[^] This timeslot can be used by the College community for unit/inter-department/project meetings.

^o These sessions are available for members of the College community to present information and “stories of success” about programs/departments/units, initiatives, partnerships, etc... Topics will be updated throughout the semester.

*These “TBD” time slots may be needed for the Educational Master Plan (EMP) process, which is under development. If they are not utilized for the EMP, these sessions will be available for departmental/project meetings.

Please note that, during the course of the semester, meetings may be designated as “management-called” (based on a presentation/dialogue topic of institutional importance).
