores and exams. Please check with the counseling department for up-to-date information. The current CSU GE list may be found at www.assist.org.

AREA A English Language Communication and Critical Thinking

A MINIMUM OF ONE COURSE IN AREAS A1, A2 AND A3.

A1	Oral Communication SPCH-110, 120	(3 units)
A2	Written Communication ENGL-100	(3 units)
A3	Critical Thinking PHIL-110, 210, ENGL-220, ENGL-221, 230, SPCH-120	(3 units)

Some CSU campuses also require English 230 to satisfy graduation requirements. Please consult with a counselor.

AREA B Scientific Inquiry and Quantitative Reasoning

A minimum of one course in areas B1, B2 and B4. At least one course in physical science or biological science must have a laboratory activity as outlined in B3. (9 Semester units minimum)

B1	Physical Science ASTRO-010 CHEM-006, 007, 008, 025, 026, 028, 029 PHYS-015, 035, 036, 040, 041, 042 PHYS-005	(3 units)
B2	Life Science BIOSC-007, 008, 010, 020, 021, 040, 045, 050, ANTHR-001	(3 units)
B3	Laboratory Activity ASTRO-010 and 011 BIOSC-007, 008, 010, 020, 021, 040, 045, 050 CHEM-006, 007, 008, 025, 026, 028, 029 PHYS-015, 035, 036, 040, 041, 042	
B4	Mathematics/Quantitative Reasoning Satisfactory completion qualifies for exemption from the ELM examination requirements. MATH-034, 037, 040, 050, 060, 070, 075, 080, 120, 160	(3 units)

AREA C Arts and Humanities

A minimum of one course in C1 & C2 and one additional course in C1 or C2.

C1	Arts ART-005, 006, 007, 008, 009, 035, DRAMA-015, 016, 025, 070, 072, HUMAN-035, MUSIC-010, 012, 015, 017, SPAN-060
C2	Humanities ART-016, 017, 018, CHIN-030, 040, DRAMA-025, 030, 072 ENGL-113, 114, 124, 127, 128, 129, 132, 133, 140, 145, 150, 205, 210, 211, 230, 231, FRNCH-060, 061, HIST-029, 030, 031, 033, 034, 035, 038, 039, 040, 046, 047, 052, 055, 056, 057, 060, 061, HUMAN-019, 020, 021, 022, 024, 030, 050 ITAL-060, 061, PHIL-100, 120, 122, 130, 132, 133, 140, 142, 150, 151, POLSC-133, SIGN-050, 051, 052, SPAN-049, 050, 051, 052, 053

AREA D Social Sciences

Nine semester units taken from at least 2 disciplinary perspectives.

DISCIPLINE(S)	COURSE(S)
	ADJUS-110, 160, 220
	ANTHR-004, 005, 006, 007, 008
	CHDEV-010, 020, 050
	ECON-005, 010, 011
	ENGL-110, 135, 136
	HIST-029, 030, 031, 033, 034, 035, 038, 039, 040, 046, 047, 052, 055, 056, 057, 060, 061
	JOURN-100,
	POLSC-010, 020, 040, 043, 050, 060, 133
	PSYCH-010, 011, 014, 017
	SOCIO-015, 016, 017
	SOCSC-045, 110, 135, 136
	SPCH-130, 150

AREA E Lifelong Learning and Self-Development

Minimum of one course, 3 units.

ACS-010, ANTHR-007, BIOSC-005, CHDEV-010, COUNS-036, PE-100
PSYCH-014, SOCIO-012, Form DD-214 (basic training clears Area E)

U.S. History, Constitution and American Ideals

These courses may double count in Area D
Students can meet this requirement in two ways:

- 1) POLSC-010 and any course listed in US-1 Courses below.
 - 2) POLSC-040 and POLSC-060 and any course listed in US-1 Courses below
- US-1 courses:** ECON-005, HIST-029, HIST-030, HIST-046, HIST-047, HIST-052, HIST-056, HIST-057, HIST-060, HIST-061.

IGETC: Intersegmental General Education Transfer Curriculum 2018 – 2019

REQUIREMENTS FOR STUDENTS TRANSFERRING TO CSU OR UC

Students choosing to transfer are **strongly encouraged to see an LMC counselor**, since four-year college requirements vary widely and are subject to change.

Although courses may be listed in more than one area, they may be used to satisfy the requirement in only one area.

Students must request that the IGETC certification be sent to the four-year campus that they will be attending. Check the appropriate box on the "Transcript Request" form at Admissions & Records.

Note: Although it is possible to fulfill the Associate Degree for Transfer by completing the IGETC for UC pattern, admission to CSU requires completion of an Oral Communication course (CSU GE Area A-1; IGETC Area 1C); therefore, students who plan to transfer to CSU should complete this course as part of their GE or elective units.

Credit by Advanced Placement

LMC grants credit toward undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. See page 18 of the college catalog for the policy for granting credit for specific scores and exams.

AREA 1 English Composition

CSU: Three courses required: One course from 1A, 1B and 1C.

UC: Two courses required: One course from 1A and 1B.

1A English Composition: ENGL-100

1B Critical Thinking – Composition: ENGL- 221, 230, PHIL-110

1C Oral Communication (CSU only): SPCH-110, 120

AREA 2 Mathematical Concepts and Quantitative Reasoning

One course required (3 semester units minimum).

MATH-034, 037, 040, 050, 060, 070, 075, 080, 160

Math 037 and 050 combined: credit for one course only.

AREA 3 Arts & Humanities

At least 3 courses, with at least one course from the arts and one course from the humanities. (9 semester units.)

3A Arts: ART-005, 006, 007, 008, 009, 016
 DRAMA-015, 016, 070, MUSIC-010, 015, 017

3B Humanities: ART-017, 018, 035, CHIN-040, DRAMA-025, 030, 072, ENGL-124, 127, 128, 129, 132, 133, 140, 145, 150, 205, 210, 211, 230, 231, FRNCH-061, HIST-056, 057, 060, HUMAN-019, 020, 021, 022, 024, 030, 035 ITAL-061, MUSIC-012, PHIL-100, 122, 133, 142, POLSC-133, SIGN-051, 052, SPAN-051, 052, 053

ENGL-127, ENGL-133, MUSIC-012 satisfies American Cultures Requirement, UC Berkeley.

Please check with the Counseling Department for up-to-date information. The current list of all CSU and UC transferable courses are found at www.assist.org.

AREA 4 Social & Behavioral Sciences

At least 3 courses from at least 2 disciplines. (9 semester units).

4 ENGL-110, SOCSC-150

4A Anthropology and Archaeology: ANTHR-004, 005, 006, 007, 008

4B Economics: ECON-010, 011

4C Ethnic Studies: HIST-046, SOCSC-045, SPCH-150

4D Gender Studies: ENGL-135, 136, HIST-055, PSYCH-014, SPCH-180

4F History: ECON-005, HIST-029, 030, 031, 033, 034, 035, 038, 039, 040, 061

4G Interdisciplinary, Social and Behavioral Sciences: CHDEV-010, HIST-047, 052, JOURN-100, POLSC-043, SPCH-130, 180

4H Political Science, Government and Legal Institutions: ADJUS-110, PHIL-133, POLSC-010, 020, 040, 050, 133

4I Psychology: PSYCH-010, 011, 014, 017, SOCIO-017

4J Sociology and Criminology: ADJUS-110, SOCIO-015, 016, 017

AREA 5 Physical & Biological Sciences

At least 2 courses, one physical science course and one biological science course; at least one must include a laboratory. (7-9 semester units.)

5A Physical Science: ASTRO-010, 011, CHEM-006, 008, 025, 026, 028, 029, PHYS-015, 035, 036, 040, 041, 042, PHYSC-005

5B Biological Science: BIOSC-007, 008, 010, 020, 021, 040, 045, 050, ANTHR-001

All science courses listed above include lab activity, except for: ANTHR-001, PHYSC-005 and ASTRO-010. ASTRO-011 may be completed along with ASTRO-010 for lab activity credit.

No credit for BIOSC-010 if taken after BIOSC-020.

No credit for CHEM-006 if taken after CHEM-025.

No credit for PHYS-015 if taken after PHYS-035.

No credit for PHYSC-005 if taken after college level course in Astronomy, Chemistry, Geology or Physics.

AREA 6 Languages Other Than English

UC Requirement only. Proficiency equivalent to two years of high school study in the same language. One course (3-5 semester units)

CHIN-030, 040; FRNCH-060, 061; ITAL-060, 061; SIGN-050, 051, 052, 053; SPAN-050, 051, 52, 53

U.S. History, Constitution & American Ideals

CSU Requirement only. Courses used to satisfy this requirement may be double counted in Area 3 & 4. Students can meet this requirement in two ways:

1) POLSC-010 and any course listed in US-1 Courses below.

2) POLSC-040 and POLSC-060 and any course listed in US-1 Courses below.

US-1 courses: ECON-005, HIST-029, HIST-030, HIST-038, HIST-046, HIST-047, HIST-052, HIST-056, HIST-057, HIST-060, HIST-061.

Section

Program Requirements, Courses and Learning Outcomes

Graduation Requirements

Applying for Graduation

Petitions to graduate with an associate degree or a certificate of achievement should be filed in the LMC Admissions & Records Office. Deadlines for submitting a petition for graduation are listed on the college website. Petitions are available in the Admissions & Records Office or at www.losmedanos.edu. Only courses and credit from accredited institutions may be used to satisfy graduation requirements. See "Credit Accepted at Los Medanos College" in the Standards of Scholarship section for more information. Petitions for review of requirements for a college skills certificate can be submitted once requirements are completed.

The graduation ceremony is held once a year at the end of the spring semester for those students who complete the requirements for graduation during the academic year. Awards will be mailed to graduates approximately twelve weeks after the end of the semester in which requirements are completed.

Catalog Rights

LMC publishes a new catalog every year, and the requirements for the degree/certificate programs may change from one catalog to the next. Catalog rights do not pertain to prerequisites. Students have the right to graduate under the terms and regulations of any of the catalogs that are published while in continuous enrollment at LMC, prior to eligibility for graduation.

Continuous enrollment at LMC is defined as the period of time in which a student's record reflects completion of at least one course, for one semester or term, during a given catalog (academic) year, from the time of original enrollment. A student who has a break in attendance more than a year must use the catalog that is in effect at the time of readmission or a subsequent catalog for the period of continuing enrollment.

Associate Degree for Transfer Requirements

California Community Colleges offer associate degrees for transfer to the CSU. These include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees, which are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Los Medanos College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreeewithaguarantee.com.

Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an education plan that best meets their goals and needs.

Associate Degree Requirements

LMC students have the option of following the "Standard Path" or the "Transfer Path" when planning for an associate degree. See the following pages for more information on these options and the Associate Degree Requirement chart. Students should consult with an LMC counselor. The counselor will assist the student in planning the courses required to satisfy the major for the degree and all other graduation requirements. Majors for an associate in science degree include: biological science, chemistry, or career technical programs. The associate in arts degree is awarded for all other majors. Students may earn multiple degrees.

Students may apply for substitutions only in their major and only for associate of arts degrees, associate of science degrees, and certificates of achievement.

In order to receive an associate degree from Los Medanos College, a student must meet college standards in mathematics, reading and interpreting material, and writing expository essays.

Mathematics Requirement:

1. Complete Math 26, 29 or higher, ETEC-009, PTEC-009 with a grade of "C" or better,
or
2. Score a grade of 4 or 5 on any AP Calculus Exam

Reading and Writing Requirements:

1. The reading/writing requirement is cleared when an "A", "B", or "C" grade is earned in ENGL-100.
or
2. Score a grade of 3, 4 or 5 on AP English Literature Exam or AP English Language Exam

Certificate of Achievement Requirements

Satisfaction of the requirements defined in the Majors section, including 12 units in residency, and a cumulative grade point average of 2.0, qualifies a student for the certificate of achievement. Students may earn multiple certificates.

College Skills Certificate Requirements

Shorter certificate options are available through various programs. These certificates require less than 18 units of course work within the major programs of study. Students requesting skills certificates must complete at least 50% of the courses required for the skills certificates at Los Medanos College. No substitutions allowed. For information, contact the department chair or a counselor.

General Education

Philosophy

General education is designed to enhance the lives of students in the broadest sense. Generally educated people have well-developed reading, writing, speaking and critical thinking skills, and will mobilize these abilities in all areas of their lives, for the rest of their lives. They can ask thoughtful questions, grapple with difficult texts and concepts, consider competing perspectives, challenge arguments and question conventional ideas, absorb new information, admit their own limitations, and demonstrate curiosity and a love of learning.

The ends of general education are more than academic; they are civic, moral, and personal. Civic, because citizens in a democracy need to think, be informed, and work with others in public projects. Moral, because we are bound to uphold rights, to respect diversity, and to oppose the mistreatment of humanity and the natural world. And personal, to enhance self-awareness and intellectual discipline. As generally educated people, we live better in every way.

A GE course is rigorous and challenging, but also responsive to students and relevant to real-world issues. A GE course honors the diversity of its students' opinions and life experiences. A GE course is active, dynamic, probing, far-reaching, and open to unexpected lines of inquiry. A GE course will engage and benefit any student, not only those with a professional or personal interest in the subject.

Student Learning Outcomes for the General Education Program

At the completion of the LMC general education program, a student will:

1. Read critically and communicate effectively as a writer and speaker.

Reading

- Reading is primary source of information and constitutes substantial portion of assignments.
- Students are expected to analyze, synthesize and evaluate concepts, going beyond skills required for literal comprehension of text.

Writing

- Writing is used to develop thinking, promote learning.
- Writing is used as evaluation instrument to measure student progress.
- Students are asked to write with frequency and depth to explore ideas, relationships.
- Students expected to demonstrate college level writing: clarity and command of grammar.

Speaking

- Opportunities for students to explore ideas and communicate orally.
 - Students are expected to demonstrate ability to speak effectively.
2. Understand connections among disciplines and apply interdisciplinary approaches to problem solving.
 - Course connects with other selected disciplines, includes references to commonalities.
 - Course includes concepts, generalizations, principles, values, attitudes and belief systems common to other branches of knowledge.
 - Course reveals to students the interrelatedness of knowledge across the curriculum.
 3. Think critically and creatively
 - Critical thinking is not additional to content, but integral to it; something that defines the manner in which content is organized, conceptualized, applied.
 - Course provides opportunity for students to take charge of their thinking, develop criteria of analyzing and assessing their thinking.
 - Students are expected to demonstrate creative thinking processes which involve novel ways of defining problems, and generating solutions.
 4. Consider the ethical implications inherent in knowledge, decision-making and action.
 - Course embodies values and poses ethical questions which suggest consequences for the future.
 - Course addresses the ethical obligations which can arise from knowledge within the discipline.
 - Students are expected to demonstrate understanding of moral significance, impact of knowledge on society.
 5. Possess a worldview informed by diverse social, multicultural and global perspectives.
 - Course challenges students to consider contrasting experiences, viewpoints and opinions of diverse social groups within the U.S. and/or among other peoples, nations and cultures.
 - Course addresses distinctions of race, class, ethnicity, gender, religion, age, disability, sexual orientation and political persuasion where applicable.
 - Course extends beyond national centrism, where appropriate, to a more inclusive consideration of the international developments, patterns and trends that conjoin Americans with other peoples around the globe.

Student Planning

All students should have an education plan. Your education plan is your individualized roadmap to your college goals. Use the "Student Planning" tool to track your progress, update the plan as needed, make an appointment with a counselor and register for courses. To start working on your education plan, log on through the portal using your InSite username and password. Select "Student Planning" under "Academic Profile". And be sure to see a counselor to make sure you are selecting the best courses for your program of study.

See the Los Medanos College Catalog for information on LMC program requirements.

*Degrees designed especially for those who plan to transfer to a California State University (CSU) campus.

Pathways to an Associate Degree at LMC

To be awarded an AA or AS degree at LMC, students must fulfill all of the following requirements:

- Complete 60 degree-applicable units with a cumulative grade point average of 2.0 or higher, with at least 12 units completed at LMC.
- Complete the specific LMC major requirements (a minimum of 18 units) listed in the college catalog with a grade of C or better.
- Complete General Education requirements by either the Transfer or Standard Path, as listed below:

Transfer AA/AS Path

- Students must complete the lower division General Education requirements of a four-year transfer institution. Students planning to transfer to a California public university should follow the California State University General Education-Breadth requirements or the Intersegmental General Education Transfer Curriculum (IGETC). *

Associate Degrees for Transfer

- Students complete 60 transferrable units that include the IGETC or CSU GE Breadth pattern and the required units in a major or area of emphasis.
Students must complete 60 transferrable units and must have 12 units at LMC.

Standard AA/AS Path

- Students must complete the LMC General Education requirements, as listed on the following page in the catalog.

*Students planning to transfer to a private or out-of-state university need to consult a counselor. In addition, all students choosing the transfer path option are strongly encouraged to see a counselor since four-year college requirements vary widely and are subject to change.

Los Medanos College ASSOCIATE DEGREE REQUIREMENTS

2018 - 2019

Standard AA/AS Path

A **minimum total of 60 degree-applicable units** are required for the associate degree. Students must complete this coursework, in addition to 18 or more units in a defined major as listed in the catalog. Of the total units completed, 12 units must be at LMC, with a cumulative grade point average of 2.0 or higher. Completing the required courses in the boxes below will total between 18-19 units. Please see a counselor for assistance in selecting appropriate courses. Students choosing the transfer track option are strongly encouraged to see a counselor since four-year college requirements vary widely and are subject to change. This document is subject to change. For updates, contact **Counseling Services** or www.losmedanos.edu

General Education Requirements

A. Natural Sciences

3 Units

Many of these courses will also satisfy the CSU Area B requirement.

COMPLETE ONE OF:

ASTRO – 010; BIOSC – 005*, 007, 008, 010; ENGIN – 010; PHYS – 015; PHYSC – 005

*Degree credit if taken Summer 2011 and later.

B. Social & Behavioral Sciences

3 Units

Many of these courses will also satisfy the CSU Area D requirement.

Transfer students should consult with an LMC counselor regarding meeting the CSU American Institutions and Ideals requirement.

COMPLETE ONE OF:

ADJUS – 110, 160; ANTHR – 001, 004, 005, 006, 007; CHDEV – 010, 020; ECON – 005, 010, 011; EDUC-040; ENGL-110, 136; HIST – 029, 030, 031, 033, 034, 035, 038, 039, 040, 055, 061; POLSC – 010, 020, 040, 043, 050, 060, 133; PSYCH – 010, 011; SOCIO – 015, 016; SOCSOC – 045, 110; SPCH-120

C. Arts & Humanities

3 Units

Many of these courses will also satisfy the CSU Area C requirement.

COMPLETE ONE OF:

ART 005, 006, 007, 008, 009, 016, 017, 018, 035; DRAMA – 015, 016, 025, 070, 072; ENGL – 124, 127, 128, 129, 133, 150, 205, 210, 211, 230, 231; HUMAN – 019, 020, 021, 022, 023, 024, 030, 035, 050; JOURN – 100, 110; MUSIC – 010, 012, 015; PHIL – 100, 120, 122, 130, 132, 133, 140, 142, 150, 151; POLSC-133; SPCH-110, 130

D. Language and Rationality

6-7 Units

COMPLETE TWO COURSES: (one from English Composition and one from Communication and Analytical Thinking)

i. **English Composition:** ENGL-100

ii. **Communication and Analytical Thinking:** MATH-026, MATH-029 or higher, ETEC-009, PTEC-009

E. Ethnic/Multicultural Studies

3 Units

Many of these courses will also satisfy the CSU Area C and D requirements.

COMPLETE ONE OF:

ADJUS-160; CHDEV – 050; DRAMA – 015, 030, 072; ENGL – 110, 127, 128, 129, 133, 135, 136, 210, 211; HIST – 046, 047, 052, 055, 061; SOCSOC – 045, 110, 135, 150; SPCH-150

TOTAL UNITS

18-19

Courses can be counted in **one** box only.

Understanding the Course Descriptions

The course descriptions provide information believed to be true and correct as of the publication of this college catalog. Courses described may not be offered every term or every academic year. Check the Schedule of Classes for our current listings of LMC course offerings.

Courses are listed alphabetically by department and numerically within the departmental sequence.

Any course may be offered during any term, evening or day hours, on or off campus, when there is evidence of sufficient numbers of students to justify offering the class. Any course listed in the Schedule of Classes may be canceled when the enrollment is too low to justify offering the class or if an instructor is not available.

Course Codes/Descriptors

Class Hours

References the number of lecture, lab, and/or activity hours of class meeting time per week or total hours that a course will meet over the duration of the term.

Units (of Credit)

The measure of how much credit may be earned for any given course. Unit totals are determined by the type of instruction associated with the course (i.e. lecture, lab) and the total number of hours the course will meet. See the "Guidelines on Units of Credits" section for further information.

Prerequisites/Co-requisites/Advisories

Prerequisites, co-requisites and advisories are listed for certain courses in the college catalog and class schedules. Prerequisites are courses or other requirements that a student must have completed and have verified in the Admissions & Records Office prior to enrolling in a given course. Prerequisites are required for classes when there is a need for a specific skill level or knowledge in order to be successful in the desired class. Co-requisites are courses that must be taken concurrently with the desired course, in order to provide additional knowledge, skills, or lab time. Advisories are associated with particular classes to indicate the desired knowledge or skill level for successful course completion. Advisories are not required classes, but are recommended for student success. Prerequisite coursework will only be accepted from regionally accredited institutions, as recognized by the U.S. Department of Education.

Course Repeatability

Not all courses may be repeated, once they have been successfully completed (with a grade of "P", "C" or better). If a course is repeatable, it will be stated at the end of the course description. If there is no statement regarding repeatability, a course may only be repeated if the first grade received was substandard ("NP", "D", or "F"). See the "Standards of Scholarship" section for further information about the Course Repetition Policy.

Grading Information

Courses may be graded with letter grades (A – F), or by student choice (SC). If a class is graded by pass/no pass, P/NP will appear at the end of the course description. If the student has a choice as to receiving a letter grade or credit/no credit, SC will appear at the end of the course description. LR will appear at the end of the course description for letter grade only.

If a student wishes to initiate the student choice option, they must complete a petition by the posted time line in the Admissions & Records Office (the deadline for short-term classes will vary, depending upon the length of the class). See the "Standards of Scholarship" section for further information.

Associate Degree Requirements

Associate Degree Requirements Courses may be identified as meeting a requirement for the standard Associate of Arts/ Associate of Science degree(s). These courses will be coded with an "LMC: ADR:" and the appropriate area requirement it meets. See page 63 for a listing of courses that are required to meet the standard Associate of Arts/Associate of Science path.

Degree Applicability

Courses are either identified as degree applicable or non degree applicable. If a course is degree applicable, it will be coded with "DA" below the course description and will apply toward the completion of requirements for an associate degree. If a course is non degree applicable, it will be coded with "NDA" and cannot be applied to units required for an associate degree.

Transfer Status Designations

CSU transferable (CSU): Courses identified with the CSU code are transferable to campuses of the CSU system. However, they may only be transferable as an elective. Students should check with their counselor or the Transfer Center for complete information about the transferability of courses toward meeting general education breadth requirements or major requirements.

CSU General Education Breadth Requirements (CSU GE): Courses identified with the CSU GE code are transferable to campuses of the CSU system. These courses meet the general education breadth requirements of the CSU system.

UC transferable (UC): Courses identified with the UC code are transferable to UC campuses. A course must be on the transfer course agreement (TCA) at the time the class is taken to be transferable to UC.

The lists of CSU, CSU GE and UC transferable courses are available at www.assist.org.

Intersegmental General Education Transfer Curriculum (IGETC): Courses identified with the IGETC code are part of a comprehensive pattern of courses prospective transfer students from the California Community Colleges may complete to satisfy lower-division General Education requirements at both the University of California and the California State University.

Course Identification Numbering System C-ID

C-ID, the Course Identification Numbering System, is a faculty-driven system that was initially developed to assign identifying designations (C-ID numbers) to significant transfer courses. C-ID addresses the need for a "common course numbers" by providing a mechanism to identify comparable courses. Most C-ID numbers identify lower-division transferable courses commonly articulated between the California Community Colleges (CCC) and universities (including Universities of California, the California State Universities, as well as with many of California's independent colleges and universities). While C-ID's focus is on courses that transfer, some disciplines may opt to develop descriptors for courses that may not transfer to UC or CSU. As submission of a course to C-ID by a CCC indicates acceptance of courses bearing that C-ID number, C-ID is a means of establishing intrasegmental (with the CCC) articulation.

The C-ID number is a designation that ties that course to a specific course "descriptor" that was developed by intersegmental discipline faculty and reviewed statewide. It provides information for students, staff, and faculty who must identify which community college courses best meet the expectations transfer partners have for courses that contribute to transfer into a major at specific universities. The C-ID descriptor also provides information for ongoing curriculum development and revision of lower division courses.

Once the descriptor for a course has undergone wide discipline review, it is posted for general viewing. Individual college courses are compared to the minimum requirements set by these descriptors. Any community college course that bears the C-ID supranumber conveys that intersegmental faculty have determined it meets the published course content, rigor, and course objectives. The C-ID descriptor also means that any other course elsewhere, bearing the same number will be accepted by the institution.

Guidelines on Units of Credits

The college unit is an arbitrary measure, but arbitrary measures should also have consistent meaning. This guideline establishes a unit/hour ratio that describes the method of instruction and the type of learning activity in the various course offerings at Los Medanos College.

Type of teaching method	Learning activity	Expected hours of outside preparation per class	Ratio of units to in-class hours
Lecture or	Primarily dissemination of information by instructor.	2 hours	1 unit: 1 hour per week 18 hours per semester
Laboratory or	Hands-on experience by the students with some instruction and with close supervision by an instructor.	1 hour	1 unit: 3 hours per week 54 hours per semester
Independent study or	Contracted independent study with close supervision by an instructor.		1 unit: 3 hours per week 54 hours per semester
PE/Activity or	Highly structured physical activities directed and supervised by an instructor.	0	1 unit: 3 hours per week 54 hours per semester
Occupational work experience field work	Contract and/or paid work with instructor evaluation.	0	1 unit 75 paid hours per semester or 60 nonpaid hours per semester

Classes of less than one semester in length will be assigned units proportional to semester hours.

Reading Course Descriptions

If no prerequisite is noted, none is required; and any student may enroll in the course.

Course Title

Course ID

Semester class hours lecture

Semester class hours laboratory

Units of credit

Prerequisite

Mastery of subject at a certain level is necessary for success in this class.

Advisories

Certain preparation is advised before students enter the course.

Co-requisite

Concurrent (simultaneous) enrollment in or prior successful completion of a companion course and/or lab is required.

Degree Applicability

DA-Applies toward the completion of requirements for an associate degree;

NDA-Cannot be applied to units required for an associate degree.

Transfer

Course carries transfer credit to CSU and/or UC, but some restrictions may apply

Repeatability

Grading

BIOSC-020 Principles of Biology: Cellular Processes

54 total hours lecture, 108 total hours lab
5 Units

PREREQUISITE: MATH-029, MATH-030 or equivalent

ADVISORY: BIOSC-010, High school biology, chemistry

This is an integrated study of the fundamental concepts of biology. Using laboratory methods and techniques, the principles and laws underlying life's processes are addressed on the molecular and cellular levels. An interdisciplinary approach will be used to treat cytology, biochemical cycles, proteomics, genomics, reproduction, and embryonic development. The critical and creative process of scientific inquiry and the implications of scientific knowledge will be emphasized. Skills in critical thinking, problem solving, and effective learning will be employed throughout the course. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B

ENGIN-022 Programming with MATLAB for Engineers and Scientists

54 total hours lecture, 54 total hours lab
4 Units

CO-REQUISITE: MATH-060

ADVISORY: Eligibility for ENGL-100

This course teaches computer programming using the MATLAB's syntax, control, and data structures. It includes object oriented programming techniques, introduces numerical techniques for scientific and engineering applications, and emphasizes optimal programming practices. Various aspects of the software life-cycle, including design, documentation, implementation, debugging, testing, and maintenance are introduced. Case studies and software projects are significant parts of the course. May not be repeated. LR

Academic and Career Success

Academic and Career Success courses are designed to help students develop knowledge, skills, and abilities to succeed within the college environment, both inside and outside of the classroom. Courses focus on the development of cognitive strategies, academic skills and behaviors, as well as contextual awareness and skills necessary for navigating the complex system of higher education..

COURSE DESCRIPTIONS

ACS-010 **Becoming a College Scholar-a First-Year Seminar**

54 total hours lecture
3 Units

Becoming a College Scholar – a First-Year Seminar introduces first-year students into intellectual life, prepares them for rigorous university-level work, develops multidisciplinary thinking skills, and supports them in developing a strong sense of academic purpose and identity. The course explores topics such as motivation and attitudes, values, goal setting, decision-making processes, critical and creative thinking, personal health, interpersonal communication, study group collaboration, behavioral expectations and etiquette, personality and learning theories, cultural and economic diversity, information and technology competence, as well as techniques for maximizing the ability to succeed as a lifelong learner. Students will develop thinking strategies that can be used for lifelong problem solving in academic, social, and personal life. There is an emphasis on the development of academic writing, inquiry, and collaboration. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU Gen. Ed. Area E

ACS-098 **Independent Study in Education**

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ACS-100 **Educational Services and Strategies**

18 total hours lecture, 36 total hours lab
1.5 Units

This course is intended to assist the freshman student athlete to transition into college. It will address items facing today's student athlete in the educational setting. This course will introduce the student athlete to college support services, time management, study skills, requirements needed to participate athletically and to transfer to a four year institution. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

ACS-170 **Occupational Work Experience Education in Education**

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

ACS-180 Internship in Education

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Administration of Justice

DEGREE—Associate in Science for Transfer
Administration of Justice

CERTIFICATES OF ACHIEVEMENT

- Administration of Justice
- Basic Law Enforcement Intensive
- Criminal Investigations
- Criminal Law

ASSOCIATE IN SCIENCE

ADMINISTRATION OF JUSTICE FOR TRANSFER DEGREE

The Administration of Justice program prepares students for entry-level positions in criminal justice and for transfer to the California State Universities. There are three components in administration of justice – law enforcement, the court system, and corrections. Law enforcement is the gateway function and includes police, sheriffs, and federal law enforcement agencies. The court system is responsible for adjudicating crimes as presented by the prosecutor. The court-room work group includes the judge, the attorneys, bailiffs, court clerks and court reporters. Corrections, which comprise incarceration and community-based corrections, include custody officers, probation and parole officers, program counselors, and other rehabilitative services.

The Administration of Justice department at Los Medanos College offers an Associate in Science in Administration of Justice for Transfer which can be completed in 2 to 3 years by a full-time student.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

Students choosing to transfer are strongly encouraged to see an LMC Counselor since four year college requirements vary widely and are subject to change.

REQUIRED CORE COURSES (6 UNITS TOTAL):		UNITS
ADJUS-110	Introduction to Criminal Justice	3
ADJUS-120	Concepts of Criminal law	3

LIST A - CHOOSE ANY TWO OF THE FOLLOWING COURSES (6 UNITS TOTAL):		UNITS
ADJUS-122	Criminal Trial Process	3
ADJUS-124	Legal Aspects of Evidence	3
ADJUS-140	Introduction to Criminal Investigation	3
ADJUS-160	Community & the Justice System	3
ADJUS-200	Introduction to Corrections	3
ADJUS-220	Juvenile Procedures	3

LIST B - SELECT TWO OF THE FOLLOWING OR ANY COURSE FROM LIST A NOT ALREADY USED: (MINIMUM 6 UNITS TOTAL):		UNITS
SOCIO-015	Introduction to Sociology	3
MATH-034	Introduction to Statistics	4
PSYCH-011	General Psychology	3

TOTAL UNITS FOR THE MAJOR: 18-19

TOTAL UNITS FOR THE DEGREE: 60

Program Student Learning Outcomes

1. Students will complete the academic requirements to transfer to a California State University Administration of Justice degree program.
2. Demonstrate the skills and knowledge necessary to take and pass local, state and federal criminal justice entry-level examinations or career advancement examinations.
3. Demonstrate excellent communications skills (oral, physical and/or written), critical thinking, ethical decision making and cultural and ethnic sensitivity.

CERTIFICATES OF ACHIEVEMENT

ADMINISTRATION OF JUSTICE

Certificate of Achievement in Administration of Justice

The Administration of Justice program prepares students for entry-level positions in criminal justice and for transfer to the California State Universities. There are three components in administration of justice – law enforcement, the court system, and corrections. Law enforcement is the gateway function and includes police, sheriffs, and federal law enforcement agencies. The court system is responsible for adjudicating crimes as presented by the prosecutor. The court-room work group includes the judge, the attorneys, bailiffs, court clerks and court reporters. Corrections, which comprise incarceration and community-based corrections, include custody officers, probation and parole officers, program counselors, and other rehabilitative services.

The Administration of Justice department at Los Medanos College offers an Associate of Science for Transfer Degree which can be completed in 2 to 3 years by a full-time student. The Certificate of Achievement in Administration of Justice includes the core curriculum of the Associate of Science Degree and may be completed by a full-time student in two semesters. The Certificates of Achievement in Criminal Investigations and in Criminal Law may be completed in two semesters each by a full-time student.

REQUIRED COURSE:	UNITS
ADJUS-110 Introduction to Criminal Justice	3
ADJUS-120 Concepts of Criminal Law	3
ADJUS-122 Criminal Trial Process	3
ADJUS-140 Introduction to Criminal Investigation	3
ADJUS-160 Community & the Justice System	3
ADJUS-220 Juvenile Procedure	3
TOTAL UNITS FOR THIS CERTIFICATE:	18

Program Student Learning Outcomes

1. Cite and apply the process of substantive and procedural law.
2. Analyze and critique the historical developments of the criminal justice system.
3. Write accurate written reports and demonstrate culturally-sensitive communication skills.
4. Demonstrate a commitment to community diversity through ethical service, law enforcement and order maintenance.
5. Prepare students to take and successfully pass entry-level industry examinations.

Certificate of Achievement in Basic Law Enforcement Academy – Intensive

Certificate of Achievement in Basic Law Enforcement Academy – Intensive is a 25-unit program designed for persons seeking full-time employment in law enforcement and for those who have been recently hired by a local law enforcement agency. It is certified by the California Commission on Peace Officer Standards and Training (P.O.S.T.) and is presented in the intensive full-time format consisting of 1,020 hours of instruction delivered over 26 weeks. The content includes: Leadership, Officer Safety, Use of Force, Legal Authority/Individual Rights,

Police Vehicle Operation, Conflict Resolution, Problem Solving/Decision-Making, Communication, Ethics, Stress Tolerance and Emotional Maturity. Upon successful completion the student will receive a POST Certificate of Completion and is eligible for employment as a peace officer in most California jurisdictions. Mandatory materials fee due on first day on instruction.

REQUIRED COURSE:	UNITS
ADJUS-005 Basic Law Enforcement Academy	25
TOTAL UNITS FOR THIS CERTIFICATE:	25

Program Student Learning Outcomes

1. Be academically prepared to obtain an entry-level or midlevel position within the Criminal Justice System.
2. Apply critical thinking to research, evaluate, analyze and synthesize criminal justice information.
3. Demonstrate the skills and knowledge necessary to take and pass local, state, and federal law enforcement entry level examination or career advancement examinations.
4. Appropriately apply the hands-on and technological skills necessary to succeed in the field of criminal justice.
5. Demonstrate excellent communication skills (oral and/or written) that need to be demonstrated in these carried professions.
6. Demonstrate professional and ethical responsibility in their decisions.

Certificate of Achievement in Criminal Investigations

The Administration of Justice program prepares students for entry-level positions in criminal justice and for transfer to the California State Universities. There are three components in administration of justice – law enforcement, the court system, and corrections. Law enforcement is the gateway function and includes police, sheriffs, and federal law enforcement agencies. The court system is responsible for adjudicating crimes as presented by the prosecutor. The court-room work group includes the judge, the attorneys, bailiffs, court clerks and court reporters. Corrections, which comprise incarceration and community-based corrections, include custody officers, probation and parole officers, program counselors, and other rehabilitative services.

The Certificate of Achievement in Administration of Justice includes the core curriculum of the Associate of Science Degree and may be completed by a full-time student in two semesters. The Certificates of Achievement in Criminal Investigations and in Criminal Law may be completed in two semesters each by a full-time student.

REQUIRED COURSES:	UNITS
ADJUS-110 Introduction to Criminal Justice	3
ADJUS-120 Concepts of Criminal Law	3
ADJUS-124 Legal Aspects of Evidence	3
ADJUS-140 Introduction to Criminal Investigation	3
ART-072 Introduction to Digital Photography	3
TOTAL UNITS FOR THIS CERTIFICATE:	15

Program Student Learning Outcomes

1. Identify and protect a crime scene, label and process all evidence.
2. Write an accurate report based on evidentiary findings.
3. Properly follow the chain of custody for evidence.
4. Accurately testify findings in court.
5. Prepare students to take and successfully pass entry-level industry examinations.

Certificate of Achievement in Criminal Law

REQUIRED COURSES:	UNITS
ADJUS-110 Introduction to Criminal Justice	3
ADJUS-120 Concepts of Criminal Law	3
ADJUS-122 Criminal Trial Process	3
ADJUS-160 Community & the Justice System	3
ADJUS-220 Juvenile Procedures	3
TOTAL UNITS FOR THIS CERTIFICATE:	15

Program Student Learning Outcomes

1. Systematically research, cite, compare and contrast previous cases to current case
2. Demonstrate culturally-sensitive communication skills in interviewing witnesses and interrogating suspects
3. Communicate findings through accurate written reports
4. Prepare students to take and successfully pass entry-level industry examinations

COURSE DESCRIPTIONS

ADJUS-005 Basic Law Enforcement Academy

162 total hours lecture, 858 total hours lab
25 units

PREREQUISITE: Students are required to: 1) complete an academy application, 2) have a high school diploma or GED, 3) be at least 18 years old, 4) have a valid driver's license, 5) show proof of vehicle insurance at the first class meeting, 6) supply a statement from a physician indicating his/her ability to engage in strenuous physical activity, 7) obtain clearance with the Department of Justice and, 8) sign a Felony Disclaimer.

ADVISORY: Eligibility for ENGL-100

The Basic Law Enforcement Academy is a 25-unit course designed for persons seeking full-time employment in law enforcement and for those who have been recently hired by a local law enforcement agency. It is certified by the California Commission on Peace Officer Standards and Training (P.O.S.T.) and is presented in the intensive full-time format consisting of 1,020 hours of instruction delivered over 26 weeks. Subject matter includes: leadership, officer safety, use of force, legal authority/individual rights, police vehicle operation, conflict resolution, problem solving/decision-making, communication, ethics, stress tolerance and emotional maturity. Upon successful completion the student will receive a certificate of completion and is eligible for

employment as a peace officer in most California jurisdictions. Interested students must contact the Office of the Sheriff, Contra Costa County, Law Enforcement Training Center, 340 Marina Blvd., Pittsburg, CA by calling (925) 427-8238 to register for the Academy. Mandatory materials fee due on first day on instruction. May not be repeated. LR

ADJUS-110 Introduction to Criminal Justice

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This course introduces students to the characteristics of the criminal justice system in the United States. Focus is placed on examining the integrated, interdisciplinary methods of crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the justice system and the evolving forces that have shaped those principals and approaches. Although justice structure and process is examined in a cross cultural context, emphasis is placed on the United States justice system, particularly the structure and function on United States police, courts, and corrections. Students are introduced to the origins and development of criminal law, legal process, and sentencing and incarceration policies. May not be repeated. LR

Air Conditioning and Refrigeration

COURSE DESCRIPTIONS

ACREF-045 Basic Heating and Cooling Technology

18 total hours lecture, 54 total hours lab
2 Units

ADVISORY: Prior or concurrent enrollment in: APPLI-023, 024, 025 or 026

This course is designed to present the basic fundamentals of domestic heating and air conditioning systems. Students will get hands on practice working on heating and cooling systems. The focus will be on system installation, understanding refrigeration system operation, proper charging techniques, electrical circuitry, and the different voltages used in these units. This class is for students in the Appliance Program or those interested in learning basic heating and air conditioning technology. The course will include the new R-410A refrigerant that is replacing R-22. Emphasis will be placed on troubleshooting, maintenance and repair procedures as related to HVAC units. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ACREF-073 Commercial Refrigeration Technology

27 total hours lecture, 44 total hours lab
2 Units

ADVISORY: ETEC-004; eligibility for ENGL-095

An introductory course in commercial refrigeration systems which provides a background in the scientific principles related to heat and temperature, and transfer of heat. This course includes a study of the basic refrigeration cycle, the function of each system component, and interrelationships between components. Applied refrigeration concepts will be covered in demonstrations in the classroom, labs, and computer simulations. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ACREF-075 HVAC Technician H1A Heating Technology

Anthropology

DEGREE—Associate in Arts for Transfer
Anthropology

ASSOCIATE IN ARTS

ANTHROPOLOGY FOR TRANSFER DEGREE

The Associate in Arts in Anthropology for Transfer degree at Los Medanos College will provide students with an introduction to the fields of anthropology. Anthropology is the study of the human species throughout time; focusing on our diverse modern culture and cultural adaptations, our biological classifications as a species and our inclusion in the Order Primates, and our species past developments, including our historically steps to our first civilizations. The goal of Anthropology is to study the similarities and differences in biological and cultural adaptations and features across the globe throughout our human history.

Anthropology is a holistic discipline, which means that anthropologists study all aspects of humans and our behavior. The field of Anthropology has been broken up into five main sub-fields: Cultural Anthropology, Physical Anthropology, and Archaeology, Linguistics, and Applied anthropology. Cultural Anthropology is concerned with the study of human culture and its variations across time and space. Physical Anthropologists aim to study our species from a biological perspective- examining our DNA, relationship to our closest animal relatives, the primates and the fossil evidence of our earliest human ancestors. Archaeology is the study of our past, focused specifically on reconstructing past behavior by looking at objects used by past people. Linguistic Anthropologists study human language and communication. Applied anthropology aims to solve global social problems affecting the world.

The Associate in Arts in Anthropology for Transfer degree is designed to meet the needs of a broad spectrum of students. In addition to providing valuable multicultural understanding and cultural literacy life skills, career opportunities for students include jobs in international development/assistance(nonprofit and government), education, museums, international business, zoos, human services, health care, social services occupations and other related fields. The associate degree in Anthropology provides preparation for transfer to Anthropology programs at four year institutions.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES (9 UNITS TOTAL):

ANTHR-001	Introduction to Biological Anthropology	3
ANTHR-004	Introduction to Archaeology	3
ANTHR-006	Cultural Anthropology	3
TOTAL UNITS		9

LIST A – SELECT ONE COURSE:

ANTHR-008	Anthropological Linguistics	3
MATH-034	Introduction to Statistics	4

LIST B – SELECT ONE TO TWO COURSES:

One course from List A not already used		3-4
PSYCH-017	Introduction to Research Methods in Psychology	3
or		
SOCIO-017	Introduction to Research Methods	3
TOTAL UNITS		3-6

LIST C – SELECT ONE COURSE OR ONE COURSE FROM LIST A OR LIST B NOT ALREADY USED:

SOCIO-015	Introduction to Sociology	3
ANTHR-007	Culture Change and Globalization	3
HIST-046	History and Cultures of Native Americans in North America (Pre European Contact through 1838)	3
HIST-047	History and Cultures of Native Americans in North America (1830 to Present)	3
SPCH-150	Intercultural Communication	3
TOTAL UNITS IN THE MAJOR		18-19

TOTAL UNITS FOR THE DEGREE 60

Program Level Student Learning Outcomes:

1. Utilize critical thinking skills to analyze, evaluate and make decisions regarding current issues in anthropology.
2. Recognize the complexity of social, cultural and global diversity in anthropology.
3. Demonstrate understanding of the major theoretical perspectives, concepts and research findings in the field of anthropology.
4. Demonstrate an understanding of biological and cultural developments underlying behavior and the human experience.
5. Demonstrate the knowledge of the social and ethical implications and outcomes of gathering data, while doing fieldwork, participant-observation, and research.

COURSE DESCRIPTIONS

ANTHR-001 Introduction to Biological Anthropology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Anthropology is a holistic discipline and attempts to view humans, their biology, cultural history, and activities in as broad a view as possible. Biological anthropology is a subfield of the larger discipline that studies humankind. The primary goal of this subfield is to understand the biological nature and history of humans and their closest living and extinct relatives. Biological anthropology is firmly rooted in evolutionary theory; thus, the evolutionary biology of humans is the central focus of this course. My intent is to promote insight into the evolution of human biology and behavior from an objective or scientific perspective. My approach will introduce the concepts, methods of inquiry, and scientific explanations for biological evolution, and their applications to studying the human species. .Topics addressed will include:1) The various subfields of biological anthropology such as forensic anthropology and the anthropological perspective 2) biological anthropology and paleoanthropology as "multidisciplinary" natural sciences 3) evolutionary processes/change over time and the origin of species 4) DNA, genetics, heredity, variation, and evolution, 5) race, ethnicity, and the biological diversity of modern humans 6) The Order Primates: primate biology and ecology 7) primate social behavior, behavioral ecology, morphology, and classification 8) Earth-life history, continental drift, and the Geologic Time Scale (9) primate origins and the various primate adaptations 10) The "Ape" question and hominin origins 11) Australopithecines 12) the evolution and adaptation of the genus HOMO 13) The origin and dispersal of anatomically modern Homo Sapiens out of Africa and the first evidence of the "Human Spark" 14) Main contributors to explain principles of Mendelian, molecular and population genetics 14) Dating techniques, methods of interpreting the fossil record, major groups of hominin fossils. The ultimate goal in this course is to understand humanity's place in nature. May not be repeated. LR

TRANSFER: UC; CSU Gen. Ed. Area B2; IGETC Area 5B

ANTHR-004 Introduction to Archaeology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course is an introduction to the fundamental principles of method and theory in archaeology, beginning with the goals of archaeology, going on to consider the basic concepts of culture, time, and space, and discussing the finding and excavation of archaeological sites. Students will analyze the basic methods and theoretical approaches used by archaeologist to reconstruct the past and understand human prehistory. This includes human origins, the peoples of the globe, the origins of agriculture, ancient civilization including the Maya civilization, Classical and Historical archaeological, and finally the relevance of Archaeology today. The course includes an analysis of the nature of scientific inquiry; the history and interdisciplinary nature of archaeological research; dating techniques, methods of survey, excavation, analysis, and interpretation; cultural resource management, professional ethics; and cultural change and sequences. The inclusion of the interdisciplinary approach utilized in this field will provide students with the most up to data interpretation of human origins, the reconstruction of human behavior, and the emergence of cultural, identity, and human existence. May not be repeated. LR

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4A; C-ID ANTH 150

ANTHR-005 General Anthropology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An introduction and general overview of the 5 fields of anthropology focusing on the study of human evolution and culture. Topics center on the variety of characteristics which are the product of human existence everywhere. These include: the uniqueness of human learning, evolution of cultural and physical variation, human and non-human primate development, Australopithecus divergence, variations of cultures, human languages and communications, social and family organizations, as well as religious and artistic expression. Opportunities for the development of skills in critical thinking, problem-solving, and effective learning will be provided throughout the course. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4A

ANTHR-006 Cultural Anthropology

54 total hours lecture

3 Units

ADVISORY: ENGL-100

This course is an introduction to the study of cultural anthropology which focuses on a broad view of the learned aspects of human life.

The course includes the observations and analysis of cultural traditions, i.e. child-rearing processes, life styles types and adaptations, social and family organizations, creative elements of human life, and basic anthropological theories and concepts. Students will be exposed to divergent cultures and to the status of today's vanishing cultures. Opportunities for the development of skills in critical thinking, problem-solving and effective learning will be provided throughout the course. May not be repeated. SC

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4A; C-ID ANTH 120

ANTHR-007 Culture Change and Globalization

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This course focuses on the tremendous impact of culture change experienced worldwide both in industrialized and non-industrialized societies. The content deals with the processes of change, problems which arise due to change and controversial issues such as deculturation and assimilation. Students will have the opportunity to understand and approach change from a psychological, social, economic, political, and environmental perspective. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D, E; IGETC Area 4A

ANTHR-008 Introduction to Anthropological Linguistics

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This introductory course serves as a foundation for understanding language from an anthropological perspective. The course addresses such core questions as how, what, when, where, why and with whom we communicate. This course surveys such core areas in linguistics as structural linguistics: phonetics, phonology, morphology and syntax, as well as the bio-cultural basis of language; historical linguistics: origins and evolution/change, dialects, and language families; and sociocultural linguistics: language acquisition in cultural context. It emphasizes the relationship between language and culture, and issues of language conservation and loss. May not be repeated. LR

DA varies with course content.

Appliance Service Technology

DEGREE—Associate of Science
Appliance Service Technology

CERTIFICATES OF ACHIEVEMENT

Appliance Technology

Appliance Technician I
Appliance Technician II

COLLEGE SKILLS CERTIFICATES

Appliance Technology

Heating, Ventilation & Air Conditioning Specialist
Electrical Appliance Technician
Refrigeration Technician

The program in Appliance Service Technology offers instruction for two career options. The Appliance Technician I option prepares students for entry-level positions as appliance installers or shop technician trainees. Students selecting the Appliance Technician II option will be prepared for entry-level positions in the appliance service field, with sufficient back-ground to support a rapid transition to the field technician level.

ASSOCIATE OF SCIENCE DEGREE APPLIANCE SERVICE TECHNOLOGY

For the Associate of Science Degree in Appliance Service Technology, complete the coursework listed below as well as the LMC General Education and Graduation requirements. Consult a Los Medanos College counselor to develop your education plan.

Job Opportunities

The program in Appliance Service Technology offers instruction for two career options. The Appliance Technician I option prepares students for entry-level positions as appliance installers or shop technician trainees.

REQUIRED COURSES:	UNITS	
APPLI-013 or APPLI-015	Beginning Electrical Appliances Tech I Electrical Appliances I	3 4
APPLI-014 or APPLI-016	Advances Electrical Appliances Tech I Advanced Electrical Appliances II	3 4
APPLI-020 or APPLI-021	Electrical Appliance Shop Practice Electrical Appliance Lab: Tech I	5 1
APPLI-023 or APPLI-025	Basic Refrigeration Tech I Refrigeration I	3 4
APPLI-024 or APPLI-026	Advanced Refrigeration Tech I Advanced Refrigeration II	3 4
APPLI-030 or APPLI-031	Refrigeration Shop Practice Refrigeration Lab: Tech I	5 1

APPLI-035 or APPLI-037	Intermediate Appliance Lab Intermediate Appliance & Refrigeration Lab	5 1
APPLI-036 or APPLI-038	Advanced Appliance and Refrigeration Lab Advanced Appliance & Refrigeration Lab	5 1
APPLI-046	Principles and Repair of Microwave Ovens	.5
ACREF-045	Basic Heating & Cooling Technology	2
TOTAL UNITS FOR THE MAJOR		18.5-38.5
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

Demonstrate problem solving techniques used in troubleshooting appliances and make an estimate of what will have to be done to complete the repair.

1. Use written or oral service directions used in the appliance field to locate service information, demonstrate mechanical knowledge by diagnosing the failure and replacing the proper component.
2. Demonstrate the skills and knowledge necessary to take and pass the federal EPA exam required for employment in the Appliance field.
3. Demonstrate skills needed for entry level employment in the appliance field by passing an industry employment test (Certified Appliance Professional) and obtaining a job in that field.

CERTIFICATES OF ACHIEVEMENT APPLIANCE SERVICE TECHNOLOGY

For the Certificate of Achievement in Appliance Service Technology, complete the coursework listed below. Consult a Los Medanos College counselor to develop your education plan.

Certificate of Achievement in Appliance Technician I (primarily an evening program)

Job Opportunities

The program in Appliance Service Technology offers instruction for two career options. The Appliance Technician I option prepares students for entry-level positions as appliance installers or shop technician trainees.

REQUIRED COURSES:	UNITS	
APPLI-013	Beginning Electrical Appliances Tech I	3
APPLI-014	Advanced Electrical Appliances Tech I	3
APPLI 021	Electrical Appliances Lab Tech I	1
APPLI-023	Basic Refrigeration Tech I	3
APPLI-024	Advanced Refrigeration Tech I	3
APPLI-031	Refrigeration Lab Tech I	1
APPLI-037	Intermediate Appliance & Refrigeration Lab	1
APPLI-038	Advanced Appliance & Refrigeration Lab	1
APPLI-046	Principles and Repair of Microwave Ovens	.5
ACREF-045	Basic Heating & Cooling Technology	2
TOTAL UNITS FOR THIS CERTIFICATE		18.5

Program Student Learning Outcomes

1. Demonstrate problem solving techniques used in troubleshooting appliances and make an estimate of what will have to be done to complete the repair.
2. Use written or oral service directions used in the appliance field to locate service information, demonstrate mechanical knowledge by diagnosing the failure and replacing the proper component.

Certificate of Achievement in Appliance Technician II
(primarily a day program)

Job Opportunities

The program in Appliance Service Technology offers instruction for two career options. The Appliance Technician II option prepares students for entry-level positions as appliance technicians.

REQUIRED COURSES:		UNITS
APPLI-015	Electrical Appliances I	4
APPLI-016	Electrical Appliances II	4
APPLI-020	Electrical Appliance Shop Practice	5
APPLI-025	Refrigeration I	4
APPLI-026	Refrigeration II	4
APPLI-030	Refrigeration Shop Practice	5
APPLI-035	Appliance Shop Practice-Intermediate	5
APPLI-036	Appliance Shop Practice-Advanced	5
TOTAL UNITS FOR THIS CERTIFICATE		36

With the approval of an Appliance Technology instructor, APPLI-170 can be used to satisfy the requirements of some appliance repair courses for the Appliance Technician II option.

Program Student Learning Outcomes

1. Use written or oral service directions used in the appliance field to locate service information, demonstrate mechanical knowledge by diagnosing the failure and replacing the proper component.
2. Demonstrate the skills and knowledge necessary to take and pass the federal EPA exam required for employment in the Appliance field.
3. Demonstrate skills needed for entry level employment in the appliance field by passing an industry employment test (Certified Appliance Professional) and obtaining a job in that field.

APPLI-026	Advanced Refrigeration II	4

AND

ONE OF THE FOLLOWING:		UNITS
APPLI-030	Refrigeration Shop Practice	5
APPLI-031	Refrigeration Lab Tech I	1

TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE **4-9**

Program Student Learning Outcomes

1. Demonstrate the skills and knowledge necessary to take and pass the federal EPA exam required for employment in the Appliance field.

