LOS MEDANOS COLLEGE and PITTSBURG HIGH SCHOOL  
Engineering  
Credit by Examination Articulation Agreement  
2015-2016

This articulation agreement enables students who have successfully completed the Pittsburg High School courses, Introduction to Engineering Design and Principles of Engineering with a grade of “C” or better in both courses, and earned a score of 5 or higher in the corresponding stanine test in both courses, and who meet Los Medanos College admission requirements, to receive 3 units of college credit for the articulated courses taken at Pittsburg High School. Students may apply to the Office of Admissions and Records to receive 3 units of credit for Introduction to Engineering 10 articulated with the Introduction to Engineering Design (2 semesters) and Principles of Engineering (2 semesters) courses at Pittsburg High School.

Students should submit their high school transcript or Certificate of Completion, official stanine score results, signed request memo to the college (attached), along with a copy of this agreement to the Office of Admissions and Records at Los Medanos College to receive 3 units of credit for Introduction to Engineering 10.

RE: Credit for Engineering 10 articulated course completed at Pittsburg High School

Dear Director of Admissions:

I have successfully completed with a grade of “C” or higher:
1. 2 semesters of Introduction to Engineering
2. 2 semesters Principles of Engineering

I am submitting this request with the official transcript or Certification of Completion, and verification that I have successfully taken the stanine exams for Introduction to Engineering Design and Principles of Engineering with a score of “5” or higher.

Please grant me credit for Engineering 10 which is articulated with the Pittsburg High School courses mentioned above.

Thank you,
