I am a **FINANCIAL AID APPLICANT / RECIPIENT:**

CHOOSE:

- **ONE EDUCATIONAL GOAL** and
- **ONE MAJOR/PROGRAM**

By doing so, I am requesting that all majors and programs at other district colleges (Diablo Valley and Contra Costa) be closed.

Financial Aid guidelines mandate enrollment in an eligible program to achieve either an AA/AS degree, Certificate of Achievement, or Transfer (toward a Bachelor's degree).

*(You may indicate multiple majors by checking more than one major/program below.
Please note that your decision to have more than one major may impact your financial aid status.)

What is your **EDUCATIONAL GOAL** at Los Medanos College? (check one)

AA/AS Degree- An associate degree requires the completion of 60 required General Education and elective units, and a GPA of 2.0 or higher.

Transfer (to a 4-Year College)-You can complete the first two years of "lower division" coursework required to earn a bachelor's degree then transfer as a junior to a four year college or university. You can transfer with or without earning an associate degree.

Certificate of Achievement- A certificate of achievement, which is not a college degree, may be earned in certain majors by completing all major requirements plus math, English, and computer science competencies. These programs focus mostly on preparation for a specific occupation.

- A = Transfer to four-year college with Associate degree
- B = Transfer to four-year college without Associate degree*
CSU Transfer: CSUGE.L / CSU or UC Transfer: IGETC.L
(*CSUGE and IGETC are **not** accepted by Financial Aid)
- C = Earn Associate degree in general education
- D = Earn Associate degree in vocational subject
- E = Earn Certificate of Achievement
