D. Your Experience With Project Excel

#6 What did you like best about the program?

- A lot of notes and it was good help
- Como estaba organizada, un buen maestro y buenos tutores.
- El programa fue bueno, porque el nivel del profesor es de buen nivel.
- Getting to know Math better
- Help improve math skills.
- I don't know
- I really enjoyed working with dedicated teachers/directors, they have the time and patience to see their students succeed.
- It helped me a lot, a lot of examples with math and understanding it.
- It was helpful to understand more about math.
- Learning the math
- Only 4 days a week
- Pues lo mas que me agrado de este programa fue ayudar a mis companeros y estar combiviendo con ellos mucho mas tiemp que el cambia combivido.
- Que aprendi mucho
- Que aprendi mucho y mejore mis habilidades en matematicas
- Que el maestro explica todo perfectamente y si no extendiamos lo volvia a explicar.
- Que el maestro fue muy accessible y comprensible al explicarnos y cuando necesitamos ayudo.
- That I got to learn new things every day.
- The teacher help the students.
- Todo
- Very helpful in their best ways.
- We got out early.

#7 What did you like least about the program?

- Era muy intenso
- I don't know
- It was long.
- It was sometimes boring.
- Nada
- Nada porque tode estuvo bien
- No puedo decir que no me gusto, porque en realidad el programa me "gusto."
- Nothing
- Nothing because it is a good program.
- Que era muy intenso
- The amount of homework
- The homework it was a lot of work to do
- The homework was a lot
- Waking up early.
- We got homework.
- What I least enjoyed was the food!
- Yo creo que estubo bien todo.

#8 Based on your experiences this year in Project Excel, what improvements would you recommend?

- Add 30 minutes of P.E. to loosen up the stress (like punching bags)/have a pool party on the last day.
- Add P.E. for 30 minutes, and have a pool party at the last day of Project Excel.
- In this summer experience in Project Excel was very helpful and gave me more focus in Math and how it's going to be in High School.
- It is all good, keep the same even though it's long but that's what it takes to succeed than it's okay.
- La verdad todo me parece bien
- Make math fun
- Make Math fun
- Nada
- Nada. Todo siento que esta bien.
- Ninguna por lo comun
- None
- Nothing.
- Our teacher gave us many examples which help us understand better.
- Pues para mi ninguna mejora recomendaria
- Teacher gives us good examples.
- The food!
- Yo creo que todo esta muy bien solo un poco mas esfuerzo.
- Yo recomendaria sequir este programa porque es un buen programa
