

SEM 2.0 Straw Proposal

SEM 2.0/ISSR Working Group
Student Success Team Model &
Student Success Coach Recommendation
for the

SGC Committee

Tanisha M.J. Maxwell

Dennis Franco

Lawrence Punsalang

March 8, 2023

SEM 2.0 Goals

- ❑ Confirm SEM 2.0 team membership (increase faculty participation).
- ❑ Finalize core student success team model composition.
- ❑ Finalize role and function of each student success team members
- ❑ Identify milestone interventions of student success teams across pathways for 1st and 2nd semesters.
- ❑ Identify professional development needs of student success teams.

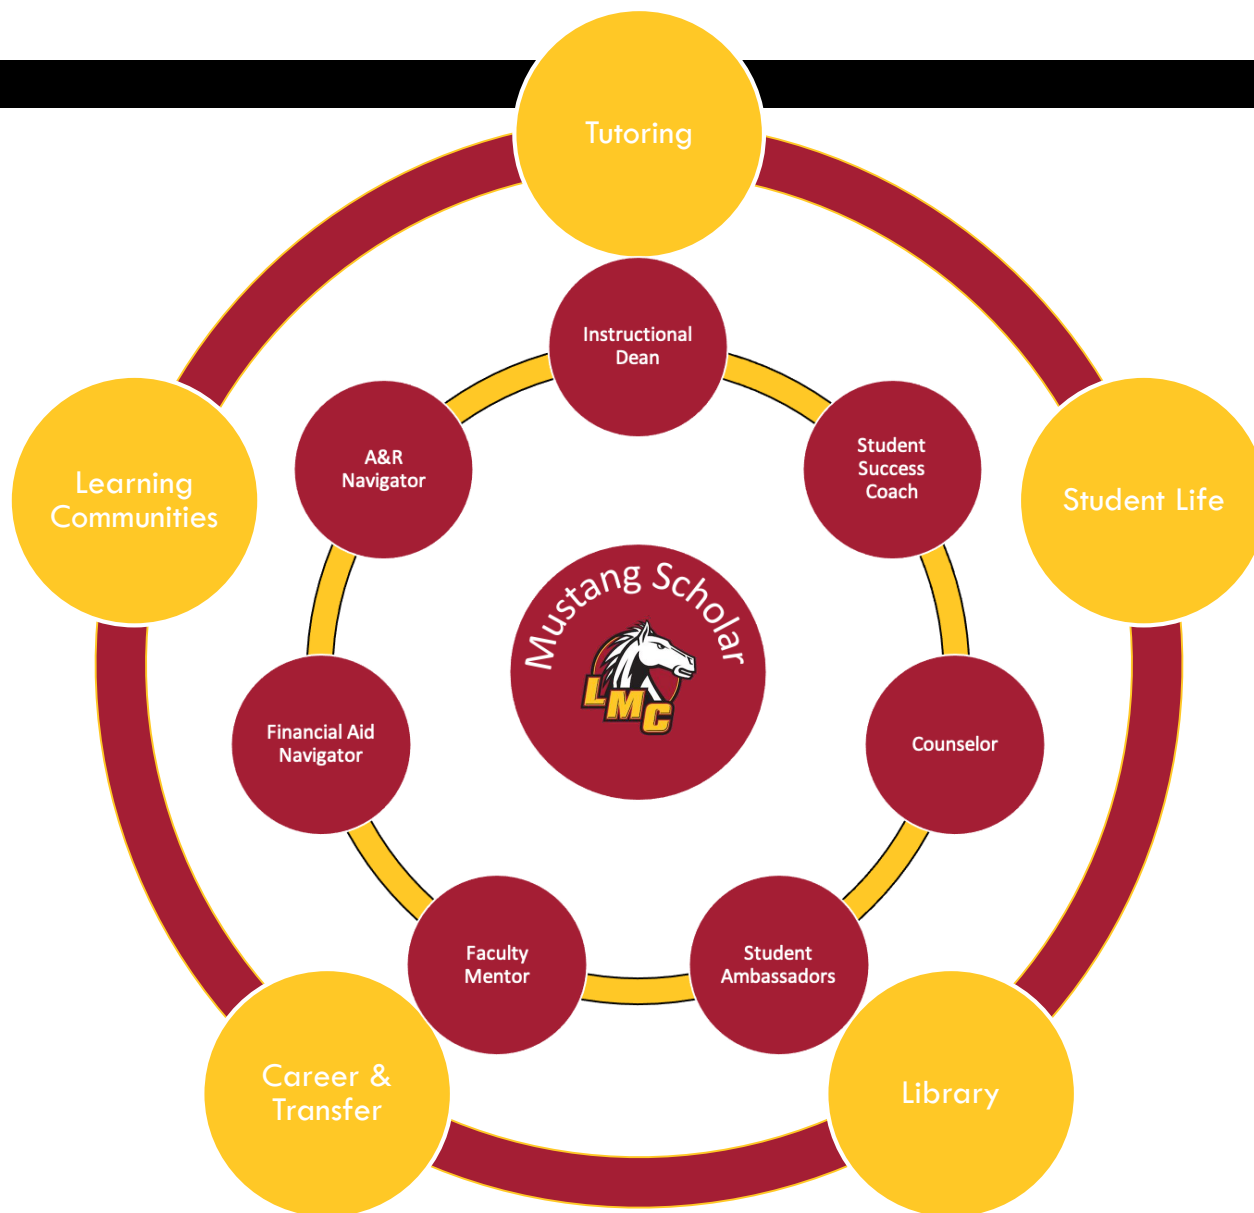

SEM 2.0 Key Activities

- Bi-monthly SEM 2.0 ISSR working group meetings to continue making progress on established goals
- Study Session (mini-retreat) to review student success team model drafts and best practices
- Gallery walk to provide feedback on roles and functions of those roles
- Define role and function of each student success team member (IN PROGRESS)
- Develop comprehensive training model for student success teams (SPRING 2023)

Initial Model Considered

Initial Model Considered

Final Recommendation for SSTs for SEM Committee

Student Success Coach Responsibilities - Recommendation

- Proactive student case management from registration to completion
- Link students with referrals and connection to campus resources and programs
- Help students navigate obstacles
- Respond to flags raised in LMC Connect
- Support students towards educational goal
- Position may involve staffing/coordinating dedicated space

Student Success Coach Responsibilities - Recommendation

- Provide just-in-time, population focused, targeted/personal communications via email/text within pathways
- Hire/train/supervise students ambassadors
- Maintain pathway webpage and/or Canvas shell
- Use college systems and tools to manage student caseloads within pathways
- Plan and coordinate co-curricular activities for the pathway including community building
- Data informed proactive outreach/inreach to promote success of the student journey

Next Steps

- Bi-monthly SEM 2.0 ISSR working group meetings to continue making progress on established goals
- Define role and function of each student success team member
- Develop comprehensive training model for student success teams