COURSE DESCRIPTIONS

APPLI-013 Beginning Electrical Appliances Tech I

54 total hours lecture
 3 Units

ADVISORY: Concurrent enrollment in APPLI-020, 035 or 036 and ETEC-004; eligibility for ENGL-095

This is an introductory course in electrical appliances for students interested in pursuing a career in Appliance Technology. The student will learn the theory and practice in the diagnosis and repair of major brands of washers, dryers, ranges and dishwashers. The focus will be on understanding the working parts and electrical parts of these appliances, as well as troubleshooting, estimating and proper procedure in making repairs. The latest in computer and electronics technology is applied to home appliances. This is an introductory class in the Appliance Service Technician I Certificate of Achievement (primary an evening program.) May not be repeated. SC

TRANSFER: CSU

APPLI-014 Advanced Electrical Appliances Tech I

54 total hours lecture
 3 Units

ADVISORY: APPLI-013; concurrent enrollment in lab class APPLI-020, 035 or 036; eligibility for ENGL-095

This course is a continuation of APPLI-013 and is designed to give the student a strong background in the repair of electrical appliances. Students majoring in appliance repair take this course to complete the electrical appliance part of the program. The course focuses on theory and practice in the diagnosis and repair of major brands of washers, gas dryers, gas ranges, dishwashers, and trash compactors. Detailed consideration will be given to understanding the mechanical and electrical parts of the appliances as well as troubleshooting, estimating, and proper procedures in making repairs. Material that is covered in the lecture will be put into practice in the accompanying lab class. Up-to-date information will be presented on how computer and electronic technology is applied to home appliances. May not be repeated. SC

APPLI-016 Advanced Electrical Appliances II

72 total hours lecture, 18 total hours lab
 4 Units

ADVISORY: Concurrent enrollment in APPLI-020, 035 or 036; eligibility for ENGL-095

This is a continuation of APPLI-015 with special attention paid to repairing high efficiency appliances. Emphasis will be on troubleshooting and diagnosing of both gas and electrical/electronic appliances. Servicing techniques will cover the use of computer based information used in the appliance field, wiring diagrams and schematics with application under simulated industry-type conditions. Students will learn theory and practice in the diagnosis and repair of major brands of washers, dryers, ranges and dishwashers. The focus will be on understanding the working parts and electrical parts of these appliances,

APPLI-020 Electrical Appliance Shop Practice

270 total hours lab

5 Units

ADVISORY: Concurrent enrollment in APPLI-013, 014, 015 or 016

This introductory course in electrical appliances shop practice provides students with the hands-on foundation needed to repair electrical appliances. The course is designed to give a beginning student the shop practice necessary to develop skills in troubleshooting and repairing electrical appliances. The course focuses on practice in the diagnosis and repair of major brands of washers, dryers, ranges, dishwashers and electrical circuit use. The shop provides an atmosphere that simulates conditions in the appliance repair field enabling students to work on various brands of washers, dryers, dishwashers, cooking appliances and shop safety. May not be repeated. SC

APPLI-023 Basic Refrigeration Tech I

54 total hours lecture

3 Units

ADVISORY: Concurrent enrollment in lab class APPLI-020, 035 or 036; eligibility for ENGL-095

This is a basic domestic refrigeration course covering refrigeration principles and theories. The function and operation of each system component and the relationship between those components and electrical circuits will be addressed. Servicing of compressor type refrigeration units and troubleshooting electrical circuits are the major content areas of this course. Special emphasis will be given to understanding the mechanical and electrical parts of refrigeration systems. Proper use of test equipment will be covered in troubleshooting and diagnosing of refrigeration units. Material that is covered in the lecture will be put into practice in the accompanying lab/shop practice class. May not be repeated. SC

54 total hours lecture

3 Units

ADVISORY: APPLI-023; concurrent enrollment in lab class APPLI-030, 035 or 036; eligibility for ENGL-095

This course is a continuation of APPLI-023 and is designed for students who are majoring in appliance technology. Refrigeration material presented in this course is a must for technicians entering the appliance repair field. Theory and practice in the diagnosis and repair of major brands of refrigerators will be covered. Emphasis will be given to understanding the mechanical and electrical component operation. Troubleshooting and diagnosing of both mechanical and electrical problems will be emphasized. EPA rules and regulations regarding refrigerants containing CFC will be presented. The function and operation of each system component and the relationship between those components and electrical circuits will be addressed. Servicing of standard type compressors systems, variable speed compressors and troubleshooting electrical/electronic circuits are the major content of this course. Material that is covered will be put into practice in the accompanying lab/shop practice class. May not be repeated. SC

APPLI-100 Introduction to Industrial Technology and Trades

18 total hours lecture, 54 total hours lab
2 Units

This is a career exploration course for the industrial trades including: Appliance Repair, Automotive Technology, Electrical/Instrumentation Technology, Process Technology and Welding Technology. It will provide hands-on experience for students who are maybe undecided about their career direction, and allows them to explore through doing, in this survey course of the industrial trades. It will also teach them some basic skills in each trade. This is one course and will be listed under all of following course numbers AUTO-100, APPLI-100, ETEC-100, PTEC-100 and WELD-100. Students may register for this course using any one of the provided course numbers. May not be repeated. P/NP

TRANSFER: CSU

APPLI-170 Occupational Work Experience in Appliance Service Technology

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

APPLI-180 Internship in Appliance Service Technology

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. DEGREE—Associate in Arts for Transfer

Studio Arts
Art History

DEGREES—Associate of Arts

Fine Arts
Graphic Communications

CERTIFICATE OF ACHIEVEMENT

Graphic Communications

The Art Department (Fine Arts, Art History and Graphic Communications) provides comprehensive, coherent, integrated and cumulative studies in foundation courses (2D, 3D, drawing and photography) intermediate studio courses (drawing, painting and ceramics), art appreciation and art history courses, as well as graphic communications courses (design, software-based illustration, page layout, photo manipulation and animation). We offer students several pathways to success. These include a local A.A. degree with a focus in either fine arts or graphic communications, a certificate in graphic communications, and G.E. courses that meet transfer requirements to the U.C. or CSU systems.

ASSOCIATE IN ARTS

STUDIO ARTS FOR TRANSFER DEGREE

The Art Department (Fine Arts and Graphic Communications) provides comprehensive, coherent, integrated and cumulative studies in foundation courses (2D, 3D, drawing and photography) intermediate studio courses (drawing, painting and ceramics), art appreciation and art history courses, and graphic communications courses (design, software-based illustration, page layout, photo manipulation and animation). We offer students several pathways to success. These include a local A.A. degree with a focus in either fine arts or graphic communications, a certificate in graphic communications, and general education courses that meet transfer requirements to the UC or CSU systems.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

Associate in Arts in Studio Arts for Transfer

REQUIRED COURSES:		UNITS
ART-008	Early Modern Art History (1550 - 1920 CE)	3
ART-009	Late Modern and Contemporary Art History (1920 CE - present)	3
ART-010	Two-Dimensional Design Concepts	3
ART-011	Three-Dimensional Design Concepts	3
ART-020	Introduction to Drawing	3
TOTAL UNITS		15

LIST A: SELECT ONE OF THE FOLLOWING: 3 UNITS:

ART-016	Asian Art History	3
---------	-------------------	---

LIST B: SELECT THREE OF THE FOLLOWING ELECTIVES (9 UNITS):

ART-021 or ART-030	Intermediate Drawing Figure Drawing	3 3
ART-038	Introduction to Printmaking	3
ART-040	Introduction to Painting	3
ART-047	Color Theory	3
ART-066	Introduction to Ceramics	3
ART-069	Ceramic Sculpture	3
ART-072	Introduction to Digital Photography	3
ART-250	Introduction to Digital Art	3

TOTAL UNITS FOR THE MAJOR 27

TOTAL UNITS FOR THE DEGREE 60

Program Level Student Learning Outcomes:

1. Demonstrate appropriate and safe practices in various two-dimensional media, three-dimensional media, and computer-based studio environments.
2. Present, explain and justify their conceptual design solutions using the vocabulary of design elements and principles, and critique the solutions of others in a thoughtful, constructive manner.
3. Research and synthesize examples of historical and cultural products with their own ideas in order to improve their creative and conceptualization processes.

ASSOCIATE IN ARTS**ART HISTORY FOR TRANSFER DEGREE**

To achieve the Associate in Arts in Art History for Transfer to a CSU from Los Medanos College, students must (1) complete the 24 units of Art History degree major emphasis requirements; (2) fulfill requirements of either the CSU-General Education; and/or The Intersegmental General Education Transfer Curriculum (IGETC) (3) complete 60 semester units college transfer level units; and (4) obtain a minimum grade point average of 2.0. Note: students must earn a "C" or better in all courses required in the major area of emphasis. Students will be prepared to transfer with a broad and deep appreciation and knowledge of the academic discipline of art history, the chronological and cultural developments that allow them to make connections of historical events and artistic products. Perhaps even more importantly, students will be prepared to practice the disciplines of critical thinking, analysis and synthesis in reading and writing that they have been prepared for by the major and other transfer requirements.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:		UNITS
ART-006	Ancient Art History (to 350)	3
ART-007	Medieval and Renaissance Art History (350 - 1550 CE)	3
ART-008	Early Modern Art History (1550 - 1920 CE)	3
ART-009	Late Modern and Contemporary Art History (1920 CE - present)	3
ART-020	Introduction to Drawing	3
TOTAL UNITS		15

LIST A – SELECT ONE COURSE: 3 UNITS:

ART-016	Asian Art History	3
ART-018	Art of the Americas	3

LIST B – SELECT ONE COURSE: 3 UNITS:

ART-010	Two-Dimensional Design Concepts	3
ART-011	Three-Dimensional Design Concepts	3
ART-030	Figure Drawing	3
ART-066	Introduction to Ceramics	3
ART-069	Ceramic Sculpture	3
ART-072	Introduction to Digital Photography	3
ART-250	Introduction to Digital Art	3

LIST C – SELECT ONE COURSE OR ANY COURSE NOT USED IN LIST A OR LIST B:

ART-005	Visual Arts Concepts	3
ART-017	Introduction to American Art History	3
HUMAN-019	Ancient Humanities	3
HUMAN-020	Medieval and Renaissance Humanities	3
HUMAN-021	Modern Humanities	3
HUMAN-022	American Humanities	3
HUMAN-024	Shakespeare's English Kings: History, Literature and Drama	3
HUMAN-030	Modernist Paris: Artists and Intellectuals	3
TOTAL UNITS FOR THE MAJOR		24

TOTAL UNITS FOR THE DEGREE 60

Program Level Student Learning Outcomes:

1. Read art-related historical texts and resource documents critically; synthesize their research and observational skills in order to communicate effectively as a writer and speaker.
2. Model and distinguish between differing art historical methodologies and approaches to problem solving in related disciplines.
3. Make connections between artistic products and processes over time; observe how art informs culture and culture informs art in order to develop good critical and creative thinking skills.
4. Consider the ethical implications inherent in artistic patronage and artistic production.
5. Develop and demonstrate a worldview informed by diverse art and architectural products created in multiple historical, social, multicultural and global environments.

ASSOCIATE OF ARTS DEGREE**FINE ARTS****GRAPHIC COMMUNICATIONS**

For the Associate of Arts Degree, students must complete the units of coursework listed below as well as the General education requirements. Consult a Los Medanos College counselor to develop an education plan.

Associate of Arts Degree in Fine Arts

REQUIRED COURSES:		UNITS
ART-005	Visual Arts Concepts	3
ART-006, 7, 8 or 9	Art History Courses	3
or		
ART-016	Asian Art History	3
or		
ART-017	American Art History	3
or		
ART-018	Ancient Americas	3
ART-010	Two-Dimensional Design Concepts	3
ART-011	Three-Dimensional Design Concepts	3
ART-020	Introduction to Drawing (Fine Arts)	3
ART-047	Color Theory	3
TOTAL UNITS		18

Fine Art Electives

SELECT A MINIMUM OF 12 ELECTIVE UNITS FROM:

ART-030	Figure Drawing	3
ART-038	Introduction to Printmaking	3
ART-040	Introduction to Painting	3
ART-041	Intermediate Painting	3
ART-047	Introduction to Color Theory	3
ART-060	Introductory Concepts of Sculpture	3
ART-062	Introduction to Ceramic Sculpture	3
ART-063	Intermediate Ceramic Sculpture	3
ART-064	Introduction to Ceramics Through the Pottery Wheel	3
ART-065	Intermediate Ceramics Through the Pottery Wheel	3
ART-074	Photo II: Developing a Personal Vision	3
ART-075	Documentary Photography	3
TOTAL UNITS FOR THE MAJOR		30

TOTAL UNITS FOR THE DEGREE 60

Program Student Learning Outcomes

1. Demonstrate appropriate studio practices
2. Present, explain and justify their design solutions using the vocabulary of art and design
3. Research and use examples of historical and cultural products to inform their creative process

Associate of Arts Degree in Graphic Communications

For the Associate of Arts Degree, students must complete the units of coursework listed below as well as the General education requirements. Consult a Los Medanos College counselor to develop an education plan.

REQUIRED COURSES:	UNITS	
ART-005	Visual Arts Concepts	3
ART-006, 7, 8 or 9	Art History Courses	3
ART-016	Asian Art History	3
ART-017	American Art History	3
ART-018	Ancient Americas	3
ART-010	Two-Dimensional Design Concepts	3
ART-012	Design Drawing (Graphic Communications)	3
ART-047	Color Theory	3
ART-250	Introduction to Digital Art	3
TOTAL UNITS		18

Graphic Communications Electives

SELECT A MINIMUM OF 12 ELECTIVE UNITS FROM:

ART-015	Graphic Design	3
ART-025	Advertising, Marketing and Publication Design	3
ART-050	Designing with Adobe InDesign	3
ART-054	Adobe Photoshop	3
ART-057	Designing with Adobe Illustrator	3
ART-058	Designing for the Web	3
ART-072	Introduction to Digital Photography	3

ART-074	Photo II: Developing a Personal Vision	3
ART-075	Documentary Photography*	3
ART-085	Introduction to Animation	3
ART-086	Animation and 3D Modeling	3
TOTAL UNITS FOR THE MAJOR		30

TOTAL UNITS FOR THE DEGREE 60

Program Student Learning Outcomes

1. Demonstrate appropriate graphic design and computer studio practices
2. Present, explain and justify their graphic design solutions using the vocabulary of art and design
3. Research and use examples of historical and cultural products to inform their creative process in graphic design

CERTIFICATE OF ACHIEVEMENT**GRAPHIC COMMUNICATIONS**

For the Certificate of Achievement in Graphic Communications, complete 30 units of coursework listed below. Consult a Los Medanos College counselor to develop your education plan.

REQUIRED COURSES (18 UNITS):

ART-005	Visual Arts Concepts	3
ART-010	Two-Dimensional Design Concepts	3
ART-012	Design Drawing	3
ART-015	Graphic Design	3
ART-025	Advertising, Marketing, and Publication Design	3
ART-072	Introduction to Digital Photography	3
TOTAL UNITS		18

AND SELECT A MINIMUM OF 12 ELECTIVE UNITS FROM:

ART-050	Designing with Adobe InDesign	3
ART-054	Adobe Photoshop	3
ART-057	Designing with Adobe Illustrator	3
ART-075	Documentary Photography*	3
ART-085	Introduction to Animation	3
ART-086	Animation and 3D Modeling	3
ART-250	Introduction to Digital Art	3
JOURN-110	Writing for the Media	3
JOURN-160	Photojournalism*	3
TOTAL UNITS FOR THIS CERTIFICATE		30

Note: Computer-based courses in graphic communications require familiarity with basic computer operations.

* Same course

Program Student Learning Outcomes

1. Demonstrate appropriate graphic design and computer studio practices
2. Present, explain and justify their graphic design solutions using the vocabulary of art and design
3. Research and use examples of historical and cultural products to inform their creative process in graphic design

COURSE DESCRIPTIONS**ART-003 Art Studio Practice**

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: Enrolled in ART-005 or Art History Classes; or other Studio Arts Class

In this course students will learn to create projects using the two-and-two-and-three-dimensional media labs, using materials such as clay, plaster, and mixed media. Processes and tool use will be explained, demonstrated, and discussed in order to help students safely and successfully produce projects based on assigned problems and/or individualized creative plans. Students will improve their skills and will research and apply contemporary and historical examples and methods for creating their projects. Students will learn and apply the vocabulary of the elements and principles of design, and fine arts vocabulary, to their projects. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-005 Visual Arts

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An interdisciplinary course that focuses on the creative process. Course content provides an overview of visual art from a variety of cultures looked at via thematic and technical perspectives. Learning and using the vocabulary of design to analyze and evaluate art is also emphasized. Meets Arts & Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

ART-006 Ancient Art History (to 350 CE)

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary survey of art as an aspect of cultures and civilizations from Europe, Africa and Western Asia, focusing on the Prehistoric period to 350 A.D. An Investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them, including Egypt and Mesopotamia and Persia, Greece and the Aegean and the Roman world. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A; C-ID ARTH 110

ART-007 Medieval and Renaissance Art History (350 to 1550 CE)

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary survey of art as an aspect of cultures and civilizations in Europe 350 to 1550. An interdisciplinary course that investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Includes Late Roman, Byzantine, Early Medieval, Romanesque, Gothic, Late Gothic and Renaissance periods. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A; C-ID ARTH 110

ART-008 Early Modern Art History (1550 to 1920 CE)

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Presents art as an aspect of cultures and civilizations from Western Europe and the United States, focusing on the period from 1550 to 1920. An interdisciplinary course that investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Includes Baroque, Neoclassical, Romantic, Realist, Impressionist, Post-Impressionist and Early Modern Art. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

ART-009 Late Modern and Contemporary Art History (1920 CE-Present)

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Presents art as an aspect of Western Europe and the United States, focusing on the period from 1920 to the present. An interdisciplinary course that investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

ART-010 Introduction to Two-Dimensional Concepts

36 total hours lecture, 72 total hours lab
3 Units

This is a foundational art course. It presents the process and discipline of design as applied in two-dimensional forms such as drawing, painting and collage. Focus is placed on the methods, tools and materials of two-dimensional form presented in current day, historical and cultural contexts. This course is an in-depth exploration of the visual elements, including line, shape, space, texture and value. This foundation course is required for all art majors. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID ARTS 100

ART-011 Three-Dimensional Design Concepts

36 total hours lecture, 72 total hours lab
3 Units

This course is an introduction to the methods and materials of three-dimensional modeling, including construction in planar materials, both soft and rigid; forming frameworks with wire and other linear materials, modeling, carving, and casting using clay and plaster, and using found materials. This is a foundation course, presenting the fundamentals of design upon which all other courses are based, transferable to UC and CSU, and is required for all art majors. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ARTS 101

ART-012 Design Drawing

36 total hours lecture, 72 total hours lab
3 Units

An art foundation course that introduces drawing as a visualization tool used in the process of design. Focuses on perspective drawing as a means to build the skills necessary for rapid and intuitive, but accurate drawing with application to two or three-dimensional design and problem solving, particular useful for students majoring in product, environmental/architectural and graphic design. Required foundation course for art majors and Certificate of Achievement in Graphic Communications. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-015 Graphic Design

36 total hours lecture, 54 total hours lab
3 Units

Studies and practice in two dimensional graphic design with emphasis on the definition, research and solution of applied design problems. Special emphasis will be placed on conceptualizing and integrating visual and verbal information into unified communication concepts. Course work will explore career areas within the graphic communications industry, and will include portfolio preparation, career possibilities and professional practices in the business world. Course assignments progressively develop the skills necessary to develop, visualize and execute concepts as finished art. Required foundation course for art majors and Certificate of Achievement in Graphic Communications. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-016 Asian Art History

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary survey of art as an aspect of cultures and civilizations from Southern and Eastern Asia, including India, China, Japan and Korea from prehistory through the 19th century. Investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3A

ART-017 American Art History

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary survey of art as an aspect of American art and culture from the Colonial period to the present day. Investigates how American art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ART-018 Art of the Ancient Americas

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary survey of art as an aspect of cultures and civilizations from North and South America from prehistory through the 16th century. Investigates how art and architecture reflect the religious, political and philosophical perspectives of the artists and societies that created them. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities, DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ART-020 Introduction to Drawing

36 total hours lecture, 72 total hours lab

3 Units

ADVISORY: ART-010 or equivalent

This is a studio art course that focuses on basic drawing skills and the conventions of representational, two-dimensional art. Line, shape, value, texture, illusionistic depth, and the figure will be explored using various dry and wet drawing media. Emphasis will be on fundamental skills that the student can use in the development of a personal approach to drawing. Lectures will reflect contemporary and historical uses of drawing and its various applications within the wider field of art. "An optional material fee may be applied." May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ARTS 110

ART-021 Intermediate Drawing

36 total hours lecture, 72 total hours lab

3 Units

ADVISORY: ART-020

This is a studio art course where students begin to use their foundational skills to develop a personal approach to drawing. Line, form, value, texture, and spatial manipulation will be further explored using various dry and wet drawing media, as well as mixed media. Theory and concepts in drawing, such as abstraction, are introduced. Slides and lectures will reflect contemporary and historical uses of drawing as an art form. "An optional material fee may be applied." May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ARTS 205

ART-025 Advertising, Marketing and Publication Design

36 total hours lecture, 54 total hours lab

3 Units

ADVISORY: Eligibility for ENGL-100

Studies and practice in the techniques, tools, materials and methodology of layout, including magazines, newspapers, books, brochures and advertisements. Coursework includes the design, layout and publishing of advertising and promotional materials for printed media, with emphasis on the requirements of working with clients, art directors, illustrators, photographers and production artists. Emphasis is placed on typography and its application, proofreading, and print specification. Instruction is computer-based using industry standard software. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-030 Figure Drawing

36 total hours lecture, 72 total hours lab

3 Units

ADVISORY: ART-012 and ART-020

This class is an introduction to drawing the figure from observation. The course will provide an introduction to anatomy, as well as historical and contemporary applications of the figure in context. Students will use a variety of media including charcoal, pastel, and brush and ink, while learning to apply descriptive and interpretive approaches to the human form. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ART-035 Themes in Mesoamerican Culture through Ceramics

45 total hours lecture, 36 total hours lab

3 Units

ADVISORY: Eligibility for ENGL-100

Same as HUMAN-035. This class presents an integrated, interdisciplinary approach to aspects of Mesoamerican culture and civilization through art and history. In this broad context, students will investigate the intellectual, spiritual, cultural and political foundations of Mesoamerican culture. Students will also investigate the creative process of modern and contemporary Mesoamerican artists as well as reflect on and integrate these investigations into their own creative coursework and projects. Meets Arts and Humanities requirement for general education. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3B

ART-038 Introduction to Printmaking

36 total hours lecture, 72 total lab hours by arrangement
3 Units

ADVISORY: ART-010 or equivalent

This is an introductory course to the basic materials, equipment, and processes of printmaking. Students will learn about the history of printmaking, contemporary practices and its cultural influence. Students will make a wide range of prints in the four areas of printmaking, including relief, intaglio, planography and stencil. This class is open to beginning and advanced students. May not be repeated. LR

LMC: DA

TRANSFER: CSU

ART-040 Introduction to Painting

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-010, 012 or 020, ENGL-095

An introduction to the tools, materials and techniques of painting in oil and acrylic media. The student will select the medium of preference.

This course emphasizes the process of painting, through rigorous exercises as well as longer-term assignments that apply principles presented in lectures and readings. Coursework includes studies and practice in a variety of subject matters and styles of painting, which may include still life, landscape, abstraction, fantasy, figure, and portrait studies, as well as the use of applied light and color theory, and composition. Lectures focus on painting from cultural, historical and contemporary perspectives. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-041 Intermediate Painting

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-040

Continuing studies and practices in tools, materials and techniques of painting in oil, acrylic and watercolor media at the intermediate level. Special emphasis will be placed on developing students' confidence and personal initiative through progressively more independent and complex activities and projects. Students will investigate painting from cultural, historical and contemporary perspectives. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-042 Introduction to Watercolor Painting

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-010, 20 or 40

Fundamentals of watercolor tools, materials and techniques. Tools include brushes and palettes; materials, a variety of water-based media (including liquid and cake watercolor as well as gouache) and papers for painting; techniques address brushwork, color mixing and application as transparent washes and gradients or opaque bodycolor. Students will utilize the media in a variety of genres, including still life, landscape and students' choice of concepts. Historical examples also will be presented, discussed and researched. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-047 Color Theory

36 total hours lecture, 72 total hours lab
3 Units

A study of the principles, theories, and applications of additive and subtractive color in two dimensions. Topics will include major historical and contemporary color systems, production of projects in applied color, and the elements of design as they apply to color. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ARTS 270

ART-050 Designing with Adobe InDesign

36 total hours lecture, 54 total hours lab
3 units

ADVISORY: ENGL-095

This course is an exploration of concepts of publishing; with specific application of Adobe InDesign layout software on the Apple Macintosh computer system. The course will review cover basic operating procedures and will introduce the advanced capabilities of the current version of InDesign. More than just learning about how to use the software, students will learn how to use it with a sense of design. Taught with an artistic rather than purely technical emphasis, this course provides visual training for non-artists and computer training for students already experienced in visual communications. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-054 Adobe Photoshop

36 total hours lecture, 54 total hours lab
3 Units

An introduction to computer image processing. Studies and practice in the design and execution of photo manipulation, graphics, artwork and illustration using Adobe Photoshop. Students will complete successive and cumulative exercises and projects based on current industry standards and expectations. Students will concentrate on solving problems based on their understanding the principles of image processing. Taught with both artistic and technical emphases, this course addresses the needs of the current graphic communications industry and students who presently are employed or seek employment in it. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-057 Designing with Adobe Illustrator

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-095

Studies and practice in the design and execution of graphics, artwork and illustration using Adobe Illustrator on the Apple Macintosh computer. Students will complete projects based on current industry needs as well as be able to propose projects related to their own specific needs. Students will concentrate on solving problems and creating portfolio quality pieces. Taught with an artistic and technical emphasis, this course addresses the use of vector graphics in both traditional print and the World Wide Web. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-058 Designing for the Web

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-095

Studies and practice in web design and development. Students will concentrate on solving problems by planning and building a portfolio-quality website. Taught with an artistic and technical emphasis, students will be introduced to Adobe Dreamweaver and other general web design skills such as best practices for designing a website, maintaining consistency, separating content from design, using web fonts, and utilizing HTML5 and CSS3. Students will create a responsive website that is equally functional on multiple operating systems, browser versions, configurations, and devices while demonstrating knowledge of page layout design concepts and principles of website usability, readability, and accessibility. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-060 Introductory Concepts of Sculpture

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011; eligibility for ENGL-095

This introductory course explores the concepts of sculpture through the use of plaster, metal, wood, and mixed media as expressive mediums. This course will emphasize self expression and development of personal imagery as well as technical aspects of working with these materials. Demonstrations and lab assignments focus on modeling, casting, carving and assembling techniques. Lectures will highlight the use of these versatile media from contemporary, cultural and historical perspectives. Students will learn and practice using sculpture terminology, as well as the vocabulary of design elements and principles. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-061 Intermediate Concepts of Sculpture

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011 and ART-060; eligibility for ENGL-095

This intermediate course explores the concepts of sculpture through the use of plaster, metal, wood, and mixed media as expressive mediums. This course will emphasize self expression and development of personal imagery as well as technical aspects of working with these materials. Demonstrations and lab assignments focus on modeling, casting, carving and assembling techniques. Lectures will highlight the use of these versatile media from contemporary, cultural and historical perspectives. Students will learn and practice using sculpture terminology, as well as the vocabulary of design elements and principles. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-062 Introduction to Ceramic Sculpture

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011; eligibility for ENGL-095

In this course students will learn to create sculptures with clay using various tools and techniques such as slab forming, pinching, coiling and carving. Processes and tool use will be explained, demonstrated, and discussed in order to help students safely and successfully produce projects based on assigned problems and/or individualized creative plans. Students will improve their skills in representing the human figure and other subjects and will research and apply contemporary and historical examples and methods for creating ceramic sculpture. Students will learn and apply the vocabulary of the elements and principles of design, and ceramics vocabulary, to their projects. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-063 Intermediate Ceramic Sculpture

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011, ART-062, ART-064; eligibility for ENGL-095

In this course students will learn to create sculptures with clay using various tools and techniques such as slab forming, pinching, coiling and carving. Processes and tool use will be explained, demonstrated, and discussed in order to help students safely and successfully produce projects based on assigned problems and/or individualized creative plans. Students will improve their skills in representing the human figure and other subjects and will research and apply contemporary and historical examples and methods for creating ceramic sculpture. Students will learn and apply the vocabulary of the elements and principles of design, and ceramics vocabulary, to their projects. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-064 Introduction to Ceramics Through the Pottery Wheel

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011; eligibility for ENGL-095

This course explores the use of clay and the pottery wheel as an expressive and utilitarian medium. Lectures will highlight the use of this versatile medium from contemporary, cultural, and historical perspectives, and students will research and discuss historical examples and apply them to their projects. Pottery shapes requiring singular form components will be investigated along with an introduction to kiln firing and glaze mixing. This course will introduce development of personal imagery as well as ceramic design, decoration, and glazing. Lab assignments focus on throwing techniques and glazing. Students will purchase clay and tools. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-065 Intermediate Ceramics Through the Pottery Wheel

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ART-011 and ART-064; eligibility for ENGL-095

This course further develops the use of clay and the pottery wheel as an expressive and utilitarian medium. Lectures will highlight the use of this versatile medium from contemporary, cultural, and historical perspectives, and students will research assigned and student-chosen historical examples and apply the research to their projects. Pottery shapes requiring singular and multiple form components will be investigated along with kiln firing and glaze mixing and calculation. This course will continue development of personal imagery and concepts of ceramic design, decoration, and glazing. Lab assignments focus on throwing techniques and glazing. Students will purchase clay and tools. "An optional material fee may be applied." May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-072 Introduction to Digital Photography

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-095

Studies and practice in digital photography. This course will explore the technical areas of f-stop and shutter speed, exposure and lighting, the artistic concepts of balance, and composition as well as the communications possibilities of the medium. Students will complete projects designed to help them learn to solve their own photographic problems. Students will concentrate on solving problems and creating portfolio quality pieces. Taught with an artistic and technical emphasis, this course addresses the use of digital cameras, scanners and computers in creating high quality photographs. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-073 Location Photography

9 total hours lecture, 27 total hours lab
1 Unit

ADVISORY: Beginning photography course or equivalent

This course covers studies and practice in photographing on location, including landscapes, cityscapes, people in action and events. Students will create photographs concentrating on composition, technique, and capturing a mood. Students must supply their own adjustable digital camera and media cards. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ART-074 Photo II: Developing a Personal Vision

36 total hours lecture, 54 total hours lab
3 Units

PREREQUISITE: ART-072

This course presents a methodical approach to creating high-quality photographs through the study and practice of photography. Coursework includes technical areas of lighting, exposure, and image processing using Photoshop. Additional attention is given developing photographic styles and approaches, and the affect of technology on photography. May not be repeated. P/NP

LMC: DA

TRANSFER: UC, CSU

ART-075 Documentary Photography

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: ART-072 or ART-074 or concurrent enrollment or completion of any other journalism class

Same as JOURN-160. This course deals with the photographer as a journalist, focusing on theory and practice in press and publications photography, with emphasis on using the camera as a reporting and communications tool. Covered are news and feature photography and photographic essays, including composition, impact, and creativity, for newspapers, magazines, Internet and other mass communications media. The course includes a background in the history, ethics and aesthetics of the documentary still photograph. Students will complete successive and cumulative exercises and projects based on current industry standards and expectations, including photographic assignments, exercises, quizzes as well as participate in class discussions and critiques. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-085 Introduction to Animation

36 total hours lecture, 72 total hours lab
3 Units

Studies and practice in three-dimensional computer-based animation with emphasis on the definition of, research for, and solutions to animation problems. Includes basic history of animation. Using industry standard routines and analyses, this course develops students' understanding of motion and visual effects generated in 3D scenes. Special emphasis will be placed on animation styles, production pipelines, and story development. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-086 Animation and 3D Modeling

36 total hours lecture, 72 total hours lab
3 Units

Studies and practice in three dimensional animations with emphasis on the definition, research, solution to animation and modeling problems. Using industry standard routines and analysis, this course develops students' understanding of motion and visual effects generated in 3D scenes to develop a demo reel by the end of the course. This course is not about learning "how to" use a specific program but learning the basic 3D modeling and animation concepts to emphasizes creativity. Special emphasis will be placed on stylized modeling and animation, production pipelines, and story development. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

ART-098 Independent Study in Art

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ART-170 Occupational Work Experience Education in Art

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

ART-180 Internship in Art

30-300 total hours

.5-4 Units

PREREQUISITE: Approved online application and employer placement**ADVISORY:** Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

LMC: DA**TRANSFER:** CSU**ART-250 Introduction to Digital Art**

36 total hours lecture, 54 total hours lab

3 Units

This course is an introduction to the fundamental concepts, practices and theories of digital art creation. Topics include integration of traditional design, color and compositional principles with contemporary digital tools like Adobe Photoshop, Illustrator, and InDesign. May not be repeated. SC

LMC: DA**TRANSFER:** UC, CSU**ART-900s Selected Topics in Art**

Athletics

COURSE DESCRIPTIONS

ATH-006 Fitness for Athletic Competition

54-108 total hours activity
1-2 Units

ADVISORY: High school athletic experience

This course is designed to introduce the athlete to the elements, understanding and knowledge of athletic physical training for competition. Course activities will include endurance running, interval sprinting, weight training and plyometric training to improve one's level of fitness for the upcoming athletic season. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-014 Advanced Volleyball Skills for Athletes

108 total hours activity
2 Units

ADVISORY: High school volleyball or club experience recommended

This course is designed to prepare the student for competition in the California Community College Volleyball season and upon completion be able to transfer to a 4 year university. Intercollegiate volleyball provides the opportunity for competition as a member of an LMC team in conference play, which includes a state championship playoff. Students are eligible to participate for 2 seasons at the community college level. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-026 Advanced Soccer Skills for Athletes

108 total hours activity
2 Units

ADVISORY: High school soccer or club experience recommended

This course is designed to prepare the student for competition in the California Community College Soccer season and upon completion be able to transfer to a 4 year university. Advanced skills in kicks, dribbles and passes as well as offensive and defensive strategies will be emphasized to prepare the student to excel. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-027 Offensive Football Skills and Conditioning

54-108 total hours activity
1-2 Units

ADVISORY: Designed for intercollegiate football participants

This course is an introduction to fundamentals, techniques and procedures of intercollegiate football with a focus on offensive philosophies. Skill area such as blocking, catching, passing, and route running. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-028 Defensive Football Skills and Conditioning

54-108 total hours activity
1-2 Units

ADVISORY: Designed for intercollegiate football participants

This course is an introduction to fundamentals, techniques and procedures of intercollegiate football with a focus on defensive philosophies. Skill area such as block destruction, turnovers, tackling, and techniques specific to a defensive position will be covered. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-046 Advanced Basketball Skills for Athletes

108 total hours activity
2 Units

ADVISORY: High school basketball or club experience recommended

This course is designed to prepare the student for competition in the California Community College basketball season and upon completion be able to transfer to a 4-year university. Intercollegiate basketball provides the opportunity for competition as a member of an LMC team in conference play, which includes a state championship playoff. Students are eligible to participate for 2 seasons at the community college level. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-062 Advanced Baseball Skills for Athletes

108 total hours activity
2 Units

ADVISORY: High school baseball or club experience recommended

This course is designed to prepare the student for competition in the California Community College baseball season and upon completion be able to transfer to a 4 year university. Advanced skills in hitting for power, batting hit-and-run, bunting, fielding, throwing, pitching, catching, and base running will be emphasized to prepare the student to excel. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-066 Advanced Softball Skills for Athletes

108 total hours activity
2 Units

This course is designed to prepare the student for competition in the California Community College softball season. Advanced skills in hitting for power, batting hit-and-run, slapping, bunting, fielding, throwing, pitching, catching, and base running will be emphasized to prepare the student to excel. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-076 Intercollegiate Volleyball

175 total hours activity
3 Units

ADVISORY: High school volleyball or club experience recommended

Intercollegiate volleyball provides the opportunity for competition as a member of an LMC team in conference play, which includes a state championship playoff. Students are eligible to participate for 2 seasons at the community college level. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

ATH-077 Intercollegiate Football

175 total hours activity
3 Units

ADVISORY: ATH-006, 008, 027 or 028; High school football experience

Intercollegiate football provides the opportunity for competition as a member of an LMC team in conference play which includes championship playoffs. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU

ATH-079 Intercollegiate Basketball for Men

175 total hours activity
3 Units

ADVISORY: High school basketball or club experience recommended

Intercollegiate basketball provides the opportunity for competition as a member of an LMC team in conference play, which includes a state championship playoff. Students are eligible to participate for 2 seasons at the community college level. May be repeated three times. SC

LMC: DA

TRANSFER: UC, CSU

Automotive Technology

DEGREE—Associate of Science
Automotive Technology

CERTIFICATE OF ACHIEVEMENT
Automotive Technology

COLLEGE SKILLS CERTIFICATES
Smog Technician Specialist
Air Conditioning Specialist
Transmission Specialist
Engine Performance
Engine Repair & Machining Specialist
Automotive Chassis Specialist

ASSOCIATE OF SCIENCE DEGREE AND CERTIFICATE OF ACHIEVEMENT AUTOMOTIVE TECHNOLOGY

Automotive Technology provides instruction in engine diagnosis, tune-up, emission control, brakes, front-end, and suspension systems. These courses are designed to prepare students for certification in these areas and for employment as automotive mechanics.

For the Associate of Science Degree in Automotive Technology, complete 18-24 units of coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

For the Certificate of Achievement in Automotive Technology, complete 18 units of coursework listed below. Consult a Los Medanos College counselor to develop your education plan.

SELECT A MINIMUM OF 18 OR 24 UNITS FROM:

COURSE	COURSE TITLE	UNITS
AUTO-112	Engine Technology	4
AUTO-037	Automotive Engine Machining	4
AUTO-132	Automotive Engine Diagnosis I	4
AUTO-142	Automotive Engine Diagnosis II	4
AUTO-121	Automotive Brakes	4
AUTO-120	Automotive Suspension and Steering	4
AUTO-045	Automotive Laboratory Practice	1.5
AUTO-111	Automotive Electricity and Electronics	4
AUTO-113	Automotive Heating and Air Conditioning	4
AUTO-130	Automatic Transmission and Transaxles	4
AUTO-133	Manual Transmission and Differential	4
AUTO-055	Clean Air Car Course + OBD II	3
TOTAL UNITS FOR THE MAJOR		18-24

TOTAL UNITS FOR THE DEGREE 60

ASSOCIATE OF SCIENCE

Program Student Learning Outcomes

1. Demonstrate problem solving techniques used in troubleshooting automotive systems by writing up a diagnosis and completing the repair.
2. Use written or oral service directions used in the automotive field to locate service information, demonstrate mechanical knowledge by diagnosing the failure and replacing the proper component.
3. Demonstrate the skills and knowledge necessary to take and pass the state and ASE exams required for employment in the automotive field.

CERTIFICATE OF ACHIEVEMENT

Program Student Learning Outcomes

1. Demonstrate problem solving techniques used in troubleshooting automotive systems by writing up a diagnosis and completing the repair.
2. Use written or oral service directions used in the automotive field to locate service information, demonstrate mechanical knowledge by diagnosing the failure and replacing the proper component.
3. Demonstrate the skills and knowledge necessary to take and pass the state and ASE exams required for employment in the automotive field.

AUTO-112	Engine Technology	4
AUTO-037	Automotive Engine Machining	2.5
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE		6.5

Program Student Learning Outcomes

1. Demonstrate the skills and knowledge necessary to take and pass the ASE exam (A1) required for employment in the automotive field.

Automotive Chassis Specialist

REQUIRED COURSES:		UNITS
AUTO-121	Automotive Brakes	4
AUTO-120	Automotive Suspension	4
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE		8

Program Student Learning Outcomes

1. Demonstrate the skills and knowledge necessary to take and pass the ASE exam (A4 & A5) required for employment in the automotive field.

COURSE DESCRIPTIONS

AUTO-037 Automotive Engine Machining

36 total hours lecture, 108 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

The course teaches students how to diagnose, rebuild and machine a modern automotive engine. This course is designed for students seeking a career as an automotive technician. It prepares students for the A.S.E. M1, M2 and M3 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-045 Automotive Laboratory Practice

72 total hours lab
1.5 Units

This course is designed for students who want to improve their existing skills. More lab time is very valuable in improving skills to gain employment in the automotive field. Projects will vary depending on the student's need. Work can include electrical and mechanical diagnosis and repair. Students must be able to perform repairs based on their current knowledge of the repair, with supervision from the instructor. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

AUTO-055 Clean Air Car Course + OBD II

36 total hours lecture, 48 total hours lab
3 Units

ADVISORY: AUTO-132 and 142

This course is designed for students seeking a career smog technicians. Instruction will include troubleshooting, diagnostics, and adjustment of automobile emissions systems to meet the requirements of the California State (Smog) Inspection and Maintenance Program. The Clean Air Car Course is required by the State prior to registration for the State Smog License examination. May not be repeated. SC

LMC: DA

AUTO-056 Advanced Level Smog Training

14 total hours lecture, 22 total hours lab
1 Unit

ADVISORY: AUTO-055; eligibility for ENGL-095

This course is required by the State of California Bureau of Automotive Repair (B.A.R.) for automotive technicians to complete their education requirements for the state smog license certification. This course provides a practical background in the theory, operation, and testing of automotive engine systems and emission control components. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-057 Smog Update

8 total hours lecture, 12 total hours lab
.5 Units

ADVISORY: AUTO-055; eligibility for ENGL-095

The State of California mandates that all smog technicians renew their licenses every two years. This course is the latest update offered by the California Bureau of Automotive Repair for smog technicians who need to renew their license. May not be repeated. P/NP

AUTO-100 Introduction to Industrial Technology and Trades

18 total hours lecture, 54 total hours lab
2 Units

This is a career exploration course for the industrial trades including: Appliance Repair, Automotive Technology, Electrical/Instrumentation Technology, Process Technology and Welding Technology. It will provide hands-on experience for students who are maybe undecided about their career direction, and allows them to explore through doing, in this survey course of the industrial trades. It will also teach them some basic skills in each trade. This is one course and will be listed under all of following course numbers AUTO-100, APPLI-100, ETEC-100, PTEC-100 and WELD-100. Students may register for this course using any one of the provided course numbers. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

AUTO-110 Automotive Essential Car Care

96 total hours lecture, 16 total hours lab
5.5 Units

ADVISORY: Eligibility for ENGL-095

This course is designed to teach the operation and maintenance of modern automobiles. There is an emphasis on the theory of the basic operating systems, including engine, electrical, chassis, and driveline systems. This course is designed for the student seeking a career as an automotive technician as well as the home mechanic or who wants to learn about his or her automobile. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-111 Automotive Electrical Systems

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-046) The course covers automotive electrical principles including reading wiring diagrams, diagnosing electronic components, and using meters/lab scopes. This course is designed for the student seeking a career as an automotive technician as well as the existing technicians who want to expand their knowledge. This course will prepare students to take the California Automotive Lamp Installer's license and the ASE A-6 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-112 Engine Technology

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-035) This course is an introductory course to the basics of engine mechanical technology. The core of this course is to provide fundamental engine measurements, inspection and proper assembly techniques required for both common and modern engines. As an entry level course, emphasis is focused on safety, proper tool usage and organizational skills. Material in this class provides the essential knowledge for students to take the ASE A1-Engine Repair exam. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-113 Automotive Heating and Air Conditioning

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-047) This course is designed to provide students with the knowledge and skills needed to succeed in the field of automotive heating and air conditioning; and retrofitting R12 to R134a systems. This course will prepare students to take the federal exam for a refrigerant handling license and the ASE A-7 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-120 Automotive Suspension and Steering

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-043) The course is designed for students to learn and improve the skills necessary to diagnose and repair wheels, tires, shocks, steering, suspension systems and alignment procedures. The course places emphasis on the manufacturer's standards and procedures. This course will prepare students for the ASE A-4 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-121 Automotive Brakes

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-100

(formerly AUTO-042) This course is designed to give students the knowledge, and practical skills necessary to troubleshoot, diagnose and repair modern automotive brakes and ABS systems. The course places emphasis on manufacturers' standards and procedures required to keep brakes performing within state and federal specifications. This course will prepare students for the California Brake Installer's License exam and the ASE A-5 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-130 Automatic Transmission and Transaxles

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-048) This course is designed to provide students with the knowledge and skills to maintain and repair automotive transmissions and transaxles. This course provides experience in complete overhaul and rebuilding of automatic transmissions. It prepares students for the ASE A2 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-131 Introduction to Diesel Technology

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-038) This course is designed to introduce students to light duty automotive and truck diesel engine systems. They will learn the differences and advantages of diesel vs. gas engines, as well as the skills necessary to properly diagnose and repair modern high pressure diesel engines and fuel systems. It will provide students new to diesel technology a solid working knowledge of modern diesels, and is a valuable refresher for current automotive technicians that may not be up to date on the latest diesel technology. It will prepare students for the ASE T2 diesel examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-132 Automotive Diagnosis I

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-040) This course provides a practical background in the theory, operation, and testing of automotive engine systems and emission control components. This is the first of two courses (AUTO-132 and AUTO-142) designed to familiarize the student with engine systems. It will prepare students for the ASE A-6 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-133 Manual Transmission and Differentials

24 total hours lecture, 40 total hours lab
2 Units

ADVISORY: Eligibility for ENGL-095

(formerly AUTO-049) The course is designed to provide students with the knowledge and ability to diagnose and rebuild a manual transmission, clutch, transaxle, driveshaft and differential. Students will gain knowledge and skill in the theory, operation and inspection of manual transmission and transaxle systems. Students will learn diagnostic skills necessary to trouble shoot, repair and adjust most modern manual transmission and transaxle systems. It will prepare students for the ASE A-5 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-140 Hybrid and Alternative Fuels Technology

24 total hours lecture, 40 total hours lab
2 Units

ADVISORY: Eligibility for ENGL-095

This course provides basic electric and hybrid electric vehicle safety procedures; common electric and hybrid electric vehicle component fundamentals; current hybrid vehicle design; an introduction to hybrid electric vehicle maintenance and troubleshooting and an introduction to hybrid electrical vehicle test equipment and procedures. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-141 Advanced Diesel Technology

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-095

This course is designed to build upon the theories and skills learned in Auto 131, Introduction to Diesel Technology. Students will be introduced to more complex engine, fuel, and emission systems, and learn the proper diagnostic and repair skills associated with those systems. Although the course still follows the same basic information contained in the textbook used in Auto 131, most of the classroom material and lab activities are similar to the training a student would receive at an OEM factory training center. At the completion of Introduction to Diesel Technology and Advanced Diesel Technology a student should be prepared to enter the workforce as an entry level diesel technician at an independent or OEM repair facility. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-142 Automotive Diagnosis II

48 total hours lecture, 80 total hours lab
4 Units

ADVISORY: AUTO-132; eligibility for ENGL-095

(formerly AUTO-041) This advanced course is the second of two courses on tune-ups and diagnostics. The course is designed to give students the ability to gain and refine the skills necessary to perform engine tune-ups and diagnostic techniques on late model vehicles. The course places emphasis on manufacturer's standards and procedures required to keep the automobile engine performing within state and federal specifications. It course prepares students for the ASE A-8 Examination. May not be repeated. SC

LMC: DA

TRANSFER: CSU

AUTO-170 Occupational Work Experience Education in Automotive Technology

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

AUTO-180 Internship in Automotive Technology

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Biological Science

DEGREE—Associate in Science for Transfer
Biology

The Associate in Science in Biology for Transfer degree at Los Medanos College prepares students to transfer into a curriculum at a CSU to pursue a baccalaureate degree in biology. The ADT in Biology will introduce students to many areas of study including cytology, biochemical cycles, proteonomics, genomics, reproduction, embryonic development, ecology, comparative anatomy and physiology and evolution.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

Students choosing to transfer are strongly encouraged to see an LMC Counselor since four year college requirements vary widely and are subject to change.

REQUIRED COURSES:		UNITS
BIOSC-020	Principles of Biology: Cellular Processes	5
BIOSC-021	Principles of Biology: Organismic	5
TOTAL UNITS		10

LIST A (22 UNITS):		UNITS
CHEM- 025	General College Chemistry	5
CHEM- 026	General College Chemistry	5
MATH-050 or MATH-037	Calculus and Analytic Geometry I Applied Calculus	4 4
PHYS- 035 or PHYS -036	College Physics I College Physics II	4 4
PHYS -040 or PHYS -041	Physics for Scientists and Engineers I Physics for Scientists and Engineers II	4 4
TOTAL UNITS FOR THE MAJOR		32

TOTAL UNITS FOR THE DEGREE 60

Program Student Learning Outcomes

1. Utilize the scientific method to develop hypotheses, conduct scientific experiments, critically analyze experimental data, and communicate results through written reports and oral presentations.
2. Analyze the relationship of structure & function at and across molecular, cellular, and organismal levels.
3. Describe how evolutionary processes explain the similarities and differences among organisms.
4. Illustrate the interdependency among living and non-living things in diverse and changing ecosystems.

Program Requirements, Courses and Learning Outcomes

COURSE DESCRIPTIONS**BIOSC-005 Biology of Health**

54 total hours lecture, 18 total hours lab
3 Units

This is an introductory course that covers the biological concepts and principles underlying human health and fitness. We will cover not only the basic functions of the human cardiovascular, respiratory, nervous, digestive, immune, and reproductive systems, but also the effects of diet, exercise, prescription, illicit drugs, and stress on these systems and how you can make changes to improve your health. The course includes up-to-date information on biological and medical discoveries related to human health. In addition, we will discuss issues related to mental health, addiction, sexually transmitted diseases. The impact of human beings on the environment, and resulting health consequences will also be emphasized. Hands-on assignments will serve to demonstrate concepts that are critical to the health and wellbeing of the whole individual. May not be repeated. LR

LMC: ADR: Natural Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area E

BIOSC-007 Ecology and the Environment

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-100

This course provides an introduction to the biological concepts and principles underlying ecology and environmental science. Problem solving and critical thinking skills will be practiced as students explore biodiversity, the relationships between organisms and their environments, and current issues facing our global ecosystem. Lab experiments, field exercises, and trips to local environmental sites will help facilitate an interdisciplinary understanding of ecological topics and provide hands-on experience throughout the course. This course meets the General Education Requirement for Science. May not be repeated. LR

LMC: ADR: Natural Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-008 Human Biology

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-100

This is an introductory course for non-science majors that explore major biological principles as they apply to human beings. Problem solving and critical thinking skills will be emphasized as students investigate the structure and function of the human organism. Areas of study include the major body systems, human evolution, homeostasis, cells, tissues, heredity, gene expression, biotechnology and the interaction of humans and the environment. Weekly laboratory experiments on all major topics will allow the student to use the scientific method to gain knowledge and practical experience in the collection and analysis of data, and in drawing appropriate conclusions. This course meets the LMC General Education Requirement for Science. May not be repeated. LR

LMC: ADR: Natural Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-010 General Biology

54 total hours lecture, 72 total hours lab
4 Units

ADVISORY: MATH-012 or higher; eligibility for ENGL-100

An integrated study of life forms with weekly laboratory activities. The course will focus on biological concepts, principles, and laws pertaining to life processes, as well as the scientific method used to investigate these processes. Throughout the course students will be encouraged to apply their critical thinking abilities to investigate the connections between biological theories and real world observations. This course meets the General Education Requirement for Lab Science. May not be repeated. LR

LMC: ADR: Natural Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-020 Principles of Biology: Cellular Processes

54 total hours lecture, 108 total hours lab
5 Units

PREREQUISITE: MATH-029, MATH-030 or equivalent

ADVISORY: AP High School Biology, AP High School Chemistry, BIOSC-010, eligibility for ENGL-100

This is an integrated study of the fundamental concepts of biology. Using laboratory methods and techniques, the principles and laws underlying plant and animal life processes are addressed on the molecular and cellular levels. An interdisciplinary approach will be used to treat cytology, biochemical cycles, proteomics, genomics, reproduction, and embryonic development. The critical and creative process of scientific inquiry and the implications of scientific knowledge will be emphasized. Skills in critical thinking, problem solving, and effective learning will be employed throughout the course. Required for biological science majors. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C; C-ID BIOL 135S

BIOSC-021 Principles of Biology: Organismal

54 total hours lecture, 108 total hours lab
5 Units

PREREQUISITE: MATH-029, 030 or equivalent

ADVISORY: BIOSC-010, High school biology, chemistry; eligibility for ENGL-100

This course is an integrated study of the biodiversity on this planet and focuses on biological processes and principles that lead to increasingly higher levels of organization. An interdisciplinary approach guides the study of three major areas: evolutionary principles, unity and diversity of life, and ecology. Major topics explored include origins of life, evolutionary mechanisms, evidence of evolution, speciation, unity and diversity of life, plant and animal form and function, population and community ecology, and environmental challenges and solutions. Skills in critical thinking, problem solving, and collaborative learning will be practiced through the course, in addition to laboratory methods and field work. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C; C-ID BIOL 135S

BIOSC-030 Introduction to Anatomy and Physiology

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-100

This course is designed to cover basic anatomy and physiology. Fundamentals of body structure and function and the elegant inter-relationships between body organs and how they perform will be explored. All of the systems of the body, including very basic microscopic anatomy and simple physiological chemistry will be covered in this one semester course. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

BIOSC-040 Human Anatomy

54 total hours lecture, 108 total hours lab
5 Units

ADVISORY: BIOSC-030 or equivalent; eligibility for ENGL-100

This course is a comprehensive exploration of gross and microscopic anatomy from cellular to systems that presents the human body as an integrated organism. Extensive dissection of human cadavers and preserved animal organs will constitute the bulk of the lab. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-045 Human Physiology

54 total hours lecture, 108 total hours lab
5 Units

ADVISORY: BIOSC-040 and CHEM-007; eligibility for ENGL-100

A comprehensive exploration of general human physiology that begins with a discussion of the molecular and cellular basis of physiology, followed by an analysis of molecular, cellular, and tissue functions as they relate to each of the systems of the body and the total human organism. Critical and quantitative thinking and problem solving will be emphasized, and modern physiological recording instruments will be utilized extensively to analyze human physiological function. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-050 Microbiology

36 total hours lecture, 108 total hours lab
4 Units

PREREQUISITE: CHEM-006, 007, 008, 020, 021 or 025, or equivalent
ADVISORY: Eligibility for ENGL-100

Explores the fundamental principles related to bacteria, viruses, and other microorganisms. Examines the microbial world with an emphasis on bacteria and their role in disease. Basic areas to be studied in the classroom and the laboratory include microbial characteristics, microbial metabolism, microbial growth and its control, microbial genetics and biotechnology, interactions between microbes and host, microorganisms and human disease, and industrial and environmental applications of microbiology. The process of scientific inquiry will be emphasized, and opportunities for analytical thinking and problem solving will be interwoven throughout the course. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B, 5C

BIOSC-098 Independent Study in Biological Science

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ASSOCIATE IN SCIENCE

BUSINESS ADMINISTRATION FOR TRANSFER DEGREE

The Associate in Science in Business Administration for Transfer Degree is designed for students desiring advanced degrees in business administration. The LMC Business Administration courses meet lower division transfer requirements for business degrees such as accounting, marketing, management, international business, or finance. The curriculum includes the first and second year requirements for transfer to a four-year institution. A baccalaureate degree is the recommended preparation for those considering professional careers in business.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES:

BUS-186	Financial Accounting	4
BUS-187	Managerial Accounting	4
ECON-010	Principles of Microeconomics	3
ECON-011	Principles of Macroeconomics	3
BUS-294	Business Law	3

LIST A - SELECT ONE OF THE FOLLOWING:

MATH-037	Applied Calculus	4
MATH-034	Introduction to Statistics	4

LIST B - SELECT TWO OF THE FOLLOWING OR ONE OF THE MATH CLASSES NOT ALREADY USED IN LIST A AND ONE OF THE FOLLOWING:

BUS-109	Introduction to Business	3
BUS-059	Business Communications	3
COMSC-040	Introduction to Computers	4

TOTAL UNITS FOR THE MAJOR **26- 28**

TOTAL UNITS FOR THE DEGREE **60**

Business Program curriculum is designed to accomplish several goals: 1) to prepare students for entry-level careers, 2) to prepare students for career advancement in business, industry, government, and non-profit organizations; 3) to prepare students for entrepreneurship and small business start-ups, operations, management and expansion, 4) to prepare business students to transfer to four-year colleges, and 5) to provide major prep courses for students with bachelor of arts degrees seeking advanced business degrees.

