

**Los Medanos College**  
**Instructor Evaluation of the Counseling Partnership in Math 12**

Please take a few minutes to complete the following survey to help us improve the Counseling Partnership. Return your completed survey and your students' surveys to the DE Math Lead.

Thank you for participating in the Counseling Partnership!

Instructor \_\_\_\_\_ Course and section number \_\_\_\_\_

Which of the following did you incorporate into your Math 12 class this semester? Check all that apply.

- Invited a counselor to make an in-class presentation near the beginning of the semester to introduce students to academic counseling and other college services;
- Gave my students assignments to help them learn about college resources/services or to help them become effective learners;
- Used the Mid-Semester Assessment to give my students feedback on their progress;
- Gave each student a recommendation for which math course (s)he should take next semester;
- Required my students to show me completed educational plans;
- Invited a counselor to make a short in-class presentation near the end of the semester to help students with registration for next semester.

**Counseling Presentations**

	Strongly agree	Moderately agree	Undecided	Moderately disagree	Strongly disagree	Not Applicable
1. The in-class counseling presentation at the beginning of the semester was useful to my students.	1	2	3	4	5	6
2. The short in-class counseling presentation at the end of the semester was useful to my students.	1	2	3	4	5	6
3. The in-class counseling presentations helped my students understand the importance of having an educational goal and a major.	1	2	3	4	5	6
4. The in-class counseling presentations helped my students identify resources and services that they needed.	1	2	3	4	5	6
5. I think that we should continue to have in-class counseling presentations in Math 12.	1	2	3	4	5	6

**Mid-Semester Assessment**

	Strongly agree	Moderately agree	Undecided	Moderately disagree	Strongly disagree	Not Applicable
6. The Mid-Semester Assessment was a useful tool for providing feedback to my students about factors impacting their learning.	1	2	3	4	5	6
7. I have other strategies for helping students develop the characteristics, habits, and skills of an effective learner that I would like to share with other faculty.	1	2	3	4	5	6

**Class assignments/activities related to the Counseling Partnership**

	Strongly agree	Moderately agree	Undecided	Moderately disagree	Strongly disagree	Not Applicable
8. The “college resource” or “effective learner” assignments/activities I used from the Developmental Math BlackBoard Classroom benefited my students.	1	2	3	4	5	6
9. I have other assignments/activities that relate to the Counseling Partnership goals that I would like to share with other faculty.	1	2	3	4	5	6
