

2016-2017 FINANCIAL AID DISBURSEMENT CALENDAR

Pell Grant and Cal Grant awards are adjusted based on enrollment at time of disbursement. Pell Grant awards will be disbursed in two payments each semester. Applicants processed and awarded after the “2nd Pell Grant Only” payment will receive one disbursement for the entire amount for the term. Students must be enrolled in at least six units to receive the Direct Loan and Cal Grant disbursements.

Your enrollment level for disbursement will be determined on the corresponding Award Calculation Date (see calendar below).

Please ensure that all registration changes are made prior to the Award Calculation Date for those units to be included in your enrollment level for that disbursement.

You may be required to repay federal aid if you withdraw before completing 60% of the course length.

Fall 2016 full term course 60% date: October 26, 2016

Spring 2017 full term course 60% date: April 01, 2017

Please note: the 60% date will vary for classes that do not run a full term (i.e. short term classes, summer classes).
