

LMC Tutoring Program Math Tutor Application

Dear LMC Student:

Thank you for your interest in working for the LMC Math Tutoring Program. In order to become a tutor, you must meet the following qualifications and requirements:

1. Earn a “B” grade or better in Math 34, Math 37, Math 40, or higher, or equivalent.
2. Know an instructor willing to recommend you if contacted.
3. Attend a two-day paid general tutor training workshop and a math tutor orientation meeting at the beginning of the semester.
4. Attend 1 – 2 paid monthly tutor meetings as part of ongoing training. Generally, these meetings are Fridays from 3 – 5 pm.
5. Speak, write, and understand English fluently and clearly.
6. Have a commitment to working and helping students from various Math backgrounds, and passion for the subject you wish to tutor.
7. Be eligible to work on campus.
8. Registered in at least 6 LMC units to qualify as a student worker.
9. Your total workload at the LMC campus must not exceed 20 hours a week.

If you meet the qualifications and requirements listed above and are passionate about helping others, please fill out the application form and submit it to a **Math Lab Coordinator** in the **Math Lab Office MA-103**. Please be sure to submit *pages 3 – 6 and a copy of your unofficial LMC transcript*.

The application must be submitted three weeks before the end of a semester to be eligible for the next semester. Please call (925) 473-7662 or email jguerrero@losmedanos.edu if you have any questions!

Thank you for your interest in working for the LMC Math Tutoring Program!

Math Tutor Job Description

LMC Math Tutoring Program Application for Employment

Name _____ Student ID# _____
Last First

Address _____
Street # & Street Apt# City Zip Code

Cell# _____ E-mail _____

Fluency in Foreign Language(s) _____

Federal Work Study: _____ Do not qualify / _____ Do qualify / _____ Don't know

1. Have you completed the campus wide tutor training? If yes, please give your last date of training.

2. Have you worked for LMC previously? If so, what was your job, and who was your supervisor?

3. Please list references that we may contact. At least one should be from a previous and/or current Math instructor.

4. Why do you want to be a tutor for Math students?

5. What experiences do you think will qualify you to be a tutor at LMC?

6. Do we have permission to access student records to verify your academic eligibility?

Yes **No**

7. If not hired, will you be interested in volunteer hours? **Yes** **No**

(Marking *Yes* or *No*, in no way affects you during the hiring process)

8. Fill in this chart (on the next page) as completely as possible. Please indicate below the courses you have completed and will be enrolled in for the semester you are applying to work. We have found that many tutors may not feel confident about tutoring a course even though they have completed it. Be sure to place a “√” in the second column if you feel confident in tutoring for this course; this means you will give it a good try and you do feel confident you can do most of the problems encountered there. If you are not sure what topics are covered in a particular class, please check the LMC course catalog.

Course	I can tutor this. √	School/Instructor	Semester/Year	Grade Received or Current Grade
Math 4 Arithmetic				
Math 12 Prealgebra				
Math 25 Elementary Algebra				
Math 26 Plane Geometry
