

2015-2016 V6 Verification Form

The Department of Education has selected your FAFSA for a review process called *verification*. In this process, the Office of Financial Aid will be comparing information from your FAFSA with this worksheet and your IRS Data. Federal regulations require colleges to ask for this information before disbursing federal aid. If there are differences between your application and the documents you provide, your FAFSA information will need to be corrected by your Financial Aid Administrator. **Please read all instructions carefully before completing this form to avoid delaying your financial aid awards.**
