

ACADEMIC SENATE SURVEY

LMC Facilities Master Plan

We are seeking your input in identifying future campus and facilities needs and opportunities. Your feedback is fundamental to the success of this planning effort. Thank you!

Part 1: Initial Thoughts

What makes us unique?

13 responses

my sense of humor
honesty cc bldg architecture
witty personality activism
great teachers **caring**
dedication inclusive
compassionate
student-centered
focus on empathy

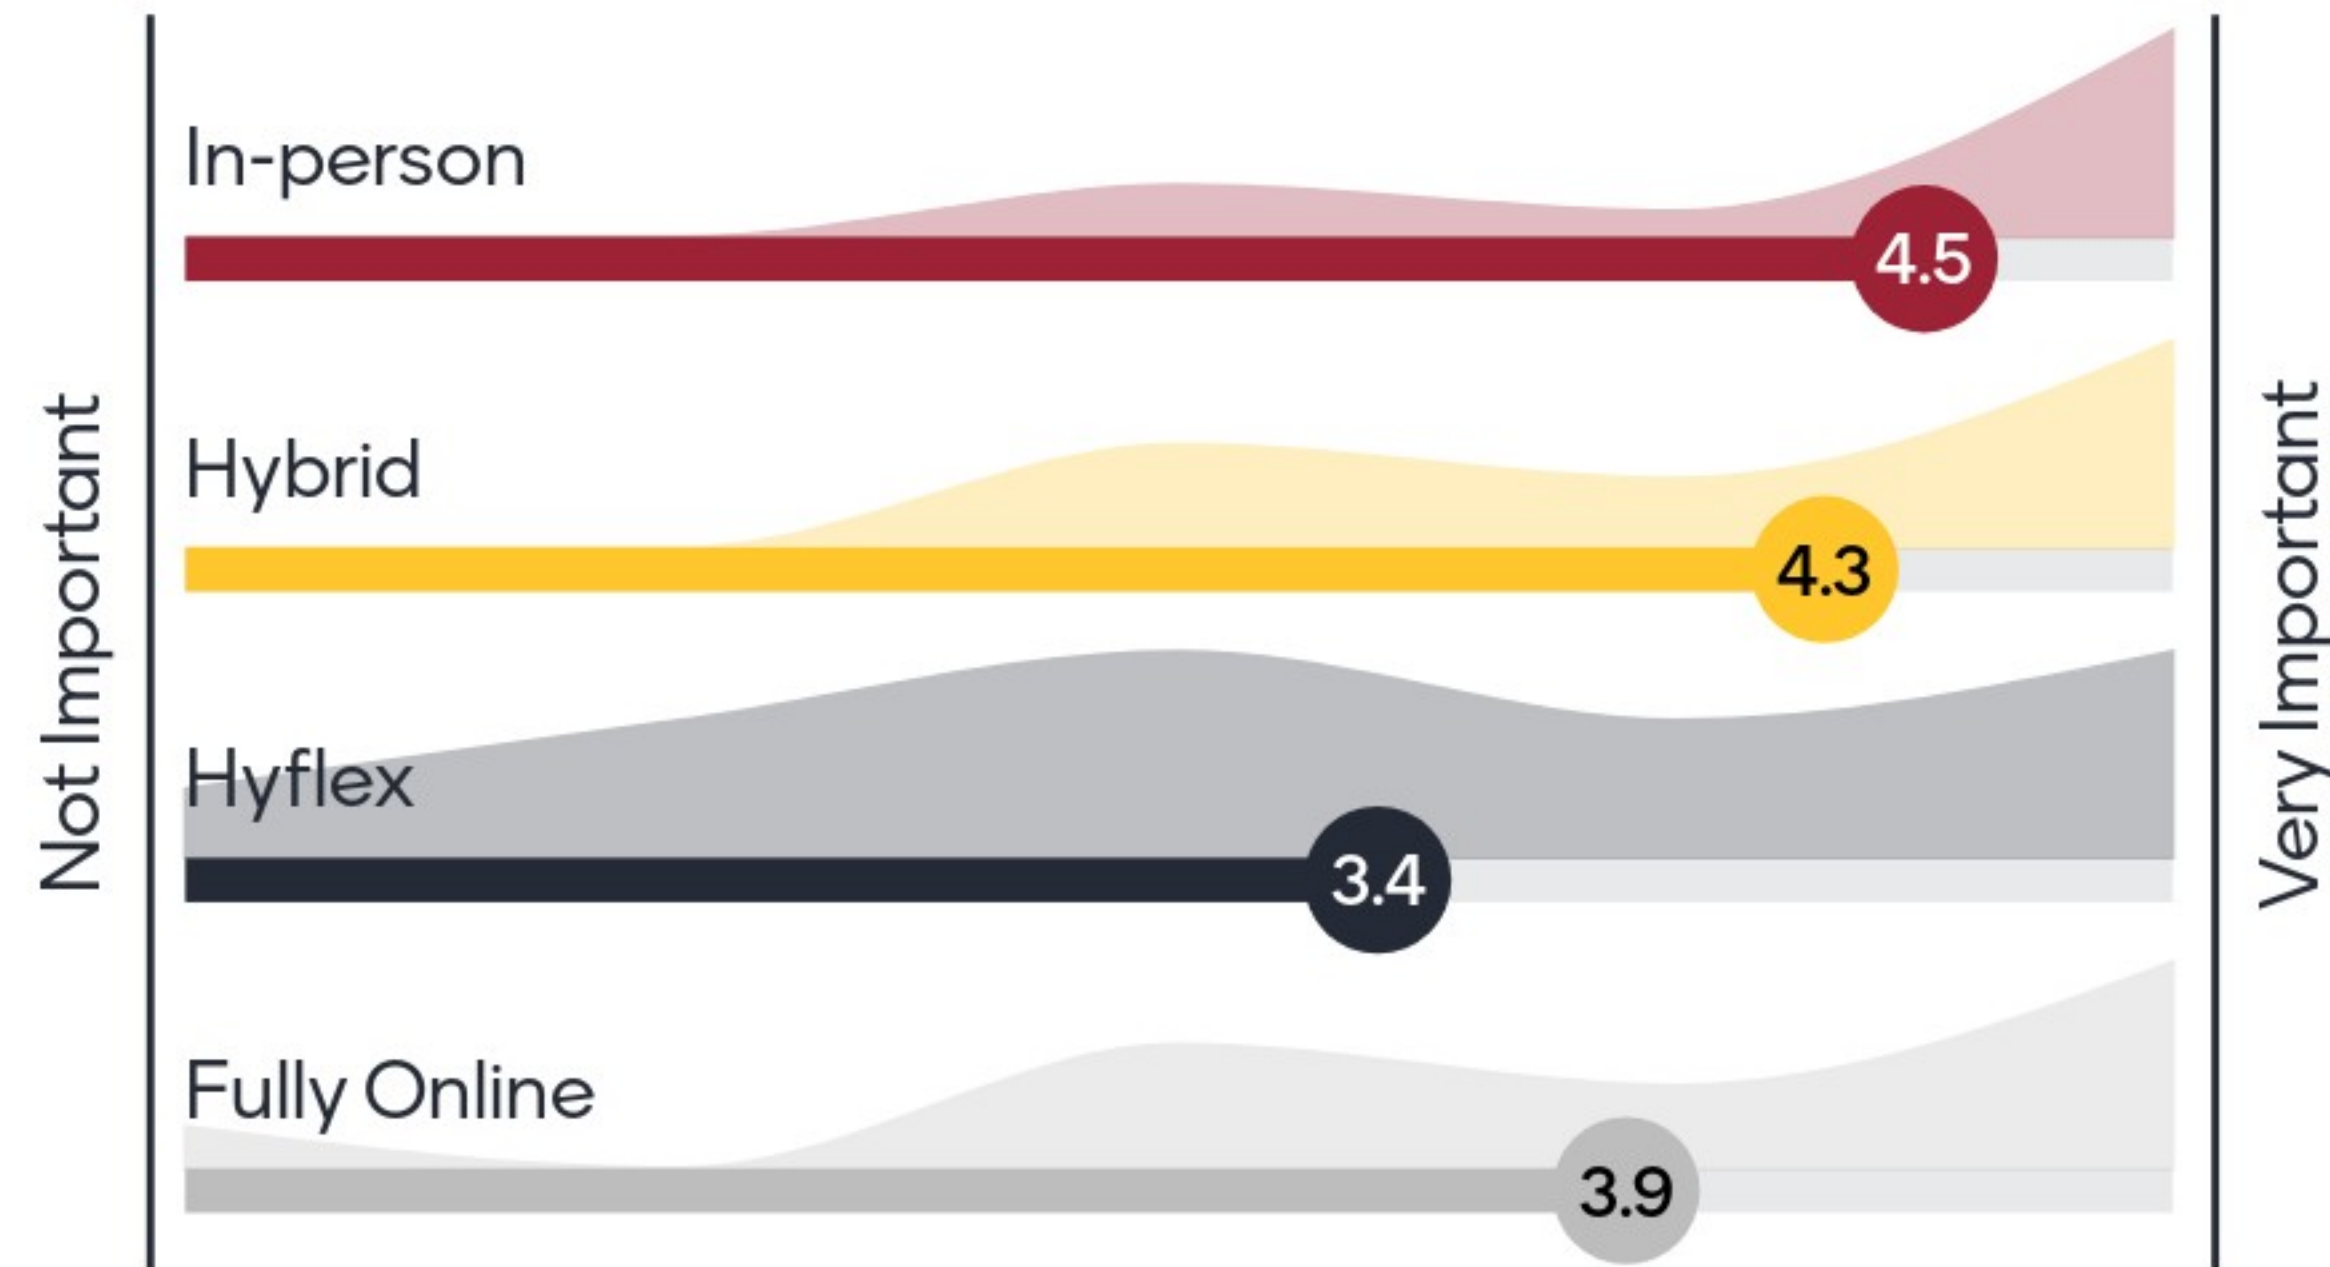

What do we aspire to be known for?

12 responses

breaking barriers
support students anti-racist institution
relevant education
equity open learning top-tier cc
transfer student success
successful students
sense of community
equity and compassion

Part 2: Instructional Spaces

Looking into the future, how important will the following instruction delivery methods be? Drag the slider to vote.

