

Getting Started – 2017 Annual Report

This document is provided to assist you in completing the ACCJC 2017 Annual Report, which will be submitted electronically. You will be using data from Fall 2016 and the two previous fall semesters to complete this report except where specified otherwise. Attached are the report questions you may use to prepare before completing the report online.

- 1. The Chief Executive Officer (CEO) and the Accreditation Liaison Officer (ALO) will each receive e-mail instructions with an individually assigned username and password. The Commission requires the CEO to certify that the information provided in the form is accurate and then to submit the form.
- 2. If necessary at the institution, the password may be changed using the "Update Profile" link once you have logged into the report. Please note that the ACCJC staff are not able to retrieve lost passwords if they have been changed.
- 3. Please do not share your login information. Instead, you may create two additional accounts in the "Update Profile" for designated others to assist in completing the Annual Report.
- 4. Only the CEO can submit the final version of the Annual Report. The CEO will use the separate username and password sent by e-mail to the CEO, for submitting the report.
- 5. You may download copies of this document from the Annual Report login screen by clicking the "Getting Started" link near the bottom of the login screen.
- 6. Some questions have "[Read Additional Instructions]" pop-up windows that contain important details to assist in accurately providing the requested information.
- 7. If you need to skip a question because you do not have all the information or need to validate data, a "skip" button is provided. The report form will retain any information that is entered and mark the question as "skipped" so that you will be able to more easily find it at a later time to complete and "Submit" the answer. If you need to go back to a previous question, use the "Review Prior Question" button.
- 8. If a question is not applicable, please enter n/a in that box.
- 9. You may edit your answers as many times as you wish until the CEO performs the "Final Submission" of the Annual Report. Upon the final submission, e-mail notifications will be sent to the ALO and the institution's CEO with a copy of the final report. Please be sure to retain a copy of the final report for your college files.
- 10. The report must be submitted by March 31, 2017; however, if additional time is required to obtain specific data, please e-mail the ACCJC at accjc@accjc.org. If any changes are required after you have submitted the report, please call the Commission office at 415-506-0234.
- 11. If you have any questions about the form, please call or e-mail the ACCJC.

Student Learning Outcomes and Assessment

Note: Colleges were expected to achieve the proficiency level of Student Learning Outcomes assessment by fall 2012. At this time, colleges are expected to be in full compliance with the Accreditation Standards related to student learning outcomes and assessment. All courses, programs, and student and learning support activities of the college are expected to have student learning outcomes defined, so that ongoing assessment and other requirements of Accreditation Standards are met across the institution. In completing the 2017 Annual Report, please refer to the revised Accreditation Standards adopted June 2014.

Definition and grouping of like student or learning support activities should be based upon a determination of how the assessment will best provide information to improve services for students. Learning support programs include, but are not limited to: tutoring, supplemental instruction, information literacy support, and/or any other student services and administrative units where outcomes to support student learning have been developed and assessed.]

23. Add open text box – as optional item. [Additional instructions: Please use this text box to provide any comments regarding the data submitted in this report.]

NOTE: The Annual Report must be certified as complete and accurate by the CEO. Once all the questions have been answered by the ALO, there will be an option to send an email notification to the CEO that the report is ready for certification. The CEO will be able to login and certify the answers.

Only the CEO may submit the final Annual Report.