The Business Department offers majors in accounting, small business operations and office administration.

The Business Department provides three ways to achieve your business education and training goals: 1) associate of science degrees, 2) certificates of achievement and/or 3) college skills certificates.

Program Student Learning Outcomes

1. Analyze practical business problems and utilize research and critical thinking to evaluate and recommend alternative solutions.
2. Demonstrate strong oral and written skills necessary to effectively collaborate and communicate from a global perspective with diverse groups of people.
3. Apply accounting concepts and principles in making decisions about business operations.
4. Identify and explain the major functional areas of the business organizations including management, marketing, finance, and accounting.
5. Apply commonly used computer application programs to create relevant business documents.

ASSOCIATE OF SCIENCE DEGREE AND CERTIFICATE OF ACHIEVEMENT ACCOUNTING

The associate degree and certificate of achievement curriculum in accounting prepare students for entry-level positions and professional advancement in public, private, and governmental accounting. Entry-level employment opportunities include positions such as accounts payable/receivable clerk, payroll accountant, accounting paraprofessional, and tax examiner assistant. The Business Department also offers a transfer curriculum to a four-year university

For the Certificate of Achievement in Accounting, complete the units of coursework listed. Consult a Los Medanos College counselor to develop your education plan.

For the Associate of Science Degree in Accounting, complete the units of coursework listed as well as the LMC General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

REQUIRED COURSES:		UNITS

TOTAL UNITS FOR THIS CERTIFICATE **23**

Program Student Learning Outcomes

1. Demonstrate the knowledge and skills necessary for an entry level position in public and/or private accounting.
2. Analyze information from source documents and narratives and record in the proper accounting records the typical types of financial transactions encountered daily by a for-profit business.
3. Construct financial statements and reports from accounting records.

ASSOCIATE OF SCIENCE DEGREE AND CERTIFICATE OF ACHIEVEMENT SMALL BUSINESS OPERATIONS

The Small Business Operations associate degree and certificate curriculum is designed to prepare students for success in small business management—starting, operating, and expanding a small business. It is geared to the potential or current entrepreneur and to persons who serve as employees of small business firms.

For the Certificate of Achievement in Small Business Operations, complete the units of coursework listed. Consult a Los Medanos College counselor to develop your education plan.

For the Associate of Science Degree in Small Business Operations, complete the units of coursework listed as well as the LMC General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

COURSE DESCRIPTIONS**BUS-018 Introduction to Excel**

54 total hours lecture, 18 total hours lab by arrangement
3 Units

ADVISORY: MATH-012 or fundamental math skills

Business 18 is a hands-on, performance-based, skills development spreadsheet course that covers fundamental MS Excel features and functions in the Windows environment. Students will produce business reports, financial statements, budgets, payroll, graphs, etc.) The class emphasizes spreadsheet design, data analysis for decision-making, and the use of Excel as a problem-solving tool for a variety of business applications in various industries. Students will learn to create a variety of professional spreadsheets, will develop their problem-solving and decision-making skills and will increase their MS Windows file management proficiency. This course prepares students for intermediate level instruction, will give them the skills to use Excel in a variety of college-level courses, and prepares them for entry-level employment opportunities. This class is one of the required courses for the career pathway Business Information Worker Level I Certificate. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-019 Intermediate MS Excel

54 total hours lecture, 18 total hours lab by arrangement
3 Units

ADVISORY: MATH-012, BUS-109, and BUS-035/BUS-018 or fundamental math skills, knowledge of basic business functions/processes, AND fundamental Excel skills

This Intermediate Excel course is a hands-on, performance-based, skills development class that provides students with the opportunity to learn how to use MS Excel intermediate to advanced level functions, formulas and features such as PivotTables, Pivot Charts, and other data analysis tools. The class takes a case study approach with an emphasis on good spreadsheet planning and design. Students will develop their critical-thinking and decision-making skills and learn to use Excel as a problem-solving tool for a variety of business applications in various industries. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-027 Small Business Management

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course combines theory with the practical "real world" aspects of the organization, planning, operation, and management of small business in the American Free Enterprise System. The course is designed for students who (1) have an idea for a new venture and have assessed its feasibility or, (2) are now involved in managing a small business and would like to expand the business or, (3) are involved in managing a department/division of an existing medium to large sized enterprise. In this course, emphasis is placed on managing a business or department through careful planning. Students will write a business plan, and learn how the plan can be used to manage a business or department/division. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-035 Microsoft Office

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

Business 035 is a skills/performance-based class that provides the student the opportunity to learn the basic and intermediate features of word processing; spreadsheet and graphic presentation software to solve common business problems, and to create common business and personal documents. The Microsoft Office Suite which includes Word, Excel, and PowerPoint, is one of the most commonly used software tools used by American businesses today. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-035A Microsoft Word

18 total hours lecture, 27 total hours lab
1.5 Units

ADVISORY: Eligibility for ENGL-100

Business 35A is a skills/performance-based class that provides students the opportunity to learn the basic and intermediate features of one of the most widely used word processing programs - Microsoft Word. Students learn how to create, edit, and format common business and personal documents such as letters, memos, reports, and flyers; and use more intermediate features to produce newsletters and prepare documents for mass mailing. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-035B Microsoft Excel

18 total hours lecture, 27 total hours lab
1.5 Units

ADVISORY: BUS-003 or equivalent math skills

Business 35B is a skills/performance-based class that provides students the opportunity to learn the basic features of one of the most vital and widely used spreadsheet programs - Microsoft Excel. Students learn how to create, edit, and format common business and personal spreadsheet documents such as budgets, invoices, expense reports, balance sheets, and other basic financial reports, how to use basic math formulas/functions in Excel, and how to create basic charts. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-035C Microsoft Powerpoint

18 total hours lecture, 27 total hours lab
1.5 Units

ADVISORY: Eligibility for ENGL-100

Business 35C is a skills/performance-based class that provides students the opportunity to learn the basic and intermediate features of one of the most widely used graphic presentation programs, Microsoft PowerPoint, to create common business and personal presentations. Students learn how to create and edit slide shows; enhance slides with sound, graphics, and animation; create and use custom templates, and prepare presentations for various types of delivery. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-036 Intermediate Microsoft Office

54 total hours lecture, 18 total hours lab

3 Units

ADVISORY: BUS-018 or experience with Microsoft Excel

Business 36 is a hands-on, performance-based, skills development class that provides students with the opportunity to learn to use the Microsoft Windows operating system, the MS Outlook email/personal information management software, and the MS Access relational database management system. Students will increase their MS Windows file management proficiency. They will learn how to communicate/manage email, use the calendar for scheduling, manage contacts, create tasks/notes, as well as how to customize and integrate Outlook components. Students will learn how to customize and maintain Outlook and Windows. This course also teaches fundamental MS Access features and functions. Students will learn how to use MS Access to capture, organize, store, maintain, track, retrieve, sort, and print, business data, and how to report and present business information. Students will learn to create, modify and manage database tables that are organized, accurate and up to date. They will learn to perform database queries and create forms and reports that will assist decision making and help make analyzing business data more efficient and effective. Students will learn the differences between MS Excel, MS Access, and MS SharePoint and how to decide when to best use each software productivity tool. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-052 Introduction to Entrepreneurship

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100, MATH-025 and BUS-109

This course allows students to develop an understanding of the complex tasks faced by individuals engaged in entrepreneurial activities. The course identifies the methods for developing a business idea, the key aspects of creating a business plan, how to acquire resources and how to start a business. May not be repeated. SC

BUS-056 Electronics Records Management with MS Access

54 total hours lecture, 18 total hours lab by arrangement

3 Units

ADVISORY: BUS-35D or familiarity w/MS Access AND BUS-109 or familiarity with major functional areas of business organizations

This course introduces students to the very complex field of managing electronic records and database management. Students will learn the fundamental theory, concepts, and procedures required to design, develop and maintain an electronic record keeping system. The course begins with learning terminology and fundamental filing systems through the actual creation of a database management system. Students will learn how a proper records management system can legally

protect a business. The course will cover the Association of Records Management Associations' (ARMA) Generally Accepted Record keeping Principles, data retention scheduling, filing/storage/back-up methods, document imaging processes, records protection and disposal methods, development of records and information management plans/policies, developing a records management training plan, E-mail management guidelines and emerging trends in records management. Using a case study approach that presents a real-world record keeping problem, students will combine records and information management theory with MS Access relational database expertise to plan, design, and create a MS Access database that solves a problem that is presented in a case study business scenario. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-058 Business English

54 total hours lecture

3 Units

ADVISORY: Completion or concurrent enrollment of ENGL-095 or higher

This course emphasizes grammar, spelling, and vocabulary as applied to business communication. It prepares students to write and communicate effectively by developing written skills in sentence and paragraph structures and by analyzing business e-mail, memos, letters, and other types of routine business correspondence. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-059 Business Communications

54 total hours lecture

3 Units

ADVISORY: Completion of ENGL-100 or higher

Presents theory and practical application of effective written and oral communications; students learn to compose e-mail, letters, memos, and reports; learn to network and identify other successful job search strategies, prepare resumes and improve interviewing skills, learn to be a successful and productive team member and leader. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-091 Managing and Working in a Diverse Workplace

9 total hours lecture
.5 Unit

ADVISORY: Eligibility for ENGL-100

The primary goal of the course is to enhance student's awareness and understanding of workplace diversity issues thereby increasing their ability to live and work in an increasingly complex and diverse 21st-century global environment. The students are taught to recognize that everyone has learned different cultural values which leads them to different world views and causes them to approach problems in very different ways.

This course will help students learn how important it is to respect the dimensions that shape people's values, experiences, and behavior in the workplace and help them to value the diversity of ideas that come from those differences. Students will learn to identify their own biases and the things that keep them from fully embracing the diversity that exists in the workplace enabling them to develop an action plan that can help them to achieve positive change. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

BUS-092 Business Ethics

9 total hours lecture
.5 Unit

ADVISORY: Eligibility for ENGL-100

A primary goal of this course is to help students define ethics, recognize the characteristics of an ethical organization and identify what it means to be an ethical employee. Students think through ethical issues that arise in the workplace and identify methods that they can employ as individuals to facilitate ethical organizational change. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

BUS-093 Dealing with Difficult People

9 total hours lecture
.5 Unit

ADVISORY: Eligibility for ENGL-100

In this class, students explore why "difficult" people act the way they do, and learn strategies for getting along and communicating tactfully with the "difficult" people they encounter in the workplace. They will learn how to identify different personality types and why some personality types may be difficult for them to work with peacefully. Emphasis is placed on helping students recognize that often they are the "difficult" person in the workplace. Students learn that dealing with "difficult" people leads to conflict, then they learn conflict resolution techniques, and develop skills to constructively manage conflict in today's diverse and increasingly complex workplace. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

BUS-095 Developing Customer Service Satisfaction

9 total hours lecture
.5 Unit

ADVISORY: Eligibility for ENGL-100

The class is designed to provide students with skills, strategies, and techniques that will help them handle customers professionally, tactfully, and diplomatically. Real-life situations are discussed and analyzed to enhance students' knowledge and increase their ability to achieve success in a modern, service-oriented workplace. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

BUS-096 Time Management and Goal Setting

9 total hours lecture
.5 units

ADVISORY: Eligibility for ENGL-100

The primary goal of this course is to help students set goals, and recognize and apply time management principles and techniques. Students analyze their professional and personal commitments and identify methods that they can utilize to facilitate change and improvement. May not be repeated. P/NP

LMC: DA

BUS-098 Independent Study in Business

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

BUS-109 Introduction to Business

54 total hours lecture
3 Units

ADVISORY: BUS-018 and BUS-035C or BUS-035; eligibility for ENGL-100

A contemporary overview of major topics and main fields in business: marketing, managing, accounting, law, entrepreneurship, international trade, information and risk management. Builds a strong foundation for students to take more advanced business classes as well as provides a broad overview of how the fields are interconnected. The course places these activities within the context of the legal requirements, historical forces, cultural values, ethical considerations, economic systems and social forces of various business regions of the world. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID BUS-110

BUS-160 Personal Finance

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: BUS-003 or MATH-012; eligibility for ENGL-100

This is an introductory personal finance course designed to help students become financially literate, and to learn decision-making strategies integral in controlling one's financial destiny. The course covers the following topics: steps in building a personal financial plan; goal setting; budgeting; evaluating financial institution services; consumer credit; life's major purchases; insurance types, needs and products; investing basics, equity and debt vehicles; income tax strategies; and retirement and estate planning. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-170 Occupational Work Experience Education in Business

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

BUS-180 Internship in Business

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

LMC: DA

TRANSFER: CSU

BUS-181 Accounting: Applied Principles

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: BUS-003, MATH-012; eligibility for ENGL-100

Application of the basic accounting language and system to the records of personal services and retail businesses; emphasis on the use of journals, ledgers and financial statements. Appropriate for students preparing for employment in business occupations. Applies toward real estate brokers' license and certificate in small business operations. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-185 Computer Assisted Accounting-QuickBooks

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: BUS-018; BUS-186; eligibility for ENGL-100

A hands-on, computerized course that introduces students to computerized accounting and the QuickBooks accounting program. Includes setting up a new organization's books, recording journal entries throughout the accounting cycle; invoicing customers, tracking inventory, preparing payroll, completing bank reconciliation's, generating subsidiary ledgers, creating trial balances, and preparing financial statements within a computerized system. May not be repeated. SC

LMC: DA

TRANSFER: CSU

BUS-186 Financial Accounting

72 total hours lecture

4 Units

ADVISORY: BUS-181 and/or BUS-185; MATH-012 or BUS-003; eligibility for ENGL-100

This course explores what financial accounting is, why it is important, and how it is used by investors and creditors to make decisions. It covers the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, classified financial statements, and statement analysis. Issues related to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal control and ethics are included. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ACCT 110

BUS-187 Managerial Accounting

72 total hours lecture

4 Units

PREREQUISITE: BUS-186

ADVISORY: MATH-012; eligibility for ENGL-100

This course continues the study of accounting theory with special emphasis on the types of accounting information used by managers, sources of information, and how managers use this information to make business decisions. Topics include cost systems, the analysis and use of cost information, cost-volume-profit analysis, contribution margin, profit planning, standard costs, capital budgeting, and statement analysis. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID ACCT 120

BUS-294 Business Law

54 total hours lecture

3 Units

ADVISORY: BUS-109; eligibility for ENGL-100

This course includes a study of the legal environment of business and the basic principles of business law. Included are contracts, agency, employment, sales, property, forms of ownership, courts, and court procedures. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID BUS 120

BUS-900s Selected Topics in Business

DA varies with course content.

Chemistry

DEGREE—Associate in Science for Transfer

Chemistry

The Associate in Science in Chemistry for Transfer Degree is designed for students desiring advanced degrees in Chemistry. The Los Medanos College Chemistry courses meet the lower division transfer requirements for Chemistry. The curriculum includes the first and second year requirements to prepare students to transfer and study at a California State University. Transferring and completing a baccalaureate degree in Chemistry can lead to careers as agricultural and food scientists; chemists and materials scientists; elementary, middle, and high school teachers; environmental scientists; forensic scientists; materials engineers; occupational health and safety specialists; research technicians; government laboratory technicians; medical technicians; petroleum chemists; pharmacists; scientific writers and/or artists.

To achieve the Associate Degree for Transfer:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis.

LMC students must follow and complete IGETC for STEM in order to achieve the Associate in Science in Chemistry for Transfer Degree.

REQUIRED COURSES:		UNITS
CHEM-025	General College Chemistry I	5
CHEM-026	General College Chemistry II	5
CHEM-028	Organic Chemistry I	5
CHEM-029	Organic Chemistry II	5
MATH-050	Calculus and Analytic Geometry I	4
MATH-060	Calculus and Analytic Geometry II	4
PHYS-040	Physics for Scientists and Engineers I	4
PHYS-041	Physics for Scientists and Engineers II	4
TOTAL UNITS FOR THE MAJOR		36
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Demonstrated a mastery of a broad set of chemical knowledge concerning the fundamentals in the basic areas of analytical, inorganic, organic, and physical chemistry.
2. Solved problems by applying a comprehensive understanding of chemistry. Such types of chemistry problems include those concerning the atomic and molecular structure of matter, the periodic table plus quantum mechanics, stoichiometry (including those complicated by the presence of limiting reagents), and the principles of thermodynamics and kinetics (involving the principles of equilibrium, energy and entropy changes, as well as rates and mechanisms of chemical reactions).
3. Demonstrated proficiency in basic chemical laboratory skills, in the operation and interpretation of data from chemical instrumentation and measurement, and in the safe chemical practices in the laboratory, including waste handling and safety equipment.

COURSE DESCRIPTIONS**CHEM-006 Introduction to Inorganic and Physical Chemistry**

54 total hours lecture, 72 total hours lab

4 Units

PREREQUISITE: MATH-025, MATH-029 or equivalent or one year of high school algebra

An introduction to inorganic chemistry and physical concepts relevant to chemistry, focused toward the understanding of structure and properties of matter. Topics include scientific measurements, metric units, unit conversions, atomic structure, naming chemical compounds, types of chemical reactions, chemical formulas, mole, stoichiometry, chemical bonding, gases, solutions and acid-base chemistry. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C

CHEM-007 Introduction to General, Organic and Biochemistry

54 total hours lecture, 72 total hours lab

4 Units

PREREQUISITE: MATH-025, MATH-029 or its equivalent or one year of high school algebra

This course is a one-semester survey of the principles of general, organic, and biochemistry. Satisfies the chemistry prerequisite of health career programs requiring only one semester of chemistry, including Kinesiology and most nursing programs at CSUs and four-year colleges. It is one option to fulfill the chemistry prerequisite for LMC Microbiology (BIOSC-050). May not be repeated. LR

LMC: DA

TRANSFER: CSU Gen. Ed. Area B1, B3

CHEM-025 General College Chemistry I

54 total hours lecture, 108 total hours lab

5 Units

PREREQUISITE: CHEM-006 or (one year of High School chemistry); MATH-029, MATH-030

Chemistry 25 is the first semester of a one year sequence focused on the fundamental principles of chemistry that fulfills the general chemistry requirement for students in chemistry, biochemistry, engineering, life science, physics, pre-dental, and pre-medical programs. Students will gain knowledge in the foundations of atomic and molecular structure, nomenclature, physical and chemical changes of matter, fundamentals of chemical reactivity, chemical bonding, thermochemistry and the properties of gases. Throughout the course, skills in critical thinking, problem-solving, analysis skills, and effective learning will be developed. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID CHEM 110, C-ID CHEM 120S

CHEM-026 General College Chemistry II

54 total hours lecture, 108 total hours lab

5 Units

PREREQUISITE: CHEM-025 or equivalent

CHEM-026 is the second semester of a one year course and fulfills the general chemistry requirement for students in chemistry, biochemistry, engineering, life science, physics, pre-dental, and pre-medical programs. Topics include solutions, colligative properties, equilibrium, acids and bases, kinetics, thermodynamics, electrochemistry, coordination chemistry, nuclear, organic and biological chemistry. Laboratory emphasizes quantitative techniques, including instrumentation, and qualitative analysis. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID CHEM 120S, C-ID CHEM 110

CHEM-028 Organic Chemistry

54 total hours lecture, 108 total hours lab

5 Units

PREREQUISITE: CHEM-026

CHEM-028 is a study of the physical and chemical properties of organic compounds. The principles and practice of common synthetic and analytical procedures will be introduced. This is the first semester of a two-semester organic chemistry sequence. CHEM-028 explores the chemistry of alkanes, alkenes, alkynes, and alkyl halides, along with stereochemistry and modern techniques of spectroscopy. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID CHEM 150, C-ID CHEM 160S

CHEM-029 Organic Chemistry

54 total hours lecture, 108 total hours lab
5 Units

PREREQUISITE: CHEM-028

CHEM-029 is a study of the physical and chemical properties of organic compounds. The principles and practice of common synthetic and analytical procedures will be introduced especially retrosynthetic analysis. This is the second semester of a two-semester organic chemistry sequence. CHEM-029 explores the chemistry of aromatics, alcohol's, ethers, aldehydes, ketones, carboxylic acids & derivatives, carbonyl substitution & condensation reactions, retrosynthesis and selected biomolecules. The techniques of instrumental analysis that were introduced in CHEM-028 will be further explored in the context of these new organic families. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID CHEM 160S

CHEM-098 Independent Study in Chemistry

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

School-Age Development and Education

Skill Certificate

School-Age Associate Teacher

The Child Development Department prepares you for careers with children, such as early childhood educator, Head Start teacher, family child care provider, center director/site supervisor and elementary school teacher. Courses in our department also ready you for transfer to four year universities in majors such as human development, child development, liberal studies towards a teaching credential, and early childhood education. Parents and future parents will also benefit from the coursework as it prepares all adults to work successfully with children. We also offer specialization coursework as it prepares you to work with infants and toddlers, children with special needs and school age children in addition to coursework that meets the requirement to become a center director/site supervisor. The curriculum is a combination of classroom teaching, laboratory practicum experiences and community site visits based on a philosophy of active learning. Many courses are also available in an online format.

ASSOCIATE IN SCIENCE**EARLY CHILDHOOD EDUCATION FOR TRANSFER DEGREE**

The Associate in Science Degree in Early Childhood Education for Transfer is a 60-unit degree program designed to prepare students to transfer and study child development, human development, early childhood education, liberal Studies, family and consumer science, sociology and family studies. The program, which requires 25 units of lower division work in child development is combined with the California State University General Education pattern of 40-42 units. Up to 6 units may be double-counted toward the 25 unit major coursework in the CSU GE pattern so the degree can be achieved in 60 units. Students will be prepared to take upper division courses their first semester after transferring. Typically, students who complete this program will be able to complete their upper division coursework in only two additional years.

To earn the Associate Degree in Transfer::

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

The Associate in Science Degree in Early Childhood Education for Transfer also prepares students for entry and mid-level career options in child care, preschool education, special education, and before-and-after school programs. Upon completion of this program, students will be eligible to apply for the Teacher level permit on the Child Development Permit Matrix from the State of California Commission on Teacher Credentialing. Students will complete lower division courses in child growth and development, principles and practices in early childhood education, curriculum, observation, assessment, child/family/community relationships, diversity, health and safety, and a culminating student teaching practicum.

REQUIRED COURSES:		UNITS
CHDEV-010	Child Growth and Development	3
CHDEV-020	Child Family and Community	3
CHDEV-001	Introduction to Principles and Practices in Early Childhood Education	3
CHDEV-062	Curriculum Foundations for the Young Child	3
CHDEV-011	Observation and Assessment	3
CHDEV-090	Student Teaching Practicum in Early Childhood Education	4
CHDEV-065	Health, Safety and Nutrition in Early Childhood Programs	3
CHDEV-050	Teaching in a Diverse Society	3
TOTAL UNITS FOR THE MAJOR		25
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Obtain, maintain and advance in permit licensure and/or prepare for upper division transfer through appropriate academic preparation.
2. Apply critical thinking to research, observe, assess, evaluate, and synthesize early learning and child development information.
3. Utilize effective written and verbal communication techniques to ensure optimum communication with children, families, and professional colleagues.
4. Select, develop and or use education equipment, curriculum, assessments, materials, technology, and environments that are culturally relevant and developmentally appropriate.

CERTIFICATE OF ACHIEVEMENT

EARLY CHILDHOOD EDUCATION

The Child Development Department prepares you for careers with children, such as early childhood educator, Head Start teacher, family child care provider, center director/site supervisor and elementary school teacher. Courses in our department also ready you for transfer to 4 year universities in majors such as human development, child development, liberal studies towards a teaching credential, and early childhood education. Parents and future parents will also benefit from the coursework as it prepares all adults to work successfully with children. We also offer specialization coursework as it prepares you to work with infants and toddlers, children with special needs and school age children in addition to coursework that meets the requirement to become a center director/site supervisor. The curriculum is a combination of classroom teaching, laboratory practicum experiences and community site visits based on a philosophy of active learning. Many courses are also available in an online format.

For the Certificate of Achievement in Early Childhood Education complete the coursework listed below.

TRANSFER: CSU; C-ID ECE 120

CHDEV-010 Child Growth and Development

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors while studying developmental theories and research methodologies. Students will observe children, evaluate individual differences and analyze characteristics of development at various stages. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D, E; IGETC Area 4G; C-ID CDEV 100

CHDEV-011 Observation and Assessment

54 total hours lecture
3 Units

PREREQUISITE: CHDEV-010

ADVISORY: Eligibility for ENGL-100

This course focuses on the role of observation to support children's growth and development in early childhood programs. Various observation methods are used to complete assessments (including an individual child's DRDP-R and a classroom assessment), create individual children's learning plans, develop a classroom improvement plan and provide written family feedback. Appropriate use of assessments and rating systems, the value of portfolios and children's authentic work samples, successful observation strategies, observing learning through play, working in partnership with families, supporting children with special needs, supporting a child's culture and home language, and confidentiality are values that underpin all discussions and class assignments. May not be repeated. SC

LMC: DA

TRANSFER: CSU; C-ID ECE 200

CHDEV-020 Child, Family and Community

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course examines the development of a psycho-social understanding of the child as a member of the family and as part of the community; patterns of family living in contemporary society; roles and interrelationships; diversity in both the family, community and the issues that go along with it. Required for CHDEV majors. Satisfies Dept. of Social Services Category II. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; C-ID CDEV 110

CHDEV-022 Relationship-Based Discipline Strategies for Children

36 total hours lecture
2 Units

ADVISORY: Eligibility for ENGL-100

The course is designed for students who work with or interact with children in a classroom or family setting. Students will learn how to differentiate between compliance and relationship-based discipline methods, implement relationship-based discipline strategies, and identify children's needs based on Maslow's Hierarchy of Needs. Other topics covered include brain development, rewards and praise, and conflict resolution. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-023 Teaching Children with High Social Emotional Needs

36 total hours lecture
2 Units

ADVISORY: CHDEV-022

This course will focus on children who have high social emotional needs in early childhood and elementary classrooms, including those children who have experienced trauma. Attachment theory and current brain research focused on self-regulation will be covered. The California Teaching Pyramid for Social Emotional Learning will also be incorporated. This course emphasizes practical hands on strategies to build a school/classroom family and the five steps for coaching self-regulation including those children with the highest emotional needs. This course can be used towards the curriculum specialization on the Commission on Teaching Credentialing California Permit Matrix at the Master Teacher level. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-025 Creative Art for Young Children

36 total hours lecture
2 Units

ADVISORY: Eligibility for ENGL-100

The focus of this course is on the young child and the creative art process. This course will include the study of stages of art development, the domains of development related to creative art, creativity and artistic expression, appropriate art materials, the role of the environment, and creative art's role in an integrated curriculum. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-032 Caring for and Educating School Age Children

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course covers the social, emotional, physical and cognitive development of the school-age child ages five through twelve. A focus on culturally relevant differentiated curriculum and environmental design to meet the needs of all children, including those with special needs will be incorporated. Students will develop strategies to guide and support children's behavior based on individual needs. Careers working with school-age children will also be explored. This course meets the requirement of a School-age course for the Child Development Permit Matrix with a School-Age Emphasis. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-033 Developmentally and Culturally Appropriate Practice for the School Age Child

54 total hours lecture

3 Units

ADVISORY: Concurrent enrollment in CHDEV-180

This course is an exploration of program design and curriculum planning for school-age child care programs. In depth topics of study are developmentally and culturally appropriate practice related to routines; the classroom environment; curriculum planning; family partnerships; and health, safety and nutrition. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-035 Teaching Science and Math to Young Children through Hands-On Exploration

54 total hours lecture

3 Units

ADVISORY: CHDEV-001, CHDEV-062

Survey and exploration of science, mathematics, and the physical and natural world suitable for teaching young children. Students will acquire the appropriate blend of science and mathematics content and pedagogical skills to increase confidence and attitudes towards science and mathematics to young children. Students will receive training in using appropriate materials, inquiry-based activities, and guided discovery teaching methods to promote learning. Students will gain practice in translating curriculum standards and guidelines into high quality science and math programs. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-040 Infant and Toddler Care and Development

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This is one of two courses to meet the Infant Toddler Specialization for the Child Development Permit. This course covers growth and developmental milestones of infants and toddlers. Components of providing quality group care for the very young, including developmentally appropriate practices, the design of effective environments, staff characteristics, and activities which encourage development are included. Satisfies Department of Social Services category IV. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-041 Developmentally Appropriate Practices for Infants and Toddlers

54 total hours lecture

3 Units

ADVISORY: CHDEV-040; eligibility for ENGL-100

This is one of two courses to meet the Infant Toddler Specialization for the Child Development Permit. This course covers quality infant and toddler care components including daily care-giving routines, primary care-giving, developmentally appropriate environments, Program for Infant Toddler Caregivers (PITC) and Resources for Infant Educators (RIE) curriculum models as well as establishing partnerships with families through culturally responsive interactions. This course satisfies the Department of Social Services (DSS) category IV. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-050 Teaching in a Diverse Society

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various inclusive classroom strategies will be explored emphasizing culturally and linguistically appropriate anti-bias and multicultural approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; DA

TRANSFER: CSU Gen. Ed. Area D; C-ID ECE 230

CHDEV-055 Introduction to Children with Special Needs

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This is one of two courses to meet the Children with Special Needs Specialization for the Child Development Permit. The course focuses on learning about young children with developmental disabilities and those who are at risk. It will include discussions of the following: special education laws, special education terminology, typical and atypical patterns of development, specialized services and contemporary issues and challenges. Several class sessions will be devoted to the understanding of developmental delays and specific disabilities, such as, autism, sensory impairments, and the effects of pre-natal substance exposure. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-057 Developmentally Appropriate Practices for Children with Special Needs

54 total hours lecture
3 Units

ADVISORY: CHDEV-055; eligibility for ENGL-100

This is one of two courses to meet the Children with Special Needs Specialization for the Child Development "Permit." The course focuses on learning to work with children with disabilities in inclusive, early childhood and special education settings. It will include discussions of the following: assessments and curriculum; teaching methods, techniques and instructional strategies; adapting materials and activities for children with disabilities; managing challenging behaviors; adapting the physical environment; and working with parents, therapists and specialists. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-062 Curriculum Foundations for the Young Child

54 total hours lecture
3 Units

ADVISORY: CHDEV-001 or CHDEV-010; eligibility for ENGL-100

This course examines the role of curriculum in early childhood settings. Students will learn about different curriculum models and how to plan, implement and document curriculum that is developmentally appropriate. Students will plan and implement learning experiences in the areas of art, math, science and language arts and social studies. Key components include principles of curriculum development, environment design, play, family involvement, observation and documentation. May not be repeated. SC

LMC: DA

TRANSFER: CSU; C-ID ECE 130

CHDEV-065 Health, Safety, and Nutrition in Early Childhood Programs

54 total hours lecture
3 Units

PREREQUISITE: CHDEV-001

ADVISORY: Eligibility for ENGL-100

This course provides an introduction to the laws, standards, policies, procedures, and curriculum related to child health safety and nutrition in educational settings. The key components that ensure physical health, mental health, and safety for both children and staff are identified, along with the importance of collaboration with families and health professionals. There is a focus on integrating the concepts into everyday planning and practices in programs for young children. May not be repeated. SC

LMC: DA

TRANSFER: CSU; C-ID ECE 220

CHDEV-076 Introduction to Foster Parenting

27 total hours lecture
1.5 Units

ADVISORY: Eligibility for ENGL-100

This course is designed for those who are interested in becoming foster/adoptive parents or working with foster youth from birth through eighteen years. This class covers the role of Children and Family Services with foster and adoptive youth placement, the domains of child development, and the impact of abuse and neglect on attachment and bonding. Additional issues covered are working with the birth parents of the foster child, the changes of family dynamics when a child enters the family and working with foster children in early childhood programs. This course is required by Children and Family Services to become a foster or adoptive parent in Contra Costa County. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

CHDEV-077 Working with Drug-Exposed Children Birth to 5 Years Old

36 total hours lecture
2 Units

ADVISORY: Eligibility for ENGL-100

This class is intended for those who are parenting, interested in, or are currently working with drug exposed children ages birth through 5. Covers normal infant development, as well as problems to be aware of when working with children at risk. Some of the issues covered include working with the Foster Care system, understanding the addiction and recovery process, HIV in mothers and babies, affects of drugs and alcohol on the developing fetus, sudden infant death, infant massage, and infant nutrition. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

CHDEV-083 Field Experience in an Early Childhood Program

54-162 total hours lab
1-3 Units

ADVISORY: CHDEV-001 and 010 strongly recommended; eligibility for ENGL-100

This course is designed for students needing to complete experience requirements for the State of California Child Development Permit and California Community Care Licensing. Students will receive guidance and supervision from qualified mentor teachers in licensed early childhood programs as they gain direct hands-on experience guiding and teaching children from infancy to twelve years of age. This course meets the Child Development Permit requirement for supervised college teaching and is required for the Certificate of Achievement and the AS-T degree in Early Childhood Education. May be repeated three times. SC

LMC: DA

TRANSFER: CSU

CHDEV-090 Student Teaching Practicum in Early Childhood Education

36 total hours lecture, 108 total hours by arrangement
4 Units

PREREQUISITE: CHDEV-001, 010, 011, 020, 062, and 083

ADVISORY: Eligibility for ENGL-100

Students will engage in a demonstration of developmentally appropriate early childhood teaching competencies under guided supervision. Students will utilize practical classroom experiences with young children to make connections between theory and practice, to develop professional behaviors, and to build a comprehensive understanding of children and families. Child-centered, play-oriented approaches to teaching/learning/assessment; and knowledge of developmentally appropriate and culturally relevant curriculum content will be emphasized as student teachers design, implement, and evaluate experiences that promote positive development and learning for all young children. May not be repeated. LR

LMC: DA

TRANSFER: CSU; C-ID ECE 210

CHDEV-092 Adult Supervision / Mentor Teacher Training

36 total hours lecture
2 Units

PREREQUISITE: CHDEV-010

ADVISORY: Eligibility for ENGL-100

This course meets the two-unit requirement for adult supervision under the California Child Development Permit Matrix for the Master Teacher or Site Supervisor or Program Director. It is also required for teachers who want to become community-based mentors for LMC students in field placement coursework. Students will learn principles of and effective strategies to mentor and coach teachers and aides in the early childhood workforce. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-095 Administration of Early Childhood Programs

54 total hours lecture
3 Units

PREREQUISITE: CHDEV-001

ADVISORY: Eligibility for ENGL-100

This course covers the basic principles and practices of administering an early childhood program. Major topics include types of programs, nutrition and menu planning, budgeting, staffing, Federal and State regulations and requirements and creating safe learning environments. This course is required for the Children's Center Supervision Permit from the State of California and satisfies the Department of Social Services Category UI requirement. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-096 Staff Development and Leadership in Early Childhood Programs

54 total hours lecture
3 Units

PREREQUISITE: CHDEV-010

ADVISORY: Eligibility for ENGL-100

This course is one of a two part series covering the administration and supervision components of directing an early childhood program. This course covers effective practices to supervise, manage and lead and early childhood program. Topics include consensus building, shared decision making, mission and vision statements, supervisory styles, time management, delegation, motivation, communication, and conflict. CHDEV-096 satisfies the Department of Social Services Category IV requirement and is one of the courses needed for the California Commission on Teacher Credentialing Children's Center Supervision Permit. May not be repeated. SC

LMC: DA

TRANSFER: CSU

CHDEV-098 Independent Study in Child Development

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

CHDEV-170 Occupational Work Experience Education in Child Development

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

CHDEV-180 Internship in Child Development

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

Communication Studies

DEGREE—Associate in Arts Degree for Transfer Communication Studies

The Associate in Arts in Communication Studies for Transfer degree at Los Medanos College prepares students to transfer and study at a California State University to pursue a baccalaureate degree in Communications.

The AA-T in Communication Studies will introduce students to many areas of study including public speaking, argumentation and debate, intercultural communication and interpersonal communications. For example, students who successfully complete these requirements will be confident and comfortable public speakers and knowledgeable on the impact of communication theory and practice on society.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSE:		UNITS
SPCH-110	Speech Communication	3
LIST A: TWO OF THE FOLLOWING THREE COURSES (6 UNITS)		UNITS
SPCH-120	Argumentation and Debate	3
SPCH-130	Interpersonal Communication	3
TOTAL UNITS		6
LIST B: TWO OF THE FOLLOWING THREE COURSES (6 UNITS)		UNITS
SPCH-150	Intercultural Communication	3
SPCH-160	Forensics	3
JOURN-100	Mass Communication	3
TOTAL UNITS		6
LIST C: ONE OF THE FOLLOWING THREE COURSES (3 UNITS)		UNITS
ENGL-221	Advanced Composition and Critical Thinking	3
ENGL-230	Thinking and Writing Critically about Literature	3
JOURN-110	Writing for the Media*	3
TOTAL UNITS FOR THE MAJOR:		18
TOTAL UNITS FOR THE DEGREE		60

* Writing for the Media should only be taken by students seeking Bachelor's Degree in Communication at a CSU with an emphasis in Journalism. If you are studying Communication in general, it is recommended that you take ENGL 230 or ENGL 221 to satisfy the List C requirement.

Program Student Learning Outcomes

1. Applied scientific methodology, in all its explicit steps, to either:
 - solve a complex problem posed in the classroom, or
 - complete a significant laboratory analysis, or
 - carry out an extensive study at one of LMC's field stations.
2. Solved problems concerning the atomic and molecular structure of matter, using the periodic table plus quantum mechanics as the organizing and predictive models for this analysis.
3. Solved stoichiometric problems, including those complicated by the presence of limiting reagents.
4. Correctly predicted the products of standard inorganic, organic, biochemical, or nuclear reactions.
5. Applied the principles of thermodynamics and kinetics to solve problems:
 - involving energy and entropy changes characteristic of chemical and physical reactions
 - concerning rates and mechanisms of chemical reactions
 - involving the principles of equilibrium
6. Demonstrated an understanding of electromagnetic radiation (i.e., light energy) and its interactions with matter, by carrying out spectroscopic analyses of atoms and compounds.
7. Conducted laboratory or field analyses using modern, professional technologies, selected from colorimetric, titrimetric, gravimetric, electrochemical, spectrometric, and chromatographic equipment and instruments.
8. Engaged in at least one hands-on research or restoration activity at a field site of LMC or a community partner, in order to utilize the distinct opportunity provided by having the California Delta in our backyard, and to appreciate the effort needed to act as good stewards of our local watersheds.

Speech

COURSE DESCRIPTIONS

SPCH-098 Independent Study in Speech

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

SPCH-110 Speech Communication

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course in oral communication covers the fundamentals of public speaking with an emphasis on: selection and research of subjects; organization and support of ideas; and development and delivery of various forms of speeches. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area A1; IGETC Area 1C; C-ID COMM 110

SPCH-120 Argumentation and Debate

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL 100

This course studies the principles of argumentation theory through lecture and in class debate performances. Issues covered include the analysis of propositions, current events, evidence, advocacy, formal traditions in public policy, and critical reasoning skills. Students will perform in class debates centered around philosophical, ethical, and/or current event issues. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC, CSU Gen. Ed. Area A1, A3; IGETC Area 1C; C-ID COMM 120

SPCH-130 Interpersonal Communication

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course provides the student an opportunity to learn and apply, in daily life, practical principles of interpersonal communication. Content will stress psychological, social, and cultural factors which affect human interaction. It is designed to assist students in improving their own interpersonal communication skills. Attention will be given to perception, interpersonal dynamics, listening, conflict resolution, relationship development and stages, and verbal and nonverbal communication. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area D; IGETC Area 4G; C-ID COMM 130

SPCH-150 Intercultural Communication

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course explores the principles of intercultural communication through lecture, group, and writing assignments. Some of the issues covered include: the elements of a culture, intercultural competence as a learned skill, tolerance, norms, co-cultures, the role of language in communication, historical conflicts, and global social inequities. Content and lectures will come from a multicultural perspective and require original research and readings on cultural traditions and norms. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; DA

TRANSFER: UC, CSU Gen. Ed. Area D; IGETC Area 4C; C-ID COMM 150

SPCH-160 Forensics

54 total hours lecture
3 Unit

ADVISORY: Eligibility for ENGL-100

In this course students will learn and practice the theory, format and structure of competitive debate. Students will complete research assignments, practice, and compete in weekend travel as a member of the Los Medanos Debate Team. Team members will meet during this scheduled course time to research, prepare, deliver, and analyze formal argumentation for competitive and public debates which occur on the weekends or evening. May be repeated three times. SC

ASSOCIATE IN SCIENCE

COMPUTER SCIENCE FOR TRANSFER DEGREE

The Associate in Science in Computer Science for Transfer Degree is designed for students desiring advanced degrees in Computer Science. The Los Medanos College Computer Science courses meet the lower division transfer requirements for Computer Science. The curriculum includes the first and second year requirements to prepare students to transfer and study at a California State University. A baccalaureate degree is the recommended preparation for those considering professional careers in Computer Science.

To earn the Associate in Science Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

Program Student Learning Outcomes

1. Be academically prepared to transfer to a computer science program at a four-year university.
2. Demonstrate the ability to solve a variety of problems using computational skills necessary for careers in computer science and other related fields.

Sample:

REQUIRED COURSES - FIRST SEMESTER:		UNITS
COMSC-122	Programming Concepts & Methodologies I	3
MATH-050	Calculus and Analytic Geometry I	4
TOTAL UNITS		7
REQUIRED COURSES - SECOND SEMESTER:		UNITS
COMSC-132	Programming Concepts & Methodologies II	3
MATH-060	Calculus and Analytic Geometry II	4
TOTAL UNITS		7
REQUIRED COURSES - THIRD SEMESTER:		UNITS
COMSC-142	Computer Architecture and Organization	3
MATH-070	Calculus and Analytic Geometry III	4*
PHYS-040	Physics for Scientists and Engineers I	4
TOTAL UNITS		11
REQUIRED COURSES - FOURTH SEMESTER:		UNITS
MATH-160	Discrete Math	4
PHYS-041	Physics for Scientists and Engineers II	4
TOTAL UNITS		8
TOTAL UNITS FOR THE MAJOR::		29
TOTAL ADDITIONAL REQUIREMENT:		4*
TOTAL CSU-GE/IGETC REQUIREMENTS:		37-39
TOTAL UNITS FOR THE DEGREE:		60*

*MATH-070 is a prerequisite/co-requisite for PHYS-041, therefore it does not count towards the 60 unit total.

The **Computer Support Specialist** Basic and Advanced Certificates of Achievement program will prepare students for jobs as network support specialists, desktop support specialists, and software and/or hardware support specialists. These jobs require excellent customer service, communication and computer skills and can be found in a variety of organizations - large and small - in the private or public sectors.

ASSOCIATE OF SCIENCE DEGREE COMPUTER SUPPORT SPECIALIST

REQUIRED COURSES:	UNITS	
COMSC-010	Introduction to Computer Networking	3
COMSC-011	Introduction to Network Operating Systems	3
COMSC-012	Introduction to Network Security	3
COMSC-037	Help Desk Customer Technical Support	3
COMSC-040	Introduction to Computers	4
COMSC-060	Information Technologies	4
COMSC-061	Advanced Microcomputer Applications	3
COMSC-091	Information & Communication Technology Essentials	4
COMSC-044 or COMSC-051 or COMSC-122	Introduction to C++ Programming Java for Programmers Programming Concepts & Methodologies I	3 3 3
TOTAL UNITS:		30
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Provide technical assistance and problem resolution to computer users regarding hardware, software, and networking issues.
2. Design and implement an information and communication Technology support system that includes a tracking system and documentation.
3. Support new installations, including hardware and software, peripherals, training policies and documentation.

The **Information Technology** Basic and Advanced Certificates of Achievement program will prepare students for jobs in computer forensics and/or networking. These jobs require excellent technical skills and the ability to investigate and solve problems or crimes. Most organizations require network specialists. Given the rise in computer crimes, viruses, and computer hacking, the need for computer forensics professionals has increased in the government and in the private sector.

ASSOCIATE OF SCIENCE DEGREE INFORMATION TECHNOLOGY

REQUIRED COURSES:	UNITS	
COMSC-010	Introduction to Computer Networking	3
COMSC-011	Introduction to Network Operating Systems	3
COMSC-012	Introduction to Network Security	3
COMSC-040	Introduction to Computers	4
COMSC-120	Computer Forensic Fundamentals	3
COMSC-091	Information & Communication Technology Essentials	4
BUS-059	Business Communications	3
MATH-034	Introduction to Statistics	4

COMSC-041 or COMSC-044 or COMSC-051 or COMSC-122	Programming with Visual Basic.NET Introduction to C++ Programming Java for Programmers Programming Concepts & Methodologies I	3 3 3 3
TOTAL UNITS		30

Program Student Learning Outcomes

1. Logically configure, troubleshoot, and support network operations.
2. Manage the network operating system, users, hardware, software, and resources.
3. Develop security policies consistent with current standards and then provide analysis of and document security and other network issues.

CERTIFICATE OF ACHIEVEMENT COMPUTER SUPPORT SPECIALIST (BASIC)

REQUIRED COURSES:	UNITS	
COMSC-010	Introduction to Computer Networking	3
COMSC-037	Help Desk Customer Technical Support	3
COMSC-040	Introduction to Computers	4
COMSC-091	Information & Communication Technology Essentials	4
COMSC-092	PC Repair – A+ Prep (A+ Certification)	1.5
TOTAL UNITS FOR THIS CERTIFICATE:		15.5

Program Student Learning Outcomes

1. Provide technical assistance and problem resolution regarding hardware, software, and networking at the workstation level.
2. Maintain problem tracking software applications.

CERTIFICATE OF ACHIEVEMENT COMPUTER SUPPORT SPECIALIST (ADVANCED)

REQUIRED COURSES:	UNITS	
COMSC-010	Introduction to Computer Networking	3
COMSC-011	Introduction to Network Operating Systems	3
COMSC-012	Introduction to Network Security	3
COMSC-037	Help Desk Customer Technical Support	3
COMSC-040	Introduction to Computers	4
COMSC-060	Information Technologies	4
COMSC-061	Advanced Microcomputer Applications	3
COMSC-091	Information & Communication Technology Essentials	4
COMSC-041	Programming with Visual Basic.Net (VB.Net)	3
COMSC-044	Introduction to C++ Programming	3
COMSC-051	Java for Programmers	3
COMSC-122	Programming Concepts & Methodologies I	3
TOTAL UNITS FOR THIS CERTIFICATE		30

Program Student Learning Outcomes

1. Provide technical assistance and problem resolution to computer users regarding hardware, software, and networking issues.

- Design and implement an information and communication technology support system that includes a tracking system and documentation.
- Support new installations, including hardware and software, peripherals, training policies and documentation.

CERTIFICATE OF ACHIEVEMENT

COMPUTER APPLICATIONS SPECIALIST

Level One

REQUIRED COURSES:	UNITS
COMSC-040 Introduction to Computer & Business Information Systems	4
COMSC-060 Information Technologies	4
COMSC-061 Advanced Microcomputer Applications	3
TOTAL UNITS REQUIRED IN LEVEL ONE COURSES	11

Level Two (requires completion of Level One)

REQUIRED COURSES:	UNITS
COMSC-030 Web Site Development - Part I	1.5
COMSC-031 Web Site Development - Part II	1.5
COMSC-056 Programming Logic and Design	3
COMSC-080 A Survey of Operating Systems	3
TOTAL UNITS	9

AND SELECT ONE OF THE FOLLOWING PROGRAMMING COURSES FROM:

COMSC-041 Programming with Visual Basic.NET (VB.NET)	3
COMSC-044 Introduction to C++ Programming	3
COMSC-051 Java for Programmers	3
TOTAL UNITS REQUIRED IN LEVEL TWO COURSES	12

AND SELECT A MINIMUM OF 10 UNITS FROM THE REMAINING COMPUTER SCIENCE COURSES.

COMSC-011 Introduction to Network Operating Systems	2
COMSC-012 Introduction to Network Security	2
COMSC-032 Web Site Development- Dreamweaver/Flash	3
COMSC-037 Help Desk Customer Technical Support	3
COMSC-090 PC Repair – Hardware (A+ Certification)	3
COMSC-091 PC Repair – Software (A+ Certification)	3
COMSC-110 Gaming: An Introduction	3
COMSC-111 Gaming: Beginning Illustration and Storyboarding	3
COMSC-112 Gaming: Beginning Game Design	3
COMSC-120 Computer Forensics	3
COMSC-121 Computer Forensics Investigations and Analysis	3
COMSC-123 Introduction to Computer Ethics	3
TOTAL UNITS	10
TOTAL UNITS FOR THIS CERTIFICATE	33

Program Student Learning Outcomes

- Demonstrate technological proficiency with hardware, common operating systems and computer applications.
- Demonstrate the ability to analyze problems and develop effective solutions including troubleshooting common hardware and software issues.
- Be technologically proficient to obtain entry-level or mid-level positions and pass certification exams in the Information Technology industry.

CERTIFICATE OF ACHIEVEMENT

INFORMATION TECHNOLOGY (BASIC)

REQUIRED COURSES:	UNITS
COMSC-010 Introduction to Computer Networking	3
COMSC-040 Introduction to Computers	4
COMSC-091 Information & Communication Technology Essentials	4
COMSC-041 Programming with Visual Basic.Net (VB.Net)	3
or	
COMSC-044 Introduction to C++ Programming	3
or	
COMSC-051 Java for Programmers	3
or	
COMSC-122 Programming Concepts and Methodologies I	3
TOTAL UNITS FOR THIS CERTIFICATE	14

Program Student Learning Outcomes

- Provide technical support on hardware and software, and manage user resources on local area networks.
- Provide analysis of and document security breaches and network issues.

CERTIFICATE OF ACHIEVEMENT

INFORMATION TECHNOLOGY (ADVANCED)

REQUIRED COURSES:	UNITS
COMSC-010 Introduction to Computer Networking	3
COMSC-011 Introduction to Network Operating Systems	3
COMSC-012 Introduction to Network Security	3
COMSC-040 Introduction to Computers	4
COMSC-091 Information & Communication Technology Essentials	4
COMSC-120 Introduction to Computer Forensics	3
COMSC-044 Introduction to C++ Programming	3
or	
COMSC-051 Java for Programmers	3
or	
COMSC-122 Programming Concepts and Methodologies I	3
or	
COMSC-041 Programming with Visual Basic Net	3
TOTAL UNITS FOR THIS CERTIFICATE	23

Program Student Learning Outcomes

1. Logically configure, troubleshoot, and support network operations.
2. Manage the network operating system, users, hardware, software, and resources.
3. Develop security policies consistent with current standards and then provide analysis of and document security and other network issues.

COLLEGE SKILLS CERTIFICATES**COMPUTER SCIENCE****Foundation**

REQUIRED COURSES:	UNITS
COMSC-040 Introduction to Computer and Business Information Systems	4
COMSC-060 Information Technologies	4
COMSC-061 Advanced Microcomputer Applications	3
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	11

Program Student Learning Outcomes

1. Demonstrate technological proficiency operating a computer system using common operating systems and a range of applications.

Core Competencies

REQUIRED COURSES:	UNITS
COMSC-030 Web Site Development - Part I	1.5
COMSC-031 Web Site Development - Part II	1.5
COMSC-056 Programming Logic and Design	3
COMSC-080 A Survey of Operating Systems	3
TOTAL UNITS	9

AND SELECT ONE OF THE FOLLOWING PROGRAMMING COURSES FROM:

COMSC-041 Programming with Visual Basic.NET (VB.NET)	3
COMSC-044 Introduction to C++ Programming	3
COMSC-051 Java for Programmers	3
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	12

Program Student Learning Outcomes

1. Use HTML and JavaScript to create web pages that include a full range of web elements.
2. Analyze, define, and develop efficient computer code based on user requirements.
3. Effectively utilize the features and capabilities of an operating system, including file management, backup, and user interface customization.

Game Design

REQUIRED COURSES:	UNITS
COMSC-110 Gaming: An Introduction	3
COMSC-111 Gaming: Beginning Illustration and Storyboarding	3
COMSC-112 Gaming: Beginning Game Design	3
ART-020 Introduction to Drawing	3
ART-054 Adobe Photoshop	3
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	15

Program Student Learning Outcomes

1. Demonstrate software game development skills by designing a complete game synopsis using a variety of computer programming tools, techniques and practices.
2. Develop a complete game environment with individual detailed narratives and related storyboards and illustrations that define the characters, game strategy, and storyline behind the game using a variety of technologies.
3. Construct a working 3D environment utilizing industry-standard software to create a short narrative animation project.

PC Repair Technician (A+ Certification)

REQUIRED COURSES:	UNITS
COMSC-090 PC Repair – Hardware (A+ Certification)	3
COMSC-091 PC Repair – Software (A+ Certification)	3
COMSC-092 PC Repair - A+ Prep (A+ Certification)	1.5
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	7.5

Program Student Learning Outcomes

1. Install, configure, maintain and troubleshoot a multivendor Personal Computer System in DOS / Windows Environments at the beginning level.
2. Access and perform core functions while using utility functions with Microsoft, LINUX and MAC O/S operating systems.
3. Prepare for and take the COMP TIA A+ Certification Exam.

Web Design

REQUIRED COURSES:	UNITS
COMSC-030 Web Site Development – Part I	1.5
COMSC-031 Web Site Development – Part II	1.5
COMSC-032 Web Site Development – Dreamweaver/Flash	3
COMSC-040 Introduction to Computer and Business Information Systems	4
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	10

Program Student Learning Outcomes

1. Demonstrate use of developer tools to create web pages that include a full range of web elements.
2. Communicate information on the Internet through the design and programming of professional interactive, multimedia web sites.
3. Use industry standard software for web development and build standard compliant web pages.

