Dear Adjunct Faculty,

The LMC Academic Senate is extending the dates for application to join us for fall 2017. We have received one application (thank you Lakita Long); however, we would very much appreciate more adjuncts participating in our Academic Senate at Los Medanos College. I have attached the original email and extended our invitation to you through mid April with appointments to be held in May. The Senate will vote and decide upon adjunct seats in Liberal Arts and Sciences, Student Services, and CTE (one seat for each) by our last meeting prior to the end of the semester.

We hope you will consider joining, and please email me with any questions. A simple letter of request to serve and a brief bio is all we need if you are interested. We meet two Mondays per month, from 3-5 at the Pittsburg campus Community Room 109. Our discussions are lively, interesting and very important to the college, community and the state California Community College system.

Have a wonderful spring break.

Laurie