What technology do you use for instruction?

13 responses

Laptop

Laptop, drawing tablet, projector

Coal scratched onto shovel

Computers with Internet access. Canvas. Zoom.
Cell phones with cameras and timers. Lab
equipment, including microscopes.

Canvas, Zoom, YouTube

Digital pen, app that records and edits videos

writing tablet , software, power points , doc cam

Podium, projector, laptop, video/audio equipment,
green screen, microphone, zoom, canvas, camtasia

whiteboard, Canvas (online), Zoom, computer
projection in classroom, lab equipment

What technology do you use for instruction?

13 responses

Zoom

I would use the in-class instructional set up, but it does little more than simply project

Interactive recording capable touch oriented in-class instructional whiteboard + iPad + laptops

Safer CORE with better lighting and upgrades classrooms with working technology integrated into each and every room. Get rid of fluorescent lighting

What future instructional programs would you like to see supported by this facilities plan?

9 responses

Online degrees

goreact

Sustainable design (if possible)

Gender Studies

Improved online teaching, online testing

Non credit certificates in career areas. Maybe phlebotomy or other health related tech stuff.

More tutoring

I answered this

I answered this

What is needed to support more students returning to campus for instructional services?

15 responses

campus jobs / paid internships

Later childcare

The college complex needs food services and updated technology

Affordable housing

free food

more scholarships and aid with tuition costs

food options at Brentwood

On-site health clinic

Hire more fulltime faculty

What is needed to support more students returning to campus for instructional services?