COURSE DESCRIPTIONS**COMSC-010 Computer Network Fundamentals**

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

This course introduces the architecture, structure, functions, components, and models of the Internet and other computer networks. The principles and structure of IP (Internet Protocol) addressing and the fundamentals of Ethernet concepts, media, and operations are introduced to provide a foundation for further study of computer networks. It uses the OSI (Open Systems Interconnection) and TCP (Transmission Control Protocol) layered models to examine the nature and roles of protocols and services at the application, network, data link, and physical layers. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-011 Systems and Network Administration

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100; COMSC-040

This course will provide a student with the knowledge and skills required to build, maintain, troubleshoot and support server hardware and software technologies. The student will be able to identify environmental issues; understand and comply with disaster recovery and physical / software security procedures; become familiar with industry terminology and concepts; understand server roles / specialization's and interaction within the overall computing environment. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-012 Introduction to Information Systems Security

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100; COMSC-010

An introduction to the fundamental principles and topics of Information Technology Security and Risk Management at the organizational level. It addresses hardware, software, processes, communications, applications, and policies and procedures with respect to organizational Cybersecurity and Risk Management. Preparation for the CompTIA Security+ certification exams. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-030 Web Site Development-Part I

27 total hours lecture
1.5 Units

ADVISORY: Eligibility for ENGL-100

This course will teach students how to program web pages for the Internet using HTML and XHTML, and other web software programs. Understanding the structure of HTML and XHTML is essential to edit and troubleshoot web sites. The course also includes web site design and layout, how Internet web sites perform, and how to create a web site for a business, eBay, educational, a nonprofit organization, or personal use. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-031 Web Site Development - Part II

27 total hours lecture
1.5 Units

ADVISORY: COMSC-030 or have experience with the Internet or experience with web-development

This course is an introduction to different web designing software programs used to design a web site. It covers the layout and organizing of content, photos, video, sounds and graphics on a web page, selecting a domain name, finding a web host, and how to upload web pages to the Internet. Students will design a web site for their business, educational, non-profit, or personal use. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-032 Web Site Development-Dreamweaver/Flash

54 total hours lecture
3 Units

ADVISORY: COMSC-030 and 031 or experience with web development; eligibility for ENGL-100

This course teaches students how to design a professional-looking website integrating two web designing software computer programs- Dreamweaver and Flash- which are ideal web tools for web site development. This software is used to create Web Sites with the most advanced designs possible on the Web. Flash is the professional standard for producing high-impact Web experiences. Students will use both programs to make their own web site and upload the web site to the Internet. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-037 Help Desk Customer Technical Support

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

A basic course in the skills and tools required for entry level I/T support specialist positions. This includes how to analyze computer related problems and formulate action plans; best practices in communicating with end users; and using diagnostics tools and I/T support tracking software. In addition, students will learn soft skills to improve employability in the I/T sector. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-040 Introduction to Computer and Business Information Systems

54 total hours lecture, 36 total hours lab
4 Units

ADVISORY: Eligibility for ENGL-100

Examination of information systems and their role in business. Focus on information systems, database management systems, networking, e-commerce, ethics and security, computer systems hardware and software components. Application of these concepts and methods through hands-on projects developing computer-based solutions to business problems. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-041 Programming with Visual Basic.Net (VB.NET)

54 total hours lecture
3 Units

ADVISORY: COMSC-040 or COMSC-060

This is an introductory programming course using Microsoft Visual Basic.Net (VB.NET). It introduces students to the development of graphically oriented, event driven programs. Students will learn fundamental programming structures, as well as the use of the language of develop web based applications. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

COMSC-044 Introduction to C++ Programming

54 total hours lecture
3 Units

ADVISORY: COMSC-040 or 041; eligibility for ENGL-100

This course is designed to be an introduction to the C programming language. We use a C ++ text because C++ is a subset of C and is an object-oriented language. C++ has evolved into one of the leading programming languages in the computer software industry. C++ compilers are available on all platforms ranging from microcomputers to mainframes. The course will include structured program design, programming style, documentation, modular design, code reusability, program verification and testing, data abstraction, information hiding, and data structuring. Problems will come from the areas of business. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

COMSC-049 Computer Literacy

27 total hours lecture, 9 total hours lab
1.5 Units

ADVISORY: Eligibility for ENGL-100

An introductory course in computer information systems surveying basic concepts, terminology, and the operation of computers and related technologies. Also included is practical experience with common computer applications. May not be repeated. SC

LMC: DA

COMSC-051 Java for Programmers

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: COMSC-040 or equivalent; eligibility for ENGL-100

This course is an introduction to Java programming which is used by companies of all sizes as the main programming language to develop various applications and projects worldwide. Students will be introduced to the basic skills needed to write, compile, and run simple Java applications. Topics covered are project designing, object-oriented programming, console applications, graphics applications and many other elements of the Java language. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

COMSC-060 Information Technologies

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

This course presents technology tools and applications essential to fully participate in the contemporary electronic workplace. Students will be introduced to fundamental concepts and basic applications of word processing, electronic worksheets, database management, presentation software, and communications software. The course will also include working with other common technologies such as wireless, virtualization and cloud computing. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-061 Advanced Microcomputer Applications

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: COMSC-060; eligibility for ENGL-100

This course is designed to focus primarily on the graphics aspects of a number of popular software applications. Students learn desktop publishing aspects, font management, line drawing, how to deal with graphic elements, and creating page layout. Instruction focuses on creating graphics, text effects, and the integration of images and data from several different popular applications. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-080 A Survey of Operating Systems

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: COMSC-040, ENGL-100

This class is a comprehensive survey of operating systems. Coverage includes the fundamentals of operating systems: what they are, what they do, how they function, how they can be evaluated, and how they compare to one another. Students will learn the basic structure and operating procedures of different operating systems necessary to control a contemporary microcomputer and handheld devices. In addition, students will develop skills in hardware configuration, startup customization, resource management, performance tracking and optimization, software and hardware troubleshooting, and the manipulation of audio and visual media. Students will utilize a range of operating systems, such as UNIX, LINUX, Windows, Android, iOS, and VMWare. Course will be taught using the current version of popular operating systems. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-091 Information & Communication Technology Essentials

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: COMSC-040, or working knowledge of PC systems and operating systems; eligibility for ENGL-100

This course provides an introduction to the computer hardware and software skills needed to help meet the growing demand for entry-level ICT professionals. The fundamentals of computer hardware and software as well as advanced concepts such as security, networking, and the responsibilities of an ICT professional will be introduced. Preparation for CompTIA's A+ certification exam. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-092 PC Repair - A + Prep (A+ Certification)

18 total hours lecture, 18 total hours lab
1.5 Units

ADVISORY: COMSC-090, 091, or working knowledge of PC systems and operating systems; eligibility for ENGL-100

The third of three courses (COMSC-090, 091, and 092) designed to prepare students for the Comp TIA A+ Certification Exams. Mastering the craft of the PC technician requires students to learn many details about a number of operating systems, drivers, and configurations. With A+ approved courseware, students will learn how to troubleshoot, upgrade, install, backup, restore and perform preventive maintenance on personal computers (PC) operating systems in both corporate and home environments. The course includes the theory, history, best practice routines and hands on experience required of A+ certified technicians or to manage home/office systems more efficiently. May not be repeated. SC

LMC: DA

COMSC-098 Independent Study in Computer Science

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

COMSC-110 Gaming: An Introduction

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

An introduction to electronic game development with an emphasis on computer animation and programming. Computer animation will introduce the student to an overview of character modeling, rendering, animation illustrations, story boarding, and game design. An overview of computer programming will introduce the student to gaming structures, animation techniques, design fundamentals and programming options. Both of these concepts are very important for students entering the gaming industry. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

COMSC-111 Gaming: Beginning Illustration and Storyboarding

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

An introduction to the array of graphics required for the conceptual stage of game development. Students will learn that creating graphics for a game is like creating a virtual world. Topics include basic game design, game charts, thumbnail sketches, story boards, level layouts, environmental illustrations, character designs, and the designing of graphical user interfaces. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-112 Gaming: Beginning Game Design

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

Beginning Game Design opens the door to a fascinating world of creative possibilities for students interested in breaking into the gaming industry. Students will investigate how illustrations are developed and used in games, then create their own game objects while gaining a better understanding of 3D game development. Topics include basic techniques and methods for creating simple game objects. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-120 Computer Forensics Fundamentals

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

This course is an introduction to the methods used to properly conduct a computer forensics investigation beginning with a discussion of ethics, while mapping to the objectives of the International Association of Computer Investigative Specialists (IACIS) certification. Topics covered include an overview of computer forensics as a profession; the computer investigation process; understanding operating systems boot processes and disk structures; data acquisition and analysis; technical writing; and a review of familiar computer forensics tools. May not be repeated. LR

LMC: DA

TRANSFER: CSU

COMSC-121 Computer Forensics Investigations and Analysis

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: COMSC-120; COMSC-040; eligibility for ENGL-100

This course will emphasize in-depth analysis of forensics tools, methods, and procedures used for conducting an investigation of computers and mobile devices. Learning techniques of acquiring digital evidence, acquisition collection, securing and recording evidence is critical to prevent data contamination. File systems analysis includes file signature and hash analysis ensuing specialized diagnostic software to retrieve data. This course prepares students for the industry standard certification EnCase (EnCE) Certified Examiner which is required for many computer forensic positions. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-122 Programming Concepts & Methodologies I

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course introduces the discipline of computer science with practical hands-on problem solving using a "high-level" computer programming language. The course will include basic syntax and semantics of a "high-level" language, variables, types, expressions, assignment, basic computation, simple I/O, conditional and iterative control structures, functions and parameter passing, structured decomposition, program design, programming style, algorithms and problem solving strategies, overview of programming languages, binding, visibility, scoping, and lifetime management. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID COMP 122

COMSC-123 Introduction to Computer Ethics

54 total hours lecture
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

This course will provide insight into privacy and censorship issues, and security breaches that can occur in organizations at all levels in information technology. Students will investigate cases based upon their legal implications regarding intellectual property, copyrights, trademarks, patents and public domain software. Ethical issues of proper internet usage, controversies, strategies and acceptable use policies will be studied. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COMSC-126 Introduction to Database Management Systems

54 total hours lecture
3 Units

ADVISORY: COMSC-040; eligibility for ENGL-100

This course introduces the core concepts in database management systems (DBMSs). This is done through the hands on process of building a database. This process is centered around the understanding of the importance of data base management systems, learning and understanding the key terms associated with databases and their management systems; what the major characteristics of DBMSs and their advantages and disadvantages are; gaining a thorough grasp of the structures of different DBMSs; describing how database software is used to analyze and manipulate data; being familiar with data security issues, quality and recovery, and differing approaches to protecting and recovering data; identifying the value of decision support systems, data mining and warehousing. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

COMSC-132 Programming Concepts & Methodologies II

54 total hours lecture
3 Units

PREREQUISITE: COMSC-122 or equivalent

ADVISORY: Eligibility for ENGL-100

This course covers techniques relevant to program design and selection of data structures for larger programs. Topics covered include design techniques, effective use of recursion, algorithmic efficiency and O-notation, linked-lists, stacks, queues, trees, hash tables, heaps, graphs and sorting and searching techniques. Extensive programming of a variety of data structures is required. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID COMP 132

COMSC-142 Computer Architecture and Organization

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

The organization and behavior of real computer systems at the assembly-language level. The mapping of statements and constructs in a "high-level" language into sequences of machine instructions is studied, as well as the internal representation of simple data types and structures. Numerical computation is examined, noting the various data representation errors and potential procedural errors. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU; C-ID COMP-142

COMSC-170 Occupational Work Experience Education in Computer Science

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

COMSC-180 Internship in Computer Science

30-300 total hours

.5-4 Units

PREREQUISITE: Approved online application and employer placement**ADVISORY:** Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

LMC: DA**TRANSFER:** CSU**COMSC-900s Selected Topics in Computer Science**

DA varies with course content.

Cooperative Education

COURSE DESCRIPTIONS**COOP-160 General Work Experience Education**

60-300 total hours

1-4units

PREREQUISITE: Approved Application**ADVISORY:** Eligibility for ENGL-095

This course is for students whose work is not related to their major. General Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of sixteen units of general work experience during community college attendance which may be applied as electives toward graduation. SC

COURSE DESCRIPTIONS**COUNS-030 Orientation to College**

18 total hours lecture

1 Unit

ADVISORY: Completion of the LMC Assessment Test for English and Math or equivalent

This course is designed for first-time students to understand navigating the higher educational system and orientation to Los Medanos College. We will cover academic policies, resources, academic programs and services; introduction LMC's majors, degrees and transfer opportunities. The class will focus on academic goal completion, California system of higher education; standards of scholarship, formation of a comprehensive educational plan. The course covers topics including: use of student services, LMC certificates, associate degrees, and requirements for transfer. May not be repeated. SC

LMC: DA**TRANSFER:** CSU**COUNS-031 Educational Planning**

6 total hours lecture

.3 Unit

ADVISORY: Students are strongly encouraged to complete the online orientation and math and English assessments prior to enrolling in this course.

This course is an introduction to educational goal setting and planning. Students taking the course will develop an educational plan outlining their courses to meet their educational goal. Topics covered include identifying educational goals, selecting majors, academic assessment, and counseling and advising services. May not be repeated. SC

LMC: DA**COUNS-032 Introduction to Career Exploration**

27 total hours lecture

1.5 Units

This course is an intense career exploration designed to engage students in their own career development. Topics include how to realistically assess, review, and interpret various areas such as interests, attitudes, values, priorities, skills and strengths, goals, and career options in the current job market. This course also covers financial literacy. May not be repeated. P/NP

18 total hours lecture
1 Unit

This course enables students to become active participants in planning their continuing education by providing students with information necessary to evaluate universities, plan required coursework, explore housing, financial aid, and to familiarize themselves with programs and services offered at universities. May not be repeated. SC

LMC: DA

TRANSFER: CSU

COUNS-034 College Success

27 total hours lecture
1.5 Units

This course is designed to help students develop the critical thinking skills and personal confidence necessary to succeed in college. Topics will include problem solving techniques, learning styles, time-management, goal-setting, study skills and test-taking strategies, stress management and LMC support services. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

COUNS-035 Theories and Application of Learning in College

54 total hours lecture
3 Units

This course provides students with theoretical and pragmatic solutions to the demands of being a college student. Topics include principles of adult learning, psychosocial and biological underpinnings, and everyday practices for succeeding in higher education. Students will learn to evaluate their own study methods and maximize them for personal success. This course is designed to fulfill Area E under CSU requirements (Lifelong Learning and Self-development). May not be repeated. SC

LMC: DA

TRANSFER: CSU

COUNS-036 Career & Life Planning

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100 or equivalent

In this course students will engage in in-depth career and life planning. Students will learn research strategies to make effective career and major choices, using a variety of techniques to find, retrieve, and evaluate career planning information. Students will use career assessments to identify their preferred work values, interests, skills, and personality traits. Research will then focus on the exploration of labor market needs; educational and employment requirements; and career ladders within given professions resulting in an effective educational and job search plan. This course will help students develop psychological "soft skills" in the domain of human relations such as interpersonal communication, self-esteem and professional confidence, emotional intelligence, conflict resolution, and effective collaboration in team-building skills. May not be repeated. SC

LMC: DA

TRANSFER: CSU Gen. Ed. Area E

COUNS-045 MESA/STEM Scholars Success

27 total hours lecture
1.5 Units

ADVISORY: ENGL-095

This course is designed for students who participate or are interested in the Mathematics, Engineering, Science Achievement Program at Los Medanos College. The course will introduce students to the STEM career paths, transfer requirements, internship, and scholarship availabilities. The course will assist the student in compiling strengths-based resumes and personal statements. May not be repeated. SC

LMC: DA

COUNS-098 Independent Study in Counseling

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

COUNS-900s Selected Topics in Counseling

Drama

DEGREE—Associate in Arts Degree for Transfer  Theatre Arts

DEGREE—Associate of Arts
Acting

The Drama program is designed to develop strong academic and artistic foundations in voice, movement, and acting techniques as well as theatrical and film analysis and history. The curriculum is designed after our local transfer institution, CSU Eastbay. Upon completion of the degree students will be prepared to enter the 4-year academic institution with the knowledge and professionalism to succeed in the specialized degree for Acting, which it offers.

ASSOCIATE IN ARTS THEATRE ARTS FOR TRANSFER DEGREE

Associate in Arts in Theatre Arts for Transfer at Los Medanos College is a 60-unit degree program designed to prepare students to transfer and study theatre at a California State University. The program, which requires 18 units of lower division work in Theatre, is combined with the California State General Education Pattern to prepare students to take upper division courses at a California State University. Typically, students who complete this program will be able to complete their upper division coursework at their chosen CSU in two additional years.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:		UNITS
DRAMA-016	Theatre Appreciation	3
DRAMA-020	Principles of Acting I	3
DRAMA-050	Theatrical Production I: Beginning Acting for Performance	3
TOTAL UNITS		9
SELECT THREE COURSES:		UNITS
DRAMA-021	Principles of Acting II	3
DRAMA-040	Theatrical Stagecraft	3
DRAMA-041	Theatrical Design	3
DRAMA-051	Theatrical Production II: Intermediate Acting for Performance	3
or		
DRAMA-061	Directing and Collaborative Project	3
TOTAL UNITS FOR THE MAJOR:		18
TOTAL UNITS FOR THE DEGREE:		60

Program Student Learning Outcomes

1. To analyze, dissect, and critically evaluate a script or theatrical event or film with working knowledge of its historical, cultural, and societal origins and contexts.
2. To use strongly developed physical, vocal, and emotional foundations to build a personalized acting process for approaching a text or character in order to effectively communicate on stage or in film.
3. To understand how and be able to write, produce, direct, manage, promote, and star in a theatrical event or film.
4. To be academically and fundamentally prepared to enter the entertainment industry or transfer to a 4-year theatre or film program, with an advanced standing.

ASSOCIATE OF ARTS ACTING

For the Associate of Arts Degree in Acting, complete the coursework listed below as well as the LMC General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

REQUIRED COURSES:		UNITS
DRAMA-015 or DRAMA-016	Multicultural Perspectives in Theatre	3
DRAMA-016	Theatre Appreciation	3
DRAMA-020	Principles of Acting 1	3
DRAMA-021	Principles of Acting 2	3
DRAMA-022	Principles of Voice for Acting	3
DRAMA-023	Principles of Improvisation and Movement	3
DRAMA-061	Directing and Collaborative Project	3
TOTAL UNITS FOR THE MAJOR:		18
TOTAL UNITS FOR THE DEGREE:		60

Program Student Learning Outcomes

1. To analyze, dissect, and critically evaluate a script or theatrical event or film with working knowledge of its historical, cultural, and societal origins and contexts.
2. To use strongly developed physical, vocal, and emotional foundations to build a personalized acting process for approaching a text or character in order to effectively communicate on stage or in film.
3. To describe the process and be able to write, produce, direct, manage, promote, and star in a theatrical event or film.
4. To be academically and fundamentally prepared to enter the entertainment industry or transfer to a 4-year acting or film program with an advanced standing.

COURSE DESCRIPTIONS

DRAMA-015 Multicultural Perspectives within Theatre

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Drama 15 is an interdisciplinary course focusing on the relationships of expression, imagination and experience in dramatic art forms as they pertain to African American, Latino American, Asian American and Euro-American theatre. The course also explores dramatic art as a cultural force in conjunction with music, dance and movement, storytelling, spoken word, film and the visual arts in relationship to the plays which are studied throughout the course. Also included is critical analysis of both individual and collaborative contributions of actors, directors, playwrights and designers as they relate to live theatrical productions. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA
TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

DRAMA-016 Theatre Appreciation

54 total hours lecture
3 Units

An introduction to theatre appreciation in which students will explore the various aspects of the theatrical experience: the components of theatre, the various creative artists and technicians who make it happen, explore design and technical production elements including the "nuts and bolts" aspects of scenery, costumes, lighting and sound, the traditional and historical background from which theatre springs and the genre of movement of which a particular play is part. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA
TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A; C-ID THTR 111

DRAMA-020 Principles of Acting I

36 total hours lecture, 54 total hours lab
3 Units

This course is an introduction to the history and basic acting techniques of the actor. Emphasis will be given to basic Stanislavski technique, given circumstances, objectives, actions, tactics, relaxation and breathing techniques, imagination development, and dramatic play. Also covered are literary characteristics such as play structure, plot structure and the vocabulary of theatre. May not be repeated. LR

LMC: DA
TRANSFER: UC, CSU; C-ID THTR 151

DRAMA-021 Principles of Acting 2

36 total hours lecture, 54 total hours lab
3 Units

This course expands on Stanislavski technique by including acting techniques by Meisner, Brook, Adler, Mamet, Hagen, Lewis, and Chekhov. Students will explore and apply these acting techniques and styles to scene and monologue work. May not be repeated. LR

LMC: DA
TRANSFER: UC, CSU; C-ID THTR 152

DRAMA-022 Principles of Voice for Acting

36 total hours lecture, 54 total hours lab
3 Units

This course provides principles, experiences, and foundations of voice for the stage; exploring and understanding the anatomy of the vocal mechanism; relaxation exercises used to release tension and free the voice; a detailed warm up; as well as vocal and breath development; and textual exploration exercises constructed by Kristin Linklater, Patsy Rodneburg, and Cicely Berry. May not be repeated. LR

LMC: DA
TRANSFER: UC, CSU

DRAMA-023 Principles of Improvisation and Movement

36 total hours lecture, 54 total hours lab
3 Units

This course provides foundations, principles, and exercises designed to aid the actor's creative process for the stage. Actors will work with body alignment in order to create a neutral palate for the actor's work to begin. Control over the body as a whole as well as over specific parts will be explored and work shopped through the use of pantomime, mask, stage combat, clowning, and dramatic play. Techniques explored will range from Viewpoints and undulations to stage combat, mime, and psycho-physical acting. May not be repeated. LR

LMC: DA
TRANSFER: UC, CSU

DRAMA-025 The Texture of Diversity: LGBT Identity in Dramatic Art Forms

54 total hours lecture
3 Units

ADVISORY: DRAMA-015, DRAMA-070; eligibility for ENGL-100

In the Twentieth and Twenty-first Centuries, American theater and other representational media (film, television, performance art, and performative activism) have been valuable methods to construct, preserve and inquire into identity categories. Lesbian, Gay, Bisexual, and Transgender (LGBT) Theatre, TV and Film, for example, offer students the opportunity to foster a deeper understanding of and appreciation for literature and theatrical and visual texts that represent the world-views and experiences of individuals and communities who have been

marginalized throughout history on the basis of their sexualities. This course explores how dramatists and filmmakers have used performance as a tool for LGBT political activism, for the cultivation of cultural pride, and for explorations of LGBT issues too sensitive to be addressed in other contexts. LGBT Literature, Theatre, TV and Film provides students with a range of sources that offer unique insights into personal experiences, social issues, and political/legal contexts that emerge from sexual cultures, with an emphasis on the intersectionality of race, class, gender, gender identity, sexual orientation, religion, and physical and mental ability. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU GE Area C2; IGETC Area 3B

DRAMA-030 Chicano/a Mexican American Cinema: A Critical Analysis

54 total hours lecture
3 Units

ADVISORY: ENGL-100

DRAMA-030 is a critical approach to the study of Chicano/a cinema. It utilizes film screenings, lectures, classroom discussions, and readings to facilitate the study of film as both an artistic form as well as an expression of Chicano/a historical, political and social movements in the United States and to explore the ethical values examined and expressed in Chicano/a movies. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B.

DRAMA-040 Theatrical Stagecraft

18 total hours lecture, 108 total hours lab
3 Units

This course is an introduction and in depth immersion into the art of scenic design and construction. Students will explore various techniques and styles used in popular scenic design, become proficient in the use of scene shop tools and construction, develop basic techniques used in scene painting, and use them to design a production model as well as build a working set for a production. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID THTR 171

DRAMA-041 Theatrical Design

18 total hours lecture, 108 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

This course is an introduction and in depth immersion into the art of light, costume, and make-up design. Students will explore and develop skills used by scenic, light, costume, and make-up designers and apply them to the construction and design of a working production as well as budget and design proposals.

May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID THTR 172

DRAMA-050 Theatrical Production I: Beginning Acting for Performance

162 total hours lab
3 Units

ADVISORY: Enrollment in either DRAMA-040 or 041; eligibility for ENGL-100

This is an immersive course where students work with Stanislavski techniques, personal techniques, theatre vocabulary, and taking direction. Students will be immersed in all aspects of the rehearsal process in order to take part in a full theatrical production at a beginning acting level. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID THTR 191

DRAMA-051 Theatrical Production II: Intermediate Acting for Performance

162 total hours lab
3 Units

ADVISORY: Prior or concurrent enrollment in either DRAMA-040 or DRAMA-041; eligibility for ENGL-100

This is an immersive course where students work with intermediate level acting techniques that include Meisner, Adler, Brook, Hagen, Lewis, Chekhov, movement and team building used for character development. Students will be immersed in all aspects of the rehearsal process in order to take part in a full theatrical production at an intermediate acting level. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID THTR 191

DRAMA-060 Directing for the Stage

36 total hours lecture, 54 total hours lab
2 Units

Directing for the Stage is a comprehensive course highlighting the primary aspects of Stage Direction. Students will learn script analysis, blocking, design principles for communication with production team, leadership, and dramatic structure. In addition, students will direct scenes each week that will require a concept, target audience and will reinforce lessons in leadership, blocking, and team management within the artistic process. By the end of the class each student will have a small portfolio of their body of work. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

DRAMA-061 Directing and Collaborative Project

18 total hours lecture, 108 total hours lab
3 Units

In this course students will be involved in every aspect of a full theatrical production. Students will select a script hold auditions, cast, design, construct, direct, market, and star in this collaborative production performed for a live audience. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

DRAMA-062 Directing Workshop

108 total hours lab
2 Units

This course is a rehearsal component to the existing Drama-061 course. Due to the complex nature and sheer size of the collaborative project additional time is needed to write, rehearse, and design the cumulative final project along with the courses daily lessons. May not be repeated. SC

LMC: DA

TRANSFER: CSU

DRAMA-070 Film as an International Art Form

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

DRAMA-070 is a critical approach to the study of film that integrates both the technical elements of filmmaking with aesthetic and thematic elements through the exploration of various genres which may include but are not limited to suspense and mystery, science fiction/fantasy, survival and adventure, romance and comedies and/or Westerns. The class encompasses films from the early 20th century through the present time and may include films from the Americas, Europe, Australia and/or Asia as it explores the cultural and artistic concerns of a variety of cultures as reflected in motion pictures. Related disciplines such as editing, music scoring, screenwriting, acting for the camera are also discussed in relationship to the films being studied. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

DRAMA-072 The Color of Media: A Journey Through African American Life in Film, Television and Theatre

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course explores how dramatists, television writers and filmmakers have used these three mediums as tools to explore African American cultural, political and social realities in America during the 20th and 21st centuries. The Color of Media surveys a range of texts that offer insights into personal experiences, social issues, and political/legal contexts that emerge from the African American experience and is translated into a dramatic form. Focus is on how race, class, gender, sexual orientation, philosophical and religious underpinnings and physical and mental abilities have all impacted the development of the African American community in the United States. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area C2, IGETC Area 3B

DRAMA-098 Independent Study in Dramatic Arts

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

Economics

COURSE DESCRIPTIONS

ECON-005 Economic History of the United States

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

ECON-005 provides an examination of the origin and development of the American economy from the colonial era to the present time. Topics studied include the following: colonial policies, land and resource use, industrial and economic growth, role of immigration and ethnic/cultural groups, the transport revolution, the development of money, banking and trade patterns, as well as the role of the government. This course applies the economic context in which the American society, culture and political institutions evolved during the agricultural and extractive era, the industrial era and the current era. The completion of ECON-005 partially satisfies the U.S. History, Constitution and American Ideals CSU requirements. May not be repeated. SC

EDUC-170 Occupational Work Experience Education in Education

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

EDUC-180 Internship in Education

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Electrical / Instrumentation Technology

DEGREES—Associate of Science

Electrical Technology
Instrumentation Technology

CERTIFICATES OF ACHIEVEMENT

Electrical Technology
Instrumentation Technology
Transit Electrical Technology

LMC is in a unique position to offer an outstanding, up-to-date curriculum that has been designed by industry for industry. No other college in this area provides similar education and training needed to obtain these high-skill, high-wage and high-demand jobs.

The ETEC program enables students to graduate with a certificate of achievement in four semesters (two years). There are two areas of specialization: electrical technician or instrumentation technician. The electrical technician specialization is designed to train electricians to maintain complex electrical automation systems used in the manufacturing and power generation industry. The instrumentation technician specialization is designed to train instrument technicians to maintain the process measurement and control systems used in refineries, chemical plants, biotech plants, pharmaceutical plants, water and waste treatment plants.

ASSOCIATE OF SCIENCE DEGREE AND CERTIFICATE OF ACHIEVEMENT

ELECTRICAL TECHNOLOGY

For the Associate of Science Degree complete the coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

Courses in the first three semesters are common to both areas of specialization. In the fourth semester, the courses for each specialization vary, with the electrical technicians concentrating on the skills needed for electrical maintenance while the Instrumentation Technicians concentrate on the measurement and control of processes.

For the certificate of achievement, complete the coursework listed below. Consult a Los Medanos College counselor to develop an education plan.

54 total hours lecture
3 Units

PREREQUISITE: The equivalent of a C- or better in high school Algebra I, Integrated Math I, MATH-025 or MATH-029

This course meets the math requirements for the Associate of Science degrees in Electrical Technology and Instrumentation Technology. In this course math is taught in the context of problems commonly encountered by electronic and instrumentation technicians. Content includes analyzing graphs and schematic diagrams; using scientific notation and engineering notation; executing unit conversions; solving equations; calculating with fractions, complex fractions, logarithms and percentages; graphing complex numbers; applying right-triangle trigonometry; and utilizing methods and formula common to the fields of electrical and instrumentation technology. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: CSU

EETEC-010 Direct Current Circuits

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: MATH-012; eligibility for ENGL-100

This is first semester course in the fundamentals of electricity and electronics. It will provide a good background in direct current circuits including Ohm's law, component identification, and electrical terminology commonly used in the industry. Students will learn how electricity interacts with passive components. Emphasis will be placed upon the calculation, construction, and measurement of direct current circuits. The coordinated laboratory will teach the use of test equipment to measure circuits in order to perform circuit analysis. Students will apply the basic principles of DC circuits to develop troubleshooting techniques. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-012 Alternating Current Circuits

54 total hours lecture, 54 total hours lab
4 Units

ADVISORY: ETEC-010; MATH-012 or equivalent; eligibility for ENGL-100

This course will address calculation, construction, measurement and analysis of single phase alternating current RCL circuits. Magnetism, transformer theory, passive filters, vectorial analysis and power in alternating current circuits will be extensively covered. The coordinated lab will provide a thorough understanding of the concepts by way of experimentation and troubleshooting using laboratory test equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-020 Electric Motor Control

36 total hours lecture, 72 total hours lab
3 Units

PREREQUISITE: ETEC-012

ADVISORY: MATH-012 or equivalent; eligibility for ENGL-100

This course is a study of electrical control circuits as they apply to industrial control systems. This course covers control components and their use in control systems as well as the use and development of electrical schematic and wiring diagrams. Lab work includes construction, analysis, testing and calibrating control circuits from a schematic diagram. Systematic trouble shooting techniques will be emphasized. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-022 Semiconductor Devices

18 total hours lecture, 54 total hours lab
2 Units

PREREQUISITE: ETEC-012

ADVISORY: Eligibility for ENGL-100

This course is study of active electronic semiconductor devices commonly used in analog and industrial control circuits. The analysis of the operational characteristics, biasing, power dissipation and application of each device will be explored. Also, included will be coordinated laboratory projects to help reinforce the theoretical and practical understanding of active semiconductor devices. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-024 Digital Devices

18 total hours lecture, 54 total hours lab
2 Units

PREREQUISITE: ETEC-012

ADVISORY: ETEC-022; eligibility for ENGL-100

This course of study will provide the student with the concepts of digital devices and circuitry commonly used in modern electronic circuits. The student will understand sequential logic circuits binary and hexadecimal numbering systems, binary math and the application of these subjects in industrial control systems. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-030 Programmable Logic Controllers

54 total hours lecture, 54 total hours lab
4 Units

PREREQUISITE: ETEC-012

ADVISORY: ETEC-020; eligibility for ENGL-100; eligibility for MATH-025

This course will provide the student with knowledge of the hardware and programming syntax of a specific programmable logic controller. Hardware components and their addressing when installing a new system will be discussed as well as the ladder logic programming of the device. Programming components such as counters, timers, sequencers, internal and external relay equivalents will be used to construct sequential ladder logic diagrams. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-032 Instrumentation and Process Measurement

54 total hours lecture
3 Units

PREREQUISITE: ETEC-012

CO-REQUISITE: ETEC-034

ADVISORY: PHYS-015; MATH-025; eligibility for ENGL-100

This is a course in the fundamentals of instrumentation measurement and process control. The student will learn the characteristics of temperature, pressure, level and flow as well as analytical properties. Emphasis will be on the theoretical operation and practical application of each transmitter and transducer used in the sensing of these process variables. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-034 Instrument Calibration Laboratory

54 total hours lab
1 Unit

PREREQUISITE: ETEC-012

CO-REQUISITE: ETEC-032

ADVISORY: PHYS-015; MATH-012; eligibility for ENGL-100

This is a lab course which provides hands on experience to enhance the fundamentals of instrumentation measurement of process control covered in ETEC-032. The student will learn to use test and calibration equipment commonly used in industry to measure Temperature, Pressure, Level and Flow as well as Analytical properties. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-040 National Electric Code

54 total hours lecture
3 Units

CO-REQUISITE: ETEC-042

ADVISORY: ETEC-010, 012; MATH-012 or equivalent; eligibility for ENGL-100

A study of electrical wiring methods as they apply to residential, commercial, and industrial wiring. This course stresses the application of the regulations of the National Electrical Code. Students learn the theory behind the design and safe installation of complex electrical systems. Students successfully completing this course will have covered the information necessary to pass the Department of Apprentices Standards Electrical Certification Exam for the State of California. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-042 Electrical Wiring Methods and Code Application

54 total hours lab
1 Unit

CO-REQUISITE: ETEC-040

ADVISORY: ETEC-010, 012; MATH-012; eligibility for ENGL-100

This course provides hands on skill development in the use of tools, materials, and methods demanded by employers in the electrical industry to install electrical wiring systems to code specifications in residential, commercial, and industrial settings. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-044 Transformers and Power Distribution

36 total hours lecture, 54 total hours lab
3 Units

PREREQUISITE: ETEC- 012

ADVISORY: MATH-025 or equivalent; eligibility for ENGL-100.

This course is a comprehensive study of poly-phase systems and how they are used today for power distribution. The understanding of poly-phase systems and the effects of loading and neutral current calculation will be stressed. A thorough coverage of the principles of operation, application and construction of transformer connections will be emphasized to enable the student to understand single and poly-phase system voltages and currents. In the coordinated laboratory, students will have the opportunity to calculate, connect, measure, and evaluate each transformer and poly phase circuit connection. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-046 DC & AC Motors and Generators

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ETEC-010, 012; MATH-012; eligibility for ENGL-100

A comprehensive study of Direct Current and Alternating Current Rotating electrical machinery. This course will include the identification, construction, connection, operation, and application of single and poly-phase motors and generators commonly found in today's automated systems. The student will develop an understanding of the connection, reversal, torque characteristics and speed control of this equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-050 Instrumentation - Process Control

54 total hours lecture
3 Units

CO-REQUISITE: ETEC-052

ADVISORY: ETEC-010, 012, 032, 034; PHYS-015; eligibility for ENGL-100

A course of study of the theory and application of process control. Process variables are measured, analyzed to control an Industrial Process. Students will learn theory of process control and the various types of final control elements and how they will affect the process. Students will use P&ID and specific instrument diagram to understand how the process is designed and they will learn techniques to adjust the process controller's PID gain to obtain the best process response to an upset to the measured variable. The process variables will be graphed and analyzed to determine the appropriate controller response to an upset. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-052 Applied Process Control Lab

54 total hours lab
1 Unit

CO-REQUISITE: ETEC-050

ADVISORY: ETEC-010, 012, 032, 034, 050; PHYS-015; MATH-012; eligibility for ENGL-100

This course is a laboratory designed to give the student hands on experience with transducers and transmitters used to measure process variables and transmit proportional signals to a PLC, Loop controller or DCS I/O. Students will configure pneumatic, electronic and digital transmitters and connect them in measurement loops. They will calibrate the transmitters for use in pressure, level, temperature, pH and flow processes then check for accuracy, precision and linearity. Student will learn to use ISA standards and techniques to accurately prepare a transmitter for use in the field. The course is designed to be taken concurrently with ETEC-050 and provide the practical experience necessary to understand the fundamentals of process measurement. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-056 Codes for Instrument Application

18 total hours lecture
1 Unit

ADVISORY: ETEC-010, 012; MATH-012; eligibility for ENGL-100

This course focuses on the National Electric Code regulations that govern wiring methods as they apply to hazardous locations, classified locations, remote signaling and power-limited circuits. Students will learn the theory or wiring design and installation and associated NEC regulations for Classes 1, 2, and 3, Division 1 and 2 hazardous locations. May not be repeated. SC

LMC: DA

TRANSFER: CSU

EETEC-058 Analytical Instrumentation

18 total hours lecture, 54 total hours lab
2 Units

ADVISORY: ETEC-010, 012, 032; PHYS-015; CHEM-006; MATH-012; eligibility for ENGL-100

This is a course in the fundamentals of analytical instrumentation which are necessary skills for process control in refineries, chemical plants and environmental protection. The student will learn to measure and control analytical properties such as, Ph, oxygen, conductivity, hydrocarbon and toxic gas. Emphasis will be on the operation of analytical test equipment and proper sampling techniques. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-059 System Integration and Troubleshooting

18 total hours lecture, 54 total hours lab
2 Units

PREREQUISITE: ETEC-012

ADVISORY: ETEC-020, 030, 032, 050; MATH-025; eligibility for ENGL-100

This capstone course is designed to tie together information covered in all the other ETEC courses. The student will design and build motor control circuits, write PLC programs, design, build and tune instrumentation measurement and control systems and tie them all together using the "trainers" in the lab. Proper safety, documentation, wiring and troubleshooting techniques will be emphasized. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ETEC-098 Independent Study in Electrical/Electronic Technology

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ETEC-170 Occupational Work Experience Education in Electrical/Instrumentation Technology

60-400 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational

work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

ETEC-100 Introduction to Industrial Technology and Trades

18 total hours lecture, 54 total hours lab
2 Units

This is a career exploration course for the industrial trades including: Appliance Repair, Automotive Technology, Electrical/Instrumentation Technology, Process Technology and Welding Technology. It will provide hands-on experience for students who are maybe undecided about their career direction, and allows them to explore through doing, in this survey course of the industrial trades. It will also teach them some basic skills in each trade. This is one course and will be listed under all of following course numbers AUTO-100, APPLI-100, ETEC-100, PTEC-100 and WELD-100. Students may register for this course using any one of the provided course numbers. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

ETEC-180 Internship in Electrical/Instrumentation Technology

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Emergency Medical Services

COLLEGE SKILLS CERTIFICATES

Emergency Medical Services

Emergency Medical Services Recertification

Emergency Medical Services

REQUIRED COURSES:	UNITS
EMS-010 Emergency Medical Technician	8
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	8

Program Student Learning Outcomes

1. Be academically prepared to obtain an entry-level position in the Public Safety, Child Care, Fire Technology, Emergency Medical Services and other Allied Health occupations.
2. Demonstrate strong communication and interpersonal skills.
3. Appropriately apply industry materials, procedures and technologies as relates to this discipline

Emergency Medical Services Recertification

REQUIRED COURSES:	UNITS
EMS-011 Emergency Medical Technician I Recertification	1
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	1

COURSE DESCRIPTIONS

EMS-004 Introduction to Standard First Aid/ CPR

6 total hours lecture, 9 total hours lab
.5 Unit

ADVISORY: Eligibility for ENGL-095

This course is designed to give students the knowledge and skills necessary to maintain oxygenation and blood circulation in an adult, child, or infant who is demonstrating the signs of cardiac arrest. It includes basic first aid care and useful information about common medical and environmental injuries and illnesses. It meets the American Heart Association standards for "Heartsaver" certification. "An optional materials fee may be applied". May not be repeated. P/NP

LMC: NDA

EMS-007 Introduction to Healthcare Careers

54 total hours lecture
3 Units

ADVISORY: BIOSC-030, BUS-086, ENGL-095

This course provides a foundational overview of health care careers and their respective career paths, educational requirements, and professional responsibilities. It also covers basic skills needed for health-related careers in general, such as personal qualities, professionalism, teamwork, and communication. The purpose of this class is to assist the student in making educational/career decisions. May not be repeated. LR

LMC: DA

TRANSFER: CSU

EMS-008 First Aid of Infants and Children

14 total hours lecture, 2 total hours lab
1 Unit

ADVISORY: Eligibility for ENGL-095

This course meets requirement for Core Content for Child Care Health and Safety Training/Education on Preventive Health Practices for the Department of Social Services Community Care Licensing (Health and Safety Code Section 1596.866) and includes pediatric cardiopulmonary resuscitation, pediatric first aid, recognition, management and prevention of infectious diseases, including immunizations, prevention of childhood injuries and implementing universal precautions in child care programs. "An optional materials fee may be applied". May not be repeated. P/NP

LMC: DA

EMS-009 Emergency Medical Responder/Public Safety First Aid, CPR and AED

63 total hours lecture, 27 total hours lab
4 Units

ADVISORY: VONUR-008 (Medical terminology for healthcare professionals) or BUS-086 (Medical Terminology), BIOSC-030 (Introduction to Anatomy and Physiology); eligibility for ENGL-095

This course is an introductory course to medical careers with an emphasis on emergency medical services. Students who successfully complete this course will earn the following certifications: American Heart Association (AHA) Heart Saver/AED and First Aid Certification, students will also obtain an American Heart Association CPR/Basic Life Support (BLS) Certification card. EMS-009 meets and exceeds the requirements for the California Emergency Services Agency First Aid Standards for Public Safety Personnel which is the minimum required level of medical training required for CAL-FIRE seasonal personnel, Police Officers, Life Guards and any other occupation classified under Public Safety in the State of California. Students who successfully complete EMS 009 are eligible to apply for employment in a diverse array of positions which include public safety as well as many others, some examples of these occupations are: lifeguards, public safety officers, police officers, child care providers, security guards, coaches and for positions with California Department of Forestry and Fire Protection as seasonal wildland Firefighters. In addition, students will develop an educational pathway into the EMT, paramedic, fire technology, nursing, physician assistants and other Allied Health occupations.** This course has mandatory lab fees, this course meets the prerequisite for EMS-010 since we issue a CPR BLS card upon successful completion of EMS-009

** Required Lab Materials: Prices are all subject to change. Approximate Cost: Uniform Belt \$15.00-\$40.00, Uniform Pants \$25.00-\$50.00, Uniform Shirt/Sweater \$20.00-\$50.00, Uniform Shoes/Boots \$29.00-\$140, CPR/AHA Heart Saver and BLS Certification Cards \$10.00. May not be repeated. LR

LMC: DA

TRANSFER: CSU

EMS-010 Emergency Medical Technician Academy

108 total hours lecture, 108 total hours lab
8 Units

PREREQUISITE: Students must be 18 years of age by the date the course begins. Students must have Valid CPR card BLS for Healthcare providers by the American Heart Association, and it must remain valid for the duration of the EMS-010 class. Special note:Successful completion of EMS 14 meets the above prerequisite

ADVISORY: EMS-007; EMS-009; BUS-086; eligibility for ENGL-095; Background checks, toxicology screenings and immunization for those students placed in Hospitals clinical internships. Medical clearance form and proof of inoculations, see below.

This course provides training and knowledge required of the EMT-B scope of practice for the National Registry Standard and the state of California. It prepares students for certification as an Emergency Medical Technician and to work in an entry-level position as an Ambulance Attendant, Emergency Room Technician, or Firefighter. The course covers topics such as History of EMS systems, Roles and Responsibilities of the Emergency Medical Technician, Infection Control, Pathophysiology of Injuries and Disease Processes, Airway Management, Assessment and Management of Medical Patients and Trauma Patients, including Bleeding Control, Shock Management, C-Spine Immobilization, and Splinting and Bandaging. Successful completion of this course allows the student to take the national registry exam administered by the National Registry of Emergency Medical Technicians. EMT certification is the minimum requirement for ambulance attendants and is a prerequisite for paramedic programs and Fire Academies. Students are asked to be fully inoculated with documentation of TB, Hepatitis B, MMR, tetanus, and proof of varicella(chicken pox) and any other type of vaccination required by our partners in the Hospital or EMS providers in order for the student to be placed and complete clinical and or ambulance/Fire Department rotations. Also students must have a medical exam using DMV form 51 or LMC physical clearance form. Lastly, this Academy has mandatory uniform and safety gear requirements, the cost for these items is between \$175-\$350 depending on brand and quantity. A comprehensive list of Uniform and Safety Gear/PPE requirements will be given to the student during our Mandatory Pre/EMT Academy Orientation. May not be repeated. LR

LMC: DA

TRANSFER: CSU

**EMS-011 Emergency Medical Technician I
Recertification**

12 total hours lecture, 12 total hours lab
1 Unit

PREREQUISITE: EMT-Basic Certification

ADVISORY: Eligibility for ENGL-100

Provides training and knowledge required for Recertification for Emergency Medical Technician I as outlined by the State of California. Presents review of (1) basic life-support measures; (2) cardiopulmonary resuscitation; and (3) use of emergency medical equipment and supplies. Twenty-four hours of continuing education for EMT-B. May not be repeated. SC

LMC: NDA

**EMS-013 Medical Terminology for
Health Care Professions**

54 total hours lecture
3 Units

ADVISORY: ENGL-095

(formerly BUS-086) The course focuses on analysis of medical terms by body system incorporating structure, body systems, and basic anatomy, physiology, and disease processes. Emphasis is placed on spelling, usage and pronunciation of medical terms and also on a basic understanding of body systems with an emphasis on the pathophysiology of disease. May not be repeated. LR

LMC: DA

TRANSFER: CSU

EMS-014 Healthcare Provider CPR

4 total hours lecture, 4 total hours lab
.3 Unit

Basic skills and knowledge necessary to maintain oxygenation and blood circulation in a victim of cardiac arrest. Successful completion qualifies the student for certification as a Healthcare Provider by the American Heart Association 2015 guidelines. EMS-014 is intended for individuals whose primary responsibility is providing patient care such as Doctors, Nurses, Paramedics, EMTs, Firefighters and other allied health personnel. This course has the following mandatory lab fees: \$4.00 for your BLS E-Card and \$12-\$15 dollars for your PPE/Personal Protective Equipment required to participate on this course. This PPE includes a face mask, one way valve, gloves and a carrying pouch. May not be repeated. P/NP

LMC: NDA

EMS-017 Introduction to EKG Arrhythmias

18 total hours lecture, 6 total hours lab
1 Unit

ADVISORY: Eligibility for ENGL-100

This course provides the skills and knowledge necessary to correctly interpret basic readings from and EKG, ECG, or cardiac monitor. It includes a study of cardiac anatomy and physiology as well as essential medical terminology. Approved for BRN credit (00209). May not be repeated. SC

LMC: DA

**EMS-098 Independent Study in Emergency
Medical Services**

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Engineering

DEGREE—Associate of Science

Engineering

Engineers design and oversee the construction of the structures, vehicles, devices, and processes that solve the technological problems facing society. Engineering is a profession with both licensing requirements and a code of ethics.

The LMC Engineering Program offers a solid foundation for upper division studies in most engineering fields, including mechanical engineering, civil engineering, electrical engineering, aerospace engineering, industrial engineering, and many other engineering disciplines.

Students who complete the program will have finished most or all of the lower division courses required for transfer to four-year engineering programs. Graduates of the Engineering Program at LMC will also be able to: identify and solve engineering problems, perform and interpret experiments, produce designs to meet various needs, demonstrate professional ethics, communicate effectively, judge how engineering projects affect society and the environment, engage in lifelong learning, and use the tools and techniques necessary for modern engineering practice.

For the Associate of Science Degree in Engineering, complete 55 units of coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

REQUIRED COURSES:		UNITS
ENGIN-010	Introduction to Engineering	3
ENGIN-020	Programming with C++ for Engineers and Scientists	4

AND SELECT TWO RESTRICTED ELECTIVES FROM:

ENGIN-036	Engineering Statics	3
ENGIN-038	Manufacturing Processes	3
ENGIN-046	Engineering Dynamics	3
MATH-075	Linear Algebra	3
TOTAL UNITS FOR THE MAJOR		55

TOTAL UNITS FOR THE DEGREE 60+

The courses required for transfer vary depending on the transfer destination institution and the desired engineering discipline.

IGETC is NOT appropriate for this major. Students interested in engineering should meet with a counselor to plan their schedules as soon as possible.

Program Student Learning Outcomes

1. Apply knowledge of math, science, and engineering to identify, formulate, and solve engineering problems.
2. Design and perform experiments, as well as to analyze and interpret data.
3. Design a system, component, or process to meet desired needs.
4. Demonstrate professional ethical responsibility.
5. Communicate effectively and perform on multi-disciplinary teams.
6. Judge the effects of engineering projects on society and the environment.
7. Engage in life-long learning and explain contemporary issues.
8. Use the techniques, skills, and modern engineering tools necessary for engineering practice.

COURSE DESCRIPTIONS

ENGIN-010 Introduction to Engineering

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: MATH-040 or equivalent

ADVISORY: Eligibility for ENGL-100

This course introduces the engineering profession. It includes the worldwide history of engineering and its influences on society and reviews the major engineering disciplines and the requirements for becoming an engineer. The course also introduces engineering reports, graphics, and presentations. Engineering calculations and a design project are an integral part of the course. Engineering ethics and the need for lifelong learning are also discussed. "An optional materials fee may be required." May not be repeated. LR

LMC: ADR: Natural Sciences; DA

TRANSFER: UC, CSU

ENGIN-020 Programming with C++ for Engineers and Scientists

54 total hours lecture, 54 total hours lab
4 Units

PREREQUISITE: MATH-050

ADVISORY: Eligibility for ENGL-100

This course teaches computer programming using the C++ programming language's syntax, control, and data structures. It includes object oriented programming techniques, introduces numerical techniques for scientific and engineering applications, and emphasizes optimal programming practices. Various aspects of the software life-cycle, including design, documentation, implementation, debugging, testing, and maintenance are introduced. Case studies and software projects are significant parts of the course. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-022 Programming with MATLAB for Engineers and Scientists

54 total hours lecture, 54 total hours lab
4 Units

CO-REQUISITE: MATH-060

ADVISORY: Eligibility for ENGL-100

This course teaches computer programming using the MATLAB's syntax, control, and data structures. It includes object oriented programming techniques, introduces numerical techniques for scientific and engineering applications, and emphasizes optimal programming practices. Various aspects of the software life-cycle, including design, documentation, implementation, debugging, testing, and maintenance are introduced. Case studies and software projects are significant parts of the course. Offered in the Fall semester. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-025 Engineering Graphics

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: ENGIN-010; eligibility for ENGL-100

This course introduces descriptive geometry and engineering graphics techniques. Techniques include freehand and instrument drawing, while the primary emphasis is on computer aided drafting. Applications of descriptive geometry include orthographic drawings, sectional views, and auxiliary views. Axonometric, oblique, and perspective drawings are also covered. Other topics include revolutions, tolerances, dimensions, fasteners, springs, detail drawings, and assembly drawings. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-030 Materials Science

54 total hours lecture, 54 total hours lab
4 Units

PREREQUISITE: CHEM-025 and PHYS-040

ADVISORY: Eligibility for ENGL-100

This is a lecture and lab course that investigates the relationships between microscopic structures and the macroscopic properties of engineering materials--including metals, ceramics, glasses, polymers, and composites. Mechanical, thermal, electrical, magnetic, and optical properties are also examined. Processes for producing and strengthening various materials are introduced. Certain failure mechanisms are also studied. "An optional materials fee may be applied." Offered in the Fall semester. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-036 Engineering Statics

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: PHYS-040

ADVISORY: Eligibility for ENGL-100

This course is an introduction to the application of the concept of mechanical equilibrium to engineering problems. This course covers force systems in the context of supports, two force members and multi-force members, cables, truss structures, frames, and machines; geometrical properties, such as centroids and moments of inertia; friction, the method of virtual work, and sketching shear and bending moment diagrams. Problem solving methods include analytical, graphical, and computer techniques. "An optional materials fee may be applied." Offered in the Fall semester. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-038 Manufacturing Processes

36 total hours lecture, 54 total hours lab
3 Units

PREREQUISITE: ENGIN-025

CO-REQUISITE: Prior or concurrent enrollment in ENGIN-030

ADVISORY: Eligibility for ENGL-100

This course is an introduction to manufacturing processes, including: CNC machining, casting, forcible deformation processes, sintering, microfabrication, 3D printing, injection molding, and joining processes. Economic, environmental, and workability issues are examined to determine optimal manufacturing processes. An optional materials fee may be applied. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-045 Engineering Circuit Analysis

54 total hours lecture, 54 total hours lab
4 Units

PREREQUISITE: PHYS-041

CO-REQUISITE: Prior or concurrent enrollment in MATH-080

ADVISORY: Eligibility for ENGL-100

This is an introduction to electrical circuit analysis. It starts with passive d.c. circuits, includes controlled sources, and progresses to network analysis, including superposition, Thevenin and Norton equivalents, node and mesh analysis techniques. The course also includes analysis of circuits with energy storage elements, along with transient responses that are described by first- and second-order differential equations. The ideal op-amp model is introduced. Alternating current circuit analysis is developed, including the use of phasors, and applications are made to transformers, single phase, and three phase circuits. The course includes computer modeling of circuits. "An optional materials fee may be applied". May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-046 Engineering Dynamics

54 total hours lecture
3 Units

PREREQUISITE: ENGIN-036

ADVISORY: Eligibility for ENGL-100

This course covers dynamics for engineering applications. It includes the kinematics and dynamics of particles, systems of particles, and rigid bodies in two and three dimensions. Also included are orbital motion, vibrations, Euler angles, and variable mass systems. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

ENGIN-098 Independent Study in Engineering

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ENGIN-170 Occupational Work Experience Education in Engineering

60-300 total hours

1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

ENGIN-180 Internship in Engineering

30-300 total hours

.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. DEGREE—Associate in Arts Degree for Transfer

English

The Associate in Arts in English for Transfer at Los Medanos College is designed to prepare students to transfer and study at a California State University.

