Faculty Member: We view the student-instructor partnership as one of the most vital factors of student success. *Students must meet with the instructors during office hours to obtain instructor feedback for, at least, fifty percent (50%) of enrolled classes.* The student named above participates in the LMC EOPS/CARE and/or CalWORK's program. In the space below, please comment on the student's involvement in your course. Students with on-line courses must attach an e-mail from their instructor(s), commenting on their -1) participation, 2) attendance, 3) understanding of course material and, where possible, 4) a grade. Instructor feedback enables EOPS to, not only promote academic networking between faculty and students, but also to monitor academic progress and provide timely support. The EOPS/CARE and CalWORKs offices phone number are (925) 439-2181 ext. 3138 and ext. 3154, respectively.
