Minutes:

12:00 – 12:10 Welcome, Introductions, Previous minutes

- Approved minutes from 3/13 meeting

12:10 – 12:20 Discussed items for future consideration

- Status of drinking water filling station at Brentwood
 - After installation, we'll want to monitor meter to compare use with filling stations in Pittsburg
- Opening a conversation with Alexander Porter about future procedures for separating campus waste
 - Possibility of composting becoming mandatory by state law

12:20 – 12:30 Green Office Audit workshop

- Let's take some cues from Pittsburg Unified School district, which is in the top 5 statewide for sustainability. What are they doing that we can implement at LMC?

12:30-1:25 Earth Day Festival final planning

- Went through confirmed exhibitors and to-do list
- Reviewed prizes
- Final planning and logistics

1:25-1:29 Isaac Knipfing spoke about his fellowship role at the DO

- Funding is through PG&E
- Future idea is to have sustainability fellows sent to each campus, with student interns working under each fellow
- Main job would be to oversee sustainability issues mandated by district carried out uniformly district-wide.

1:29-1:30 Final meeting scheduled for Monday, May 15th at 11:00, (off campus lunch)