To earn the Associate in Arts Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES:		UNITS
ENGL-221	Advanced Composition and Critical Thinking	3
ENGL-230	Thinking/Writing Critically about Literature	3
TOTAL UNITS		6

LIST A: SELECT TWO COURSES (6 UNITS)		
ENGL-140	Survey of World Literature 1	3
ENGL-145	Survey of World Literature 2	3
TOTAL UNITS		6

LIST B: SELECT ONE COURSE (3 UNITS)		
ENGL-111	Creative Writing	3
ENGL-127	The Mythology of Ethnic Americans	3
ENGL-128	Asian American Literature	3
ENGL-129	Introduction to Contemporary African-American Literature	3
ENGL-132	Literature of the Imagination	3
ENGL-133	Reflections: Representations of Race	3
ENGL-205	California Literature	3
ENGL-220	Critical Analysis and Literature	3
ENGL-231	Mystery & Detective Fiction	3
TOTAL UNITS		3

LIST C: SELECT ONE COURSE OR ONE COURSE NOT ALREADY USED FROM LIST B		
ENGL-112	Genres in Creative Writing	3
HUMAN-024	Shakespeare's English Kings	3
JOURN-110	Writing for the Media	3
DRAMA-016	Theatre Appreciation	3
TOTAL UNITS		3
TOTAL UNITS FOR THE MAJOR		18

TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes - AA in English for Transfer

1. Independently read, comprehend, and analyze literature and non-fiction, using critical thinking strategies.
2. Respond coherently to texts in critical, creative and personal ways.
3. Write logical, coherent, well-developed academic essays about literature and non-fiction.

Program Student Learning Outcomes for Reading & Composition Sequence:

1. Read college-level texts independently and critically, and respond coherently to these texts in critical, creative, and personal ways.
2. Write coherent and well-developed academic essays that incorporate the readings and demonstrate adequate proofreading skills.
3. Develop the habits and learning abilities of a college student, such as using study skills, metacognitive skills, and college resources.

COURSE DESCRIPTIONS

ENGL-083 Sentence Skills for College Writing

54 total hours lecture
3 Units

This course provides students with the knowledge and skills necessary to understand sentence structure and create grammatically correct, syntactically mature sentences in their written work. Instruction emphasizes sentence mechanics, sentence style, and sentence creation, using sentence-combining techniques and proofreading exercises. Students learn to write sentences with proper punctuation, capitalization, homonym usage, and other sentence-level skills in the writing projects they complete for the class. This course is appropriate for students wanting an introduction to college-level sentence skills or for students enrolled in other English courses who want or need extra sentence-level support. May not be repeated. SC

LMC: DA

ENGL-085 Introduction to College Reading

54 total hours lecture
3 Units

This introductory course prepares students to read pre-collegiate and collegiate level texts. This course will focus on the ability to apply, monitor, and adjust reading for increased comprehension and understanding. Topics will include building reading comprehension skills, understanding vocabulary within context, and determining main ideas and key support details, and developing reading strategies. Student will read a variety of text, which will include two novels as well as some expository/argumentative essays. This course is appropriate for students wanting an introduction to college level reading or for students enrolled in other collegiate level courses who need extra support with the reading. May not be repeated. SC

LMC: NDA

ENGL-095 Reading, Writing, and Critical Thinking

90 total hours lecture, 18 total hours lab
5 Units

ADVISORY: Recommended for students highly motivated to advance to English-100 in one intensive semester.

English 95 is a reading, writing, and critical thinking course designed to prepare students for college/transfer-level work. Students will read college-level material on contemporary topics and issues from a range of college disciplines, engage in discussion and essay-writing that demonstrates their understanding and analysis of these readings, and develop academic language skills. Students will read, write, and discuss college-level material, but with extra support from the instructor. Students will participate in engaging, collaborative activities designed to enhance their skills and confidence. Successful completion of the course prepares the student for ENGL-100 and other college/transfer-level courses. May not be repeated. P/NP

LMC: DA

ENGL-098 Independent Study in English

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ENGL-100 College Composition

54 total hours lecture
3 Units

PREREQUISITE: ENGL-090; ENGL-095; ENGL-100S; ESL-044; ESL-095WRV or assessment process

CO-REQUISITE: ENGL-100S

English 100 is a college-level course designed to help students develop critical reading, thinking and writing skills. Students read essays and articles dealing with multi-cultural issues and current events, and write effective thesis-driven academic essays which synthesize the readings. Students will produce at least 6,000 words of formal, final draft writing that draws upon the assigned readings as well as articles that students have researched on their own. They will also read, analyze and write about one book-length work. May not be repeated. LR

TRANSFER: UC; CSU Gen. Ed. Area A2; IGETC Area 1A; C-ID ENGL 100

ENGL-100S Support for College Composition

18 total hours lecture, 18 total hours lab
1 Unit

PREREQUISITE: ENGL-090; ENGL-095 or assessment process

CO-REQUISITE: ENGL-100

English 100S is an integrated reading and writing course designed to help students succeed at the college-level. Through frequent and intensive instructor feedback and practice, students will learn to use a recursive writing process to produce college-level essays in English 100. Students will learn effective strategies for comprehending and thinking critically about college-level readings. Students will also practice assessing their own processes and learn how to utilize academic strategies for success at the college-level. May not be repeated. P/NP

LMC: NDA

ENGL-110 Introduction to Social Justice Studies

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Same as SOCS-110. Introduction to Social Justice Studies is an interdisciplinary course introducing students to the history, psychology and sociology of racial, ethnic, class, gender and sexual oppression in the United States and the history, strategy and structure of movements for social justice and liberation. It will explore the major theories of race, ethnicity, class, gender and sexuality as they are linked to social structures and institutional processes. Specific examples of persecution, segregation, and asymmetric power relations will be drawn from the testimony of the oppressed throughout American history – in art, film, literature and music. The practices of oppression and resistance in the United States will be compared and contrasted to the experiences of other nations and cultures. May not be repeated. LR

LMC: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA

TRANSFER: UC, CSU GE Area D; IGETC Area 4

ENGL-111 Creative Writing

54 total hours lecture
3 Units

This course allows departure from the usual expository forms and encourages the students to write creatively, experimenting with poetry, fiction, creative non-fiction and dramatic writing, learning to use words and expressions figuratively and literally to create pictures/conceptions that stir the imagination. The course will emphasize a focus on good writing habits, journaling and how to read as a writer as well as exploring ways to be involved in the literary community through performance and publication. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ENGL-112 Genres in Creative Writing

54 total hours lecture
3 Units

ADVISORY: ENGL-111

English 112 encourages writers to focus on a long creative work in one genre: short fiction or nonfiction collection, a book of poetry, a one or three act play, a screenplay. Students will be encouraged to submit their work to agents, contests, publishers and for production. May not be repeated. SC

LMC: DA

TRANSFER: CSU

ENGL-113 Creative Writing: Poetry

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

In this introduction to poetry course, students will write, analyze, and critique poetry. While this course focuses on the creation of poetry, students will also analyze and critique classic and contemporary poetry from a range of genres and cultural perspectives. Students will learn to appreciate the diversity of voices in the world of poetry while writing their own poems and learning about the stylistic and technical elements of poetry. May not be repeated. SC

LMC: DA

TRANSFER: CSU Gen. Ed. Area C2

ENGL-114 Creative Writing: Introduction to Story

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Students will learn how to craft vivid and compelling stories, drawn from life and imagination: the focus of the class will be fiction and creative non-fiction. They will learn the particular genre of the personal essay-important for scholarship and transfer applications-and vital in its own right. Students will explore literature from writers of diverse backgrounds and styles for inspirations and models, then bring to life their own narratives in a supportive community environment. Students will have the opportunity to take part in a public reading and/or self-publish their work. May not be repeated. SC

LMC: DA

TRANSFER: CSU Gen. Ed. Area C2

ENGL-124 Children's Literature

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course offers students the opportunity to read, discuss, and write about children's and adolescent literature from a variety of historical periods, and covers the three main genres: short stories (including, myths, legends, fairy tales and folk tales), poetry and the novel. It includes works from the oral tradition to the present, and focuses on analyzing the works themselves and understanding their social and cultural contexts. This course also explores current issues and controversies in the field of children's literature. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-127 The Mythology and Literature of Ethnic Americans

54 total hours lecture
3 Units

This course will focus on the mythological dreams and/or folk tales, produced by African Americans, Indigenous Peoples of the United States (American Indians), Latino/Chicano, Asian-Americans and European Americans. Emphasis will be on the similarities and differences in the literature of these ethnic groups and the ways in which the respective literatures reflect each group's unique American experience. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B; Also satisfies American Cultures Requirement at UCB

ENGL-128 Introduction to Asian American Literature

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-095

This course is an introduction to Asian American literature. It focuses on particular contexts and theoretical issues that have informed the study of Asian American literature. Students will read from literature written by authors of various Asian American ethnic groups. They will be introduced to the unique history and thematic concerns of Asian American authors, as well as to the contexts in which this literature has been written. Students will also be introduced to the historical experience of Asian immigrants in the United States, and learn to connect literature to its historical and social context. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-129 Introduction to Contemporary African-American Literature

54 total hours lecture
3 Units

This course is designed to offer students the opportunity to read widely and deeply in a selection of contemporary African American authors, beginning with the slave narrative, to the Harlem Renaissance, to the Civil Rights Movement, and ultimately to the cultural explosion of African-American Hip Hop Poets and artists of today. Students will be introduced to standard techniques of literary analysis as well as to the unique history and power of African American fiction, poetry, and plays. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-132 Literature of Imagination: Myths, Tales, the Short Story, and the Novel

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Selected listening and reading from the myths, tales, stories and novels of imaginative literature to broaden familiarization and to stimulate interests; some analysis of the art form as a metaphor to describe the human condition with links to sociological, historical and psychological perspectives. Genres explored include classical mythology, fairy tales, fantasy, science fiction, speculative fiction, and Gothic/horror, and other literatures that emphasize the fantastic. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-133 Reflections: Representations of Race, Ethnicity and Gender in Hollywood Films and Popular Fiction

54 total hours lecture
3 Units

This course explores the effects on American culture of Hollywood's cinematic representation of race, ethnicity and gender through a critical examination of selected popular films and novels discussed within their historical setting. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B; Also satisfies American Cultures Requirement at UCB

ENGL-135 Introduction to Lesbian, Gay, Bisexual, Transgender (LGBT) Studies

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Same as SOCS-135. Lesbian, Gay, Bisexual, and Transgender (LGBT) Studies takes an interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBT people throughout time and across the world. Students will study primary and secondary texts by and about LGBT people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity affect not only the LGBT community, but everyone in society. Students will have an opportunity for an independent project on a subject of their own choosing. May not be repeated. LR

LMC: ADR: Ethnic/Multicultural Studies; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4D

ENGL-136 Introduction to Gender Studies

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Same as SOCS-136. Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. LR

ENGL-150 Lesbian, Gay, Bisexual, Transgender Literature

54 total hours lecture
3 Units

ADVISORY: ENGL-135, eligibility for ENGL-100

Lesbian, Gay, Bisexual, and Transgender (LGBT) literature offers students the opportunity to foster a deeper understanding of and appreciation for literature that represents the worldviews and experiences of individuals and communities who have been marginalized throughout history on the basis of their non- \neq normative sexualities. LGBT literature surveys the imaginative writing that considers same-sex relationships and lesbian, gay, bisexual, and transgender themes from the classical period to the present, with a particular emphasis on 20th and 21st century texts. By studying texts that represent a broad span of human history and multicultural contexts, students will gain insight into the ways in which constructions of gender and sexuality have developed over time and understand the ways in which shifting cultural attitudes toward homosexuality have impacted the production and reception of literature dealing with same-sex desire and/or LGBT individuals and communities. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-205 California Literature

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

This course presents literature written by Californians or that is about California, as a state and before. Students will read, discuss, and analyze the literature from a variety of genres: fiction and non-fiction, novels, short stories, diaries, poetry, drama, and film. The course and these genres will be taught from historical, social, economic, political, and ethnic perspectives. This is a transfer-level course that demands students maintain a high level of critical thinking (literal, interpretative, synthesis, and evaluative analysis) while learning about the canon of California literature. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

ENGL-210 Introduction to Latino Literature and Its Latin American Roots

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100 or equivalent

This course is an introduction to the writing of Latino Americans and Latin Americans. It will explore Latino and Latin American literature by writers in the United States and Latin America, tracing the origins of Latino works to the literature and culture of various Latin American countries, and then showing the way in which Latino literature emerged as a distinct artistic form in the United States. Literature will be selected from a variety of genres including short stories, memoirs,

novels, poems, and plays, and will exemplify the richness and diversity that give Latin American and Latino literature their appeal. Readings will emphasize the humanistic values that make literature a unifying and universalizing force in the world and will be studied within their historical, political, social, economic, and geographical contexts. By examining the connection between Latino and Latin American literature, students will learn more about the shared ground inherent in both groups. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC, CSU GE Area C2; IGETC Area 3B

ENGL-211 Introduction to Chicano Literature

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100 or equivalent

This course is an introduction to Chicano literature. In this course, we will cover a range of genres including short stories, novels, poetry, memoirs, and plays from Chicano writers, beginning with cuentos and oral traditions to contemporary works. Although Chicanos have been writing in the United States since the sixteenth century, the bulk of our attention will be paid to the Chicano literary movement that began in the 1950's and continues with living writers. Students will read selected works that will be analyzed within the context of socioeconomic, political, and historical movements; additionally, students will learn about the unique history and thematic concerns of Chicano writers. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA

TRANSFER: UC, CSU GE Area C2; IGETC Area 3B

ENGL-220 Critical Analysis and Inquiry

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

A critical investigation of meaning, its creation and transmission through the study of language processes and the application of the principles and criteria of critical thinking to reading and writing. This course will examine the relationships between thought and language, including synthesis and the relationship to logic and meaning. Critical thinking criteria include: recognizing informal and formal fallacies, determining validity of arguments and points of view, separating fact from opinion and identifying biases. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area A3

ENGL-221 Advanced Composition and Critical Thinking

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

This course is designed to provide advanced composition and critical thinking instruction beyond the English 100 level, with a focus on non-fiction reading, argument analysis, and academic writing. Students analyze and evaluate arguments from diverse perspectives on controversial, contemporary, relevant issues. Students learn to write well-reasoned, fully-developed argument essays and prepare for the level of work expected at 4-year institutions. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area A3; IGETC Area 1B; C-ID ENGL 105

ENGL-230 Thinking and Writing Critically about Literature

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

This course continues the development of students' college-level skills in reading, critical thinking, writing, and research, focusing on critically analyzing and writing about poetry, drama, fiction, and literary non-fiction texts. Essays written for the course (6,000 words minimum) draw from the readings and secondary sources to present carefully reasoned arguments. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area A3, C2; IGETC Area 1B, 3B; C-ID ENGL 105

ENGL-231 Mystery and Detective Literature

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Mystery and Detective Literature course leads students in reading, discussing, and writing about mystery and detective stories and novels from a variety of historical periods, nations, and cultures. The history and development of the sub-genres will also be examined as well as the contributions of the mystery and detective novel to the evolution of literature in general. Since mystery and detective novels reward a close reading and celebrate the powers of observation, they offer an excellent opportunity to examine readings in depth while exercising the highest level of critical thinking. May not be repeated. LR

English as a Second Language

COLLEGE SKILLS CERTIFICATE

Intermediate English for College and Career Success
Advanced English for Academic and Professional
Advancement Skills

The Los Medanos College English as a Second Language (ESL) program infuses habits of mind – intelligent behaviors and thinking dispositions – and the LMC Institutional/General Education SLOs into our second language acquisition-oriented program student learning outcomes (PSLOs) to optimally help prepare students to meet their social and civic language needs and achieve their academic and career goals.

Program Student Learning Outcomes

1. Embrace having more to learn through reading inquiringly and critically and thinking flexibly about diverse, multigenre college-preparatory and college texts that connect you to multicultural, social, ethical, and global ideas and issues.
2. Strive to gain increasing ability to understand and accurately and creatively use vocabulary learned from context and on the new general service list (NGSL) and the new academic word list (NAWL) in known and new situations.
3. Communicate clearly, effectively, and creatively in writing at the word, phrase, clause, sentence, paragraph, and essay levels, reviewing and reflecting on your writing and learning, and collaborating with others to support your continual development.
4. Risk responsibly and persist to accurately understand and apply a wide variety of grammatical structures – from basic to advanced - to negotiate meaning, ask questions, share and discuss ideas and opinions, solve problems, create plans, make decisions, present arguments, and apply past knowledge to achieve solid understanding and intended meaning.
5. Speak and listen with empathy and increasing confidence, fluency, and self-regulation, exploring diverse and alternative perspectives, within a range of formal and informal social, academic, and career communication settings.
6. Pay attention to recognize and self-improve pronunciation difficulties, speech challenges, writing complexities, listening obstacles, and reading issues that may impede successful engagement and interaction, finding humor and seeking out and responding with wonderment and awe to support your doing so.

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: One year of formal English as a Second Language instruction, or a level one placement on the ESL placement test. Concurrent enrollment in ESL-021, ESL-031 and/or ESL-041

This course is the first level in a sequence that focuses on helping ESL students to develop their reading skills and to develop a useful and personally relevant vocabulary base. Students will learn how to use the dictionary, how to use context clues in reading and to recognize word parts. Students will also learn how to use new vocabulary to help them identify the main ideas in text and to use new vocabulary in writing. May not be repeated. SC

LMC: NDA

ESL-012 Vocabulary Development II

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: ESL-011, or a level two placement on the ESL placement test and concurrent enrollment in ESL-022, ESL-032 and/or ESL-042

This course is the second level in a sequence that focuses on helping ESL students to increase their vocabulary base and build their reading skills. Students will continue to use context clues in reading and to recognize word parts. Students will also build their reading skills to become active, thoughtful and confident readers of English. May not be repeated. SC

LMC: NDA

ESL-013 Intermediate Text Skills

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: ESL-012 or a level three placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-023, 033, and/or ESL-043

ESL-013 is an intermediate level reading and vocabulary skills and strategies development course for English as a Second Language students. ESL-013 uses a process approach to teaching students how to engage a range of cognitive and meta-cognitive linguistic skills to improve their English language reading and vocabulary use abilities. Using theme-based organization and incorporating a variety of non-academic and academic types of texts - including newspaper articles, online texts, magazine articles, textbook articles, tables, charts, timelines, graphs, and reports - students are guided step-by-step through previewing, reading, and post-reading activities. The course makes use of reading, recall, and reinforcement to develop students' ability to process information more quickly and holistically. This intermediate level ESL course also moves students from multiple choice and fill-in-the blank comprehension and vocabulary exercises to activities that require them to summarize and begin to infer information, as well as discuss and write about their own opinions and interpretations. In so doing, this course aims to help students become active readers by personalizing and broadening their understanding of what they read and how they learn. May not be repeated. SC

LMC: NDA

ESL-014 Advanced Text Skills

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: ESL-013 or a level four placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-024, 034, and/or ESL-044

ESL-014 is a high-intermediate to advanced level reading and vocabulary skills and strategies development course for English as a Second Language students. This course is the second of a two-semester upper-level text skills sequence. ESL-014 approaches reading and vocabulary instruction in an interactive and reciprocal process manner. Like ESL-013, this course teaches students how to engage a wide range of cognitive and meta-cognitive linguistic skills to improve their English language reading and vocabulary use abilities. The course is organized by themes that are approached from different angles via a variety of types of text. High-intermediate to advanced level skills and strategies are initially introduced separately and in a developmental manner. Then these skills are recycled, integrated, and built upon, giving students both a depth and breadth of application opportunities. This course also moves students from multiple choice and fill-in-the blank comprehension and vocabulary exercises to activities that require them to synthesize and infer information, as well as discuss and write about applications to other situations. In so doing, this course aims to help students become active readers by personalizing and broadening their understanding of what they read and how they learn. May not be repeated. SC

LMC: NDA

ESL-021 Grammar for Communication I

72 total hours lecture
4 Units

ADVISORY: One year of formal English as a Second Language instruction, or a level one placement on the ESL placement test. Current enrollment in ESL-011, ESL-031 and/or ESL-041

ESL-021 is a grammar course for English language learners at a novice/basic level of English language proficiency. ESL-021 uses a dual integrated skills and communicative approach to teach a selection of level-appropriate grammatical structures. Students learn grammar through listening, reading, speaking, and writing activities that offer opportunities to discover, analyze, practice, and produce a variety of grammar points. Grammar content is taught via social and situational themes and contexts that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing novice/basic students' language ability through extensive exposure and practice that mainly includes focused and controlled exercises and some progressively more personalized and creative interactions. May not be repeated. SC

LMC: NDA

ESL-022 Grammar for Communication II

72 total hours lecture
4 Units

ADVISORY: ESL-021 or a level two placement on the ESL placement test and concurrent enrollment in ESL-012, ESL-032 and/or ESL-042

ESL-022 is a grammar course for English language learners at a high beginning level of English language proficiency. ESL-022 uses a dual integrated skills and communicative approach to teach a selection of level-appropriate grammatical structures. Students learn grammar through listening, reading, speaking, and writing activities that offer opportunities to discover, analyze, practice, and produce a variety of grammar points. Grammar content is taught via social and situational themes and contexts that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing high-beginning students' language ability through extensive exposure and practice that mainly includes focused and controlled exercises and some progressively more personalized and creative interactions. May not be repeated. SC

LMC: NDA

ESL-023 Grammar for Communication III

72 total hours lecture
4 Units

PREREQUISITE: ESL-022 or a level three placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-013, 033, and/or ESL-043

ESL-023 is a grammar course for English language learners at an intermediate level of proficiency. ESL-023 uses a dual integrated skills and communicative approach to teach a selection of level-appropriate grammatical structures. Students learn grammar through listening, reading, speaking, and writing activities that offer opportunities to discover, analyze, practice, and produce a variety of grammar points. Grammar content is taught via social and situational themes and contexts that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing intermediate students' language ability through extensive exposure and practice that includes focused and controlled exercises to progressively more personalized and creative interactions. May not be repeated. SC

LMC: NDA

ESL-024 Grammar for Communication IV

72 total hours lecture
4 Units

PREREQUISITE: ESL-023 or a level four placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-014, 034, and/or ESL-044

ESL-024 is a grammar course for English language learners at a high-intermediate to advanced level of proficiency. ESL-024 uses a dual integrated skills and communicative approach to teach a selection of level-appropriate grammatical structures. Students learn grammar through listening, reading, speaking, and writing activities that offer opportunities to discover, analyze, practice, and produce a variety of grammar points. Grammar content is taught via social and situational themes and contexts that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing high-intermediate to advanced students' language ability through extensive exposure and practice that includes focused and controlled exercises to progressively more personalized and creative interactions. May not be repeated. SC

LMC: NDA

ESL-031 Conversation/Pronunciation I

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: One year of formal English as a Second Language instruction, or a level one placement on the ESL placement test. Concurrent enrollment in ESL-011, ESL-021 and/or ESL-041

This is the first of a series of courses which introduces English pronunciation, and conversation for college communication. Emphasis is placed on English sound system and pronunciation improvement, accent reduction and oral communication skills. May not be repeated. SC

LMC: NDA

ESL-032 Conversation/Pronunciation II

54 total hours lecture, 18 total hours lab
3 Units

ADVISORY: ESL-031, or a level two placement on the ESL placement test and concurrent enrollment in ESL-012, ESL-022 and/or ESL-042

This is the second of a series of courses which introduces English pronunciation, and conversation for college communication. Emphasis is placed on further pronunciation development and more advanced oral communication skills. May not be repeated. SC

LMC: NDA

ESL-033 Intermediate Oral Skills

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: ESL-032 or a level three placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-013, 023, and/or ESL-043

ESL-033 is a speaking, listening, and critical thinking course for English language learners at an intermediate level of language proficiency. ESL-033 uses project based learning and communicative language teaching approaches to teach a selection of level-appropriate oral communication skills and strategies. Students learn these skills and strategies through activities that offer opportunities to build their vocabulary and concept knowledge, demonstrate their comprehension, apply their understanding, internalize and analyze information, synthesize their learning, and evaluate their progress. Oral communication content is taught via social and academic themes that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing intermediate students' language ability progressively by 1) concentrating initially on receptive language development and then productive language development, and 2) engaging students in activities that are increasingly more sociolinguistically interactive and cognitively challenging. May not be repeated. SC

LMC: NDA

ESL-034 Advanced Oral Skills

54 total hours lecture, 18 total hours lab
3 Units

PREREQUISITE: ESL-033, or a level four placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-014, 024, and/or ESL-044

ESL-034 is a speaking, listening, and critical thinking course for English language learners at a high-intermediate to advanced level of language proficiency. ESL-034 uses a communicative language teaching approach to teach a selection of level-appropriate oral communication skills and strategies. Students learn these skills and strategies through activities that offer opportunities to build their vocabulary and concept knowledge, demonstrate their comprehension, apply their understanding, internalize and analyze information, synthesize their learning, and evaluate their progress. Oral communication content is taught via social, professional, and academic themes that are relevant to adult students' everyday lives and a variety of interests. The course focuses on developing high-intermediate to advanced students' language ability progressively by 1) concentrating initially on receptive language development and then productive language development, and 2) engaging students in activities that are increasingly more sociolinguistically interactive and cognitively challenging. May not be repeated. SC

LMC: NDA

ESL-041 Writing and Reading I

72 total hours lecture
4 Units

ADVISORY: One year of formal English as a Second Language instruction, or a level one placement on the ESL placement test. Concurrent enrollment in ESL-011, ESL-021 and/or ESL-031

ESL-041 is a writing and reading course for students of English as a second language who currently find themselves at a novice/basic level of English development. Through reading academic and narrative texts on familiar and concrete topics, students are taught to predict, summarize, contrast, and synthesize readings while learning new vocabulary. These skills in turn lead students to develop their writing abilities and to become strong writers by applying correct sentence structure, spelling, and mechanics of English to their writing. ESL-041 utilizes a problem-posing approach where language is acquired through student negotiation as a means to successful second language communication. May not be repeated. SC

LMC: NDA

ESL-042 Writing and Reading II

72 total hours lecture
4 Units

ADVISORY: ESL-041, or a level two placement on the ESL placement test and concurrent enrollment in ESL-012, ESL-022 and/or ESL-032

ESL-042 is a writing and reading course for students of English as a second language who currently find themselves at a high beginning level of English development. Through reading of personal, professional, academic and literary texts, which may include non-adapted/authentic texts written for native English speakers, students are taught to write one or more paragraphs that have a clear, beginning, middle, and end. Furthermore, students learn how to produce a variety of sentence structures with emerging control over perfect tenses. These skills in turn lead students to develop their writing abilities and to become strong writers by applying correct sentence structure, spelling, and mechanics of English to their writing. ESL-042 utilizes a problem-posing approach where language is acquired through student negotiation as a means to successful second language communication. May not be repeated. SC

LMC: NDA

ESL-043 Writing and Reading III

72 total hours lecture
4 Units

PREREQUISITE: ESL-042 or a level three placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-013, 023, and/or ESL-033

ESL-043 is a writing and reading course for students of English as a second language who currently find themselves at an intermediate level of English development. Through readings which include both expository and narrative texts, with some level of abstraction, students are taught to write essays with clear thesis statements using various rhetorical modes (350+ words). At the end of the course, students will write well developed essays while integrating a wide range of vocabulary. May not be repeated. SC

LMC: NDA

ESL-044 Writing and Reading IV

72 total hours lecture
4 Units

PREREQUISITE: ESL-043 or a level four placement on the ESL placement test

ADVISORY: Concurrent enrollment in ESL-014, 024, and/or ESL-034

ESL-044 is a writing and reading course for students of English as a second language who currently find themselves at a high intermediate/advanced level of English development. Through readings which are predominantly expository, including argumentative, research-based, and abstract ideas, students are taught to write expository essays which reference outside sources, including non-fiction, using a variety of rhetorical strategies (500-750 words.) May not be repeated. SC

LMC: NDA

ESL-085G Intermediate Grammar for College and Career Communication

72 total hours lecture
4 Units

PREREQUISITE: Level 3 (Intermediate-Engaging) placement by the English as a Second Language assessment process

ADVISORY: Completion of or concurrent enrollment in the corresponding intermediate level ESL Credit courses – ESL-085SL and ESL-085WRV – as offered in the schedule of classes. Also, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This English for Academic Purposes (EAP) grammar course is designed to help intermediate non-native English speaking students improve their understanding and accurate use of complex English grammatical structures to support, develop, and refine college and career thinking, speaking, reading, listening, and writing skills. Multilingual English language learners study complex grammatical structures within meaningful contexts of use and engage in analysis, evaluation, and crucial experiential learning of the functional, semantic, and pragmatic components of the contextualized structures. This course and is part of the three-course package of intermediate academic and career preparation, engagement, and success courses for multilingual English language learners – ESL-085G, ESL-085WR, and ESL-085SL. May not be repeated. SC

LMC: NDA

ESL-085SL Intermediate Oral Communication for the College Classroom and Beyond

54 total hours lecture
3 Units

PREREQUISITE: Level 3 (Intermediate-Engaging) placement by the English as a Second Language assessment process

ADVISORY: Completion of or concurrent enrollment in the corresponding intermediate level ESL Credit courses – ESL-085G and ESL-085WRV – as offered in the schedule of classes. Also, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This English for Academic Purposes (EAP) speaking, listening, and dispositional thinking course is designed to help non-native English speaking students improve their understanding of the oral communication realities in North American college classrooms and higher education environments and to increase their ability to actively participate and succeed therein at an intermediate level of proficiency. Students build aural and oral accuracy and fluency, learn and use contextualized vocabulary, expressions and grammar, and practice academic listening and speaking skills. The course incorporates 1) exposure to authentic college classroom content and oral/aural communication tasks from across the college curriculum – including discussions, lectures, note-taking, interpersonal interactions, and presentational speaking and listening acts; inter-cultural and multi-cultural awareness raising; progressively structured – from controlled and guided to natural and creative – oral communication activities and assignments; and a balanced approach to the development of both discrete and global 21st century language and communication skills. This course is part of the three-course package of intermediate academic and career preparation, engagement, and success courses for multilingual English language learners – ESL-085SL, ESL-085G, and ESL-085WRV. May not be repeated. SC

LMC: NDA

ESL-085WRV Intermediate College Writing, Reading, Vocabulary, and Dispositional Thinking

54 total hours lecture
5 Units

PREREQUISITE: Level 3 (Intermediate-Engaging) placement by the English as a Second Language assessment process

ADVISORY: Completion or equivalent of or concurrent enrollment in ESL-085G; completion of or concurrent enrollment in the other corresponding intermediate level ESL Credit course – ESL-085SL – as offered in the schedule of classes. Also, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This English for Academic Purposes (EAP) dispositional thinking, reading, writing, and vocabulary-development course is designed to help non-native English speaking students develop academic vocabulary, reading, and writing capabilities necessary to engage and succeed in North American college classrooms at an intermediate level of

proficiency. Students work with multi-page nonfiction and fiction texts from various collegiate disciplines and careers and one to two book-length works of fiction and/or nonfiction. Students learn, practice, apply, and evaluate 1) contextual and structural information to infer meaning of words and idiomatic language to enlarge their vocabulary base and improve fluency and 2) pre-, during-, and post-reading strategies to recognize and understand an author's purpose, tone, and point of view, and to analyze, evaluate, and interpret information and ideas. Students are introduced to and develop the academic ability to discuss - orally and in writing - their opinion/reaction to readings while developing critical and dispositional thinking and academic language skills at an intermediate level. Students learn and practice specific U.S. academic writing standards at the sentence, paragraph, and essay level such as summarizing, paraphrasing, and quoting authors' ideas using MLA in text citations. The course prepares students for ESL-095WRV. This course is part of the three-course package of intermediate college and career preparation, engagement, and success courses for multilingual English language learners – ESL-085WRV, ESL-085G, and ESL-085SL. May not be repeated. SC

LMC: NDA

ESL-095G Advanced Grammar for College and Career Communication

72 total hours lecture
4 Units

PREREQUISITE: Level 4 (Advanced-Exiting) placement by the English as a Second Language assessment process, or ESL-085G or equivalent

ADVISORY: Completion of or concurrent enrollment in the corresponding advanced level ESL Credit courses – ESL-095SL and ESL-095WRV – as offered in the schedule of classes. Also, completion or equivalent of LMC ESL Credit Level 3 (Intermediate-Engaging) courses, and, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This English for Academic Purposes (EAP) grammar course is designed to help high-intermediate to low-advanced non-native English speaking students improve their understanding and accurate use of highly multifaceted English grammatical structures to support, develop, and refine college and career thinking, speaking, reading, listening, and writing skills. Multilingual English language learners study particularly complex grammar structures and their nuances within meaningful contexts of use and engage in analysis, evaluation, and crucial experiential learning of the functional, semantic, and pragmatic components of the contextualized structures. This course is part of the three-course package of advanced general and career technical education transition and support courses for multilingual English language learners – ESL-095WRV, ESL-095G, and ESL-095SL. May not be repeated. LR

LMC: DA

ESL-095SL Advanced Speech Communication for Academic and Professional Advancement

54 total hours lecture
3 Units

PREREQUISITE: Level 4 (Advanced-Exiting) placement by the English as a Second Language assessment process, or ESL-085SL or equivalent

ADVISORY: Completion of or concurrent enrollment in the corresponding advanced level ESL Credit courses – ESL-095G and ESL-095WRV – as offered in the schedule of classes. Also, completion or equivalent of LMC ESL Credit Level 3 (Intermediate-Engaging) courses, and, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This English for Academic Purposes (EAP) speaking, listening, and dispositional thinking course is designed to help non-native English speaking students enhance their understanding of and abilities to achieve in college, career, and personal speech communication environments, situations, acts, and interactions at an advanced level of proficiency. In this content-based second language acquisition course, students will be introduced to and begin exploring public speaking, interpersonal communication, intercultural and multicultural communication, and debate in order to develop and strengthen related oral/aural language skills and communication strategies. Concentrating on these learners' receptive and productive English language development, course work includes content learning along with skill and strategy practice and improvement within the following areas: understanding culture(s), listening actively, communicating verbally and nonverbally, managing conflict, relationships, and workplace communication. Students will learn and advance via active participation in individual, pair, group/team, and whole-class instructional activities that are both sociolinguistically interactive and cognitively challenging. Successful completion of this course – in conjunction with corresponding overall English language grammatical and reading/writing proficiency – prepares students purposefully to succeed in Communication Studies (Speech Communication) courses, other college-level courses, and job/workplace/career opportunities. This course is part of the three-course package of advanced general and career technical education transition and support courses for multilingual English language learners – ESL-095SL, ESL-095G, and ESL-095WRV. May not be repeated. SC

LMC: DA

ESL-095WRV Advanced Academic Writing, Reading, Vocabulary, and Dispositional Thinking

90 total hours lecture
5 Units

PREREQUISITE: Level 4 (Exiting-Advanced) placement by the English as a Second Language assessment process, or ESL-085WRV or equivalent

ADVISORY: Completion or equivalent of or concurrent enrollment in ESL-095G; completion of or concurrent enrollment in the corresponding advanced level ESL Credit course – ESL-095SL – as offered in the schedule of classes. Also, completion or equivalent of the intermediate level ESL Credit courses – ESL-085WRV, ESL-085G, and ESL-085SL, and, as needed, completion or equivalent of the LMC ESL Noncredit Entering course sequences - Level 1 (Foundational) and Level 2 (Bridging). Non-native English speaking language learner.

This is an English for Academic Purposes (EAP) dispositional thinking, reading, writing, and vocabulary-development course for non-native English speaking students designed to improve these students' ability to successfully undertake North American college-level work at an advanced level of proficiency. This course helps ESL students develop academic vocabulary and college-level analysis and evaluation reading and writing capabilities. Students work with multi-page and book-length nonfiction and fiction texts on contemporary topics and issues from a range of disciplines. Students continue to learn, evaluate, and hone use of 1) contextual and structural information to infer meaning of words and idiomatic language to enlarge their vocabulary base and improve fluency and 2) pre-, during-, and post-reading strategies to enhance comprehension and to analyze, evaluate, and interpret information and ideas. Students persist to develop and refine the academic ability to discuss – orally and in writing - their opinion/reaction to readings while developing critical and dispositional thinking and academic language skills. Students advance their understanding of specific U.S. academic writing standards at the sentence, paragraph, and essay level including summarizing, paraphrasing, and quoting authors' ideas using MLA in text citations. Successful completion of this course – in conjunction with corresponding English language grammatical and speaking/listening proficiency – prepares students purposefully for ENGL-100 as well as college-level courses. This course is part of the three-course package of advanced general and career technical education transition and support courses for multilingual English language learners – ESL-095WRV, ESL-095G, and ESL-095SL. May not be repeated. SC

LMC: DA

ESL-098 Independent Study in English as a Second Language

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

ESL-100G English Grammar Support for Advanced Multilingual Students

54 total hours lecture
3 Units

ADVISORY: Level-appropriate placement by the ESL assessment process or ESL-095G; Concurrent enrollment in the advanced level LMC ESL Credit courses and/or the English composition courses – ESL-095WRV, ESL-095SP, ENGL-095, ENGL-100S, ENGL-100 – as offered in the schedule of classes. Non-native English speaking language learner.

This English for Academic Purposes (EAP) grammar course is designed to help advanced non-native English-speaking students improve their understanding and accurate use of highly multifaceted English grammatical structures to support, develop, and refine college and career thinking, speaking, reading, listening, and writing skills. Multilingual English language learners study sophisticated grammar structures and their nuances within meaningful contexts of use and engage in analysis, evaluation, and crucial experiential learning of the functional, semantic, and pragmatic components of the contextualized structures. This course offers non-native English-speaking students linguistic and sociolinguistic support to succeed in their college coursework. May not be repeated. SC

English As A Second Language (ESL)-Non-Credit

CERTIFICATE OF COMPETENCY

Basic Vocabulary and Reading

The Los Medanos College English as a Second Language (ESL) program infuses habits of mind – intelligent behaviors and thinking dispositions – and the LMC Institutional/General Education SLOs into our second language acquisition-oriented program student learning outcomes (PSLOs) to optimally help prepare students to meet their social and civic language needs and achieve their academic and career goals.

CERTIFICATE OF COMPETENCY

BASIC VOCABULARY AND READING

REQUIRED COURSES:		HOURS
ESLN-065VR	Basic Vocabulary and Reading Development 1	54
ESLN-075VR	Basic Vocabulary and Reading Development 2	54
TOTAL HOURS REQUIRED FOR THIS CERTIFICATE:		108

Competencies:

1. Strive to gain increasing ability to understand and accurately use vocabulary in context and on the new general service list (NGSL) and the new academic word list (NAWL).
2. Embrace having more to learn through reading inquiringly and critically and thinking flexibly about diverse, multi-genre texts at the precollege and college levels that connect you to multicultural, social and global ideas and issues.
3. Pay attention to recognize and self improve pronunciation difficulties, speech challenges, writing complications, listening complexities, and reading issues that may impede successful engagement and interaction, finding humor and responding with wonderment and awe to support your doing so.

COURSE DESCRIPTIONS**ESLN-065G Foundational Grammar for General Communication 1**

54 total hours
0 Units

ADVISORY: One year of English language instruction; level-appropriate placement by the ESL assessment process

This is the first in the two-course "Entering" stage of the LMC Non-credit ESL grammar for general communication instructional sequence. This foundational English for General Purposes (EGP) grammar course is designed to help beginning to high-beginning English language learners begin to understand and appropriately use a set of essential English language structures. Students learn through thinking, listening, reading, speaking, and writing activities that offer opportunities to learn grammar through social and situational contexts that are relevant to adult students' everyday lives and a variety of interests. Extensive exposure and practice are emphasized. This level one entering-stage grammar course is four levels below transfer and supports students progressing to the level two entering-stage grammar course, ESLN-075G. It is recommended that students concurrently enroll in the other level one entering-stage Noncredit ESL courses – ESLN-065W, ESLN-065VR, and ESLN-065PC – as offered in the schedule of classes. P/NP
LMC: NC

ESLN-065PC Essential Pronunciation and Conversation Skills 1

0 Units

ADVISORY: One year of English language instruction; level-appropriate placement by the ESL assessment process

This is the first in the two-course "Entering" stage of the LMC Noncredit ESL oral communication instructional sequence. This foundational English for General Purposes (EGP) course is designed to help non-native English speaking students develop aural acuity and oral intelligibility and confidence. Students will begin to learn about and practice general conversation skills and North American English pronunciation features such as voicing, aspiration, mouth and tongue position, intonation, stress, emphasis, rhythm, linking, vowels, consonants, syllables, thought groups, phonetics and spelling rules. Instructional emphasis is placed on focused awareness raising and practice of discrete sounds, connected speech patterns, and applied conversational use. This level one entering-stage pronunciation and conversation course is four levels below transfer and supports students progressing to the level two entering-stage pronunciation and conversation course, ESLN-075PC. It is recommended that students concurrently enroll in the other level one entering-stage Noncredit ESL courses – ESLN-065G, ESLN-065VR, and ESLN-065W – as offered in the schedule of classes. P/NP

ESLN-065VR Basic Vocabulary and Reading Development 1

54 total hours
0 Units

ADVISORY: One year of English language instruction; level-appropriate placement by the ESL assessment process

This is the first in the two-course "Entering" stage in the LMC Non-credit ESL vocabulary and reading instructional sequence. This foundational English for General Purposes (EGP) course focuses on helping non-native English speaking language students develop beginning to high-beginning basic and critical reading skills and strategies, as well as a useful and relevant English vocabulary base. Students will work with various authentic and adapted social and multicultural texts that range in length from a) short, multi-sentence paragraphs, to b) single-page pieces, and up to c) one-page, multi-paragraph articles. Students will also engage in extensive reading and read level-appropriate English language books and articles. Students will develop a vocabulary base and will learn vocabulary learning strategies, dictionary use, context clues, idioms, and word parts appropriate to developing a beginning to high-beginning level of English language proficiency. This level one entering-stage vocabulary and reading course is four levels below transfer and supports students progressing to the level two entering-stage vocabulary and reading course, ESLN-075VR. It is recommended that students concurrently enroll in the other level one entering-stage Noncredit ESL courses – ESLN-065G, ESLN-065W, and ESLN-065PC – as offered in the schedule of classes. P/NP

ADVISORY: ESLN-065 or level-appropriate placement by the ESL assessment process

This is the second in the two-course "Entering" stage of the LMC Non-credit ESL oral communication instructional sequence. This foundational English for General Purposes (EGP) course is designed to help non-native English speaking students continue to improve their aural acuity and oral intelligibility and confidence to a high-beginning to low-intermediate level of proficiency. Students will progress in learning about and practicing general conversation skills and North American English pronunciation features such as voicing, aspiration, mouth and tongue position, intonation, stress, emphasis, rhythm, linking, vowels, consonants, syllables, thought groups, and phonetic and spelling rules. Instructional emphasis is placed on focused awareness raising and practice of discrete sounds, connected speech patterns, and applied conversational use. This level two entering-stage pronunciation and conversation course is three levels below transfer. The completion of it and its level one counterpart ESLN-065PC, along with the other Noncredit ESL courses, serve as a bridge into the English for Academic Purposes (EAP) Credit ESL courses. It is recommended that students concurrently enroll in the other level two entering-level Noncredit ESL courses – ESLN-075G, ESLN-075VR, and ESLN-075W – as offered in the schedule of classes. P/NP

LMC: NC

ESLN-075VR Basic Vocabulary and Reading Development 2

54 total hours
0 Units

PREREQUISITE: Complete the English as a Second Language assessment process.

ADVISORY: ESLN-065VR or level-appropriate placement by the ESL assessment process

This is the second in the two-course "Entering" stage in the LMC Noncredit ESL vocabulary and reading instructional sequence. This foundational course focuses on helping non-native English speaking language students develop high-beginning to low-intermediate basic and critical reading skills and strategies, as well as an increased base of useful and relevant English vocabulary. Students work with various authentic and adapted social and multicultural texts that vary in length from two-page articles to one-page, multi-paragraph pieces. Students also engage in extensive reading, reading level-appropriate English language texts and books. Students continue to expand their vocabulary base and learn level-appropriate vocabulary learning strategies, dictionary use, context clues, idioms, and word parts. This level two entering-stage English for General Purposes (EGP) vocabulary and reading course is three levels below transfer. The completion of it and its level one counterpart ESLN-065VR, along with the other Noncredit ESL courses, serve as a bridge into the English for Academic Purposes (EAP) Credit ESL courses. It is recommended that students concurrently enroll in the other level two entering-level Noncredit ESL courses – ESLN-075G, ESLN-075W, and ESLN-075CP – as offered in the schedule of classes. P/NP

Fire Technology

DEGREE—Associate of Science

Fire Technology

CERTIFICATE OF ACHIEVEMENT

Fire Technology

Fire Academy

COLLEGE SKILLS CERTIFICATE

Basic Fire Academy

Fire Prevention

Fire Protection

Los Medanos College offers a degree and certificates including Basic Fire Academy. The programs are designed to provide educational opportunities for persons who are seeking employment or advancement in public or private fire protection agencies as well as persons who are pursuing a higher degree in fire administration or fire protection engineering.

ASSOCIATE OF SCIENCE AND CERTIFICATE OF ACHIEVEMENT

FIRE TECHNOLOGY

For the Associate of Science Degree in Fire Technology, complete the coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan.

REQUIRED COURSES:		UNITS
FIRE-101	Fire Protection Organization	3
FIRE-102	Fire Behavior and Combustion	3
FIRE-103	Fire Protection Equipment & Systems	3
FIRE-104	Building Construction for Fire Protection	3
FIRE-105	Fire Prevention	3
FIRE-107	Firefighter Safety and Survival	3
TOTAL UNITS		18

ELECTIVES: COMPLETE A TOTAL OF 6 UNITS FROM THE LIST BELOW:

FIRE-106	Physical Fitness for Public Safety Personnel	1
FIRE-170	OCC Work Experience	1-4
EMS-010	Emergency Medical Technician	8
EMS-004	First Aid/CPR	1
BUS-086	Medical Terminology	3
SPCH-110	Speech Communication	3
PHIL-110	Critical Thinking	3
TOTAL UNITS		6

TOTAL UNITS FOR THE MAJOR **24**

TOTAL UNITS FOR THE DEGREE **60**

Program Student Learning Outcomes

1. Be academically prepared to demonstrate the skills necessary for entry-level positions in the Fire Service.
2. Apply critical thinking to research, evaluate, analyze and synthesize Fire Service information.
3. Demonstrate through written and oral communication skills a broad knowledge of Fire technology as it applies to a career in the Fire Service.
4. Explain and interpret Fire Service Terminology.
5. Demonstrate the skills and mechanical knowledge of Fire Service tools and equipment.

CERTIFICATE OF ACHIEVEMENT

FIRE ACADEMY

The Basic Fire Academy program prepares students for the California State Firefighter I Certificate. Prerequisites for the Basic Fire Academy include: 1.Successful completion (C grade or better) in Fire 101 and Fire 107, 2.a positive evaluation (sports physical) from an approved medical facility, 3. satisfactory score on the Candidate Physical Agility Test (CPAT) or successful completion of Fire 106 and 4.Proof of medical insurance

REQUIRED COURSES: FIRST SEMESTER		UNITS
FIRE-101	Fire Protection Organization	3
FIRE-102	Fire Behavior & Combustion	3
FIRE-106	Physical Fitness for Public Safety Personnel	1

SECOND SEMESTER:		UNITS
FIRE-120	Basic Fire Academy	15
TOTAL UNITS FOR THIS CERTIFICATE		22

Program Student Learning Outcomes

1. Be academically prepared to demonstrate the skills necessary for entry-level positions in the Fire Service.
2. Demonstrate through written and oral communication skills a broad knowledge of fire technology as it applies to a career in the Fire Service.
3. Demonstrate the skills and mechanical knowledge of Fire Service tools and equipment.

COLLEGE SKILLS CERTIFICATES

FIRE TECHNOLOGY

For the College Skills Certificate in Fire Prevention, or Fire Protection, complete the 15 units of coursework listed below. These skills certificates are in support of those students wishing to direct their efforts in seeking employment or advancement in a specific division within the fire service.

Basic Fire Academy

REQUIRED COURSES:	UNITS
FIRE-120 Basic Fire Academy	16
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	16

Program Student Learning Outcomes

1. Be academically prepared to demonstrate the skills necessary for entry-level positions in the Fire Service.
2. Demonstrate through written and oral communication skills a broad knowledge of fire technology as it applies to a career in the Fire Service.
3. Demonstrate the skills and mechanical knowledge of Fire Service tools and equipment.

Fire Prevention Skills

REQUIRED COURSES:	UNITS
FIRE-103 Fire Protection Systems	3
FIRE-104 Building Construction Fire	3
FIRE-105 Fire Prevention	3

SELECT 6 UNITS FROM THE FOLLOWING:

FIRE-101 Fire Protection Organization	3
FIRE-102 Fire Behavior	3
FIRE-107 Firefighter Safety and Survival	3
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	15

Program Student Learning Outcomes

1. Apply critical thinking to research, evaluate, analyze and synthesize Fire Service information.
2. Demonstrate through written and oral communication skills a broad knowledge of fire technology as it applies to a career in the Fire Service.

Fire Protection

REQUIRED COURSES:	UNITS
FIRE-101 Fire Protection Organization	3
FIRE-102 Fire Behavior	3
FIRE-107 Firefighter Safety	3

SELECT 6 UNITS FROM THE FOLLOWING:

FIRE-103 Fire Protection Systems	3
FIRE-104 Building Construction Fire	3
FIRE-105 Fire Prevention	3
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE	15

Program Student Learning Outcomes

1. Be academically prepared to demonstrate the skills necessary for entry-level positions in the Fire Service.
2. Apply critical thinking to research, evaluate, analyze and synthesize Fire Service information.
3. Demonstrate through written and oral communication skills a broad knowledge of Fire technology as it applies to a career in the Fire Service.

COURSE DESCRIPTIONS

FIRE-098 Independent Study in Fire Technology

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

FIRE-101 Fire Protection Organization

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-095

Survey of career opportunities in California Fire and Emergency Management Services and related fields. This is the basic core class within the fire technology program. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-102 Fire Behavior and Combustion

54 total hours lecture

3 Units

ADVISORY: FIRE-101; eligibility for ENGL-095

Fundamentals and scientific principles of fire behavior, combustible materials, extinguishing agents, hazardous and toxin materials, forms of energy and fire prevention/suppression techniques of all types of fires. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-103 Fire Protection Equipment and Systems

54 total hours lecture

3 Units

ADVISORY: FIRE-101 and FIRE-102; eligibility for ENGL-095

An overview of fire protection equipment and systems includes portable fire extinguishing equipment; protection systems; special hazards, sprinkler systems and fire detection systems. Fire Protection systems are continually changing due to technology and different types of occupancies need different types of fire protection. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-104 Building Construction Related to the Fire Service

54 total hours lecture
3 Units

ADVISORY: FIRE-101 and 103; eligibility for ENGL-095

This course covers fundamentals of building construction as it relates to fire protection. Classification of occupancy and types of construction with an emphasis on fire protection features including building equipment, facilities, and fire resistant materials. This course is required for Public Safety majors at CSUs. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-105 Fundamentals of Fire Prevention

54 total hours lecture
3 Units

ADVISORY: FIRE-101 and FIRE-102; eligibility for ENGL-095

An overview of the history, organization and functions of fire prevention efforts includes inspection; fire investigation; recognizing and solving fire and life hazards; enforcing solutions and public relations. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-106 Physical Fitness for Public Safety Personnel

54 total hours of activity
1 Unit

This course prepares students for the physical demands of a public safety career and prepares them for the entry level physical agility exam. Students are introduced to the tools and proper procedures for the physical requirements public safety positions require including carrying, lifting, climbing, and pulling equipment as well as proper physical rescue techniques. Also included are aerobic workouts designed to improve cardiovascular endurance, strength training and flexibility. May not be repeated. SC

LMC: DA

TRANSFER: CSU

FIRE-107 Firefighter Safety and Survival

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-095

This course is designed for those seeking entry into, as well as those professionally employed in the fire service. This course is required by the California State Fire Training and Fire and Emergency Services Higher Education (FESHE) as it covers key topics to keep fire fighters safe in the course of their job. Topics include assessing fire dangers and handling common fire situations in the home and in the work place; risk abatement and personal preparation for unforeseen fire emergencies; and roles and responsibilities in educating the public on fire safety. May not be repeated. LR

LMC: DA

TRANSFER: CSU

FIRE-120 Firefighter 1 Academy

228 total hours lecture, 180 total hours lab
16 Units

PREREQUISITE: Satisfactory completion of Fire 101 and Fire 102 or equivalent. Satisfactory completion of an Emergency Medical Technician training program including Current NREMT or California State EMT license or certification. Satisfactory completion of Fire 106 or satisfactory completion of the Candidate Physical Ability Test (CPAT) or valid equivalents. Successful clearance of standard medical physical exam within 6 months prior to the Fire academy. Fire Cadets are required to carry their own medical insurance.