15 responses

Housing at Pittsburg

Housing: on campus

More activities for students on campus (games, indoor sports)

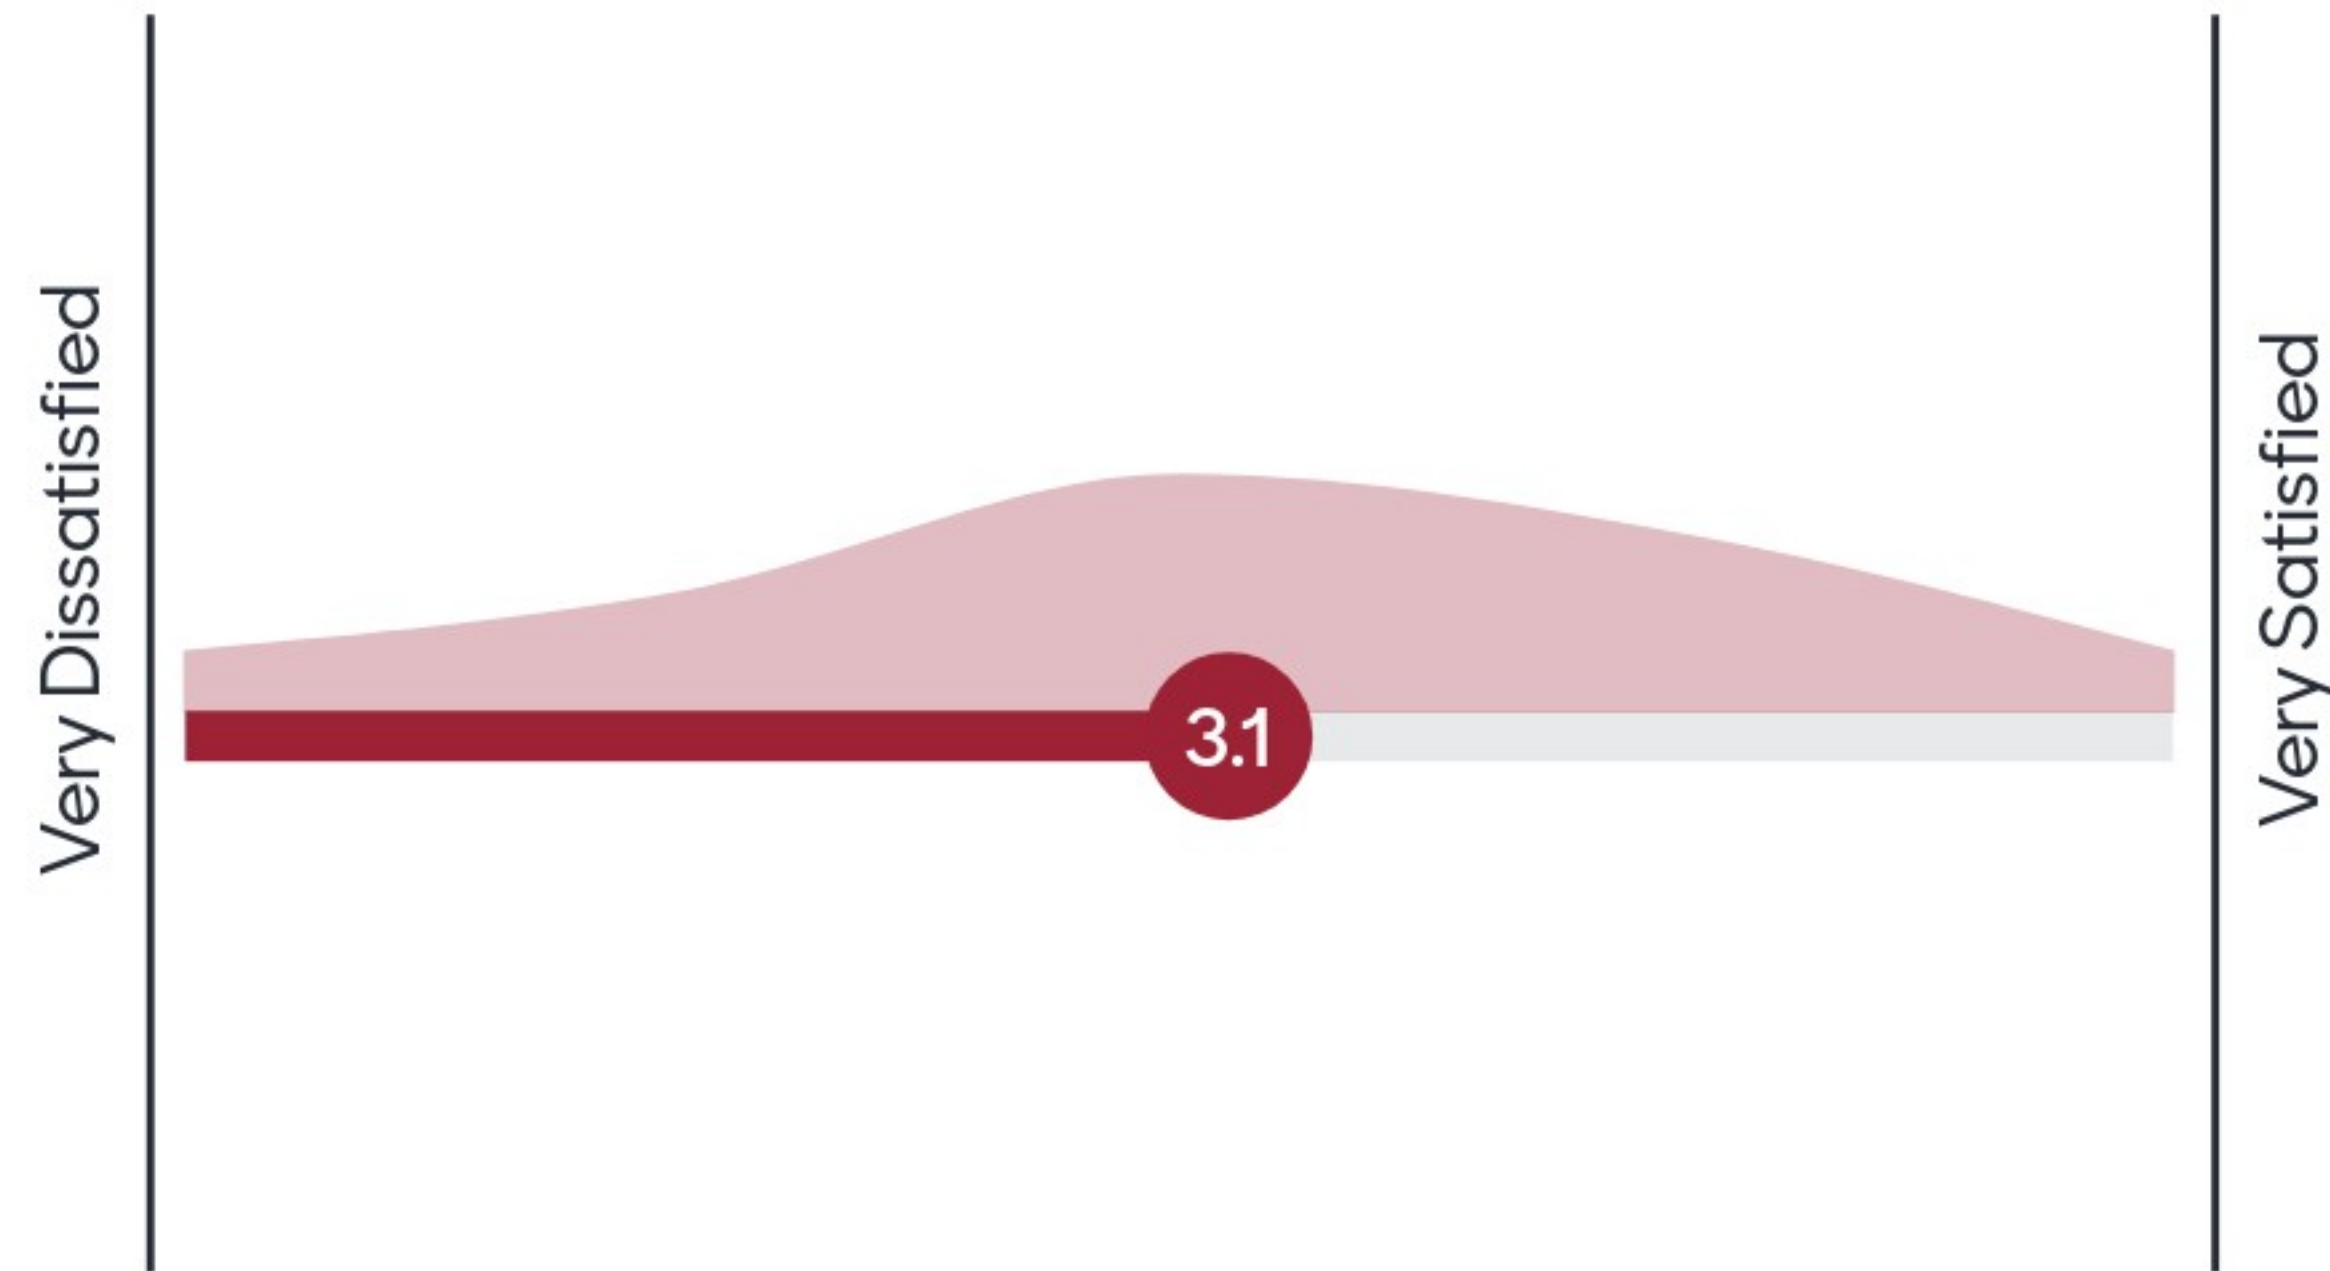

fun activities and support for student clubs

Student fun/ activity space. Outdoor par course :-)/ picnic areas. Health services.

Safer CORE

Part 3: Campus & Community

On a scale of 1 to 5 (1 being very dissatisfied), how satisfied are you with the physical campus to support an equitable student experience at LMC?

What building/space best represents current DEIB priorities at LMC (either/both campuses)?

11 responses

Pitt: new student union

Student Union bldg

Student union

MESA Center

Student union.

