

Chemistry Immersion Program [CHIP]

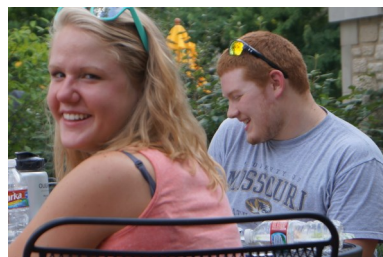

July 20—25, 2014

CHIP for Students

The Chemistry Immersion Program [CHIP] is a one-week program (July 20-25, 2014) designed for juniors and seniors in high school. CHIP Scholars will complete four two-hour laboratories in chemistry and four two-hour biochemistry laboratories to prepare CHIP Scholars for collegiate chemistry and biochemistry.

Program Description

Students will:

- *Review* key concepts in chemistry and biochemistry
- *Gain* hands-on experience with laboratory technology
- *Learn* about careers in science, technology, engineering, and mathematics [STEM]
- *Gain* insight into research opportunities for undergraduate students at MU

To be considered for CHIP:

- *Students* must be rising high school seniors or college freshmen
- *Have* earned a "B" or better in high school chemistry
- *Have* a GPA of 3.0+