ADVISORY: ENGL-095

Los Medanos College's Firefighter 1 Academy prepares students (cadets) for entry-level jobs in firefighting careers. This course provides the minimum level of training required by the California State Fire Marshall and prepares the cadet for jobs serving as volunteer, reserve and career Firefighters. Los Medanos College's Firefighter 1 academy also leads toward California State Firefighter 1 Certification track. The California State Firefighter 1 curriculum, guidelines and assessments are closely followed and delivered throughout this academy. Standards of performance in written exams and skill demonstrations are established by The Office of the State Fire Marshall utilizing IFSAC (International Fire Service Accreditation Congress) and Pro-Board Fire professional qualification system testing standards. The firefighter 1 academy offered at Los Medanos College is fully accredited by the California State Fire Marshal and the California State Board of Fire Services. There is a mandatory orientation required for this course. Mandatory fees apply for State Certificates issued and for capstone testing and other activities during the Firefighter 1 Academy. May not be repeated. LR

LMC: DA

TRANSFER: CSU

FIRE-121 Firefighter 1 Capstone Skills Certification Testing

5 total hours lecture, 45 total hours lab
1 Unit

PREREQUISITE: FIRE-120 (Firefighter 1 Academy)/ Firefighter 1 Academy offered by an ALA (approved local Fire Academy) , ARTP (Approved Regional Training Program) or a letter signed by a FIRE Chief or designee asserting that the student has completed all the Firefighter 1 skills successfully per California State Fire Marshall Firefighter 1 Curriculum of 2013

FIRE-121 prepares the student/fire cadet with the skills and knowledge necessary to attempt the IFSAC and Pro-Board Firefighter 1 (FF1) national certification exams. Upon successful completion, students will receive a satisfactory certificate of completion given by State Fire Training. Successful completion of this class and the certification exams allow the students/cadets to start working towards the State of California Firefighter 1 certification. *There are Mandatory Fees associated with this course that are required by the California State Fire Marshall for certification testing. May not be repeated. P/NP

LMC: NDA

TRANSFER: CSU

FIRE-123 Company Officer 2A: Human Resource Management

40 total hours lecture
2 Units

ADVISORY: Meet the educational requirements for State Fire Marshall Firefighter II

This course provides information on the use of human resources to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene. This course has mandatory material fees. Fees may range from \$10 - \$40. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

FIRE-124 Company Officer 2B: General Administration Functions

20 total hours lecture
1 Unit

ADVISORY: Meet the educational requirements for State Fire Marshall Firefighter II

This course provides information on general administrative functions, the implementation of department policies and procedures, and addresses conveying the fire department's role, image, and mission to the public. This course is one of five core courses required in the California State Fire Training Company Officer Certification. This course has mandatory material fees that range from \$10-\$40 dollars. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

FIRE-125 Company Officer 2C: Fire Inspections and Investigations

40 total hours lecture
2 Units

ADVISORY: Meet the educational requirements for State Fire Marshall Firefighter II

This course provides information on conducting inspections, identifying hazards and addressing violations, following a local, federal set of ordinances and fire codes where applicable. A simulated fire investigation to determine preliminary cause and securing the incident scene and preserving evidence. This course is one of five core courses required in the California State Fire Training Company Officer Certification. This course has mandatory material fees that range from \$10-\$40 dollars. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

FIRE-126 Company Officer 2D: All Risk Command Operations

40 total hours lecture
2 Units

ADVISORY: Must meet the educational requirements for Fire Fighter II as stated in the California State Fire Training certification process. As well as ICS-200.B: ICS for single resources and initial action incidents and Hazardous Material Incident Commander (as offered by the California Specialized Training Institute or equivalent)

This course provides information on conducting incident size-up, developing and implementing an initial plan of action involving single and multi-unit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting pre-incident planning, and develop a post-incident analysis. This course has mandatory material fees that range from \$10-\$40 dollars. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

**FIRE-127 Company Officer 2E: Wildland
Incident Operations**

40 total hours lecture
2 Units

ADVISORY: Must complete or provide copy of S-290 Intermediate Fire Behavior Certificate (classroom delivery only) as well as meet the educational requirements for Fire Fighter II as stated in the California State Fire Training certification process.

This course provides information on evaluating and reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources, completing all operations to suppress a wildland fire, establishing an incident command post, creating an incident action plan, and completing incident records and reports. This course is one of five core courses required in the California State Fire Training Company Officer Certification. This course has mandatory material fees that range from \$10-\$40 dollars. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

FIRE-130 Advanced Fire Academy

198 total hours lecture, 442 total hours lab
19 Units

PREREQUISITE: Employment as a firefighter in a Contra Costa County Fire District or a total of 9 units from FIRE-101, 102, 103, 104, 105, or 106; satisfactory score on the Candidate Physical Agility Test (CPAT) or equivalent; meet National Fire Protection Association (NFPA) 1582 medical assessment; current Emergency Medical Technician (EMT) certification.

The Advanced Firefighter I Academy prepares students for entry-level jobs in firefighting and for California State Firefighter I certification. The California State Firefighter I curriculum, guidelines and assessments are followed throughout the program. Standards of performance in written exams and skill demonstrations are established by the International Fire Service Training Association (IFSTA) and local fire agencies. This academy is approximately 16 weeks in length and uses a Monday-Friday, 40 hour per week schedule. Accredited by the Office of the California State Fire Marshal. May not be repeated. P/NP

TRANSFER: CSU

**FIRE-170 Occupational Work Experience
Education in Fire Technology**

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

FIRE-180 Internship in Fire Technology

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. History

DEGREE—Associate in Arts for Transfer Degree

History

The Associate in Arts in History for Transfer is designed to prepare students for successful transfer into upper division university programs with the objective of earning baccalaureate degrees with a history emphasis.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES: (6 UNITS)		UNITS
HIST-029	United States History Until 1865	3

TOTAL UNITS FOR THE MAJOR		18-20
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Demonstrate the ability to analyze, evaluate, and synthesize historical data into independent interpretations.
2. Understand and value the importance of diverse perspectives in history
3. Analyze the cause and effects of historical events.
4. Organize and express their thoughts clearly and coherently in both oral and written formats.

COURSE DESCRIPTIONS**HIST-029 United States History until 1865**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This course examines the social, cultural, political, and economic history of North America from the era of European colonization to the Civil War. Particular emphasis will be placed on understanding how race, class, gender, and sexuality intersected with ideas about power. The course will present a multicultural history of the United States by examining the experiences of Native Americans, African-Americans, Euro-Americans, Hispanic-Americans and their contributions to U.S. history. The origins, nature, and impact of the U.S. Constitution on U.S. history before 1865 including the political philosophy of the framers, the operation of political institutions, and the rights and obligations of citizens will also be covered. May not be repeated. SC

ADVISORY: Eligibility for ENGL-100

An introduction to the idea and practice of history as a distinctive mode of human knowledge. Accepting that among nature's organisms only humans have and need history, and that history itself may be regarded as a "true story about the human past," this course will study historians who have contributed significantly to the 2500-year-old development of history as an ever-evolving tradition of human self-understanding. The course will proceed chronologically, critically, typologically and comparatively. It will focus on the lived contexts, representative texts and enduring legacies of selected historians. The completion of HIST-033 partially satisfies the requirement for a lower division history major. May not be repeated. SC

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This course will examine contemporary U.S history from World War II to the present. From a socially inclusive, trans-cultural and trans-national perspective students will critically evaluate the historical implication of U.S. cultural hegemony and imperial preeminence over other world nations and people. The course will address problems as follows: With reference to our national past, to what extent is our current, hegemony continuous or discontinuous with the "nationalism" of earlier generations? Since contemporary American ideology claims a special role for the "American System" in the building of a universal order of "liberal-capitalist democracy" to what extent is this claim compatible with or inimical to the real prospects for world democracy in the 21st century? "Cultural wars," "global warming," "terrorist rivalries" and extreme materialism are the signature issues of late modernity. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA**TRANSFER:** UC; CSU Gen. Ed. Area C2, D; IGETC Area 4F**HIST-039 Ancient World History: Peoples and Their Governance until 1500 C.E.**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

An introduction to the ancient history of world peoples, beginning with nature's ancestry in a "Big Bang" universe and extending to the fateful era of "Columbian Exchange." Topics covered are periods and patterns of human life as it develops from conditions of resource foraging (Paleolithic cultures); toward resource cultivation (Agrarian cultures); and culminating with intensified resource extraction sufficient to sustaining an interlinked "Civilization" way-of-life (modern urban-market cultures). May not be repeated. SC

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This survey course covers the history of Native American peoples from their origins to the period of removal 1838 by the United States government. The focus of this course will be on the diversity of Native American cultures, socially, geographically, politically, economically, architecturally, and spiritually. Particular focus will be on cultural and religious conversion of Native Americans, often times willingly as a means of survival, but most often forced upon them by European newcomers; colonization by the Spanish, French and English; autonomy; diplomacy and warfare; trade and exchange networks; the ethical impact of U.S. policy removal, and Native American response and resistance movements; and the historical perspective of the "savage" stereotype and efforts to "Christianize and civilize" Native Americans. May not be repeated. SC

HIST-056 History of American Women to 1877

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course examines the history of American women from the era of European colonization in the 16th century until the end of Reconstruction in 1877. The course is particularly concerned with understanding how the cultural construction of gender influenced women's lives in various times and places. Attention will be given to cross-cultural gendered encounters between European, Native American, African, and Hispanic peoples and understanding how gender intersects with other hierarchies of power, such as race, class, and sexuality. The course explores how social, political, economic, and cultural factors influenced women's experiences, and it also examines the impact of the U.S. and California Constitutions and the activities of federal, state, and local governments on the lives of women in the United States. May not be repeated. LR

HUMAN-024 Shakespeare's English Kings

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

An integrated, interdisciplinary approach to history, literature and drama through the study of Shakespeare's plays based on the Plantagenet kings from Edward III to Richard III, and focusing on English history from 1337 to 1485. This dynamic period of international war, dynastic struggle and regicide chronicles England's evolution from a medieval kingdom to a modern nation. The events of history will be investigated in light of Shakespeare's artistic license with that history in crafting popular dramas. Students will address Shakespearean language, dramaturgy, issues of staging and performance, as well as the political and cultural conditions of England during the period covered by the play as well as Shakespeare's era that shape the plays. Meets Humanities requirements for general education and CSU Humanities Area C2. May not be repeated. LR

Same as ART-035. This class presents an integrated, interdisciplinary approach to aspects of Mesoamerican culture and civilization through art and history. In this broad context, students will investigate the intellectual, spiritual, cultural and political foundations of Mesoamerican culture. Students will also investigate the creative process of modern and contemporary Mesoamerican artists as well as reflect on and integrate these investigations into their own creative coursework and projects. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3B

HUMAN-050 Hip Hop Culture: An American Phenomenon

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

This broad-based interdisciplinary course addresses aspects of Hip Hop culture, including its history, philosophy, art, literature, dance and music that has created a culture and identity for American (and international) youth in all its diversity. The sheer volume of multi-ethnic, multilingual, interracial and cross class integration that Hip Hop culture has generated in the last forty years is matched by very few cultural phenomena in the history of this nation. Elements of Hip Hop have touched nearly every sector of our national culture, as well as they have reached into other continents. In light of this, it is imperative to examine the origins and evolution of Hip Hop in the US as a means of understanding its influence on contemporary national dialogues about race, gender, sexuality, class, politics and religion. Accordingly, this course, will explore the relationship of Hip Hop to contemporary social and political discourses by charting its history in the United States from the post-World War II era into the early twenty-first century – approximately 1968 to present.

May not be repeated. SC

Journalism

DEGREE—Associate of Arts

Journalism

DEGREE—Associate in Arts for Transfer Degree

Journalism

This two year program of study leads to transfer to a four year college where students can continue their education and pursue a journalism or communication major. It can also prepare students desiring a more immediate entry into the work force for an entry level position with a community newspaper or other media organization.

For students following either pathway, the program provides practical training for careers in print and online journalism, broadcasting, advertising and public relations. The required courses for the major are listed below in a recommended sequence.

For the Associate of Art Degree in Journalism, complete 21 units of coursework listed below as well as the General Education and graduation requirements. Consult a Los Medanos College counselor to develop your education plan.

ASSOCIATE OF ARTS

Or other related courses approved by Journalism Department Chair

Program Student Learning Outcomes

1. Be academically prepared to transfer to a journalism program at a four-year university or to obtain an entry-level job in journalism or a related field.
2. Demonstrate the knowledge, attitudes and skills necessary for careers in journalism and related fields.
3. Possess a portfolio of published work suitable for internship/job applications and interviews.

ASSOCIATE IN ARTS

JOURNALISM FOR TRANSFER DEGREE

The Associate in Arts in Journalism for Transfer prepares students to practice and champion freedom of the press on their journey to a four-year degree at a California State University. They will learn to gather, interpret, report, edit and present news and information with skill, responsibility, ethics, courage and social consciousness in an evolving media world. Career options for this field of study include reporter, columnist, copy editor, photojournalist, videographer, news designer, editor for the print, broadcast and online news and information media; public information officer; advertising copywriter; public relations professional.

The Journalism AA-T requires 18 units of lower division work in Journalism and supporting electives, in addition to the California State University General Education transfer package of coursework (CSU GE Breadth or IGETC). Major preparation includes courses in Mass Communication, Writing for the Media, Media Production and Photojournalism. Electives supporting the major may be selected from a list of options that includes courses in anthropology, art, economics, English, math, philosophy, political science, sociology and speech (see accompanying requirements listing).

Students completing an AA-T are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that accepts the degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a university or college that is not part of the CSU system, or those students who do not intend to transfer.

Students who plan to transfer to a UC, a private college or university, or an out-of-state institution should consult with an academic counselor about the best lower-division preparation for them. Students who plan to look for an entry-level job in journalism or a related field right after earning their degree from LMC should instead complete the regular A.A. in Journalism. Students interested in a more traditional degree in Communication Studies with an emphasis in journalism should also review the Los Medanos College AA-T in Communication Studies.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES: 9 UNITS

JOURN-100	Mass Communication	3
JOURN-110	Writing for the Media	3
JOURN-130	Media Production: Practicum I	3

LIST A (COURSES SUPPORTING THE CORE): 3 UNITS

JOURN-131	Media Production: Practicum II	3

3 Units

PREREQUISITE: JOURN-131

ADVISORY: Eligibility for ENGL-100

Advanced media production skills and practices for students interested in pursuing careers in the news and information media, and other related fields such as advertising and public relations. The course also addresses communication law and ethics, and requires weekly laboratory work on the college newspaper, online news site, and/or magazine. May not be repeated. SC

LMC: DA

TRANSFER: CSU

JOURN-160 Photojournalism

36 total hours lecture, 54 total hours lab

3 Units

ADVISORY: ART-072 or ART-074 or concurrent enrollment or completion of any other journalism class

Same as ART-075. This course deals with the photographer as a journalist, focusing on theory and practice in press and publications photography, with emphasis on using the camera as a reporting and communications tool. Covered are news and feature photography and photographic essays, including composition, impact, and creativity, for newspapers, magazines, Internet and other mass communications media. The course includes a background in the history, ethics and aesthetics of the documentary still photograph. Students will complete successive and cumulative exercises and projects based on current industry standards and expectations, including photographic assignments, exercises, quizzes as well as participate in class discussions and critiques. May not be repeated. SC

JOURN-170 Occupational Work Experience Education in Journalism

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

JOURN-180 Internship in Journalism

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Kinesiology

DEGREE—Associate in Arts Degree for Transfer  Associate Degree
for Transfer™
Kinesiology

The Associate in Arts in Kinesiology for Transfer at Los Medanos College prepares students to transfer into a curriculum at a 4-year institution to pursue a baccalaureate degree in kinesiology or physical education. This major will introduce students to many areas of study including health and fitness, physical education, therapeutic/sport medicine, and coaching/sport instruction. Curriculum in this degree will also provide coursework necessary to prepare students for national certifications in the health/fitness industry such as personal training, group fitness instructor, and lifestyle/weight management consultant.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

Kinesiology majors have careers in:

- Sports medicine
- Cardiac rehabilitation
- Biomechanics
- Physical therapy
- Occupational therapy
- Ergonomics
- Athletic administration
- Sports broadcasting
- Exercise physiology
- Sports psychology
- Coaching
- Sports officiating

REQUIRED CORE COURSES:		UNITS
PE-100	Introduction to Kinesiology	3
BIOSC-040	Human Anatomy	5
BIOSC-045	Human Physiology	5

MOVEMENT BASED COURSES – (3 UNITS):

SELECT A MAXIMUM OF ONE(1) COURSE FROM ANY THREE (3) OF THE FOLLOWING AREAS FOR A MINIMUM OF THREE (3) UNITS.

Combative

PE-033	Cardio Kickboxing	1
--------	-------------------	---

Dance

PE-053	Beginning Jazz Dance	1
--------	----------------------	---

Fitness

PE-004A	Beginning Pilates	1
PE-008A	Beginning Weight Training	1
PE-010A	Beginning Circuit Training	1
PE-057A	Beginning Yoga for Health and Fitness	1

Individual Sports

PE-030	Tennis	1
PE-042	Golf	1

Team Sports

PE-014A	Beginning Volleyball	1
PE-026A	Beginning Soccer	1
PE-046A	Beginning Basketball	1

LIST A: SELECT TWO (2) OF THE FOLLOWING: (6-10 UNITS)

MATH-034	Introduction to Statistics	4
BIOSC-010	General Biology	4
CHEM-007	Intro to General, Organic and Biochemistry	4
or		
CHEM-025	General College Chemistry	5
PHYS-015	Introduction to Physics	4
or		
PHYS-035	College Physics I	4

TOTAL UNITS FOR THE MAJOR **24-25**

TOTAL UNITS FOR THE DEGREE **60**

Program Student Learning Outcomes

1. Demonstrate an understanding of the historical, ethical, and philosophical foundations of kinesiology.
2. Demonstrate knowledge of the relationship between physical activity and the conceptual foundations of kinesiology.
3. Identify career and/or educational options in kinesiology/physical education, and formulate an action plan to successfully pursue and attain those options.
4. Utilize critical thinking skills to identify research methods and apply them in an evaluative process to draw conclusions.

For Physical Education courses see page 223.

Leadership and Community Involvement

Leadership and community involvement courses are designed to provide students with the opportunity to further develop their leadership and community engagement skills and abilities. Courses may focus on general leadership development or more specialized education for leadership and community involvement in specific types of organizations, or with specific types of issues.

COURSE DESCRIPTIONS

LACI-045 Student Leadership and Governance

18 total hours lecture, 54 total hours lab
2 Units

This course is designed to help student leaders develop the fundamentals of leadership and group interaction in a student governance setting at Los Medanos College. The course content will cover the Los Medanos College governance structure, Robert's Rules of Order (parliamentary procedure) and Brown Act, policies and procedures related to student organizations, as well as skills for running successful organizations and events. May not be repeated. SC

LMC: DA

TRANSFER: CSU

LACI-048 Leadership for Change

36 total hours lecture
2 Units

This course is an introductory class to student leadership topics and strategies for social change. This course is designed to support students in their current and future leadership roles by increasing their ability to identify challenges and issues in their organizations and world, and to work in groups to develop strategies for change and improvement. Students will engage in multiple styles of learning (ie. lecture, discussion, activities) to develop an understanding of a variety of leadership models and skills. The course will culminate in the creation of student designed Social Change Projects. May not be repeated. SC

LMC: DA

TRANSFER: CSU

LACI-049 Social Justice Leadership Seminar

18 total hours lecture
1 Unit

ADVISORY: This class is designed for students involved in Learning Communities (Puente, Umoja, TPLC, etc.)

The Social Justice Leadership Seminar is a course focused on student leadership topics and social justice issues. It is designed as an introductory course to social identities, privilege, and oppression and how they are manifested on individual, group, and community levels. The class explores the multiple social identities of individuals (ie. race, gender, class status, etc.), various forms of privilege and oppression related to these identities, and the impact of privilege and oppression on our lives and our society. Students engage in multiple styles of learning experiences (ie. lecture, discussion, activities, and written reflection) to develop an understanding of these barriers and obstacles to social justice for individuals and groups. May not be repeated. SC

LMC: DA

TRANSFER: CSU

LACI-098 Independent Study in Human Services

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

LACI-170 Occupational Work Experience Education in Human Services

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. LMC: DA

TRANSFER: CSU

LACI-170B Cooperative Work Experience Internship in Community Service

60-450 total hours
1-8 Units

PREREQUISITE: Approved Application/ LACI-049 Social Justice Seminar

ADVISORY: Eligibility for ENGL-095

This course is for students who have a background and interest in engaging in a community service internship in the far east Contra Costa County area. This course is designed to serve as an application of the social justice topics, work and individually cultivated ideals presented in the pre-requisite course LACI-Social Justice Seminar. Students will have an opportunity to work in the community on issues of social justice through internship work with local non-profit organizations. This course will specifically focus on providing social, health and educational support services. Community service internships provide students with opportunities to engage in the process of achieving social justice and equity through the direct work with the local community in order to develop a deeper intercultural awareness, competency and understanding of social justice issues on a micro level project. They will also develop marketable skills in preparation for employment or advancement within their current job. To participate in the community service internship students must complete the LACI-Social Justice Seminar. Students, with faculty and employer/non-profit supervisor approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of sixteen units of general work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

Learning Skills

COURSE DESCRIPTIONS

LRNSK-050 Multimodal Strategies for Reading and Spelling

54 total hours lecture, 18 total hours lab
3 Units

This course is the first in a two-semester sequence of courses and is designed for students with learning disabilities and those who need to improve their study skills in basic skills in reading, spelling, writing sentences, paragraphs. The focus is on learning strategies to develop the fundamental skills of reading and spelling. Instruction is based on a multimodal approach. May not be repeated. SC

LMC: NDA

LRNSK-081 Learning Skills Math Reasoning and Strategies I

27 total hours lecture, 27 total hours lab
2 units

This self-paced math strategies course is designed for students with disabilities which impact math learning and retention. Each student will be assessed at the beginning of the course and will be provided specialized math instruction and individualized strategies based on the results of the assessment. The topics of learning styles, strategies to maximize your personal learning strengths, strategies for learning basic math concepts including whole number skills, addition, subtraction, multiplication, division, and context based arithmetic problems are covered. Students will develop individualized strategies for learning basic math concepts. Learning Skills 81 is the first of two self-paced courses designed for students with disabilities that impacts math learning. May not be repeated. SC

LMC: NDA

LRNSK-082 Learning Skills Math Reasoning and Strategies II

27 total hours lecture, 27 total hours lab
2 Units

ADVISORY: LRNSK-081 and/or knowledge of place value, multiplication, and division skills and strategies

This self-paced math strategies course is designed for students with disabilities which impact math learning and retention. Each student will be assessed at the beginning of the course and will be provided specialized math instruction and individualized strategies based on the results of the assessment. The topics of learning styles, strategies to maximize your personal learning strengths, strategies for learning basic math concepts including fractions, decimals, percents, estimating, and context based arithmetic problems are covered. Students will develop individualized strategies for learning basic math concepts. Learning Skills 82 is the second of two self-paced courses designed for students with disabilities which impact math learning. May not be repeated. SC

DA varies with course content.

Liberal Arts

DEGREES—Associate of Arts

Liberal Arts: Arts and Humanities
 Liberal Arts: Behavioral Science and Social Sciences
 Liberal Arts: Math and Science

The liberal arts major provides a rich educational experience through coursework in a broad range of academic disciplines. Liberal arts provide excellent preparation for university transfer and/or a wide range of careers.

Students graduating with a liberal arts major are able to: read critically and communicate effectively as a writer and a speaker; understand the connections among academic disciplines and apply interdisciplinary approaches to problem solving; think critically and creatively; consider the ethical implications of knowledge; and possess a worldview informed by diverse social, multicultural and global perspectives.

Therefore, the broad based interdisciplinary nature of liberal arts provides a knowledge base and the communication and critical thinking skills necessary for many careers and occupations. The liberal arts major provides solid preparation for upper division work following transfer more specifically, for university programs in teaching and prelaw and for careers such as business, government and communication. With proper course selection (see a counselor), LMC's liberal arts major articulates with CSU's popular upper division liberal studies major, which is the path to a teaching credential program.

The Liberal Arts major incorporates many General Education requirements, so students need only to pass a few additional courses in order to complete the major. The major has three emphasis options: arts and humanities; behavioral science and social science; math and science.

Program Student Learning Outcomes

Associate of Science

1. Differentiate the different components of management and the necessary skills, including human resources, supervision, legal, ethical, social responsibilities of management.
2. Respond to critical problems faced by managers and supervisors in a diverse workplace.
3. Demonstrate the technical, problem solving, and soft skills needed of managers and supervisors.
4. Utilize effective communication skills in intercultural environments.

Certificate of Achievement

1. Utilize effective communication skills in intercultural environments.
2. Lead and motivate teams and complete projects.
3. Summarize measures that can be taken by individuals and organizations to respond to issues in the workplace, including legal, personnel, ethical and social.

COURSE DESCRIPTIONS

MANGT-050 Introduction to Supervision

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course presents a practical overview of supervision and management concepts, processes, theories, and techniques. It covers the role of the front-line manager in complying with human resource issues, obtaining successful employee relations and staff productivity, and contributing to the overall success to the organization. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MANGT-060 Making Effective Decisions

54 total hours lecture
3 Units

ADVISORY: MANGT-050; eligibility for ENGL-100

This course encompasses three skill areas of decision-making/problem-solving and their impact: Skills for effective and timely decision-making, skills for obtaining buy-in to implement change, and skills for ensuring organizational performance accountability. Each of these skill areas is approached practically. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MANGT-065 Mastering Management's Essential Tools

54 total hours lecture
3 Units

ADVISORY: MANGT-050; eligibility for ENGL-100

This course focuses on three distinct aspects of management tools essential in the workplace: organizational planning, total quality management, and time management. Organizational planning incorporates those essential tasks necessary for a successful business operation. A number of planning methods are explored, allowing for diversity in plan development. An introduction to the concepts surrounding total quality management including, contrasting traditional management concepts with that of total quality management; work teams and the techniques and processes utilized-communication, response, adaptation and coordination in teams. This course will assist supervisors and managers in being more effective in dealing with the demands of the modern workplace. Emphasis is placed on dealing with the time management and stress reduction. May not be repeated. SC

LMC: DA

MANGT-070 Relating in Human Terms

54 total hours lecture
3 Units

ADVISORY: MANGT-050; eligibility for ENGL-100

This course analyzes aspects of human relations in supervisory positions: conflict, team development, cultural diversity, leadership development, and etiquette in the modern workplace. Local and global perspectives are discussed as they relate to the business environment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MANGT-075 Managing Human Resources

1. Preparation and mathematical maturity: Be prepared for the mathematical or statistical reasoning required in upper division work in their major, including the ability to generalize mathematical concepts and comprehend increasing levels of mathematical abstraction.
2. Mathematical literacy: Communicate using mathematics:
 - a. Read with comprehension documents having mathematical content and participate cogently in discussions involving mathematics;
 - b. Clearly articulate mathematical information accurately and effectively, using a form, structure and style that suit the purpose (including written and face-to-face presentation).
3. Problem-solving ability:
 - a. Reason with and apply mathematical concepts, principles and methods to solve problems or analyze scenarios in real-world contexts relevant to their major;
 - b. Use technology effectively to analyze situations and solve problems;
 - c. Estimate and check answers to mathematical problems in order to determine reasonableness, identify alternatives, and select optimal results.
4. Modeling ability:
 - a. Construct and interpret mathematical models using numerical, graphical, symbolic and verbal representations with the help of technology where appropriate in order to draw conclusions or make predictions;
 - b. Recognize and describe the limits of mathematical and statistical methods.
5. Effective learning skills:
 - a. Independently acquire further mathematical knowledge without guidance, take responsibility for their own learning, determine appropriateness and correctness of their own work and function effectively in different learning environments.
 - b. Succeed in different learning environments, particularly in a group setting of working collaboratively with others.

COURSE DESCRIPTIONS

MATH-012 Prealgebra

54 total hours lecture, 54 total lab hours by arrangement
4 Units

MATH-012 is a four-unit lecture/lab prealgebra course designed to provide students with the background skills and knowledge in preparation for the study of elementary algebra. In MATH-012 students will demonstrate mastery with arithmetic involving integers, signed fractions, and signed decimals, with basic proportions and percents, as well as the order of operations, exponents and solving linear equations. Students will become proficient in the application and use of calculators, estimation, arithmetic, proportional reasoning and percents, as well as multi-pronged representations including use of equations, tables, and graphs. Applications will include introductory topics from algebra, geometry, and descriptive statistics. Students will develop proficient skills in communication of mathematics, problem solving, use of multiple representations, and effective learning skills (such as self-assessment, goal-setting, and using resources). May not be repeated. SC

LMC: NDA

MATH-025 Elementary Algebra

72 total hours lecture, 36 total hours lab, 18 total lab hours by arrangement
5 Units

ADVISORY: Pre-Algebra or proficiency solving proportions, calculating with decimals, fractions and negative numbers

A five-unit introductory algebra course that focuses on the study of linear equations, systems of linear equations, and quadratic equations. Linear equations and systems of linear equations are constructed from information given in tabular, graphical and symbolic forms in real-world settings and these models are used to make decisions or predictions. Quadratic equations are solved using symbolic methods, such as factoring or the quadratic formula, as well as tables and graphs. The following topics are also covered: arithmetic and order of operations with real numbers; laws of exponents with integer exponents; one variable inequalities, proportional reasoning, the Pythagorean Theorem, unit analysis, perimeter, area and volume. Successful students will develop proficient skills in communication of mathematics, problem-solving, use of multiple representations, and effective learning skills. Math 25 is part of the LMC Developmental Math Program. May not be repeated. SC

LMC: DA

MATH-026 Plane Geometry

54 total hours lecture, 36 total lab hours by arrangement
3 Units

PREREQUISITE: One year high school algebra, or MATH-025 with a grade of "C" or better, or MATH-029 with a grade of "C" or better, or completion of coursework at another college that is comparable to Math 25 with a grade of "C" or better, or demonstration of equivalent algebra skills based on our LMC assessment process, or equivalent assessment recommendation from another college.

Plane geometry is a one semester study of lines, angles, triangles, quadrilaterals, other polygons, circles and some polygon solids and spheres; topics include perimeter, area, surface area, volume, Pythagorean Theorem, congruence and similar figures, proof and logical explanation and some geometric constructions, using a compass, straightedge, protractor, and ruler. Students may work in large or small groups with professor assistance and directed discussion using a creative problem-solving and discovery-type approach to learning geometric concepts, theory and application to solving practical problems. This course is ideal as a review as well a first course in geometry, and preparation for study of more advanced math such as pre-calculus and trigonometry. This course satisfies the math requirement for an associate degree. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

MATH-027 Pre-Statistics

72 total hours lecture, 36 total hours lab
4 Units

This is an intensive course that prepares students for transfer-level Statistics through a series of projects and collaborative activities. Topics include working with numerical information (fractions, decimals, percentages), evaluating expressions related to statistical formulas, graphical and numerical descriptive statistics for quantitative and categorical data, including two-way tables and linear regression, and an introduction to the normal distribution. There is a focus on reading, writing, and critical thinking skills needed for college statistics. This course is appropriate for students who do not plan to major in math, science, computer science, business, technology, engineering, and calculus intense fields in the social sciences. May not be repeated. SC

LMC: DA

MATH-028 Math Support for Statistics

36 total hours lecture, 36 total hours lab
2 Units

Math Support for Statistics is for students concurrently enrolled in Math 34. In Math Support for Statistics, students will review algebraic, geometric, and arithmetic procedures and concepts that underlie statistical formulas and concepts, do hands-on activities that promote a deeper understanding of statistical ideas, and practice reading skills and other study skills that promote success in Math 34. May not be repeated. SC

LMC: DA

MATH-029 Accelerated Elementary & Intermediate Algebra

126 total hours lecture, 36 total lab hours by arrangement
7 Units

ADVISORY: Pre-Algebra or proficiency solving proportions, calculating with decimals, fractions, and negative numbers.

Math 29 is an accelerated Elementary and Intermediate Algebra equivalent to both Math 25 and Math 30. This course focuses on proportional reasoning and linear, quadratic, exponential, and logarithmic functions. Students will investigate algebra concepts from multiple perspectives including tables, graphs, symbolic forms with variables, and written descriptions. Students will develop proficient skills in communication of mathematics, problem-solving, use of multiple representations, effective learning skills and learning to apply Algebra to analyze and solve real-life problems takes time and effort. A graphing calculator is required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

MATH-030 Intermediate Algebra

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: MATH-020; MATH-025 with a grade of "C" or better, or completion of coursework at another college that is comparable to MATH-025 with a grade of "C" or better, or demonstration of equivalent elementary algebra skills based on our LMC assessment process, or equivalent assessment recommendation from another college, or successful completion of high school Algebra II.

Math 30 is an intermediate algebra course with focus on linear, quadratic, exponential, and logarithmic functions. Each family of functions will be investigated from multiple perspectives that include tabular, graphical, symbolic, and verbal forms. Students will develop proficient skills in communication of mathematics, problem-solving, use of multiple representations, and effective learning skills. Math 30 is part of the LMC Developmental Math Program. A graphing calculator or graphing software is required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

MATH-034 Introduction to Statistics

72 total hours lecture, 36 total hours lab
4 Units

PREREQUISITE: MATH-027, MATH-028, MATH-029, MATH-030 or equivalent

CO-REQUISITE: MATH-028 (if none of the above prerequisites have been met)

A first course in statistics with an introduction to descriptive statistics (measures of central tendency, dispersion, and correlation connected to standard graphical representations of data distributions), sampling design for reliable data production via experiments and surveys, tests of significance and confidence intervals, probability as it relates to inference. Use of a statistical software package or graphing calculator

required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2A

MATH-037 Applied Calculus

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: MATH-030, MATH-029 or equivalent

An introduction to the theory of calculus with applications to problems in business, economics, biology, social and life sciences. Mathematical models will be applied to these fields and problem solving will be emphasized. Topics include: problem solving; modeling; functions; differential calculus; exponential and logarithmic functions; and an introduction to the concepts of integration. Use of a mathematical software package or graphing calculator required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2A

MATH-040 Precalculus

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: MATH-026 and MATH-030 or MATH-029 or equivalent

CO-REQUISITE: MATH-026

MATH-040 is an in depth look at functions and their usefulness in mathematical modeling. Functions are approached numerically, graphically, symbolically, and verbally. Families of functions studied include: linear, quadratic, exponential, logarithmic, trigonometric, power, polynomial, and rational. Additional function topics: rate of change, concavity, domain/range, function transformation/combination, inverse functions, and asymptotic behavior of functions. Algebraic skills are further developed. This course is primarily intended to prepare students for calculus but may also serve as an advanced course for students not intending to continue with calculus. Use of a mathematical software package or graphing calculator is required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2A

MATH-050 Calculus and Analytic Geometry I

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: MATH-026 and 040 or equivalent

Math-050 is an introduction to differential and integral calculus and coordinate geometry. Topics include: functions, limits, and continuity; techniques and applications of differentiation; an introduction to integration; the Fundamental Theorem of Calculus. This course is intended for students in mathematics, science and engineering majors. Use of a mathematical software package or graphing calculator is required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2; C-ID MATH 210

MATH-060 Calculus and Analytic Geometry II

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: MATH-050 or equivalent

This course is the second of the three semester calculus sequence. The course extends the ideas of the previous course to further development of the derivative and the anti-derivative of a function; techniques of integration; polar and parametric equations; realistic applications to various fields; basic differential equations and their solutions; infinite sequences and series; and series approximation of functions. This course is intended for students in mathematics, science and engineering majors. Use of a mathematical software package or graphing calculator required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area ; C-ID MATH 220

MATH-070 Calculus and Analytic Geometry III

72 total hours lecture, 36 total hours lab
4 Units

PREREQUISITE: MATH-060 or equivalent

Math 70 is an extension of differential and integral calculus and coordinate geometry to functions of more than one variable. Topics include: Vectors in two and three dimensions; analytic geometry of three dimensions; partial differentiation; multiple integrals; line and surface integrals; Green's Theorem, Stokes' Theorem, and applications to various fields. This course is intended for students in mathematics, science and engineering majors. Use of a mathematical software package or graphing calculator is required. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2

MATH-075 Linear Algebra

54 total hours lecture, 36 total lab hours by arrangement
3 Units

PREREQUISITE: MATH-060 or equivalent

This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2A; C-ID MATH 250

MATH-080 Differential Equations

54 total hours lecture, 36 total lab hours by arrangement
3 Units

PREREQUISITE: MATH-060 or equivalent

ADVISORY: Eligible for ENGL-095

A study of various methods for solution of ordinary differential equations using analytical methods (such as separation of variables, Laplace transforms, variations of parameters, undetermined coefficients), graphical methods (such as slope fields, direction fields and phase plane analysis) and numerical methods. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area B4; IGETC Area 2; C-ID MATH 240

MATH-098 Independent Study in Mathematics

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

MATH-120 Number Systems

72 total hours lecture, 36 total lab hours by arrangement
4 Units

PREREQUISITE: *MATH-029; MATH-030 or equivalent*

(formerly MATH-032) MATH-120 is designed for prospective multiple subjects credential candidates. Emphasis is on understanding concepts and operations with whole numbers, fractions, and decimals through multiple representations. Problem solving strategies, numeration systems, and elementary number theory are emphasized in relevant contexts. Common Core math standards are also studied. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC, CSU Gen. Ed. Area B4

MATH-160 Discrete Math

72 total hours lecture, 36 total hours lab
4 Units

PREREQUISITE: MATH-050 or equivalent

ADVISORY: Concurrent enrollment in MATH-060 or higher

Discrete Math is an introduction to fundamental topics for computer science. Topics include: logic, proof techniques, mathematical induction, sets, relations, functions and recursion, graphs and trees, elementary number theory, basic combinatorics, algebraic structures, discrete probability theory and modeling computation. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: UC; CSU Gen. Ed. Area C4; IGETC Area 2A; C-ID COMP 152

MATH-900s Selected Topics in Mathematics

DA varies with course content.

Mathematics- Non-Credit

COURSE DESCRIPTIONS**MATH-004 Foundations of Arithmetic & Study Skills**

108 total hours
0 Units

Math 4 teaches basic arithmetic skills, the foundational concepts behind those arithmetic skills, and study skills for success in future college and math courses. The course is designed for students who desire a firm preparation of arithmetic and study skills before taking higher math courses. Arithmetic topics include meanings of and operations with whole numbers, fractions, decimals, and percent's, introduction to problem solving, proportional reasoning, and reading tables and graphs. Study skills topics include reading math text, note making, studying, and taking tests. Additionally, students will develop proficient skills in communication of mathematics and the use and interpretation of tables and charts. P/NP

LMC: NC

MATH-020 Algebra & Arithmetic Skills

126 total hours
0 Units

A non-credit review of elementary algebra and arithmetic skills to prepare students for Intermediate Algebra (MATH-030). Topics include: arithmetic (integers, signed fractions, signed decimals), order of operations, perimeter, area, volume, circumference, formulas, the Pythagorean Theorem, exponents, percentages, proportions, unit analysis, linear equations, linear inequalities, linear systems of equations, quadratic equations, factoring, and the quadratic formula. P/NP

DEGREE—Associate of Arts
Music

CERTIFICATES OF ACHIEVEMENT—Music
Commercial – Business Management

ASSOCIATE IN ARTS MUSIC FOR TRANSFER DEGREE

The Associate in Arts degree in Music in Transfer (AAT) at Los Medanos College offers students the opportunity to acquire the basic skills and music education needed as preparation for careers in music and further study to complete a Bachelor of Arts degree in music. The AAT Arts degree in Music meets lower division standards and requirements for transfer to a CSU and various other colleges, universities and music conservatories that offer the Bachelor of Arts degree in music. This program is designed for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not a particular campus or major. Please refer to the LMC catalog for more details regarding this admission guarantee.

The Associate in Arts in Music for Transfer at Los Medanos College prepares students to transfer into a curriculum at a 4 year institution to pursue a baccalaureate degree in Music. To achieve the degree students must:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:	UNITS
MUSIC-016 Music Theory I	3
MUSIC-017 Music Theory II: Tonal Harmony	3
MUSIC-018 Music Theory III: Chromatic Harmony	3
MUSIC-019 Music Theory IV: Advanced Harmony and Later Styles	3
MUSIC-013A Musicianship I	1
MUSIC-013B Musicianship II	1
MUSIC-014A Musicianship III	1
MUSIC-014B Musicianship IV	1
MUSIC- 008 Applied Music (0.5)	2

LIST A PLUS 4 UNITS FROM:

MUSIC-020 Baroque Ensemble	1
MUSIC-040 Concert Band	2
MUSIC-074 Jazz Studio – from Basie through Coltrane	2
MUSIC-082 Intermediate Improvisation Jazz Workshop	2
TOTAL UNITS FOR THE MAJOR	22
TOTAL UNITS FOR THE DEGREE	60

Program Student Learning Outcomes

1. Understand and be able to apply the fundamentals of music theory, aural, and have a working knowledge of harmonic progression, musical forms and structures.
2. Have knowledge and understanding of the historical development of music, its historical periods, genres, instrumentation and composers, within their cultural context.
3. Have practical knowledge of performance practice in their particular ensemble performing styles.
4. Have proficiency of solo repertoire and technical studies in their major instrumental or vocal area of study.
5. Be competent with music technology in its various forms for composition, teaching, and professional pursuits.
6. Be able to work independently on varieties of musical problems by combining their capabilities in performance, aural, verbal and visual analysis, composition, repertoire, knowledge, and music history.
7. Have writing skills with the ability to independently utilize research tools and resources (library, internet, etc.)

ASSOCIATE OF ARTS MUSIC

The Associate in Arts in Music is currently being revised and awaiting approval from the State Chancellor's Office. Please check the Los Medanos College catalog addendum webpage for revised requirements. www.losmedanos.edu/schedule/addendum.asp

Program Student Learning Outcomes

1. Understand and be able to apply the fundamentals of music theory, aural, and have a working knowledge of harmonic progression, musical forms and structures.
2. Have knowledge and understanding of the historical development of music, its historical periods, genres, instrumentation and composers, within their cultural context.
3. Have practical knowledge of performance practice in their particular ensemble performing styles.

5. Be competent with music technology in its various forms for composition, teaching and professional pursuits.
6. Be able to work independently on varieties of musical problems by combining their capabilities in performance, aural, verbal and visual analysis, composition, repertoire, knowledge, and music history.
7. Have writing skills with the ability to independently utilize research tools and resources (library, internet, etc.).

CERTIFICATE OF ACHIEVEMENT**MUSIC BUSINESS MANAGEMENT**

The Certificate of Achievement in Music Business Management is currently being revised and awaiting approval from the State Chancellor's Office. Please check the Los Medanos College catalog addendum webpage for revised requirements.

www.losmedanos.edu/schedule/addendum.asp

Program Student Learning Outcomes

1. Understand and be able to apply the fundamentals of music theory, aural, and have a working knowledge of harmonic progression, musical forms and structures.
2. Have practical knowledge of performance practice in their particular ensemble performing styles.
3. Have proficiency of solo repertoire and technical studies in their major instrumental or vocal area of study.
4. Have writing skills with the ability to independently utilize research tools and resources (library, internet, etc.).
5. Have abilities to understand and navigate music software programs.
6. Have proficiency in basic accounting, small business law, corporate law, entertainment law, state regulations, and artist management.
7. Apply the acquired information from this certificate towards potential employment as a small business owner, artist manager, music personnel manager, and music critic.

Music career possibilities include:

1. **Professional musician** — conductor, concert artist, studio musician, symphony orchestra member, opera singer, composer, accompanist, arranger;
2. **Teaching music** — band director, orchestra director, choir director, private instructor, music teacher (elementary through college in public or private schools);
3. **Commercial** — instrument sales, instrument repair, pop singer, orchestrator, arranger, music publisher, music activities producer, agent-manager, songwriter;
4. **Radio, TV, recording industry** — disc jockey, recording artist, recording engineer, movie, TV, radio music director (see also Recording Arts section);
5. **Church-related** — minister of music, organist, and choir director;
6. **Other** — music therapist, music librarian, piano tuner, acoustical engineer, music personnel manager, accompanist, music critic, music software writer/technician.

Students pursuing an associate degree will find it difficult to complete all of the general education requirements and the program requirements in two years. Students should budget time and plan carefully. Instructors in the music area will assist students in determining the proper sequence of classes.

COURSE DESCRIPTIONS**MUSIC-001 Music Studio 1 (Pitch / Rhythm)**

27 total hours lab

.5 Unit

ADVISORY: Eligibility for ENGL-095; Concurrent enrollment in any music performance course

This course is designed for the music student who needs further development on mechanics of vocalizing or playing an instrument or in the conceptual development in the theory of music as related to musical pitch and rhythm. The material is designed to be used individually or in any sequence. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MUSIC-002 Music Studio 2 (Tone / Technique)

27 total hours lab

.5 Unit

ADVISORY: MUSIC-001; eligibility for ENGL-095; Concurrent enrollment in any music performance course.

Designed for the music student who needs further development on mechanics of vocalizing or playing an instrument or in the conceptual development in the theory of music as related to musical tone and technique beyond the work done in MUSIC-001. The material is designed to be used individually or in any sequence. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MUSIC-003 Music Studio 3 (Dynamics / Balance)

27 total hours lab

.5 Unit

ADVISORY: MUSIC-002; eligibility for ENGL-095; Concurrent enrollment in any music performance course.

Designed for the music student who needs further development on mechanics of vocalizing or playing an instrument or in the conceptual development in the theory of music as related to musical dynamics and balance beyond the work done in MUSIC-001 and MUSIC-002. The material is designed to be used individually or in any sequence. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MUSIC-005 Recital Class

54 total hours lab

1 Unit

ADVISORY: MUSIC-008; or arrangement with a private music instructor

This course is designed to be taken in conjunction with MUSIC-008 or with private instruction from a qualified off-campus instructor. The student will learn appropriate performance decorum, techniques for concentration, "stage fright" control, performance preparation skills as well as organization and presentation skills for public performance. There will be many opportunities to perform prepared solos in various venues with differing levels of formality. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-006 Sophomore Recital Preparation

54 total hours lab

1 Unit

PREREQUISITE: MUSIC-005 and placement audition

ADVISORY: MUSIC-008; or arrangement for lessons with a private music instructor

This course is designed to prepare the music major to successfully perform a sophomore recital upon graduating from LMC with an associate degree in music, or upon transferring to a four year school as a music major. The sophomore recital is defined as an individual solo recital representing the student's mastery of technical and artistic skills commensurate with upper division entry level expertise, including but not limited to; ability to perform a solo program of at least 30 minutes of playing time; demonstrated performance expertise in music of diverse compositional styles; demonstrated expertise in the technical and interpretive skills required for a high level of performance on that student's instrument or voice; demonstrated mastery of proper stage deportment for varying levels of formality. It is assumed that the student will be taking regular private lessons with an instructor/coach through MUSIC-008 or MUSIC-009 or from a qualified off-campus instructor. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-008 Applied Music

27 total hours lab

.5 Unit

PREREQUISITE: Audition

ADVISORY: Prior or concurrent enrollment in Music 5, 6, or in major performance medium; Music 30, 31, 32, 33a or 33b; music theory course at appropriate level (Music 15, 16, 17, 18 or 81); and chamber ensembles (Music 50 - 56). Pianists, vocalists, and guitarists may substitute alternative music courses to satisfy chamber ensemble requirement.

This course is designed for the music major or minor students who will study their performance medium in private lessons. Students will audition for the available lesson slots. Students will have private lessons for three hours during the semester in addition to weekly lab practice. Each student must pass an audition. It is strongly recommended that the student be concurrently enrolled in Piano (30, 31 or 32), Recital Class (5, 6, or 7), a music theory course at the student's appropriate level (15, 16, 17, 18 or 81), enrollment in any major performance group or Chamber Ensembles (any section between 50-56). Any exception to this list must have instructor's approval. May be repeated three times. LR

LMC: DA

TRANSFER: CSU; C-ID MUS 160

MUSIC-010 Music Literature

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-095

This is an interdisciplinary course providing an overview of the creative process with a focus on music. The course develops an aural analysis of music from many cultures and from past to present-day forms of musical creativity; it examines music as a reflection of the beliefs, social conditions and temper of the times. Sophistication in listening will be developed with attention to musical design, forms, style, instrumentation, and the derivation of increased pleasure from this art form. The course will allow the opportunity for creative problem-solving through critical skills thought attendance at and evaluation of contemporary exhibits and performances. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3A

MUSIC-012 Popular Music in American Culture

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

A multicultural study of the evolution of America musical styles, including blues, salsa, samba, rock, jazz, pop, rhythm and blues and country and folks, with emphasis on the African American, Euro American, Latin American origins of these contemporary styles and their historical contexts. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C1; IGETC Area 3B. Also satisfies American Cultures Requirement at UCB

MUSIC-013A Musicianship I

54 total hours lab
1 Unit

ADVISORY: MUSIC-015, MUSIC-030; concurrent enrollment in MUSIC-016; previous or concurrent enrollment in MUSIC-031

This first semester of Musicianship includes ear training, sight singing, interval and chord recognition, rhythm and musical dictation and technical and foreign language musical terms. Required for music majors and should be taken concurrently with MUSIC-016. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 125

MUSIC-013B Musicianship II

54 total hours lab
1 Unit

ADVISORY: MUSIC-015, MUSIC-030; concurrent enrollment in MUSIC-016 and/or MUSIC-017, previous or concurrent enrollment in MUSIC-031 and MUSIC-013A,

This second semester of Musicianship includes ear training, sight singing, interval and chord recognition, rhythmic and musical dictation and technical and foreign language musical terms. Required for music majors and should be taken concurrently with Music 016 or Music 017. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 135

MUSIC-014A Musicianship III

54 total hours lab
1 Unit

ADVISORY: MUSIC-015, MUSIC-016, MUSIC-017, MUSIC-018, MUSIC-013A, MUSIC-013B, MUSIC-030

This third semester of Musicianship includes ear training, sight singing, interval and chord recognition, rhythmic and musical dictation and technical and foreign language musical terms. Required for music majors and should be taken concurrently with MUSIC-0017 or MUSIC-018. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 145

MUSIC-014B Musicianship IV

54 total hours lab
1 Unit

ADVISORY: MUSIC-030, MUSIC-015, MUSIC-016, MUSIC-017, MUSIC-018, MUSIC-019, MUSIC-013A, MUSIC-013B, MUSIC-014A

This fourth semester of Musicianship includes ear training, sight singing, interval and chord recognition, rhythmic and musical dictation and technical and foreign language musical terms. Required for music majors and should be taken concurrently with MUSIC-018 or MUSIC-019. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 155

MUSIC-015 Basic Music

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100; prior or concurrent enrollment in MUSIC-030

This course is an introduction to music reading, functional keyboard, music theory and harmony and includes application of music theory and harmony to basic music compositions. Students will apply music theory and harmony across various styles of music, various cultures and various disciplines. Recommended for students who are not music majors or minors; or for students who are music majors needing reinforcement in basic musical concepts. The need to take this course is dependent upon theory placement exam. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC (UC transferable, but may not be combined with MUSIC-013) CSU Gen. Ed. Area C1; IGETC Area 3A

MUSIC-016 Music Theory I

54 total hours lecture

3 Units

ADVISORY: MUSIC-015 and MUSIC-030; prior or concurrent enrollment in MUSIC-013, 031 or 032

MUSIC-016 is the study of musical notation, scales, keys, intervals, rhythm, musical structure, transposition and harmonization. This course, through guided composition and analysis, incorporates the following concepts: rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; diatonic chords, basic cadential formulas and phrase structure; dominant seventh; figured bass symbols; and non-harmonic tones. Development of skills in handwritten notation is expected. This course is required for music majors. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 120

MUSIC-017 Music Theory II: Tonal Harmony

36 total hours lecture, 54 total hours lab

3 Units

ADVISORY: MUSIC-016, 031 and 013; prior or concurrent enrollment in MUSIC-014, 032 or 033A

MUSIC-017 is the study of common practice harmony. The focus is on tonal harmony including the realization of figured bass lines, harmonization of melodies and the harmonic and structural analysis of examples of Baroque, Classical and Romantic musical literature. This course is required for music majors and should be taken concurrently with MUSIC-014. This course incorporates the concepts from Music Theory I. In addition, through guided composition and analysis, the course will include: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen Ed. Area C1; C-ID MUS 130

MUSIC-018 Music Theory III: Chromatic Harmony

36 total hours lecture, 54 total hours lab

3 Units

ADVISORY: MUSIC-017, 032, 014; prior or concurrent enrollment in MUSIC-033A or 033B

MUSIC-018 is the study of common practice chromatic harmony. This course incorporates the concepts from Music Theory II. In addition, through writing and analysis, the course will include: introduction to chromatic harmony; secondary/applied chords; modulation; borrowed chords; introduction to Neapolitan and augmented-sixth chords. Activities will include the realization of chromatic and modulating figured bass lines, harmonization of melodies and the harmonic and structural analysis of examples primarily of Romantic musical literature. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 150

MUSIC-019 Music Theory IV: Advanced Harmony and Later Styles

36 total hours lecture, 54 total hours lab

3 Units

ADVISORY: MUSIC-018, MUSIC-032, MUSIC-014; prior or concurrent enrollment in MUSIC-033a or 033b

MUSIC-019 is the study of advanced harmony or the later Romantic period and peering into the 20th Century Styles of contemporary music. This course incorporates the concepts from Music Theory III. In addition, through writing and analysis, the course will include: post-Romantic techniques such as borrowed chords and modal mixture, chromatic mediant, Neapolitan and augmented-sixth chords, 9th, 11th and 13th chords, altered chords and dominants; and 20th century techniques such as: Impressionism, tone rows, set theory, pandiatonism and polytonalism, meter and rhythm. May not be repeated. LR

LMC: DA

TRANSFER: US, CSU; C-ID MUS 150

MUSIC-020 Baroque Ensemble

54 total hours lab

1 Unit

ADVISORY: Fundamental skill on a string instrument or wind instrument is recommended

Students play in baroque ensembles of varying size and configuration to develop ensemble skills such as pitch matching, tone blending, and rhythmic synchronization. Studies in musical interpretation, advanced performance concepts, and critical sight-reading are applied to the baroque repertoire, including, but not limited to works by Bach, Corelli, Handel, Telemann and Vivaldi. There will be several public performances. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 180

MUSIC-030 Basic Keyboard Skills

18 total hours lecture, 36 total hours lab

1.5 Units

This course is designed to develop reading skills in basic music notation in relation to the keyboard. Study of piano technique, ensemble and solo playing, easy repertoire preparation and interpretation will be covered. Does not fulfill piano requirement for music major, however this class provides fundamental skills and a solid foundation for anyone beginning their music study. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-030A Continuing Piano Workshop

24 total hours lab
.5 Unit

ADVISORY: Any piano class

A carry-over class from spring semester to fall semester classes, covering skills of technique, sight-reading, repertoire, and theory, for all levels of piano. This class will retain acquired skills through the summer. May not be repeated. LR

LMC: DA

MUSIC-031 Piano I

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: Ability to read music at elementary level

This course includes basic keyboard techniques, easy piano repertoire, major and minor scales, diatonic chord progressions, simple transposition and sight reading skills. This is the first of the required semesters of piano for music majors. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-032 Piano II

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: MUSIC-031 or equivalent

This course furthers basic keyboard techniques, including second level beginning piano repertoire, major and minor scales, diatonic chord progressions, transposition, and sight reading skills. This is the second of the required semesters of piano for music majors. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-033A Intermediate Piano

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: MUSIC-032 or placement audition

Piano study with an emphasis on stylistic interpretation, preparation, and performance of intermediate level keyboard literature from all historical periods. Ensemble and accompaniment skills will be covered as well as keyboard theory and technical aspects of piano playing. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-033B Advanced Piano

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: MUSIC-033A or placement audition

Advanced piano study with an emphasis on historic and stylistic interpretation, preparation, and performance of advanced level keyboard literature from all historical periods. Ensemble and accompaniment skills will be covered as well as keyboard theory and technical aspects of piano playing. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-034 Jazz/Rock Keyboard

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: Some basic piano experience

Investigation of fundamental keyboard skills necessary to perform contemporary jazz and rock music. Improvisatory keyboard styles will be discussed, with emphasis on today's keyboard demands. Content includes the function and voicing of chords, melodic harmonization of tunes, and basic improvisational theory. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-035 Introduction to the Guitar

18 total hours lecture, 36 total hours lab
1.5 Units

This course is designed for the student with little or no background in playing the guitar. Course content covers basic guitar strums, chords, tuning, and song accompaniments. Students must supply their own guitar. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-036 Intermediate Guitar

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: MUSIC-035

Continuing the content of MUSIC-035, students will study with an emphasis on stylistic interpretation, preparation and performance of intermediate level guitar literature from a variety of historical periods and styles. Both ensemble and solo playing will be investigated along with technique and music theory. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-037 Advanced Guitar

18 total hours lecture, 36 total hours lab
1.5 Units

ADVISORY: MUSIC-036

Continuing the content of MUSIC-036, students will study with an emphasis on stylistic interpretation, preparation and performance of advanced level guitar literature from a variety of historical periods and styles. Both ensemble and solo playing will be investigated along with technique and music theory. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-040 Concert Band

108 total hours lab by arrangement
2 Units

PREREQUISITE: Fundamental skill on a band instrument; assessed by audition

ADVISORY: Eligibility for ENGL-095

Introduction to collegiate level concert band, involving basic studies in musical interpretation, advanced performance concepts, critical sight reading, and extended technical exercises; extensive practice and frequent public performance. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 180

MUSIC-041 Concert Band II

108 total hours lab by arrangement
2 Units

PREREQUISITE: MUSIC-040 or Intermediate skill on a band instrument; assessed by audition

Intermediate skill on band instrument is suggested. A continuation of basic material in MUSIC-040 with an investigation of classical and contemporary band literature as well as scales, chords, and extensive work in sight-reading; extensive practice and frequent public performance. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-052 Chamber Ensembles: Emphasis Strings

54 total hours lab
1 Unit

In this course students play in small ensembles of varying size and configuration with intensive work in ensemble skills such as pitch matching, tone blending, and rhythmic synchronization. Studies in musical interpretation, advanced performance concepts, and critical sight reading are applied to repertoire which may be drawn from every style of Western art music from the Renaissance to the present. There will be several public performances. Fundamental skill on your instrument is required. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-058 Musical Theater: Orchestra I

54 total hours lab
1 Unit

PREREQUISITE: Fundamental skill on a musical instrument; assessed by audition

This course is devoted to the preparation and presentation of an orchestra for selected musicals. It allows student musicians the opportunity to obtain the experience of performing in a pit orchestra playing the same music as professional theatre orchestras. Offered periodically. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-060 College Chorus I

108 total hours lab
2 Units

ADVISORY: Eligibility for ENGL-095

This class investigates basic choral group fundamentals. Development of basic vocal techniques through large group activities; extensive practice and frequent public performances. May be repeated 3 times. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-065 Class Voice

54 total hours lab
1 Unit

ADVISORY: Eligibility for ENGL-095

This course is an investigation of vocal techniques such as breathing, dictation, vowel production, and tone quality; care of the voice; music reading and vocal interpretation. Singing and basic repertoire include an introductory to foreign language diction and pronunciation. This is a multilevel course in which each student will concentrate on content areas suited to particular ability levels. Possible public recital will be included. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-066 Gospel Choir

90 total hours lab
1.5 Units

ADVISORY: Eligibility for ENGL-095

The Gospel Choir will offer an introductory experience in the dynamics of performing choral literature from the gospel music tradition. The emphasis of this course will be on developing an understanding and skill in complex rhythm structure, phrasing and vocal production and intonation needed for singing Gospel Music. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-067 Jazz and Vocal Popular Techniques

54 total hours lab
1 Unit

ADVISORY: Eligibility for ENGL-095

This course is designed for anyone who wants to learn more about singing popular forms of music such as blues, jazz, gospel and musical theatre selections. Classroom emphasis will be on various stylistic concepts to achieve the modern vocal sound. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-068 Musical Theatre: Vocal I

54 total hours lab
1 Unit

This class consists of the rehearsal and performance of a contemporary Broadway musical with chorus and leads being selected from the class members. Emphasis will be on fundamentals of vocal techniques as applied to this style of vocal literature. May not be repeated. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-074 Jazz Studio - from Basie through Coltrane

108 total hours lab
2 Units

ADVISORY: Fundamental skill on a jazz band instrument and placement audition by professor

A course for student musicians of basic to intermediate level. Student musician must have fundamental skill on a jazz band instrument playing in a large jazz ensemble. For the student musician wishing to investigate basic jazz band material in the jazz canon in the styles of Duke Ellington, Count Basie, Charlie Parker, Miles Davis, Thad Jones, Slide Hampton and John Coltrane. There are several public performances per semester.