BRT student service center

Student Union

Tutoring centers

Cafeteria

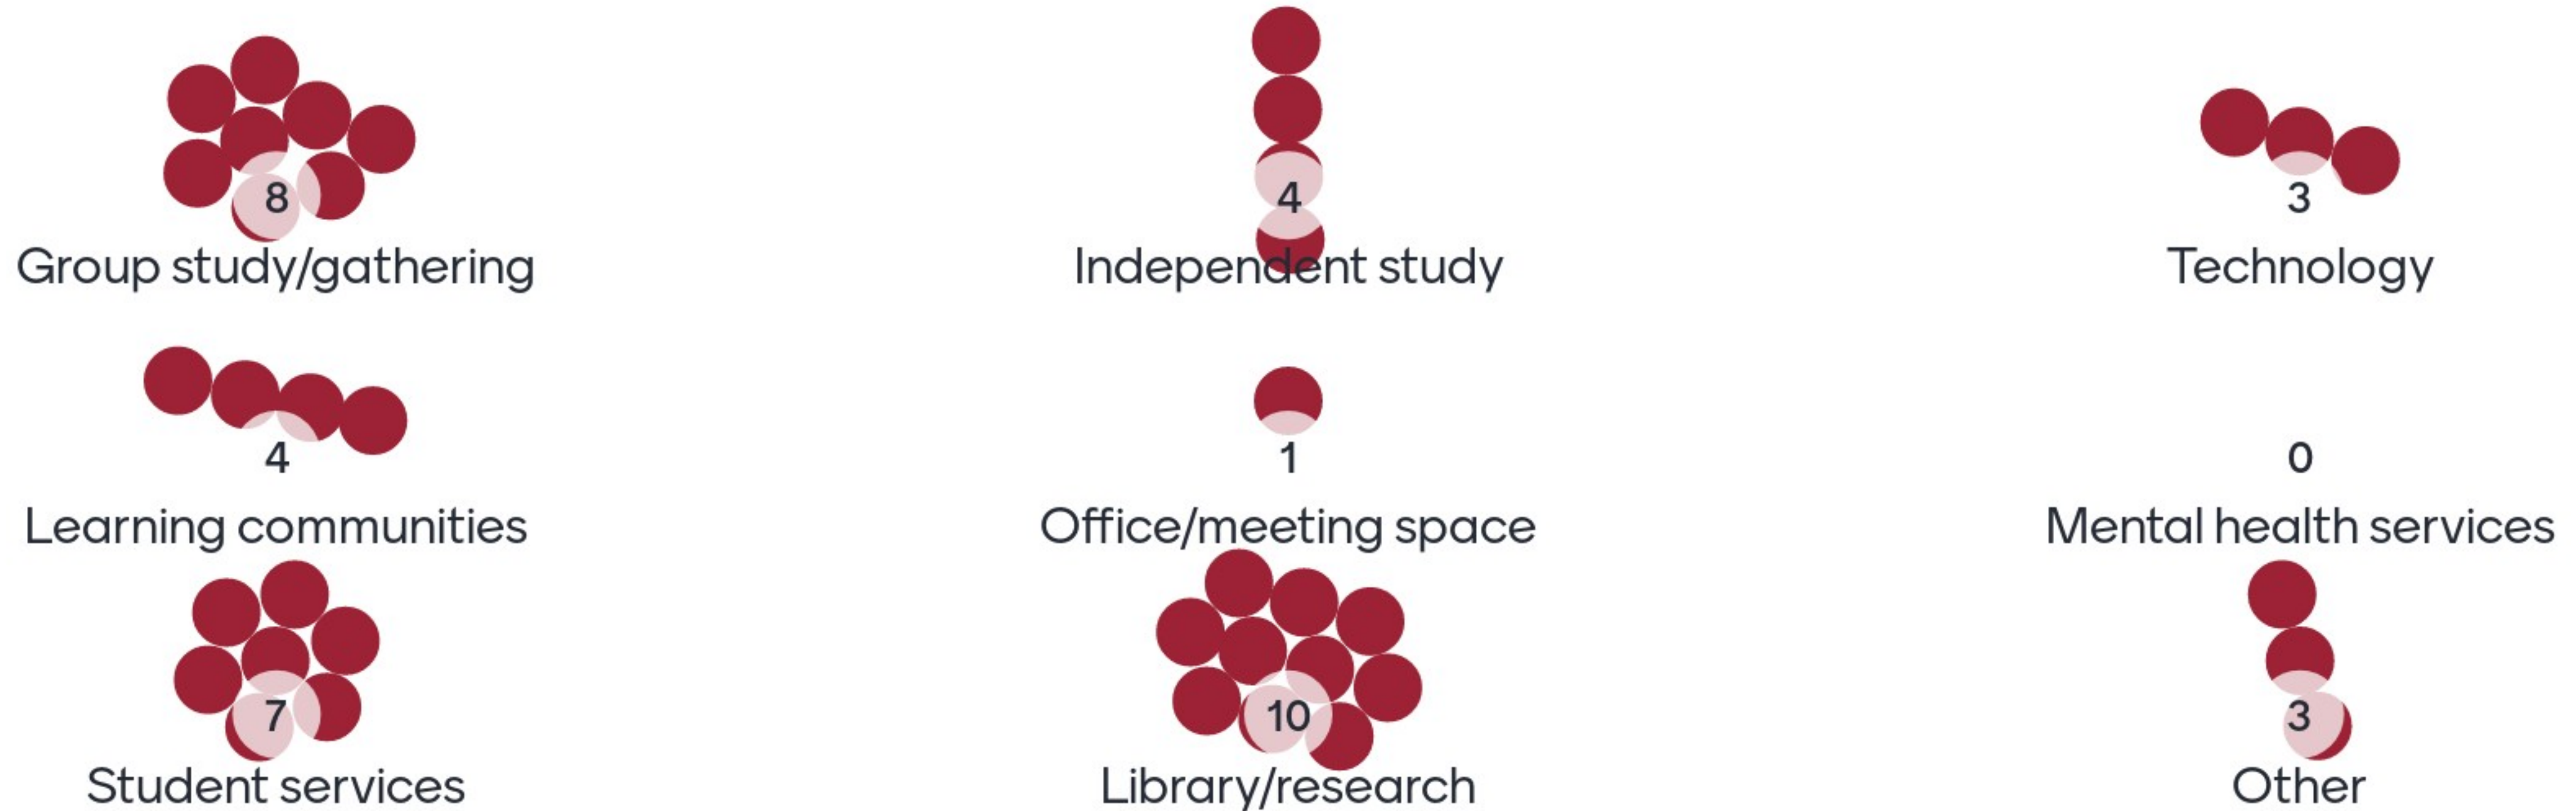

What building/space best represents current DEIB priorities at LMC (either/both campuses)?

11 responses

KINAC and student union (but it's too small and only serves a few students)

Student union at Pittsburg, my classes, library, cafeteria

What spaces/functions on the Pittsburg Campus are currently most successful? You may choose more than one.

If you select "other" please describe

4 responses

Other: biology labs!

Food Pantry.

N/A

Student union spaces like the unity
room

What spaces/functions on the Brentwood Center are currently most successful? You may choose more than one.

If you select "other" please describe

2 responses

BRT needs food service

Need food options at Brentwood

How could the Pittsburg Campus be improved to enhance student success?

17 responses

Outdoor eating space could use more tables and chairs and a covering (large canopy)

Indoor eating space could use more tables and chairs

College campus and the area surrounding it: parts are left degraded.

College complex needs to be brought back to life... add more services in that bldg.

More student study areas.

Update all college complex classrooms

more shade when eating outside

utilize the outdoor amphitheater area for performances

Later options for child care

How could the Pittsburg Campus be improved to enhance student success?

17 responses

More access to technology

N/A

gender inclusive bathrooms

More performance areas.

Better instructional technology on the classrooms

more mappings and directions in the core complex for where departments and faculty are located

More events where students can bond and learn something educational

More \$\$ for tutoring

