Hi Adrianna,

I was looking for the FMP feedback form, but it looks like it's closed. Two things that I wanted to add:

1. Integrating playscapes: I emailed Carlos, sent over a presentation, and he's checked with me, noting this is on their minds and will be integrated. Just want it to stay there
2. A minor thing: can the fountains across campus be revamped since we can't utilize them. It's an eye sore, falling apart, and wasteful of resources.

Thanks!

Caitlin

Subject: Facilities Master Plan -- Second Read and Feedback Needed ASAP

Hola colegas,

Just a reminder that the facilities master plan is coming up for a second read at the academic senate this Monday, April 22nd and at the other senate bodies. I am sending this to all LMC employees as a reminder for all our voices to be heard. Please take the time and review it and submit all feedback ASAP. Share this email widely. The FMP team is diligently working through the notes that you send to incorporate suggestions as they are able. You can access the feedback form directly here (along with the draft that we reviewed during our first read):

The banner has a dark red background. On the left, the Los Medanos College logo is displayed in white. In the center, the text "General Education Committee" is written in a large, white, serif font. Below this, meeting details are provided in a smaller white font: "GE Committee meetings are held 2nd and 4th Wednesdays, 1:00 - 2:25 p.m. in CC2-223 & BRT-125 or via Zoom for guests." On the right, there is a white arrow pointing to a QR code with the text "SCAN ME!" next to it. At the bottom of the banner, a horizontal strip of photos shows a diverse group of students in various settings, including a classroom and a library.