May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 180

MUSIC-077 Chamber Chorale

108 total hours lab
2 Units

This course is designed to give students experience in chamber choir music from madrigal style to earlier classical styles. The course will develop singing techniques to aid students in performing with proper historical, technical, and stylistic aspects. Frequent public performances included. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-081 Introduction to Improvisation

90 total hours lab
1.5 Units

ADVISORY: MUSIC-015 or MUSIC-015 placement exam

This course is designed to introduce the student to various techniques for improvisation. Included in this will be the improvised and aural traditions comprising the bulk of the music of the Western and non-Western world. The stylistic areas covered will include jazz, funk, blues, rock, African and approaches to improvising. May not be repeated.

LR

LMC: DA

TRANSFER: UC, CSU

MUSIC-082 Intermediate Improvisation Jazz Workshop

108 total hours lab
2 Units

ADVISORY: 3 or more years on a jazz band instrument

A course for student musicians with some experience playing and improvising wishing to explore the many styles and varieties of small group jazz playing, from swing to bebop to modal to free to modern mainstream. There are several public performances per semester. May be repeated three times. LR

LMC: DA

TRANSFER: UC, CSU; C-ID MUS 180

MUSIC-089 Music and Recording Industry Business

36 total hours lecture
2 Units

ADVISORY: Eligibility for ENGL-095

This course is designed to familiarize the student with the primary business and legal aspects of the music/recording industry. Topics include: An overview of the music and recording industries, interrelationships among the various career specialties, career planning, business basics for music/recording entrepreneurs, the business of songwriting & composing, copyright, publishing, bands as businesses, artist representation, record labels, the recording studio from a business perspective, marketing, radio, merchandise, distribution and live performance. Meets the LMC Recording Arts Associate Degree and Certificate requirements and Music Certificate. May not be repeated. LR

LMC: DA

TRANSFER: CSU

MUSIC-093 Studio Music Production I

18 total hours lecture, 72 total hours lab
2 Units

ADVISORY: Prior or concurrent enrollment in MUSIC-015

This course is for students wanting to produce music using professional music studio equipment. With this lecture/demonstration and hands on class, students will be able to build a music studio and learn the basic operation of electronic musical equipment. The pieces of electronic musical equipment include MIDI synthesizer, music workstations, computer workstations, groove boxes, drum machines, soft-synthesizers, sequencers, and new products as the industry advances. This is an introductory course and it is intended to build a strong foundation in understanding studio music operation, whether the student is interested in composition, making beats and/or being a producer. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MUSIC-094 Studio Music Production II

18 total hours lecture, 72 total hours lab
2 Units

ADVISORY: MUSIC-015; concurrent enrollment in MUSIC-016 or MUSIC-028

For students wanting to be music studio producers. Students will be able to learn various roles of music production. Music roles to be explored include the artist, producer, manager, business manager, agent, and songwriter. Discussion will include issues regarding management contracts, partnership/band contracts, agency contracts. Business entities will be explored. Students will learn to compose an intermediate-level original musical work using electronic musical equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

MUSIC-098 Independent Study in Music

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

MUSIC-900s Selected Topics in Music

DA varies with course content.

Nursing

DEGREES—Associate of Science

Registered Nursing

CERTIFICATE OF ACHIEVEMENT

Vocational Nursing

All students who meet admissions requirements are eligible to apply to the nursing programs. Criteria and complete information on the selection process as well as the philosophy and objectives of each program are described in the Nursing Applicant Handbook, which is available in the LMC Bookstore and on the LMC web site (www.losmedanos.edu/nursing)

The handbook also contains complete information on all options for advanced placement. Please refer to the Handbook and Nursing Department website for updates and estimated costs for the program.

ASSOCIATE OF SCIENCE

REGISTERED NURSING

The registered nursing program requires two academic years beyond completion of the prerequisite courses and General Education requirements.

Completion of prerequisite courses and required GPA are required for admission eligibility to the program. Only those students formally admitted to the program may enroll in registered nursing courses. Students may, however, enroll in other non-nursing courses designated as part of the registered nursing curriculum while awaiting admission to the program.

Completion of the Registered Nursing Program at Los Medanos College qualifies students to take the State Board Examination (NCLEX-RN) for licensure as a Registered Nurse (RN).

Program Student Learning Outcomes

1. Be academically and clinically prepared to obtain employment as a neophyte registered nurse.
2. Apply the nursing process to research, evaluate, analyze, and synthesize information.
3. Utilize appropriate written and verbal communication techniques to ensure optimal communication with patients, family members, and other members of the healthcare team.
4. Implement nursing interventions utilizing current technology based upon scientific rationales.
5. Demonstrate skills and knowledge necessary to take and pass the National Council's Licensure Examination (NCLEX-RN).

LVN to RN Transition

The LVN to RN transition for California Licensed Vocational Nurses requires successful completion of all prerequisites, required GPA, the second-year RN curriculum, and General Education requirements.

Only those students formally admitted to the LVN to RN transition may enroll in the registered nursing courses. Students may, however, enroll in those non-nursing courses designated below as part of the registered nursing curriculum, while awaiting admission to the program. Please refer to the Nursing Application Handbook for current admission eligibility criteria and updates.

Completion of the LVN to RN Program at Los Medanos College qualifies students to take the State Board Examination (NCLEX-RN) for licensure as Registered Nurse.

Program Student Learning Outcomes

1. Be academically prepared to take and pass the NCLEX-PN examination for licensure as a licensed vocational nurse (LVN).
2. Be academically prepared to secure an entry-level position as a licensed vocational nurse (LVN).
3. Demonstrate theoretical knowledge and application of technical skills to obtain an entry-level position as a licensed vocational nurse (LVN).
4. Apply critical thinking skills in the care of medical/surgical, maternity, pediatric, and/or psychiatric clients in various clinical settings.
5. Utilize therapeutic communication skills (oral and written) in a clinical setting that assist the client and family to cope with and resolve problems.
6. Determine the effects of nursing interventions on the clients.

Nursing - Registered

COURSE DESCRIPTIONS

RNURS-001 Nursing Career Seminar

6 total hours lecture
.3 Unit

This seminar introduces students to the nursing profession and discusses current trends related to the profession. Emphasis is placed on introducing the student to the professional standards of practice of the registered nurse and the licensed vocational nurse. The student is provided with an overview of the course requirements needed to qualify for the Los Medanos nursing programs. May not be repeated. P/NP

LMC: NDA

RNURS-020 Transition to the RN Program

6 total hours lecture
.3 Unit

PREREQUISITE: Accepted to the Registered Nursing Transition Program

This RN transition course is required of nursing students who meet the admission criteria to be accepted into the third semester of the Registered Nursing program as Licensed Vocational Nurses (LVN) or as transfer students. Emphasis is on Nursing Process, the RN scope of practice, the Registered Nursing program curriculum plan and expectations, competency in drug dosage calculations, and use of campus resources. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

RNURS-022 Fundamentals of Nursing Practice

72 total hours lecture, 297 total hours lab
9.5 Units

PREREQUISITE: Must be admitted to the Registered Nursing Program

CO-REQUISITE: Concurrent enrollment in RNURS-023 and 024

Concepts that provide the foundation upon which homeostasis is maintained in adults and/or children are covered. Common threads integrated throughout the program are nursing process, nutrition, developmental levels, cultural diversity, therapeutic communication, and the professional role of the registered nurse. Concurrent practice in the nursing laboratory and in clinical facilities in the community is included. Mandatory fees associated with this course may include: \$90-\$150 for background check and drug screening; \$20-\$25 for Health Stream Orientation; \$20-\$45 for mask fit testing; \$150-\$250 for uniform/shoes/lab coat; \$15-\$150 for stethoscope and a watch with a second hand; \$40-\$60 for parking at clinical sites; \$55-\$75 for CPR Certification; \$250 for physical exam, lab fees, and immunizations. Fees are subject to changed. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-023 Nursing Skills Simulation I

54 total hours lab
1 Unit

PREREQUISITE: Must be admitted to the Registered Nursing Program

CO-REQUISITE: RNURS-022 and 024

This course includes instructor demonstration and student return demonstration of nursing skills related to Foundations of Nursing Practice. The simulation of patient care situations provide for development of proficiency in preparation for actual patient care in the clinical setting. Basic calculation of drug dosages is also initiated. Mandatory fees for the course include: \$60-\$150 for Lab Kit. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-024 Pharmacology for the RN Program I

18 total hours lecture
1 Unit

PREREQUISITE: Must be admitted to the Registered Nursing Program

CO-REQUISITE: Concurrent enrollment in RNURS-022 and 023

This course is designed to introduce beginning nursing students to their role and responsibilities in the safe administration of medications in the clinical setting. Basic principles of medication administration such as the Six Rights (right patient, right drug, right dose, right time, right route, right documentation). Pharmacodynamics of drug absorption, metabolism and distribution through various routes along with other basic principles of pharmacology are introduced. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-026 Nursing in Health and Illness I

72 total hours lecture, 297 total hours lab
9.5 Units

PREREQUISITE: Must have been admitted to the Registered Nursing Program; RNURS-022, 023 and 024 or equivalent

CO-REQUISITE: Concurrent enrollment in RNURS-027 and 028

This course expands upon the concepts presented in RNURS-022 Fundamentals of Nursing Practice. This semester includes medical-surgical, peri-operative, maternity and Newborn nursing care. Concepts include principles of care to maintain and restore homeostatic mechanisms in clients of all ages with an emphasis on client and family education, disease prevention and health promotion. Concurrent practice in the nursing skills laboratory and clinical facilities in the community is included. Mandatory fees associated with this course include: \$90-\$150 for background check and drug screening; For Advanced Placement/Transfer Students ONLY: \$20-\$25 for Health Stream Orientation; \$20-\$45 for mask fit testing; \$150-\$250 for uniform/shoes/lab coat; \$15-\$150 for stethoscope and a watch with a second hand; \$55-\$75 for CPR Certification; \$250 for physical exam, lab fees, and immunizations. Fees are subject to change. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-027 Nursing Skills Simulation II

54 total hours lab
1 Unit

PREREQUISITE: Admission to the Registered Nursing program and RNURS-022, 023, & 024 or equivalent

CO-REQUISITE: RNURS-026 and RNURS-028

This course includes professor demonstration and student return demonstration of higher level nursing concepts related to diabetic medical-surgical nursing care, parenteral medication administration, nasogastric tube placement and care, ostomy care, maternity, and newborn nursing care. Simulation of patient care situations provide for development of proficiency in preparation for actual patient care in the clinical setting. Drug dosage calculation practice is continued. Mandatory fees associated with this course include: For Advanced Placement/Transfer Students ONLY:\$60-\$150 for lab kits each year. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-028 Pharmacology for RN Program II

18 total hours lecture
1 Unit

PREREQUISITE: Admitted to the Registered Nursing program; RNURS-022, 023 and 024 or equivalent

CO-REQUISITE: Concurrently enrolled in RNURS-026 and 027

This second semester of pharmacology expands upon the principles and drug administration techniques introduced in the first semester. Specific drug classifications covered include oral contraceptives, tocolytics, uterine stimulants, newborn medications, anesthetics, antibiotics, diuretics, Insulin, oral hypoglycemics, anti-anginals, antihypertensives, prescriptives for the gastro-intestinal system and prescriptive used to improve respiratory function. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RNURS-030 Leadership/Management and Professionalism in Nursing

18 total hours lecture
1 Unit

PREREQUISITE: Must have been admitted to the Registered Nursing Program

CO-REQUISITE: Concurrent enrollment in RNURS-036, 038 and 039

This course introduces the students to the professional role of the registered nurse in the healthcare setting. Topics covered include, but are not limited to, nursing practice and the law; ethics and ethical principles; dealing with problems and conflicts; organizational structures in healthcare; delegation of client care; scope of practice and management of client care. Leadership and management principles are applied to the health care field. May not be repeated. LR

9.5 Units

PREREQUISITE: Must have been admitted to the Registered Nursing Program; RNURS-026, 027, and 028 or equivalent

CO-REQUISITE: Concurrent enrollment in RNURS-033 and 034

Expands upon concepts presented in RNURS-022 and 026 by introducing principles of care to maintain and/or restore homeostatic mechanisms in acute health problems. Prototype disease processes associated with each concept are studied in relation to preventive and restorative nursing care. Concurrent practice in the college laboratory and clinical experience in community facilities. Mandatory fees associated with this course may include: \$90-\$150 for background check and drug screening (for advance placement students only); \$20-\$25 for HealthStream Orientation; \$20-\$45 for mask fit testing; \$150-\$250 for uniform/shoes/lab coat; \$15-\$150 for stethoscope; \$40-\$60 for parking at clinical sites; \$55-\$75 for CPR Certification; \$250 for physical exam, lab fees, and immunizations. Fees are subject to changed. May not be repeated. LR

RNURS-170 Occupational Work Experience Education in Registered Nursing

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

RNURS-180 Internship in Registered Nursing

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. Nursing - Vocational

COURSE DESCRIPTIONS

VONUR-004 Introductory Concepts to Clinical Pharmacology

18 total hours lecture
1 Unit

PREREQUISITE: Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-005, 006, and 007

This course will present introductory core concepts of pharmacology including drug regulations, pharmacokinetic actions of drugs, effects of medications on older adults and drug dosage calculations. May not be repeated. LR

LMC: DA

VONUR-005 Fundamentals of Vocational Nursing

108 total hours lecture
6 Units

PREREQUISITE: Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-004, 006, and 007

This course provides fundamental instruction on the basic nursing skills that are necessary to create and maintain a hygienic, comfortable and safe patient environment. This course incorporates the concepts of homeostasis, the nursing process, maintaining an optimum level of wellness and care mapping as the foundations for providing safe and comprehensive nursing care. May not be repeated. LR

LMC: DA

VONUR-006 Fundamentals of Vocational Nursing

342 total hours lab
6 Units

PREREQUISITE: Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-004, 005, and 007

Supervised clinical instruction in the implementation of basic fundamental nursing skills introduced in VONUR 005. Concurrent supervised practice in college lab with collaborative peer study groups and instructor. Mandatory fees associated with the course include: \$90-\$150 for background check and drug screening; \$20-\$25 for Health Stream Orientation; \$20-\$45 for mask fit testing; \$60-\$150 for skills lab kit; \$250 for uniform/shoes/lab coat; \$15-\$150 for stethoscope; \$40-\$60 for parking at clinical sites; \$55-\$75 for CPR Certification; \$250 for physical exam, lab fees, and immunizations; \$150-\$200 standardized testing; \$20 bandage scissors and pen light. Fees are subject to changed. May not be repeated. LR

LMC: DA

VONUR-007 Vocational Nursing Role Relationships

18 total hours lecture
1 Unit

PREREQUISITE: Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-004, 005, and 006

This course introduces the student to role relationships, and the ethical and legal responsibilities of the student nurse. Students will also explore the evolution of the Vocational Nursing practice and roles. May not be repeated. LR

LMC: DA

VONUR-008 Medical Terminology for Healthcare Occupations

18 total hours lecture
1 Unit

ADVISORY: Eligibility for ENGL-100

This course provides an integrated approach to learning and using medical terminology for the person interested in becoming a health-care professional or one who works in a healthcare occupation. May not be repeated. LR

LMC: DA

VONUR-010 Intermediate Concepts to Clinical Pharmacology

18 total hours lecture
1 Unit

PREREQUISITE: Admission to the Vocational Nursing Program.

CO-REQUISITE: Concurrent enrollment in VONUR-011 and 012

This intermediate course presents concepts of clinical pharmacology and drug therapy used in the management of major diseases and disorders affecting the neurological, muscular, respiratory, cardiovascular, gastrointestinal, endocrine, and genitourinary body systems in the adult client. The pharmacology content also includes nursing care of clients, prescribed antibiotics, anti-infectives, cancer medications, and pre and post-operative drug therapy of the surgical adult client. May not be repeated. LR

LMC: DA

VONUR-011 Medical Surgical Nursing

90 total hours lecture
5 Units

PREREQUISITE: VONUR-005; Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-010, 012

This course presents the basic causes and symptoms of disease and/or health problems of adults. Introduces nursing principals to maintain and/or restore homeostasis and provide physiological and emotional comfort and safety. Builds on the nursing process as a systematic approach to providing preventive and restorative nursing care. Materials fee for proctored exam required. May not be repeated. LR

LMC: DA

VONUR-012 Medical-Surgical Nursing Practice

342 total hours lab
6 Units

PREREQUISITE: VONUR-006; Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-010 and 011

This is the second semester clinical course in the three-semester program geared towards completion and certification for the Vocational Nursing program. Completion of the program prepares students to take the licensure examination. In this course, under instructor supervision, students demonstrate in a clinical environment, nursing skills necessary to care for a variety of patients with various medical surgical diseases, create and maintain a hygienic, comfortable and safe patient environment, provide treatments and administer medications. In addition, students are provided the opportunity to practice their skills in the Nursing Skill Lab and various skills are tested for proficiency prior to being used in the clinical environment. The students' clinical experience utilizes the concepts of homeostasis, the nursing process, care mapping and maintaining an optimum level of wellness as the foundation for providing safe and comprehensive nursing care to the medical surgical patient. Mandatory fees associated with the course include: \$40-\$60 for Parking at Clinical Sites. May not be repeated. LR

LMC: DA

VONUR-015 Advanced Concepts to Clinical Pharmacology

18 total hours lecture
1 Unit

PREREQUISITE: VONUR-010; Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-016, 017, and 018

This advanced course presents concepts of clinical pharmacology and drug therapy used in the management of major diseases and disorders affecting clients with psychiatric disorders as well as drug therapy used in the management of normal and abnormal conditions related to the expectant mother and the pediatric client. May not be repeated. LR

LMC: DA

VONUR-016 Family Centered Nursing

90 total hours lecture
5 Units

PREREQUISITE: VONUR-010, 011 and 012; Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-015, 017, and 018.

Introduces the concept of family centered nursing practice. Instruction includes principles of nursing to maintain and/or restore homeostasis in clients with common disease conditions and health needs seen in pregnancy, infancy, childhood, and the adult client with psychiatric disorders. May not be repeated. LR

LMC: DA

VONUR-017 Family Centered Nursing Practice

342 total hours lab
6 Units

PREREQUISITE: VONUR-012; Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-015, 016, and 018.

Family-centered clinical practice of the family including pregnancy, infancy, childhood, and the adult psychiatric client. Concurrent supervised practice in college lab with collaborative peer study groups and instructor. Mandatory fees associated with the course include: \$40-\$60 for parking at clinical sites; \$250 for licensure; \$20-\$25 for Health Stream Orientation. Fees are subject to changed. May not be repeated. LR

LMC: DA

VONUR-018 Professional Issues in Vocational Nursing

18 total hours lecture
1 Unit

PREREQUISITE: Admission to the Vocational Nursing Program

CO-REQUISITE: Concurrent enrollment in VONUR-015, 016, and 017.

Introduces the student to the roles, responsibilities, legal and ethical changes in society affecting nursing practice and nursing employment. May not be repeated. LR

LMC: DA

VONUR-030 IV Therapy/Blood Withdrawal

27 total hours lecture, 9 total hours lab
1.5 Units

PREREQUISITE: RN, LVN, Graduate RN/ VN Program, Senior VN/RN program

This course is designed for students who need IV certification for the California State Board of Vocational Nursing. Course content covers: the purpose of IV and blood withdrawal therapy, legal implications, management of IV's, and possible complications and blood withdrawal/ venipuncture procedures. Two certificates will be provided at the successful completion of the course: a Continuing education Certificate for 36 CE hours and a State Certificate for IV therapy. Materials fee is required. SC

Philosophy

Philosophy concerns the study of fundamental questions that arise in different areas of human experience, thought, or practice. These include but are not limited to, questions such as: What is reality? Does God exist? What is good and just? What ought I to do? What is the nature of the self? Does human existence have meaning? Students who engage with these questions and are able to think and articulate viewpoints clearly and in an informed fashion not only enhance their own lives, but contribute significantly to improving their interpersonal relationships, community and society; laying the foundations for a critical and meaningful discussion about social issues, justice, politics and economics.

PHIL-100 Introduction to Philosophy

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

(formerly PHIL-040) Students will critically engage with core philosophical issues and questions, found in primary texts, regarding the topics of metaphysics, epistemology and possible other topics such as ethics, political philosophy, philosophy of religion, history of philosophy, philosophy of self and a life well lived. This course provides a survey of the discipline in its methodology and subject matter, allowing students the opportunity to understand themselves, their community and the pluralistic world around them, introducing students to evaluating philosophical arguments, methods, assumptions, and principles for consistency, relevance, and truth. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

PHIL-110 Critical Thinking and Composition

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

(formerly PHIL-041) This course provides instruction in critical thinking, including traditional logic and argumentative composition. A series of substantial writing assignments (a minimum of 6,000 words total) focus on increasing the sophistication of students' argumentative writing skills. Theoretical models of critical thinking and composition will be applied to academic fields and textbooks, electronic and print media, advertisements, ethics, politics, and multi-cultural issues. Writing assignments will be evaluated for their quality in both critical thinking and composition. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area A3; IGETC Area 1B

PHIL-120 Introduction to Ethics

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course introduces students to the core philosophical ethical theories and their application to contemporary moral issues. These theories include but are not limited to Utilitarianism, Kantian Deontology and Virtue ethics, which may be applied to such issues as abortion, euthanasia, genetic engineering, terrorism. Students will be introduced to employing critical thinking and logic to analyze these theories and issues, making ethical evaluations and finding their own ethical imperative. May not be repeated. SC

TRANSFER: UC, CSU Gen. Ed. Area C2; IGETC Area 3B, C-ID PHIL 120

PHIL-122 Contemporary Moral Issues

54 total hours lecture
3 Units

PREREQUISITE: ENGL-100

(formerly PHIL-002) This course is an introduction to morality and its application to contemporary moral issues our society presently faces such as environmental protection, reproductive rights, genetic engineering, and globalization. Students will learn how thinking critically and engaging in a productive dialogue about these challenging issues. May not be repeated. LR

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B

PHIL-130 History of Ancient Philosophy

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course is a study of the rise of philosophy in the ancient world, from the beginning of civilization through the classical period, through primary texts. The roots of western philosophy, will be covered with The Pre-socratics, Socrates, Plato and Aristotle; and the roots of other philosophical traditions will be covered through their respective primary texts. The course will emphasize how the development of Ancient philosophy influenced and shaped contemporary culture and beliefs, introducing students to the foundations of contemporary philosophy, ideas and questions. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area C2; IGETC Area 3B

PHIL-132 History of Modern Philosophy

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course studies the philosophical discourse of the western enlightenment period, from the 16th through the 18th century, with an emphasis on broad epistemological and metaphysical developments of empiricism and rationalism in philosophical thought from Descartes to Kant. The course will emphasize how the development of enlightenment philosophy influenced and shaped contemporary culture and beliefs, introducing students to the foundations of contemporary western philosophy, ideas and questions. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area C2; IGETC Area 3B

PHIL-133 A History of Political Thought: The Problem Of Democracy

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

Same as POLSC-133. (formerly PHIL-033) An introduction to the history & development of a 2,500 year old tradition of political thought & statecraft. Originating in a condition of Athenian democratic dysfunction, this tradition has intermittently reanimated itself with the concern to understand the fragility of Republican-Democratic political systems. While a comparative attempt to study certain non-democratic ideas & practices will be made, the primary goal of this course is to introduce students to the difficulties inherent in sustaining any viable democratic regime, including, notably, the American system of which they are a living part. The course will proceed with an interdisciplinary, cross-cultural & comparative approach which is compatible with the discursive, interpretive nature of the study of primary texts & their authors in historical context. PHIL-133 meets Art and Humanities requirement. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC; CSU Gen. Ed. Area C2, D; IGETC Area 3B, 4H

PHIL-140 Philosophy of Religion

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course will cover both historical and contemporary issues and questions regarding the philosophy of religion. This course seeks to explore philosophical questions within a multicultural religious context, to critically engage with religion to help answer philosophical issues, questions and topics surrounding religion. This typically includes the existence of god, attributes of god, the problem of evil, faith and reason or ethics in religion. May not be repeated. SC

LMC: ADR: Arts and Humanities; DA

TRANSFER: UC, CSU Gen. Ed. Area C2; IGETC Area 3B

PHIL-142 Comparative Religion

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

(formerly PHIL-042) Comparison of the world's religions in terms of the way they conceptualize and relate to the sacred or the ultimate reality. Comparisons are drawn from Christianity, Judaism, Islam, Hinduism, Buddhism, mystical and shamanistic traditions. These comparisons will explore how religious beliefs and practices express religious or spiritual experience. Each is shown to provide for the organization of a social world as well as a means of personal transcendence. May not be repeated. SC

1 Unit

Physical fitness is an aerobic workout designed to improve cardiovascular endurance, muscular endurance, flexibility and strength. Students will learn dynamic stretch and warm up routines, proper body mechanics when using weight exercise machines and free weights. Cardiovascular training may include walking, jogging, cycling, step, circuit and interval training. Students will learn how to attain, monitor and control their target heart rate during exercise. This course helps attain and maintain wellness. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-008A Beginning Weight Training

54 total hours activity

1 Unit

(formerly PE-008) This course includes instruction in all elements of weight training. It will involve techniques, safety procedures, knowledge of muscle groups, equipment use, warm-up, strength and endurance training, exercise progression and improved fitness. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-008B Intermediate Weight Training

54 total hours activity

1 Unit

This course includes intermediate instruction for students with a basic foundation in weight training principles. Topics include techniques, safety procedures, knowledge of muscle groups, equipment use, core and auxiliary lifts, lifting programs and exercise progression. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-009A Beginning Power Lifting

54 total hours activity

1 Unit

Power lifting is a strength sport that consists of three attempts at maximal weight on three lifts: squat, bench press, and dead lift. As in the sport of Olympic weightlifting, it involves lifting weights in three attempts. Power lifting evolved from a sport known as "odd lifts", which followed the same three-attempt format but used a wider variety of events, akin to strongman competition. Eventually odd lifts became standardized to the current three. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-009B Intermediate Power Lifting

54 total hours activity

1 Unit

The intermediate power lifting course will focus on refining power lifting techniques. Students will work on developing strength to improve maximal performance in three lifts; squat, bench press and dead lift. As in the sport of Olympic weightlifting, it involves lifting weights in three attempts. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-010A Beginning Circuit Training

54 total hours activity

1 Unit

(formerly PE-010) Beginning Circuit Training is an exercise program designed to improve both cardiovascular strength/endurance, and muscular strength/endurance. The class will be taught utilizing weight equipment, medicine balls, stability balls, ropes, stationary bikes and steps. Students will learn about the different aspects of a total fitness program, Target Heart Rates, dynamic warm-up/stretching, proper body mechanics and the major muscle groups required to perform safe and effective exercises. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-010B Intermediate Circuit Training

54 total hours activity
1 Unit

Intermediate Circuit Training is an exercise program designed to improve both cardiovascular strength/endurance, and muscular strength/endurance. The class will be taught utilizing weight equipment, medicine balls, stability balls, ropes, stationary bikes and steps. Students will learn about the different aspects of a total fitness program, Target Heart Rates, dynamic warm-up/stretching, proper body mechanics and the major muscle groups required to perform safe and effective exercises. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-011A Beginning Bootcamp

54 total hours activity
1 Unit

Beginning Bootcamp provides a total functional fitness exercise program for individuals interested in developing and improving their total physical and mental health, including; cardiovascular fitness, muscular strength and endurance, flexibility, nutrition and weight management, and stress control. SC

LMC: DA

TRANSFER: UC, CSU

PE-011B Intermediate Bootcamp

54 total hours activity
1 Unit

Intermediate Bootcamp provides a total fitness exercise program for the individual who has participated in an exercise/workout program to develop cardiovascular fitness, muscular strength/endurance, flexibility, nutrition/weight control and stress management. Intermediate Bootcamp offers a variety of modalities to add variance and ongoing interest to the individual who enjoys total fitness training. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-012 Fitness Walking

54 total hours activity
1 Unit

A cardiovascular exercise class intended to provide a complete fitness program without impact. The class is designed for all levels of fitness regardless of age or ability. The level of activity is based on individual needs. An emphasis will be placed on lifelong fitness and developing flexibility, cardiovascular fitness, muscular toning and weight control. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-014A Beginning Volleyball

54 total hours activity
1 Unit

(formerly PE-014) This course provides students with instruction in the fundamentals of volleyball including serving, blocking, digging, setting and spiking. Emphasis will be placed on knowledge of rules and team strategy. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-014B Intermediate Volleyball

54 total hours activity
1 Unit

This course provides students with the opportunity to practice and refine the fundamental skills of volleyball including serving, blocking, digging, setting and spiking. Emphasis will be placed on the application of rules and team strategy in game settings. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-020 Exerjazz for Fitness

54 total hours activity
1 Unit

This course is designed for the beginner as an exciting low to high impact aerobic activity that combines exercise and aerobic dance steps to promote lifelong fitness. This course is appropriate for the student with little experience in rhythmic exercise of dance. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-026A Beginning Soccer

54 total hours activity
1 Unit

(formerly PE-026) Beginning Soccer is a course designed to provide students with instruction in the fundamental skills of soccer including passing, dribbling, shooting, and trapping the ball. Students will learn the proper form and technique for each of these skills by participating in soccer specific drills as well as in short sided scrimmages. In addition, students will learn the rules of the game, and will learn how to properly warm up and cool down before and after playing soccer in order to reduce the risk of injury. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-026B Intermediate Soccer

54 total hours activity
1 Unit

ADVISORY: PE-026A

This course provides students with instruction in the Intermediate skills of soccer including passing, dribbling, shooting, and trapping the ball. Emphasis will be placed on knowledge of rules and team strategy. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-030 Tennis

54 total hours activity
1 Unit

This course is provides students with instruction in the fundamental strokes of tennis including forehand and backhand ground strokes, serve and volley, rules, scoring system and tennis etiquette. The basic tactics of singles and doubles and how to play the game, involving strategy, will be taught. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-033 Cardio Kickboxing

54 total hours activity
1 Unit

Cardio kickboxing will combine punches, kicks, sports conditioning, and drills to provide a workout that will improve cardiovascular fitness, muscular strength and flexibility. This course designed for all fitness levels. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-042 Golf

54 total hours activity
1 Unit

This course includes instruction in all aspects of the game of golf. It will emphasize golf stance, grip, swing, chipping, putting, etiquette, scoring, and strategy. Mandatory PE Facility fee of \$20 due prior to first class meeting. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-046A Beginning Basketball

54 total hours activity
1 Unit

(formerly PE-046) This course is designed to introduce the student to all the basic elements of the sport of basketball. The intent of the course will engage the students in the practice of all the basic skills through individual and group drills. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-046B Intermediate Basketball

54 total hours activity
1 Unit

ADVISORY: PE-046A

This course is designed to provide students with the opportunity to practice and refine skills and strategies used in the game of basketball. Emphasis will be placed on the application of basketball skills and strategies in game settings. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-049 Total Body Sculpting

54 total hours activity
1 Unit

Designed for total body toning through use of hand weights, resistance bands, Pilates exercises for core strength, cardiovascular fitness, and flexibility for lifelong fitness. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-053 Beginning Jazz Dance

54 total hours activity
1 Unit

Designed for the student with little experience in ballet or jazz dance, this course teaches students basic dance technique and choreography to enhance strength, flexibility and form. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-054 Intermediate Jazz Dance

54 total hours activity
1 Unit

ADVISORY: *Beginning Jazz Dance is recommended*

Designed for the student with training in Ballet or Jazz, Modern, Afro, Hip-Hop, or trend styles of dance. This course teaches students intermediate dance technique and choreography. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-055 Advanced Jazz Dance

54 total hours activity
1 Unit

ADVISORY: Beginning/Intermediate Jazz Dance is recommended

Designed for the student with training in ballet or jazz, modern, Afro, hip-hop, or trend styles of dance; this course teaches students advanced dance technique and choreography. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-057A Beginning Yoga for Health and Fitness

54 total hours activity
1 Unit

(formerly PE-057) This course introduces the student to beginning yoga poses to enhance strength, flexibility, muscle control, mental concentration, and alertness. Beginning breathing and relaxation techniques will help the student reduce stress and tension. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-057B Intermediate Yoga for Health and Fitness

54 total hours activity
1 Unit

ADVISORY: PE-057A

This course introduces the student to intermediate yoga poses to enhance strength, flexibility, muscle control, mental concentration, and alertness. Intermediate breathing and relaxation techniques will help the student reduce stress and tension. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-057C Advanced Yoga for Health and Fitness

54 total hours activity
1 Unit

ADVISORY: PE-057B

This course introduces the student to advanced yoga poses and flow sequencing to enhance strength, flexibility, muscle control, mental concentration, and alertness. Advanced breathing and relaxation techniques will help the student reduce stress and tension. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-098 Independent Study in Physical Education

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

PE-100 Introduction to Kinesiology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This is an introductory course that will survey the discipline of kinesiology/physical education including the analysis of the nature and importance of physical activity, the knowledge base of the discipline and careers in physical activity professions. Focus will also be placed on the integrative nature of the discipline. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU Gen. Ed. Area E; C-ID KIN 100

PE-105 CPR/First Aid

54 total hours lecture
3 Units

This course involves the theory and detailed demonstration of the first aid care of the injured commonly seen with the Kinesiology major. This course is also geared toward evaluating and treating the physically active since kinesiology is the scientific study of body movement. The student will learn to assess a victim's condition and incorporate and administer proper care and treatment. Students will be prepared to pass standard first aid, CPR and AED certification requirements. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU

PE-170 Occupational Work Experience Education in Physical Education

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

PE-180 Internship in Physical Education

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

Physics

DEGREE—Associate in Science for Transfer
Physics

The Associate in Science in Physics for Transfer Degree at Los Medanos College prepares students to transfer into a curriculum at a 4-year institution to pursue a baccalaureate degree in physics. This major will introduce students to many areas of study including engineering, physics, chemistry, astronomy, geology, and certain specialized majors such as architecture.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:	UNITS	
PHYS-040	Physics for Scientists and Engineers I	4
PHYS-041	Physics for Scientists and Engineers II	4
PHYS-042	Physics for Scientists and Engineers III	4
MATH-050	Calculus and Analytic Geometry I	4
MATH-060	Calculus and Analytic Geometry II	4
MATH-070	Calculus and Analytic Geometry III	4
TOTAL UNITS FOR THE MAJOR		24
TOTAL UNITS FOR THE DEGREE		60

8 units may double count toward the 24 unit major preparation and the CSU GE pattern. The major requires 60 total units; double counting units does not lower the required unit count for the degree. The balance of double counted units would be made up with CSU or IGETC transferable elective classes. If you are double counting units between the major and the CSU GE or IGETC pattern, you must take an additional 8 elective units to reach the 60-unit requirement for the Associate in Science in Physics for Transfer. See a counselor or department faculty for more information on suggested electives.

Program Student Learning Outcomes

1. Explain both the concerns and the main ideas of the major subfields of physics (including Mechanics, Waves and Optics, Electromagnetism, Thermodynamics and Statistical Physics, Quantum Mechanics, and other topics of Modern Physics).
2. Apply critical thinking skills to solve physics problems using theoretical, experimental, and computational techniques.
3. Explain how the ideas of physics apply to everyday situations encountered by individuals (e.g. How a heat engine works.) as well as issues facing society (e.g. How does global warming occur?).
4. Show how important physics ideas are represented, derived, and connected to each other through the language of mathematics.
5. Perform both qualitative and quantitative reasoning, along with knowledge of the relative magnitudes of physical quantities, to estimate the magnitude of certain effects upon the situation under study.
6. Design and perform simple experiments, interpret the results, and give estimates of uncertainties.
7. Synthesize multiple ideas of physics to solve problems.
8. Apply the ideas of physics to astronomy, chemistry, medicine, engineering and/or other disciplines.

COURSE DESCRIPTIONS

PHYS-015 Introduction to Physics

54 total hours lecture, 54 total hours lab
4 Units

PREREQUISITE: MATH-029, MATH-025 or equivalent; or one year high school algebra

ADVISORY: Eligibility for ENGL-100

An integrated study of physical concepts and principles with laboratory methods and techniques. An interdisciplinary approach will be used to develop an understanding of the nature of energy and matter interactions through a study of such topics as motion, thermal physics, electromagnetism, wave phenomena, and modern physics. Emphasis is placed on the creative process of scientific inquiry, on the aesthetics of science, and on the limitations and implications of scientific knowledge. Skills in critical thinking, problem-solving, and effective learning will be developed through the course. May not be repeated. SC

LMC: ADR: Natural Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C

PHYS-035 College Physics I

54 total hours lecture, 72 total hours lab
4 Units

PREREQUISITE: MATH-040 or equivalent

ADVISORY: PHYS-015

This course is an integrated study of the basic concepts, principles, and laws underlying physical phenomena and processes. Energy will be the unifying theme in treating mechanics, thermodynamics, and oscillations. This is the first semester of a year long course in general college physics. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID PHYS 105

PHYS-036 College Physics II

54 total hours lecture, 72 total hours lab
4 Units

PREREQUISITE: PHYS-035 or equivalent

This course is a continuation of PHYS-035, covering the areas of electricity and magnetism, geometrical and physical optics, fluids, sound, quantum physics, relativity, and nuclear physics. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID PHYS 110

PHYS-037 General College Physics Calculus Supplement I

9 total hours lecture
.5 Unit

CO-REQUISITE: PHYS-035; MATH-037 or MATH-050

This course, taken with PHYS-035, is equivalent to a calculus-based physics course. Students learn how to solve calculus-based physics problems in mechanics and thermodynamics, such as center of mass, moments of inertia, and the work done by a gas undergoing various types of expansion. Students will also learn how to convert from approximate, non-calculus formulas to the exact, calculus-based formulas. May not be repeated. LR

LMC: DA

TRANSFER: CSU, UC

PHYS-038 General College Physics Calculus Supplement II

9 total hours lecture
.5 Unit

CO-REQUISITE: PHYS-036, MATH-060

This course, taken with PHYS-036, is equivalent to a calculus-based physics course. Students learn how to solve calculus-based physics problems in fluid dynamics, wave phenomena, electromagnetism, and modern physics, such as atmospheric pressure variations, determining the electric field and voltage around a particular charge distribution, or determining radiation exposure. Students will also learn how to convert from approximate, non-calculus formulas to the exact, calculus based formulas. May not be repeated. LR

LMC: DA

TRANSFER: CSU, UC

PHYS-040 Physics for Scientists and Engineers I

54 total hours lecture, 72 total hours lab
4 Units

PREREQUISITE: Prior or concurrent enrollment in MATH-060

This is an introduction to Newtonian mechanics. Topics will include vectors, rectilinear and planar motion, Newton's Laws, work and energy, linear and angular momentum, rotational kinematics and dynamics, equilibrium, oscillations, and gravitation. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID PHYS 205

PHYS-041 Physics for Scientists and Engineers II

54 total hours lecture, 72 total hours lab
4 Units

PREREQUISITE: PHYS-040 and prior or concurrent enrollment in MATH-070

This course is an introduction to electricity and magnetism. Topics will include Coulomb's Law, Gauss' Law, electric fields, electric potential, Ohm's Law, DC circuits, Capacitance, magnetic fields, Faraday's Law, electric oscillations, electromagnetic waves, Maxwell's equations and AC circuits. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID PHYS 210

PHYS-042 Physics for Scientists and Engineers III

54 total hours lecture, 72 total hours lab

4 Units

PREREQUISITE: PHYS-040 and prior or concurrent enrollment in MATH-070

This course is an introduction to fluids, waves, sound, heat and thermodynamics, geometrical and physical optics and quantum physics. May not be repeated. LR

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area B1, B3; IGETC Area 5A, 5C; C-ID PHYS 215

PHYS-098 Independent Study in Physics

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

DA varies with course content.

Political Science

COURSE DESCRIPTIONS**POLSC-010 Introduction to American Government: Institutions and Ideals**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

A comprehensive introduction to the issues, institutions and ideals of American government, with special emphasis on the Constitutions of the United States and the State of California. The historic development of national, state and local government since the eighteenth century will be emphasized. Special attention will be paid to the rights and obligations of citizenship and our heritage of social and ethnic diversity. The completion of Political Science (POLSC) 10 partially satisfies the American History and Institutions CSU transfer requirement. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4H; C-ID POLS 110

POLSC-020 Introduction to Politics: Institutions and Ideals

54 total hours lecture

3 Units

ADVISORY: ENGL-100

A comprehensive introduction to the issues, institutions and ideals of modern politics, with emphasis on the constitutional systems of the United States and the State of California. This course offers a thorough, fundamental survey of the basic methods, concepts and theories of political science, and the ways in which they can foster a deeper understanding of our local, national and global communities. Special attention will be paid to the rights and obligations of citizenship and the political effects of social diversity. The completion of POLSC-020 partially satisfies the U.S. History, Constitution and American Ideals CSU requirements. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4H

POLSC-040 Introduction to California State and Local Politics

54 total hours lecture
3 Units

ADVISORY: ENGL-100

This course provides an overview of California politics, focusing on the organization and operation of government at the state and local governmental levels. This examination will include a review of the historical and geographical factors that have shaped California's development as well as the analysis of the contemporary political, social, demographic, and economic issues facing the state. In addition to consideration of institutional forces at the governmental level, non-governmental entities such as interest groups, campaign professionals, and media organizations, will be prominently featured during this course. The enduring significance of specific subjects and issues in the state political process, notwithstanding the annual budget process, elections, and diversity, will necessitate reflection at specific intervals. Salient features of the overall course design and requirements are structured to achieve a balance among the normative, practical, and participatory dimensions of California politics. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC, CSU Gen. Ed. Area D8; IGETC Area 4H

POLSC-043 International Relations

54 total hours lecture
3 Units

ADVISORY: POLSC-010 and ENGL-100

This course introduces students to the study of political, economic and cultural relations among states, international organizations and nonstate actors, focusing on the interdependence of nations and cultures in the modern world. The course features an interdisciplinary perspective, with contributions from geography, history, sociology and economics. Emphasis will be placed on the links between local and international communities in an era of economic and cultural globalization. This general education course satisfies LMC graduation requirements and is fully transferable to CSU and UC institutions. May not be repeated. LR

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4G

POLSC-050 Introduction to Comparative Politics

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

An introduction to the fundamental concepts used by political scientists to study the political institutions and outcomes in a broad range of national settings. The course emphasizes the rich diversity of political life, alternative solutions to important social issues, the link between political processes and policy outcomes, and the impact of global economic and political change on national political systems. National case studies will include the United States, United Kingdom, Germany, Russia, China, India, Nigeria and Mexico. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC, CSU Gen. Ed. Area D8; IGETC Area 4H

POLSC-060 The Constitution, Our Rights and the Law

54 total hours lecture
3 Units

ADVISORY: ENGL-100

This course is an introduction to the Constitution of the United States as it relates specifically to the powers, issues, and evolution of the judicial branch. Detailed emphasis will be placed on the case history of the Supreme Court by analyzing civil liberties protections, civil rights guarantees, and other controversies related to law and justice. Economic, political, and ethical issues as well as demographic data will be used during discussions relevant to the continuing evolution of the judicial branch, the justice system, and their relationship to the people of United States. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: CSU Gen. Ed. Area D

POLSC-098 Independent Study in Political Science

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

POLSC-133 A History of Political Thought: The Problem Of Democracy

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Same as PHIL-133. An introduction to the history & development of a 2,500 year old tradition of political thought & state craft. Originating in a condition of Athenian democratic dysfunction, this tradition has intermittently reanimated itself with the concern to understand the fragility of Republican-Democratic political systems. While a comparative attempt to study certain non-democratic ideas & practices will be made, the primary goal of this course is to introduce students to the difficulties inherent in sustaining any viable democratic regime, including, notably, the American system of which they are a living part. The course will proceed with an interdisciplinary, cross-cultural & comparative approach which is compatible with the discursive, interpretive nature of the study of primary texts & their authors in historical context. POLSC-133 meets Social and Behavioral Sciences requirement. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area C2, D; IGETC Area 3B, 4A

POLSC-900s Selected Topics in Political Science

Process Technology

DEGREE—Associate of Science

Process Technology

CERTIFICATE OF ACHIEVEMENT

Process Technology

COLLEGE SKILLS CERTIFICATE

Bridge to Advanced Manufacturing

The Process Technology Program is designed to provide students with skills necessary to succeed in the chemical and refining industries. "Process technicians" are skilled plant operators who safely run the refineries and chemical plants on a 24 hours per day / 365 days per year basis. The curriculum is a combination of hands-on laboratory experiences, classroom lectures, and industrial site visits.

For the Associate of Science Degree in Process Technology, complete 35 units of coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan for the Associate of Science Degree.

For the Certificate of Achievement in Process Technology, complete 35 units of coursework listed below. Consult a Los Medanos College counselor to develop your education plan.

CHEM-006 or CHEM-007	Introduction to Inorganic and Physical Chemistry	4
CHEM-007	Introduction General, Organic and Biochemistry	4
PHYS-015**	Introduction to Physics	4

TOTAL UNITS FOR THE MAJOR	36
TOTAL UNITS FOR THE DEGREE	60
TOTAL UNITS FOR THIS CERTIFICATE	36

*Math 30 also satisfies the Math requirement for the AS Degree.

** Physics 15 also satisfies the Physical Science requirement for the AS Degree.

Program Student Learning Outcomes

1. Be academically and experientially prepared to obtain an entry-level position in the chemical, refining, oil and gas production, water, waste management, food, and related manufacturing industries.
2. Apply critical thinking to research, evaluate, analyze and synthesize information to solve problems related to process equipment, instruments, systems, and operations within the chemical, refining, oil and gas production, water, waste management, food, and related manufacturing industries.
3. Demonstrate excellent communications skills (oral and written) to ensure optimal communication with shift co-workers, first line supervisors, maintenance personnel, safety personnel, contractors, and other members of the manufacturing site team.
4. Demonstrate knowledge of the process technology and apply the technical skills necessary to operate complex process equipment and systems such as distillation, fired boiler, refrigeration, cooling tower, reactor, and similar unit operations.

COLLEGE SKILLS CERTIFICATES

BRIDGE TO ADVANCED MANUFACTURING

REQUIRED COURSES:		UNITS
PTEC-007	Industrial Technology Career Skills	1
PTEC-010	Introduction to Process Technology	3
PTEC-012	Petrochemical Safety, Health and Environment	1
MATH-025 or higher	Elementary Algebra	5
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE		10

Program Student Learning Outcomes

1. This certificate will provide new and returning students, including veterans, with skills necessary to succeed in obtaining a Certificate of Achievement in Process Technology.

COURSE DESCRIPTIONS

PTEC-004 Process Technology (PTEC) Career Exploration

18 total hours lecture

1 Unit

This career exploration course provides students with a clear overview of the everyday activities of a petrochemical process technician, also called a plant operator. The course is designed to help students decide if a career as a plant operator is right for them. The students will learn what an operator does on a day to day basis and many of the terms used by operators. The essential abilities to work well with teams of diverse people, to foster a good work attitude, and to balance work life with home life will be explored. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-007 Industrial Technology Career Skills

18 total hours lecture

1 Unit

ADVISORY: Eligibility for ENGL-100

This highly interactive course gives students awareness and know-how to succeed in the industrial technology environment. The student will learn about personal and interpersonal interactions including self motivation, communication, teamwork, work/life balance, shift operations behavior, personal vision, confidence, initiative, attitude, personal appearance and positive behavior. The student will learn about working in the industrial technology environment and acquire these skills through a series of interactions with the instructor and other students utilizing a variety of learning media. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-009 PTEC Mathematics

54 total hours lecture

5 Units

PREREQUISITE: The equivalent of a C or better in high school Algebra I, Integrated Math I, MATH-025 or MATH-029

This course meets the math requirements for the Associate of Science degrees in Process Technology. In this course math is taught in the context of problems commonly encountered by process technicians. Content includes basic algebra; unit analysis and unit conversions; multi-step problem-solving using linear, quadratic, rational, exponential, logarithmic functions; data analysis using graphs and numerical descriptions of central tendency and variation; basic laws of probability and the normal curve. May not be repeated. SC

LMC: ADR: Language and Rationality: Communication and Analytical Thinking; DA

TRANSFER: CSU

PTEC-010 Introduction to Process Technology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This introductory course will provide a clear overview of everyday life in the Process Technology industry. The student will learn about and experience first hand the variety of equipment used in typical processes and see how important safety and environmental considerations are in petrochemical operations. The class includes labs and field trips to typical chemical and petroleum manufacturing plants. The student is expected to climb ladders to the top of processing units, wear and carry safety equipment, and work in confined spaces. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-012 Petrochemical Safety, Health, and Environment

18 total hours lecture
1 Unit

ADVISORY: PTEC-010; eligibility for ENGL-100

This course provides an in-depth view of how important safety and environmental considerations are in the petrochemical industry. Covers the various government regulatory groups that oversee this industry and explains why the use of planning, protection, and preventative procedures enable the petrochemical industries to provide occupations that are interesting, rewarding and safe. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-024 Process Instrumentation

45 total hours lecture, 27 total hours lab
3 Units

ADVISORY: PHYS-015, PTEC-010; eligibility for ENGL-100

This class puts together all of the typical components of a "control loop" and explains how an instrument control system works. The student will also learn about the instruments that measure and control process variables such as pressure, temperature, and flow, and will gain an appreciation of this critical and applicable knowledge. The student will also see how instruments do most of the work in a typical petrochemical process. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-025 Process Technology I - Equipment

54 total hours lecture
3 Units

ADVISORY: PHYS-015; MATH-030; PTEC-010, 012; eligibility for ENGL-100

The student will learn about equipment such as heat exchangers, distillation towers, reactors, valves, and pumps. Not only will you acquire essential skills that will help you pursue a career in the petrochemical industry, but the next time you drive past a chemical plant, you will be able to explain to your family or friends what is really going on. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-027 Applied Instrument Analysis

9 total hours lecture, 27 total hours lab
1 Unit

PREREQUISITE: CHEM-006 or CHEM-007

CO-REQUISITE: CHEM-006 or CHEM-007

ADVISORY: PTEC-010; eligibility for ENGL-100

An introduction to analytical instruments used in typical laboratories, such as gas chromatographs and chemical titrating instruments. Covers various methods of sampling and analyzing to determine the composition of typical liquids, solids, and gases used in the petrochemical industry. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-035 Process Technology II - Systems

54 total hours lecture
3 Units

ADVISORY: PTEC-012, 025; CHEM-006 or 007; eligibility for ENGL-100

Building on the content learned in Process Technology I - Equipment (PTEC-025), this course covers the various "systems" that tie the equipment together and keep them operating. The student will learn how to interact with these systems as a technician and will learn about financial considerations which make an operation profitable. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-044 Petrochemical Simulation Laboratory

54 total hours lab
1 Unit

PREREQUISITE: PTEC-035

ADVISORY: Eligibility for ENGL-100

This PTEC laboratory builds upon knowledge gained about equipment and systems in PTEC-025 and PTEC-035. Computer simulation software is used to learn and practice skills in operating typical petrochemical unit operations such as heat exchanger systems and distillation columns. May not be repeated. P/NP

LMC: DA

PTEC-045 Process Technology III - Operations

45 total hours lecture, 27 total hours lab
3 Units

PREREQUISITE: PTEC-035

ADVISORY: Eligibility for ENGL-100

Drawing on the knowledge and skills learned in Process Technology I (PTEC-025) and II (PTEC-035), the student gains a deeper understanding of the responsibilities of an operating technician, including the specific roles of an operating technician and how to apply operation skills to startup and shutdown. The student will also learn how to operate a petrochemical plant and respond safely in the event of an emergency. Additional skills learned are how to keep a written log of process occurrences and communicate effectively with others. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-048 Process Troubleshooting

54 total hours lecture
3 Units

PREREQUISITE: PTEC-035; MATH-025 or MATH-029

ADVISORY: PTEC-044, 045; eligibility for ENGL-100

This PTEC class teaches problem solving, or commonly referred to in industry as troubleshooting. The student will learn and practice skills such as deductive and inductive reasoning and root cause analysis to troubleshoot real petrochemical problems and to prevent problems from occurring in the future. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-060 Industrial Technology Career Preparation

18 total hours lecture
1 Unit

ADVISORY: Eligibility for ENGL-100

In this course, the student will learn about the phases of pre-employment including resume and application writing, pre-employment testing, and the all important interview. The student will learn about critical interviewing skills such as actions to take before the interview, how to dress, promptness, typical industry-type interviews, conduct during the interview, typical questions one might be asked, the STAR question process, industrial technology subject categories, questions to ask and not to ask during the interview, and interview follow up. The student will learn how to obtain a Transportation Workers Identification Credential (TWIC Card) and apply for BAT Safety Training certification and why these credentials are important in obtaining employment. Each student will participate in a mock interview similar to the interviews given by industrial technology companies. May not be repeated. SC

LMC: DA

TRANSFER: CSU

PTEC-098 Independent Study in Process Technology

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

PTEC-100 Introduction to Industrial Technology and Trades

18 total hours lecture, 54 total hours lab
2 Units

This is a career exploration course for the industrial trades including: Appliance Repair, Automotive Technology, Electrical/Instrumentation Technology, Process Technology and Welding Technology. It will provide hands-on experience for students who are maybe undecided about their career direction, and allows them to explore through doing, in this survey course of the industrial trades. It will also teach them some basic skills in each trade. This is one course and will be listed under all of following course numbers AUTO-100, APPLI-100, ETEC-100, PTEC-100 and WELD-100. Students may register for this course using any one of the provided course numbers. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

PTEC-170 Occupational Work Experience Education in Process Technology

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

PTEC-180 Internship in Process Technology

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

LMC: DA

PTEC-900s Selected Topics in Process Technology

DA varies with course content.

