

Camp Course Outline

Do you have a deadline coming up to turn in a Course Outline of Record? Come to Camp Course Outline on September 11th, October 2nd and/ or October 30th in Business Lab CC2-235 from 9:00-4:00 (you can attend all three days or any part of a day). Part-time faculty are encouraged to come. Thanks to the LMC Foundation LUNCH will be provided.

Hear what faculty are saying:

"Thanks for all your help at Camp!! "

Dennis Gravert

"Camp Coors is a life saver. The coaches are great in helping me navigate the sometimes messy waters of assessment and revision. They made it fun and challenging. I HIGHLY recommend using the terrific coaching team to meet those deadlines. As they say in the ads, 'Just Do It!'"

Joanna Perry-Folino

Bring with you:

- Old course outline of record you need to update (you can download it from the P drive)
- Assignments, syllabus, the textbook and any other materials that would help you actually write the course
- A flash drive so you can save the work done in the computer lab

The day will be a working session, so come prepared to write!

RSVP: Please RSVP by the Monday before the CAMP to help us with the lunch count and planning. You can fill out this form and put in campus mailbox 128 or email me (Janice Townsend).

Name _____ Department _____
