

**Los Medanos College**  
**Student Evaluation of the Counseling Partnership in Math 12**

**This semester your instructor invited a counselor to make presentations to your class. Your instructor also worked with the counselor to help you develop an educational plan.**

**We are interested in getting your feedback on these activities. Your instructor and your counselor will not know how you responded. Your answers to these questions will not affect your grade in this course.**

**Course and section number \_\_\_\_\_ Student ID number \_\_\_\_\_**

**Counseling Presentations**

	Strongly agree	Moderately agree	Undecided	Moderately disagree	Strongly disagree	Not Applicable
1. The in-class counseling presentation at the beginning of the semester was useful to me.	1	2	3	4	5	6
2. The short in-class counseling presentation at the end of the semester was useful to me.	1	2	3	4	5	6
3. The in-class counseling presentations helped me understand the importance of having an educational goal and a major.	1	2	3	4	5	6
4. The in-class counseling presentations helped me identify resources and services that I needed (e.g. academic counseling, financial aid, Career Center, EOP&S, etc.)	1	2	3	4	5	6
5. I think that Math 12 instructors should continue to have in-class counseling presentations.	1	2	3	4	5	6

**Counseling appointment**

	Strongly agree	Moderately agree	Undecided	Moderately disagree	Strongly disagree	Not Applicable
6. Meeting with a counselor helped me define my educational goal and understand how to achieve my goal.	1	2	3	4	5	6
7. Meeting with a counselor helped me find useful college resources and services that I needed.	1	2	3	4	5	6
8. I think that Math 12 instructors should continue to make sure that students meet with an academic counselor.	1	2	3	4	5	6
