

California State University, East Bay

Dual Admissions

- Completion of 20 units at Los Medanos College and no more than 72 transferable units at the home campus with minimum 2.0 grade point average
- Offered Fall, Winter, and Spring quarters
- Must be enrolled full-time between the two campuses
- Enrollment allowed in no more than two undergraduate courses on a space available basis – discretion is up to instructor
- Lower Division courses cannot be offered at Los Medanos College at any time during the academic year
- Application and enrollment fees are waived
- Students who were formerly enrolled at CSUEB, but academically disqualified, are not eligible to participate in the cross registration program
- Student cannot apply for cross-registration for a term where they have either applied to or are admitted as a regularly matriculated student to CSUEB

Los Medanos College Counselors are responsible for ALL academic advising concerning this program. Please contact the Los Medanos College Counseling Department at 925-439-2181, Ext. 3124 to discuss the possibilities of concurrent enrollment.

Counselors:

- Have students complete the concurrent enrollment form
- Students must go to the first class session and meet with an advisor
- The advisor will help the student find a class that will fit into their schedule