How could the Brentwood Center be improved to enhance student success?

7 responses

food services

food!

more counseling services

Cafeteria!!

more study areas and faculty areas
for meeting with students

Transportation to the Brentwood
campus

transportation

When visiting a campus, most people search for the "heart;" that place where everyone congregates. Where is this on the Pittsburg Campus?

13 responses

i do not know - cc

not the college complex

student union

library core complex

second heart needed at cc

library and student union

When visiting a campus, most people search for the "heart;" that place where everyone congregates. Where is this at the Brentwood Center?

3 responses

math lab

classrooms

student union

Part 4: Additional Thoughts & Comments

What one or two measurable goals should this plan address?

16 responses

On-campus housing

The core building

Class schedule

Student Retention

the core complex

Let faculty be the main choosers of what goes into our instructional spaces/classrooms

Better campus safety. More student gathering spaces, including outdoor gathering spaces.

increase students' time on campus.
Effective use of their time

instructional classrooms

What one or two measurable goals should this plan address?

16 responses

Yes safety!

Technology needs

directions for where departments and
faculty are located

Increase student time on campus

signage

gender inclusive bathrooms

access for wheelchairs and disability
access into buildings

Are there any other comments or thoughts you wish to share?

4 responses

We should expand child care options for faculty who are on campus until 5 and for faculty and students in night classes

yes childcare needs to last until 5pm <3

encourage group study

phones around campus for emergency calls to campus police

3

Thank you for your input!
