2014-2015 FINANCIAL AWARD NOTIFICATION PAYMENT CALENDAR & EXPLANATIONS

Your financial aid check will be mailed to the current address on file in the Admissions and Records Office. If you have a change of address, you must notify the Admissions and Records Office immediately.

Pell Grant awards and any other grants listed on your “Financial Award Notification” (excluding College Work Study) are disbursed as outlined below. Your “Financial Award Notification” is based on full time enrollment and your Pell disbursement will be adjusted based on the following enrollment levels:

<u>ENROLLMENT LEVEL</u>	=	<u>AWARD CALCULATION</u>
12 or more units	=	full time – 100% of your semester award amount
9 – 11.9 units	=	¾ time enrollment – 75% of your semester award amount
6 – 8.9 units	=	½ time enrollment – 50% of your semester award amount
0.1 – 5.9 units	=	pro-rated according to EFC (Expected Family Contribution)

Your enrollment level for disbursement will be determined on the corresponding Award Calculation Date (see calendar below).

Please ensure that all registration changes are made prior to the Award Calculation Date for those units to be included in your enrollment level for that disbursement.

You are required to repay federal aid if you withdraw before completing 60% of the course length.

Fall 2014 full term course 60% date: October 28, 2014

Spring 2015 full term course 60% date: March 25, 2015

Please note: the 60% date will vary for classes that do not run a full term (i.e. short term classes, summer classes).

All accurate and complete forms and/or documents submitted by the publicized documentation deadline will be scheduled to be processed and awarded for the corresponding check disbursement date.