Psychology

DEGREE—Associate in Arts for Transfer
Psychology

The psychology major at Los Medanos College will provide students with an introduction to the field of psychology. This major will focus on behavior and its contributions to understanding social evolution, interpersonal relationships and healthy and disordered functioning. Students will be exposed to psychology as the scientific study of thought, feeling and behavior and as a helping profession dedicated to solving human problems.

Psychology includes a variety of subfields, including clinical, counseling, developmental, forensic, social, cognitive, biological, industrial, health, educational and school psychology. Most career options require more than two years of college study. The Associate in Arts Degree in Psychology for Transfer provides preparation for transfer to psychology programs at four-year institutions. Transferring, completion of a bachelor's degree in psychology can lead to careers as psychotherapists, college professors, scientific researchers, administrations and business consultants.

To earn the Associate Degree for Transfer:

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED CORE COURSES:		UNITS
MATH-034	Introduction to Statistics	4
PSYCH-011	General Psychology	3
PSYCH-017	Introduction to Research Methods in Psychology	3

LIST A:		UNITS
BIOSC-010	Introduction to Biology	4

LIST B:		UNITS
SOCIO-015	Introduction to Sociology	3

LIST C:		UNITS
PSYCH-010	Individual and Social Processes	3

TOTAL UNITS FOR THE MAJOR		20

TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Utilize critical thinking skills to analyze, evaluate and make decisions regarding current issues in psychology.
2. Recognize the complexity of social, cultural and global diversity.
3. Demonstrate understanding of the major theoretical perspectives, concepts and research findings in the field of psychology.
4. Demonstrate an understanding of biological processes underlying behavior and experience.
5. Demonstrate knowledge of the principles of research and the ethical considerations in conducting research.

COURSE DESCRIPTIONS**PSYCH-010 Individual and Social Processes**

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This psychology course is designed to study selected concepts and principles of Psychology. Emphasis is on the functional aspects of individual and group behavior. It will focus on Psychology as a discipline within the Behavioral Sciences and its relationship to Anthropology and Sociology. Areas of study will include the understanding of human behavior from philosophical and theoretical viewpoints, stages in human development and the social and psychological influences of one's self-concept. This course meets the graduation requirement for general education for Behavioral Sciences. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4I

PSYCH-011 General Psychology

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This introduction to psychology serves as a preparation for further study in this field. The focus of the course is the study of human behavior and its contributions to understanding social evolution, interpersonal relationships, and healthy and disordered functioning. The goals of this field, its evolution as a behavioral science, its varied practical applications, current controversial issues and views for understanding our present social and world conditions are discussed. To gain this understanding, the content includes the study of: motivation, mind and body relationship, individual differences, developmental stages, the role of learning and cognitive functioning, gender similarities and differences, and the value and limitations of mental health therapies. An interdisciplinary approach is used to communicate how bioscience, sociology, anthropology and current affairs are interrelated in the study and development of this discipline. May not be repeated. SC

LMC: ADR: Social and Behavioral Sciences; DA

TRANSFER: UC; CSU Gen. Ed. Area D; IGETC Area 4I

PSYCH-014 The Psychology of Human Sexuality

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This class is designed to help students better understand the subject of human sexuality as it relates to sexual intimacy from both an emotional and physical point of view. The subject of sexuality will be addressed from the disciplines of psychology, sociology, biology and physiology. The practical application of the course material will have an emphasis on the cognitive /behavioral approach to intimacy. The major focus of the class will be on the topic of intimacy, which will include self, emotional and sexual. Other topics that will be examined include sexual anatomy and physiology, gender issues, history, sexual orientation, sexual assault, domestic violence. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area D, E; IGETC Area 4D, 4I

PSYCH-017 Introduction to Research Methods In Psychology

54 total hours lecture
3 Units

PREREQUISITE: PSYCH-011; MATH-034

ADVISORY: Eligibility for ENGL-100

This course is an introduction to scientific methodology in psychology and other behavioral sciences. Emphasis is placed on descriptive, experimental, and applied research. Topics include hypothesis formation, review of professional literature, research design, collection of data, statistical analysis, and scientific report writing. May not be repeated. SC

LMC: DA

TRANSFER: UC, CSU Gen. Ed. Area D; IGETC Area 4I; C-ID PSY 200

PSYCH-098 Independent Study in Psychology

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

Recording Arts

DEGREE–Associate of Arts
Recording Arts

CERTIFICATE OF ACHIEVEMENT
Recording Arts

COLLEGE SKILLS CERTIFICATE
Recording Arts Level 1
Recording Arts Level 2

Students of recording arts technology learn how to produce sound for a range of media. They learn how to record music, dialogue, and sound effects; edit, dub, and mix; operate and maintain equipment; and more. Technology is constantly changing and, here at LMC, we're up on the latest industry standards to help you succeed in the career of your dreams.

There are many opportunities for the trained recording arts professional in the fields of producing, sound reinforcement, independent audio engineering, mastering, video game creation, film and television sound, radio broadcast, forensic audio, hardware and software development, equipment maintenance and repair, bio-acoustic research, theatre sound, and many more.

It is extremely important to recognize that the industry has undergone a major paradigm shift in recent years. "Studio jobs" continue to exist, but due to the reduction in the need for large numbers of major studios, they are extremely scarce. The current model calls for entrepreneurs and independent contractors, trained to operate in a more "freelance" environment.

Digital technology and distribution via the Internet has shifted emphasis away from large record labels to independents who handle their own content and distribution, primarily by download.

Recording Arts Salary Averages in California:
Audio/Video Equipment Technician: \$12.06-\$42.96/hour
Sound Engineering Technician: \$13.06-\$62.54/hour

Information gathered from onetonline.org which is sponsored by the Department of Labor, 2016

ASSOCIATE OF ARTS DEGREE**RECORDING ARTS**

For this degree, a total of 60 degree-applicable units are required. Complete 27 units of major coursework (from left column) as well as the General Education requirements.

REQUIRED COURSES:		UNITS
RA-010	Recording Arts I	3
RA-012	Sound Reinforcement	3
RA-015	Music Fundamentals for Audio Professionals	3
RA-020	Recording Arts II	3
RA-021	The Role of the Producer	2
RA-025	Basic Tracking Sessions	3
RA-030	Recording Arts III	3
RA-032	Recording Arts Workshop	(min) 1
RA-035	Protools Production & Editing	3
RA-040	Recording Arts IV	3
TOTAL UNITS FOR THE MAJOR		27
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Be able to transfer to a 4-year recording industry program with advanced standing.
2. Be qualified for entry-level positions in the field.
3. Be positioned to begin entrepreneurial freelance work.

CERTIFICATE OF ACHIEVEMENT**RECORDING ARTS**

For the Certificate of Achievement in Recording Arts, complete 27 units of major coursework – see left column for a sample schedule. This certificate curriculum is provided as a sample guide showing what a student's schedule may look like. There is no guarantee that all classes will be offered each semester or that space will be available.

Typical sequence – 4 semesters

REQUIRED COURSES: FALL		UNITS
RA-010	Introduction to Recording Arts	3
RA-012	Sound Reinforcement	3
RA-015	Music Fundamentals for Audio Professionals	3

COURSE DESCRIPTIONS

RA-010 Introduction to Recording Arts

36 total hours lecture, 72 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

This course is designed for the general student or the student entering the Recording Arts Program and includes an introduction to the terminology and practices within recording arts. The emphasis is on broad general concepts and practical methods. The content includes audio procedures, microphone techniques, overdubbing and basic mixing. The multi track recorder and mixing console are used for demonstration. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-012 Sound Reinforcement

36 total hours lecture, 54 total hours lab
3 Units

ADVISORY: Eligibility for ENGL-100

This course is an overview of the field of concert sound reinforcement. This branch of audio engineering is concerned with the installation and operation of in-house and large transportable sound systems. The course provides the student with a working vocabulary and an explanation of how the many components of the sound system function and interrelate. Discussions on the acoustic environment, audio equipment, sound system setup, troubleshooting, sound check, the art of mixing sound for live performance and touring, give the student a behind-the-scene look at how this information is used by concert audio engineers.

Meets the LMC Recording Arts Associate Degree and Certificate requirements. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-015 Music Fundamentals for Audio Professionals

54 total hours lecture
3 Units

ADVISORY: Eligibility for ENGL-100

This course is a basic music course addressing the specific needs of recording arts students by providing the specialized musical vocabulary and concepts needed to interact with artists in studio situations. This course also covers the basic technical aspects of music making. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-020 Recording Arts II

36 total hours lecture, 72 total hours lab
3 Units

PREREQUISITE: RA-010

This course is the second semester course in the recording arts sequence and is designed to familiarize the student with the professional recording environment and the fundamentals of engineering. Topics include: overview of recording studio design, the recording team, detailed description of the recording chain with emphasis on LMC's state-of-the-art recording system, system interconnection, microphones, microphone technique and mixing consoles. Meets the LMC Recording Arts Associate Degree and Certificate requirements. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-021 The Role of the Producer

36 total hours lecture, 36 total hours lab
2 Units

ADVISORY: Eligibility for ENGL-100

This course is designed to develop strong competencies in the field of producing audio projects. The content includes detailed information on the work of producers through all three phases of production, evaluation of material, working with talent, budget analysis, legal issues, scheduling, negotiating with record labels and recording studios, managing session workflow, overseeing the mastering process and other trends in the field. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-025 Basic Tracking Sessions

36 total hours lecture, 54 total hours lab
3 Units

PREREQUISITE: Prior or concurrent enrollment in RA-010

ADVISORY: Eligibility for ENGL-100

This course is designed for students in the early stages of the Recording Arts program. Students will receive basic training in the use of LMC's high-end recording equipment, located in Studio B, and gain hands-on experience through involvement in recording sessions. The initial focus of the course is a review of system interconnection and the primary components of the recording system. Topics include: working with clients, multi-track recording formats, the purpose of basic tracks, documentation, session setup, microphone technique, signal flow through the console and configuring the control room equipment for tracking sessions. May not be repeated. SC

LMC: DA

TRANSFER: CSU

RA-030 Recording Arts III

36 total hours lecture, 72 total hours lab
3 Units

PREREQUISITE: RA-020

ADVISORY: Eligibility for ENGL-100

Third semester course in the recording arts sequence. Course begins with a detailed discussion of establishing a career in the recording industry. The course includes an in-depth study of the history of recording from acoustic recording to present-day digital audio technology. The fundamentals of digital audio theory are covered. Additionally, an overview of issues related to computer-based recording systems, that includes information on configuring hardware, operating systems and application software is presented. Material related to configuring DAW hardware focuses on the Digidesign Pro Tools|HD Accel 3 digital recording system. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-032 Recording Arts Workshop

54 total hours lab
1 Unit

ADVISORY: RA-010 and 020; eligibility for ENGL-100

Suggested that one is currently enrolled in second year of R.A. program. First year R.A. students should be recommended by instructor. Investigation of various selected activities associated with the recording arts program. The class will be assigned selected activities such as overdubbing, recording sessions, mixdowns, and basic console and deck setup. Second year R.A. students will be teamed up with first year students to work as engineering teams to simulate professional recording studio procedures. Required for the LMC Recording Arts Associate Degree and Certificate requirements. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-033 Summer Recording Workshop

36 total hours lecture, 36 total hours lab
2.5 Units

PREREQUISITE: Prior or concurrent enrollment in RA-020

This course is designed for advanced students. Students will receive detailed training in the use of LMC's high-end recording equipment and gain hands-on experience through involvement in recording sessions. Students will work in teams based on their skill level. The most advanced students will work on recording sessions, while other students receive further training on specific recording equipment and studio procedures. The initial focus of the course is a review of system interconnection and the primary components of the recording system. Topics include: working with clients, recording formats, documentation, session setup, microphone technique, signal flow through the console, console automation, linear and non-linear digital recording systems, analog multitrack recording with Dolby SR noise reduction, hardware and software signal processors, time code and synchronized recording systems, automated mixing, digital editing, and preparing the final product. May not be repeated. SC

TRANSFER: CSU

RA-035 ProTools Production and Editing

54 total hours lecture
3 Units

ADVISORY: RA-010 and 020

Audio production for radio, television and compact disc release utilizing the Pro Tools systems. Required for the LMC Recording Arts Associate Degree requirements. May not be repeated. LR

LMC: DA

TRANSFER: CSU

RA-040 Recording Arts IV

36 total hours lecture, 72 total hours lab
3 Units

PREREQUISITE: RA-030

ADVISORY: Eligibility for ENGL-100

This is the fourth course in the recording arts sequence. This course focuses on five primary areas of study: audio post-production for film/video, signal processors, analog storage, mixing and mastering. The details of post-production audio for film are examined with an emphasis on synchronization techniques, time code and digital audio editing. An overview of signal processors is presented. Information from previous courses in the sequence is applied when studying mixing. Course concludes with a description of the mastering process. Required for the LMC Recording Arts Associated Degree and Certificate requirements. This course is offered in the spring only. May not be repeated. LR

RA-170 Occupational Work Experience Education in Recording Arts

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

RA-180 Internship in Recording Arts

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. DEGREE—Associate in Arts Degree for Transfer

African American Studies

LGBTQ Studies

ASSOCIATE IN ARTS

AFRICAN AMERICAN STUDIES FOR TRANSFER DEGREE

The Associate in Arts in Social Justice Studies: African American Studies for Transfer Degree at Los Medanos College will grant students with the opportunity to examine, analyze, and explore African Americans historically, socially, and politically. By employing a cross-disciplinary approach, this course shall allow students to thoroughly consider theoretical frameworks that have impacted the lives of African people in the United States. These theoretical infrastructures primarily include race, gender, and sexuality. Moreover, this course will expose students to the expanse of the African Diaspora, allowing students to recognize connections between African-Americans and African people who lived and are living in the Caribbean, Latin America, and Europe. Via the Arts, Humanities, and Social Sciences, the Associate in Arts in Social Justice Studies for Transfer Degree: African American Studies will offer students the chance to study African Americans in courses such as history, psychology, politics, literature, film, art, ethnic studies, gender studies, child development and health. The degree requires a minimum of 18 units lower division work in African American Studies and related disciplines and is combined with the California State General Education Pattern to prepare students to take upper division courses at a California State University.

To earn the Associate Degree for Transfer::

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:		UNITS
SOCS-150	Introduction to Race & Ethnicity	3
SOCS-136	Introduction to Gender Studies	3
SOCS-110	Introduction to Social Justice Studies	3
TOTAL UNITS FOR THE MAJOR		9

List A:

SELECT THREE COURSE FROM AT LEAST TWO OF THE FOLLOWING AREAS:

AREA 1:

HIST-061	History of African-Americans since 1865	3
-----------------	---	----------

AREA 2:

ENGL-129	African American Literature	3
DRAMA-072	The Color of Media	3

AREA 3:

SOCS-045	Issues Facing African Americans	3
TOTAL UNITS		9
TOTAL UNITS FOR MAJOR:		18
TOTAL UNITS FOR DEGREE:		60

Program Student Learning Outcomes

1. Read, write and discuss orally a variety of primary and secondary texts about African people in the United States and the African Diaspora.
2. Use art, film, music, and literature to critically examine and explore the history and struggle of African people in the United States and the African Diaspora.
3. Analyze the histories and experiences of African people and the contributions they have made to social justice and the fight for equality in the United States and the African Diaspora.
4. Examine the ethical and moral implications inherent in the experiences of African people in the United States and throughout the African Diaspora in their quest for social, moral and economic justice.
5. Compare and contrast the African American experience with other experiences that are a part of the African Diaspora.

ASSOCIATE IN ARTS

LGBTQ STUDIES FOR TRANSFER DEGREE

The Associate in Arts in Social Justice: LGBTQ Studies for Transfer Degree Program at Los Medanos College offers students a multidisciplinary approach to the study of Lesbian, Gay, Bisexual, Transgender and Queer identities, culture, art, literature politics, history and society in the United States and across cultures. Through the Arts, Humanities, and Social Sciences, students will incorporate queer theory, theories of race and ethnicity, and feminist theory, to examine, analyze and compare social and political movement, and consider the ways that we currently understand and have historically understood various constructions of sexuality, gender identity and behavior depending upon historic time and global location. To support this multidisciplinary approach, students in the Associate in Arts in Social Justice: LGBTQ Studies for Transfer Degree Program may take courses in history, psychology, politics, literature, film, art, ethnic studies, gender studies, child development and health. The degree requires a minimum of 18 units lower division work in LGBTQ Studies and related disciplines and is combined with the California State General Education Pattern to prepare students to take upper division courses at a California State University.

To earn the Associate Degree for Transfer::

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:		UNITS
SOCS-110	Introduction to Social Justice Studies	3
ENGL/ SOCS-135	Introduction to LGBTQ Studies	3
ENGL/ SOCS-136	Introduction to Gender Studies	3
TOTAL UNITS FOR THE MAJOR		9

List A:

SELECT 3 COURSES FROM AT LEAST 2 OF THE FOLLOWING AREAS:

AREA 1:

HIST-055	History of Sexuality in North America	3
-----------------	---------------------------------------	----------

AREA 2:

ENGL-150	LGBT Literature	3
-----------------	-----------------	----------

AREA 3:

CHDEV-050	Teaching in a Diverse Society	3
------------------	-------------------------------	----------

PSYCH-014	Psychology of Human Sexuality	3

TOTAL UNITS		9
--------------------	--	----------

TOTAL UNITS FOR MAJOR:		18
-------------------------------	--	-----------

TOTAL UNITS FOR DEGREE:		60
--------------------------------	--	-----------

Program Student Learning Outcomes

1. Read critically a variety of primary and secondary, interdisciplinary, multicultural "texts" (essays, literature, visual art, film, music) about LGBTQ history, politics, literature, arts and media, and think critically and creatively about these works.
2. Summarize the histories and experiences LGBTQ people, as well as other oppressed ethnic, class, and gender minority groups in the United States, and discuss their contributions to the development of American society.
3. Analyze the social and political construction of sexual orientation and gender identity, as well as that of race, ethnicity, class, and gender and sexual orientation, and articulate how these concepts operate across social and cultural institutions.
4. Evaluate the ethical implications of the patterns of social and political power that affect sexual and gender minorities, as well as racial, ethnic, class minorities in the United States.
5. Analyze and evaluate the history of American social movements that have sought justice for oppressed sexual and gender minorities, as well as racial, ethnic, and class minority groups.
6. Compare and contrast the American experience of oppression and liberation with that of other selected nations and cultures.

Social Science

COURSE DESCRIPTIONS

SOCS-045 Issues Facing African Americans

54 total hours lecture
3 Units

ADVISORY: *Eligibility for ENGL-100*

This course will examine the experience of African Americans from a socially inclusive, transcultural & interdisciplinary perspective. Students will be asked to acknowledge, properly define, & critically engage those issues and concerns most resonant, historically and currently, within ethnic memory. The ultimate goal of our study together is to gain deeper understanding of the unique heritage African Americans possess. Also to appreciate the pivotal role Blacks have played in founding and sustaining the American sense of becoming a "democratic" nation. May not be repeated. SC

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

SOCSC-110 Introduction to Social Justice Studies

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Same as ENGL-110. Introduction to Social Justice Studies is an interdisciplinary course introducing students to the history, psychology and sociology of racial, ethnic, class, gender and sexual oppression in the United States and the history, strategy and structure of movements for social justice and liberation. It will explore the major theories of race, ethnicity, class, gender and sexuality as they are linked to social structures and institutional processes. Specific examples of persecution, segregation, and asymmetric power relations will be drawn from the testimony of the oppressed throughout American history – in art, film, literature and music. The practices of oppression and resistance in the United States will be compared and contrasted to the experiences of other nations and cultures. May not be repeated. LR

LMC: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA**TRANSFER:** UC, CSU GE Area D; IGETC Area 4**SOCSC-135 Introduction to Lesbian, Gay, Bisexual, Transgender (LGBT) Studies**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Same as ENGL-135. Lesbian, Gay, Bisexual, and Transgender (LGBT) Studies takes an interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBT people throughout time and across the world. Students will study primary and secondary texts by and about LGBT people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity affect not only the LGBT community, but everyone in society. Students will have an opportunity for an independent project on a subject of their own choosing. May not be repeated. LR

LMC: ADR: Ethnic/Multicultural Studies; DA**TRANSFER:** UC; CSU Gen. Ed. Area D; IGETC Area 4D**SOCSC-136 Introduction to Gender Studies**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Same as ENGL-136. Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. LR

LMC: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA**TRANSFER:** UC, CSU GE Area D; IGETC Area 4**SOCSC-150 Introduction to Race & Ethnicity**

54 total hours lecture

3 Units

ADVISORY: Eligibility for ENGL-100

Introduction to Race and Ethnicity encourages students to consider theoretical perspectives that are prevalent in current research on race and ethnicity. This course will also help students establish an extensive understanding of the ways that race is constructed historically, politically, and socially. Primarily through a sociological approach, this introductory course will prompt students to examine, evaluate, and identify key issues that arise within the frame of majority-minority group relations. Additionally, this course will ask students to analyze the ways that race and ethnicity intersect with locations of identity such as gender and class. More crucially, Introduction to Race and Ethnicity will motivate students to strive for racial/ethnic equality and social inclusion in an era in which racial discrimination is still significant. May not be repeated. SC

LMC: ADR: Ethnic/Multicultural Studies; DA**TRANSFER:** UC, CSU; IGETC Area 4

SOCSC-170 Occupational Work Experience Education in Social Science

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

Sociology

DEGREE—Associate in Arts Degree for Transfer
Sociology

The sociology major at Los Medanos College will provide students with an introduction to the field of sociology. This major will focus on the principles and theoretical perspectives of sociology. Students will be provided an opportunity to examine how sociological phenomena can influence social institutions and social behavior. The sociological examination of the various modes of inquiry will develop an awareness of the importance as well as the complexity of collecting and reporting research data.

Most career options require more than two years of college study. This associate degree provides preparation for transfer to sociology programs at four year institutions. Transferring and the completion of the baccalaureate degree and graduate studies in sociology can lead to a variety of careers in social services, college and university teaching and research, administration and government fields and business consultants.

To earn the Associate Degree for Transfer::

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

REQUIRED COURSES:		UNITS
SOCIO-015	Introduction to Sociology	3
MATH-034	Introduction to Statistics	4
SOCIO-017	Introduction to Research Methods	3
SOCIO-012	Marriage and Family	3

Spanish

DEGREE—Associate in Arts Degree for Transfer
Spanish

COLLEGE SKILLS CERTIFICATE
Spanish

ASSOCIATE IN ARTS SPANISH FOR TRANSFER DEGREE

The Associate in Arts in Spanish for Transfer Degree is designed for students desiring advanced degrees in Spanish. Los Medanos College Spanish courses meet the lower division transfer requirements for Spanish. The curriculum includes the first and second year requirements for transfer to a CSU. A baccalaureate degree is the recommended preparation for those considering professional careers in Spanish at a CSU.

To earn the Associate Degree for Transfer::

1. Complete the CSU General Education Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
2. Complete the required major requirements listed below. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis.
3. Complete 60 CSU transferable units (including the General Education and major requirements).

PROGRAM REQUIREMENTS:		UNITS
SPAN-050	Elementary Spanish I	5
SPAN-051	Elementary Spanish II	5
SPAN-052	Intermediate Spanish I	5
SPAN-053	Intermediate Spanish II	5

LIST A COURSES: SELECT ONE COURSE (3-5 UNITS):		UNITS
DRAMA-030	Chicano/a Mexican American Cinema: A Critical Analysis	3
FRNCH-060	Elementary French I	5
FRNCH-061	Intermediate French II	5
ITAL-060	Elementary Italian I	5
TOTAL UNITS FOR THE MAJOR		23-25

TOTAL UNITS FOR THE DEGREE **60**

If a student who places out of any core courses(s) and is not awarded units for that course, the student will need to take additional units to compensate for the course/units required to reach at least 18 total units in the major. (Title 5 requirement) Suggested substitutions include courses in List A. Additional suggested course substitutions are listed below:

ANTH-006	Introduction to Cultural Anthropology	3
ANTH-008	Introduction to Anthropological Linguistics	3
DRAMA-030	Chicano/a Mexican American Cinema: A Critical Analysis	3
HIST-052	Mexican American History (1900 to Present)	3
SOCIO-015	Introduction to Sociology	3
SPAN-049	Conversational Latino Cinema	3
SPAN-060	Exploring Latino Cinema: A Critical Analysis	3
SPCH-150	Intercultural Communication	3

Program Student Learning Outcomes

1. Be academically prepared to transfer to a Spanish program at a four-year university.
2. Demonstrate the ability to understand, speak, read and write using high-intermediate levels of Spanish skills necessary for careers in Spanish and related fields.

COLLEGE SKILLS CERTIFICATE SPANISH

Job Opportunities

A certificate in Spanish may be completed in four semesters by taking the four-level Spanish 50-53 sequence. Possible career opportunities are varied and include, but are not limited to volunteer work or work as a tutor for students learning Spanish. College Skills Certificate earners in Spanish may work with or for Spanish speaking individuals or groups within the community in educational, religious, and service related areas such as first responder emergency providers, fire, and hospital employees. They may work within the local bilingual workforce. In addition they may work in many service related fields and earn higher wages because they are bilingual in both oral and written skills and improve communication.

LMC: DA

TRANSFER: CSU

SPAN-047 Spanish for Healthcare Professionals

54 total hours lecture
3 Units

This beginning course in Spanish is designed for students whose professional careers and personal interest take them to the healthcare field. This course will enable students to convey conversations with Spanish-speaking patients and their families. The students will develop basic skills in the target language to carry on medical/nursing functions or tasks. This course is also helpful for students who have a basic knowledge of Spanish whose goal is to apply the target language to a healthcare setting. May not be repeated. SC

LMC: DA

TRANSFER: CSU

SPAN-050 Elementary Spanish I

90 total hours lecture
5 Units

ADVISORY: Concurrent enrollment in ENGL-095 or higher level English course.

A visual/oral/aural approach to understanding, speaking, reading, and writing Spanish as it is used in Mexico, Central/South America, Spain, and the Southwestern United States. The content used in learning the language is drawn from the rich Mexican, Chicano, Afro-Caribbean and Latino cultures. It is highly recommended that upon completion of SPAN-050, the second course SPAN-051 be taken the following semester. This course is equivalent to two years of high school Spanish. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 6; C-ID SPAN 100

SPAN-051 Elementary Spanish II

90 total hours lecture
5 Units

PREREQUISITE: SPAN-050 or 2 years of high school Spanish

ADVISORY: Concurrent enrollment in ENGL-095 or higher level English course.

Continuation of the visual/oral/aural approach to understanding, speaking, reading, and writing Spanish. This is the second of a four semester sequence. Course material emphasizes the cultures of Mexico, Central/South America, the Caribbean, Spain, and the Chicano of the Southwestern United States. It is highly recommended that upon successful completion of SPAN-051, the third course SPAN-052 be taken the following semester. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area C2; IGETC Area 3B, 6; C-ID SPAN 110

LMC: DA

TRANSFER: CSU

SPAN-058 Spanish for Spanish Speakers II

72 total hours lecture
4 Units

PREREQUISITE: SPAN-057 or the equivalent

ADVISORY: Concurrent enrollment in ENGL-095 or higher level English course.

This course is a continuation of Spanish 57. This course is designed for native speakers of Spanish who wish to keep improving their skills in reading and writing Spanish, but open to other linguistically qualified students. Writing will be the main focus of class, but grammar, spelling, speaking and a variety of Spanish reading selections will also be included; as well as exposure to local and international Mexican, Chicano, and Latino cultures as a meaning system common heritage of the U.S. This course is entirely conducted in Spanish. The course will continue to increase awareness of linguistic registers, discuss items beyond the familiar routine and expand upon their appreciation for Hispanic cultures as manifested in Spanish speaking countries and in the United States. May not be repeated. SC

LMC: DA

TRANSFER: CSU

SPAN-060 Exploring Latino Cinema: A Critical Analysis

54 total hours lecture
3 Units

PREREQUISITE: SPAN-052 or 4 years of high school Spanish

ADVISORY: Concurrent enrollment in ENGL-095 or a higher level English course

This course uses Intermediate Spanish to explore classic and contemporary Latin American film that examines a wide variety of themes, genres and cultural experiences. Students analyze Spanish films (both with and without subtitles) that explore how culture has changed in Spanish speaking countries and in the United States and how memory and oblivion, marginalization of individuals and groups, immigration and globalization have influenced that change. Students screen film works from the United States, Mexico, the Caribbean, Central and South America and Spain and provide both oral and written analysis in Spanish of the films. May not be repeated. SC

LMC: DA

TRANSFER: UC; CSU Gen. Ed. Area C1

SPAN-098 Independent Study in Spanish

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

SPAN-900s Selected Topics in Spanish

DA varies with course content.

Transfer Studies

CERTIFICATES OF ACHIEVEMENT

CSU General Education (CSU-GE-Breadth)

Intersegmental General Education Transfer Curriculum (IGETC)

CERTIFICATE OF ACHIEVEMENT

CSU GENERAL EDUCATION (CSU-GE-BREADTH)

The Certificate of Achievement in CSU General Education (CSU-GE-Breadth) is a program designed for students planning to transfer to the California State University (CSU) System. It offers students a program of study which meets the lower division CSU general education requirements, and students who complete this certificate will only be required to complete a minimum of 9 semester units of upper division general education work at CSU after transfer.

Although the certificate recognizes the completion of lower division CSU general education requirements, it does not guarantee admission to a specific campus within the CSU system nor does it guarantee admission to a specific major. Some majors and colleges may require a different lower division preparation and/or a higher GPA than is necessary for this certificate.

Students who intend to transfer must meet all current CSU transfer requirements including minimum GPA and eligibility for certification. Students are strongly advised to meet with a counselor to discuss transfer requirements and lower division major preparation that is needed for their intended transfer school.

PROGRAM REQUIREMENTS	UNITS
Area A: Communication in the English Language and Critical Thinking	9
Area B: Physical Universe and Its Life Forms	9
Area C: Arts, Literature, Philosophy, and Foreign Languages	9
Area D: Social, Political, Economic Inst/Behavior; Historical Background	9
Area E: Lifelong Understanding and Self-Development	4
MINIMUM TOTAL UNITS FOR THIS CERTIFICATE	40
MAXIMUM TOTAL UNITS FOR THIS CERTIFICATE	44

* The program also requires the completion of the U.S. History, Constitution and American Ideals (6 units) CSU-GE Breadth requirement, however the courses used to satisfy these units may also double count in Area D (above).

CERTIFICATE OF ACHIEVEMENT

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

The Certificate of Achievement in Intersegmental General Education Transfer Curriculum (IGETC) is a program designed for students planning to transfer to either the California State University (CSU) or University of California (UC) system. It offers students a program of study which meets IGETC general education transfer requirements.

Although the certificate recognizes the completion of IGETC general education requirements, it does not guarantee admission to a specific campus within the CSU or UC system nor does it guarantee admission to a specific major. Some majors and colleges may require a different lower division preparation and/or a higher GPA than is necessary for this certificate.

Students who intend to transfer must meet all current IGETC general education transfer requirements including minimum GPA and eligibility for certification. Students are strongly advised to meet with a counselor to discuss transfer requirements and lower division major preparation that is needed for their intended transfer school.

PROGRAM REQUIREMENTS	UNITS
Area 1: English Composition	6-9
Area 2: Mathematical Concepts and Quantitative Reasoning	3
Area 3: Arts & Humanities	9
Area 4: Social & Behavioral Sciences	9
Area 5: Physical & Biological Sciences	7-9
MINIMUM TOTAL UNITS FOR THIS CERTIFICATE	37
MAXIMUM UNITS FOR THIS CERTIFICATE	43

Note: Students intending to transfer to the CSU system are advised that Area 1C (Oral Communication) is required and that an additional 6 units of study are required for the U.S. History, Constitution & American Ideals graduation requirement from CSU. Students intending to transfer to the UC system are advised that an additional 3-5 units of study are required for the Area 6: Languages Other Than English transfer requirement.

*The courses used to satisfy the U.S. History, Constitution and American Ideals (6 units) may also double count in Area 4 (above).

Minimum number of IGETC units that a student can earn from LMC and transferring to CSU 37

Maximum number of IGETC units that a student can earn from LMC and transferring to CSU 41

Minimum number of IGETC units that a student can earn from LMC and transferring to UC 37

Minimum number of IGETC units that a student can earn from LMC and transferring to UC 43

Program Student Learning Outcomes (for both Certificates of Achievement)

1. Communicate effectively, both verbally and in writing.
2. Critically analyze and solve problems using the appropriate technique for the issue at hand, including appropriate use of logic, mathematics, multi-disciplinary, and cultural considerations where applicable.
3. Critically examine the function, media, subject matter, organization, aesthetic, style, and relative excellence of representative examples of the arts, literature, philosophy, and foreign languages including approaches from various historical, cultural, and gender-based origins.
4. Develop an understanding of the information available, the perspectives and approaches of the physical, biological, social and behavioral sciences, appreciating the power and limits of these methods of inquiry and both individual, ethical, and societal responsibilities.
5. Organize and present information in person in a logical and understandable manner.

Welding Pre-Apprenticeship

The program in Welding Technology offers instruction in the principles and practices of welding processes. Successful completion of the program provides sufficient training for entry level into the field of production type welding. Students have access to the latest instructional and practical experiences in a spacious, modern shop facility.

For the Associate of Science Degree in Welding Technology, complete 26 units of coursework listed below as well as the General Education requirements. Consult a Los Medanos College counselor to develop your education plan for the Associate of Science Degree.

ASSOCIATE OF SCIENCE WELDING TECHNOLOGY

REQUIRED COURSES:		UNITS
WELD-010	Basic Arc Welding Theory	3
WELD-011	Basic Shielded Metal Arc Welding Practice	2
WELD-015	Basic Oxyacetylene Welding	2
WELD-016	Advanced Oxyacetylene Welding	1
WELD-020	Intermediate Shielded Metal Arc Welding Practice	2
WELD-021	Advanced Shielded Metal Arc Welding Practice	2
WELD-031	TIG Welding Practice	2
WELD-033	MIG Welding Practice	2
WELD-035	Blueprint Reading for Welders	3
WELD-040	TIG, MIG and FCA Welding Theory	3
WELD-041	Pipe Welding Practice	2
WELD-043	Flux-Core Arc Welding Practice	2
TOTAL UNITS REQUIRED IN MAJOR COURSES		26
TOTAL UNITS FOR THE DEGREE		60

Program Student Learning Outcomes

1. Be able to know and specify the safety requirements and knowledge as required in the welding trade.
2. Demonstrate the ability and theory to effectively solve problems encountered while welding or cutting and perform in accordance with industry standards.
3. Be prepared to learn the step-by-step procedure to pass the AWS Welder Qualification/Certification Exam, essential for employment as a welder.

CERTIFICATE OF ACHIEVEMENT
WELDING TECHNOLOGY

The program in Welding Technology offers instruction in the principles and practices of welding processes. Successful completion of the program provides sufficient training for entry level into the field of production type welding. Students have access to the latest instructional and practical experiences in a spacious, modern shop facility.

For the Certificate of Achievement in Welding Technology, complete the units of coursework listed below. Consult a Los Medanos College counselor to develop your education plan

REQUIRED COURSES:		UNITS
WELD-010	Basic Arc Welding Theory	3
WELD-011	Basic Shielded Metal Arc Welding Practice	2
WELD-015	Basic Oxyacetylene Welding	2
WELD-016	Advanced Oxyacetylene Welding	1
WELD-020	Intermediate Shielded Metal Arc Welding Practice	2
WELD-021	Advanced Shielded Metal Arc Welding Practice	2
WELD-031	TIG Welding Practice	2
WELD-033	MIG Welding Practice	2
WELD-035	Blueprint Reading for Welders	3
WELD-040	TIG, MIG and FCA Welding Theory	3
WELD-041	Pipe Welding Practice	2
WELD-043	Flux-Core Arc Welding Practice	2
ENGL-095	Accelerated Reading, writing and Critical Thinking	5
or		
ENGL-100	College Composition	3
MATH 12 or higher*	Prealgebra	4
COMSC-040	Introduction to Computers and Business Information Systems	4
TOTAL UNITS REQUIRED FOR THIS CERTIFICATE		36-42

*Possible higher Math courses (3-7 units) 25, 26, 27, 29, 30, 34, 37, 40, 50, 60, 75, 80, 120, 160

Program Student Learning Outcomes

1. Be able to know and specify the safety requirements and knowledge as required in the welding trade.
2. Demonstrate the ability and theory to effectively solve problems encountered while welding or cutting and perform in accordance with industry standards.
3. Be prepared to learn the step-by-step procedure to pass the AWS Welder Qualification/Certification Exam, essential for employment as a welder.

COLLEGE SKILLS CERTIFICATE
WELDING PRE-APPRENTICESHIP

REQUIRED COURSES:		UNITS
WELD-010	Basic Arc Welding Theory	3
WELD-011	Basic Shielded Metal Arc Welding Practice	2
MATH 12 or higher*	Prealgebra	4
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE		8-9

*Possible higher Math courses (3-7 units) 25, 26, 27, 28 (and 34 together) 29, 30, 34, 35, 37, 40, 50, 60, 75, 80, 120, 160

Program Student Learning Outcomes

1. Be able to know and have an appreciation for the safety knowledge required in the welding trade.
2. Have a basic understanding how to solve common welding problems encountered in industry as well as reveal basic welding and cutting manipulative skills.

COURSE DESCRIPTIONS

WELD-010 Basic Arc Welding Theory

54 total hours lecture
3 Units

ADVISORY: Concurrent enrollment in WELD-011; eligibility for ENGL-095

This course is required of all beginning arc welding students to assist them in developing the knowledge of safety and safe practices, fundamentals of Shielded Metal Arc Welding, power sources, and AWS classification of electrodes and electrode selection. Topics Included in this course are: Welding terminology, flame cutting, control of distortion, welding procedure specifications and pipe welding. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-011 Basic Shielded Metal Arc Welding Practice

108 total hours lab
2 Units

ADVISORY: WELD-010; eligibility for ENGL-095

This lab course is required for all beginning arc welding students. Students will practice plate fillet welding in all positions with the SMAW process as well as flame cutting and gouging. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-015 Basic Oxyacetylene Welding

18 total hours lecture, 54 total hours lab
2 Units

ADVISORY: WELD-010; eligibility for ENGL-095

This course covers oxy-fuel welding of sheet-metal, tubes and pipes in all positions, and braze welding of steel. It also includes safe operating and proper welding procedures, filler rod selection, fluxes, and control of distortion. Students are introduced to flame cutting operations using manual and machine torches. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-016 Advanced Oxyacetylene Welding

54 total hours lab
1 Unit

PREREQUISITE: WELD-015

ADVISORY: WELD-010; eligibility for ENGL-095

This course covers advanced oxyacetylene welding procedures. The oxyacetylene welding process will be used to weld both ferrous and non-ferrous metals, and silver braze of non-ferrous metals. Students will gain additional proficiency in flame cutting operations using manual and machine torches. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-020 Intermediate Shielded Metal Arc Welding Practice

108 total hours lab
2 Units

PREREQUISITE: WELD-011

ADVISORY: WELD-010; eligibility for ENGL-095 and MATH-012.

This course is designed for intermediate welding students. Training with different electrodes is conducted to allow a student to obtain the necessary skills to pass visual inspection and a break test. This course covers Shielded Metal Arc Welding on T-Joints (fillet welds) in all positions with E7018. Additional training with oxyacetylene torch cutting is included as well as instruction in plasma arc cutting. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-021 Advanced Shielded Metal Arc Welding Practice

108 total hours lab
2 Units

PREREQUISITE: WELD-010; WELD-020

ADVISORY: ENGL-095 and MATH-012

This course is designed for advanced SMAW students. This course covers layout, fitting, tacking, and plate welding in all positions with a V-groove joint configuration and backing bar. This course utilizes welding with E7018 and allows the student to obtain the skills to pass a visual inspection and the bend or X-ray test. Air Carbon Arc Gouging techniques and practice. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-031 TIG Welding Practice

108 total hours lab
2 Units

ADVISORY: WELD-010, 015, 040 or concurrent enrollment; MATH-012; ENGL-095

This course is designed to develop welding skills with the Gas Tungsten Arc Welding (GTAW) aka TIG process as frequently utilized in industry. It includes welding steel, stainless steel, and aluminum on light gauge metals in all positions in various joint configurations. This course includes set-up, calibrating, adjusting, operating and shutting down the equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-033 MIG Welding Practice

108 total hours lab
2 Units

ADVISORY: WELD-010, WELD-040 or concurrent enrollment; ENGL-095; MATH-012

This course is designed to develop welding skills with the Gas Metal Arc Welding (GMAW) aka MIG process as frequently utilized in industry. It includes welding steel sheetmetal and plate in all positions in various joint configurations. This course includes set-up, calibrating, adjusting, operating and shutting down the equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-035 Blueprint Reading for Welders

54 total hours lecture
3 Units

ADVISORY: WELD-010, WELD-040; ENGL-095; MATH-012

Blueprint reading skills and the ability to interpret American Welding Society Welding Symbols is required by the metalworking and fabrication industry. It covers the basic orthographic principles of three-view projections, dimensioning, sections, and freehand sketching. Emphasis is placed on plate and structural fabrication, print reading, steel classifications, interpretation of the American Welding Society (AWS) Welding Symbols, and cost estimating of materials for fabrication. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-040 TIG, MIG and FCA Welding Theory

54 total hours lecture
3 Units

ADVISORY: WELD-010; ENGL-095; MATH-012

This course covers welding theory on the processes of gas tungsten arc, gas metal arc, and flux cored arc welding processes. It also includes content about filler wires, gases for ferrous and non-ferrous metals, current selection, welding design, welding codes, and nondestructive testing/inspection. This knowledge is essential to know how to use the equipment and apply it properly to be successful in the welding trade. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-041 Pipe Welding Practice

108 total hours lab
2 Units

PREREQUISITE: WELD-010, WELD-011 and WELD-021

ADVISORY: WELD-031; MATH-012; ENGL-095

This course is an advanced welding course that includes open-groove plate and pipe welding in all positions. This course involves cutting, layout, fitup, tacking, and welding of plate and pipe. Students perform welding in the 2G, 3G, and 4G plate positions then onto 2G, 5G, and 6G pipe positions. Students will focus on one process of welding from SMAW, GTAW, GMAW, or FCAW. This course provides skills to enable the student to pass a visual inspection and the bend or X-ray test. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-043 Flux-Core Arc Welding Practice

108 total hours lab
2 Units

ADVISORY: WELD-010, WELD-040 or concurrent enrollment; ENGL-095; MATH-012

This course is designed to develop welding skills with the Flux-Core Arc Welding (FCAW) process as frequently utilized in industry. One practices the skills to weld plate fillet and groove welds in all positions primarily employing the self-shielded version of this process as well as introduction to the gas-shielded version. This course contains set-up, adjusting, and operating of the welding equipment. May not be repeated. SC

LMC: DA

TRANSFER: CSU

WELD-098 Independent Study in Welding Technology

Provides students an opportunity to design and pursue their own interests within a particular area. Projects reflecting cultural diversity and/or societal issues will be greatly encouraged. A contract must be drawn between the student and the instructor stipulating the goals of the independent study, the content, the method of approach, the estimated time involved, and the periodic evaluation to be used. Minimum 1 hour per week with instructor plus 54 hours of contracted work for each unit of credit. May not be repeated. SC

LMC: Independent study courses may be DA or transferable depending on specific course. See your counselor.

TRANSFER: Independent study courses may be DA or transferable depending on specific course. See your counselor.

WELD-100 Introduction to Industrial Technology and Trades

18 total hours lecture, 54 total hours lab
2 Units

This is a career exploration course for the industrial trades including: Appliance Repair, Automotive Technology, Electrical/Instrumentation Technology, Process Technology and Welding Technology. It will provide hands-on experience for students who are maybe undecided about their career direction, and allows them to explore through doing, in this survey course of the industrial trades. It will also teach them some basic skills in each trade. This is one course and will be listed under all of following course numbers AUTO-100, APPLI-100, ETEC-100, PTEC-100 and WELD-100. Students may register for this course using any one of the provided course numbers. May not be repeated. P/NP

LMC: DA

TRANSFER: CSU

WELD-170 Occupational Work Experience Education in Welding

60-300 total hours
1-4 Units

PREREQUISITE: Approved online application

ADVISORY: Eligibility for ENGL-095

This course is for students whose work is related to their major. Occupational Work Experience Education provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. To participate in cooperative work experience education, students must be employed or formally volunteer and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete one learning objective for each unit of credit in which they enroll. Additionally, students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn up to 8 units per semester and may repeat for a maximum of 16 units of occupational work experience during community college attendance which may be applied as electives toward graduation. SC

LMC: DA

TRANSFER: CSU

WELD-180 Internship in Welding

30-300 total hours
.5-4 Units

PREREQUISITE: Approved online application and employer placement

ADVISORY: Eligibility for ENGL-095

This course is for students who have declared a major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. Students, with faculty and employer approval, will apply college-acquired knowledge, skills and abilities as well as acquire new learning to prepare for a career in their chosen field. Students must work 75 paid hours or 60 non-paid hours for each unit of credit earned. Students may earn a maximum of 16 units of occupational work experience internship during community college attendance which may be applied as electives toward graduation. 12 units are transferable to CSU. SC

LMC: DA

TRANSFER: CSU

WELD-900s Selected Topics in Welding Technology

DA varies with course content.

World Languages

COLLEGE SKILLS CERTIFICATE

Cultural Competence in Modern World Language

A certificate in Cultural Competence in Modern Languages may be completed in three semesters with possible career opportunities to volunteer or work in community groups, mentor or tutor children or community college students, and work in service areas such as schools, day care centers, or hospitals.

ANY THREE OF THE FIVE WORLD LANGUAGES LISTED BELOW:		UNITS
SIGN-050 or SIGN-065	Elementary American Sign Language I	5
CHIN-030	American Sign Language I	3
ITAL-060	Elementary Chinese I	5
FRNCH-060	Elementary Italian I	5
SPAN-050	Elementary French I	5
SPAN-050	Elementary Spanish I	5
TOTAL UNITS REQUIRED FOR COLLEGE SKILLS CERTIFICATE:		13-15

Program Student Learning Outcomes

1. Communicate orally and in writing in a combination of World Languages in practical, vocational and community based situations with native and non-native speakers.
2. Read and comprehend Spanish/American Sign Language at levels commensurate with those of students seeking a degree in World Languages.
3. Differentiate the World Language culture(s), through the study of the history, literature, arts, contributions of prominent figures, and community interaction with native speakers.

See Chinese courses, page 124.

See French courses, page 175.

See Italian courses, page 181.

See Sign Language courses, page 242.

See Spanish courses, page 247.

COURSE DESCRIPTIONS**WDLG-100 International Language and Culture**

54 total hours lecture
3 Units

In this course, students will explore the basics of language and cultural dimensions of the country they have chosen to study. Whether in the polychronic and late-night culture of a Catalonia or the unique connection between food and life in France; this course examines cultural, language, and lifestyle elements essential to understand the location that students are studying. May not be repeated. SC

Glossary of Terms

A.A. Degree

Associate of Arts Degree: granted to students who have completed 60 units with a grade point average of 2.0 or better, including major and general education requirements.

A.S. Degree

Associate of Science Degree: granted to students who have completed 60 units with a grade point average of 2.0 or better in biological science, chemistry, or a technical vocational major; including major and general education requirements.

AA-T and AS-T Degrees

The Student Transfer Achievement Reform Act (SB 1440), signed into legislation on September 29, 2010, enabled California Community Colleges and California State University to work together to create the Associate in Arts for Transfer Degree (AA-T) and the Associate in Science for Transfer Degree (AS-T). Upon completion of the associate degree for transfer, the student is eligible for transfer with junior standing into the California State University (CSU) system.

Students are given guaranteed admission into the CSU system, and are given priority consideration when applying to a particular program that is similar to the student's community college major. The law prohibits the CSU from requiring a transferring student to repeat courses similar to those taken at the community college that counted toward their associate degree for transfer.

Advisory

A course that is recommended, prior to enrollment in another course; Although courses designated as "advisory" are not required, they are useful as an indication of the desired level of proficiency needed to successfully complete the next course level.

Articulation

Agreement between community college and four-year institution in which four-year institution agrees to accept certain community college courses as equivalent to their own.

Assessment

Evaluation process designed to gather information about individual students to assist in appropriate course placement.

Certificate of Achievement

Awarded to students who have satisfactorily completed the major requirements and competencies in identified occupational programs.

Co-Requisite

A course that must be taken at the same time as the desired course.

Course Number

Identification number for course, such as Psychology 11.

CSU (California State University)

California State University system includes 23 campuses statewide. Closest CSU campuses to LMC are East Bay (formerly Hayward), San Francisco, San Jose, Sacramento, and the California Maritime Academy.

Competencies

College "exit" requirements in reading, writing, and math. Required for all associate degrees. Satisfied by course or exam.

Degree-Applicable (DA) Courses

Courses designated as DA are those that apply toward completion of an associate degree or certificate of achievement. Degree applicable courses are identified by the abbreviation "DA", appearing on the last line, below the course description in the catalog.

Elective

Course a student may take other than one that is required for a particular major or degree to reach a total of the units required to graduate.

Faculty Advisor

Instructor in certain major who assists students in developing multi-semester educational plan for courses in that major.

General Education (Breadth) Requirements

Specific courses, outside student's major area, required for Associate Degree and transfer. Designed to meet the need for broad knowledge. Requirements vary from college to college.

IGETC (Intersegmental General Education Transfer Curriculum)

Program of courses designed to meet transfer requirements of either CSU (California State University) or UC (University of California) systems.

Major

Principal field of academic specialization chosen by a college student, such as computer science, music, or psychology. Requires an organized set of required classes.

Non Degree-Applicable (NDA) Courses

Courses designated as "NDA" cannot be applied toward units required for degrees or certificates. Non Degree-Applicable courses are identified by the abbreviation of "NDA", appearing on the last line below the course description in the catalog.

Pass/No Pass (P/NP)

Some courses are designated with P/NP, which indicates that students may earn a passing grade (P = satisfactory or better) or no pass (NP = less than satisfactory) grade. No letter grade will be awarded in these courses.

Prerequisite

A course or other requirement that must be completed and verified prior to enrollment in a given course.

Repeatability

Not all courses may be repeated, once they have been satisfactorily completed (with a grade of "P", "C" or better). If a course is repeatable, it will be stated at the end of the course description. If no statement is made, the course may only be repeated one time, in the event that the first grade received was substandard ("NP", "D", or "F").

Student Choice (SC)

Some courses are designated with "SC", which means a student may choose to complete the courses for either a letter grade or a pass/no pass (P/NP) grade. See information on this grade option in the "Standards of Scholarship" section of this catalog.

Transfer Course

Any course accepted for credit towards a bachelor's degree at a four-year institution. Shown in catalog as "Transfer: UC, CSU."

UC (University of California)

University of California system includes ten campuses state wide: Berkeley (Cal), Davis, Irvine, Los Angeles (UCLA), Merced, Riverside, San Diego, San Francisco, Santa Barbara, Santa Cruz.

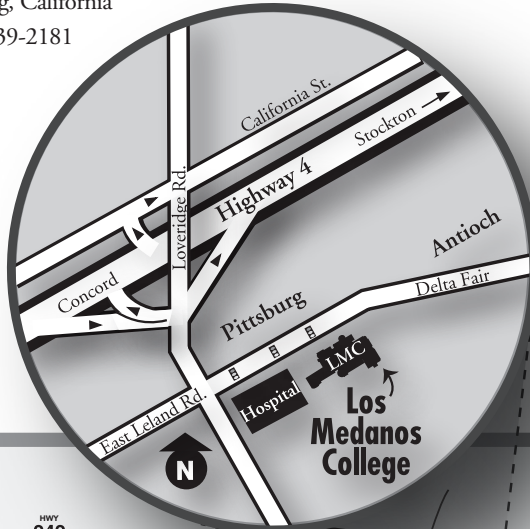

Unit (of Credit)

A measure of how much credit may be earned for any given course. Unit amounts are determined by the type of instruction associated with the course (i.e. lecture, lab) and the number of hours the class meets. See the "Guidelines on Units of Credits" section for further information.
