

Transfer Day and College Night 2009

Information for Faculty and Staff

Transfer Day and College Night will be held in October 2009, please check the website in the near future for the time of the event.

Transfer Day and College Night is a wonderful way for students, parents, academic advisors, and the community to meet and greet representatives from 4-year California colleges, universities, private colleges, vocational schools and out-of-state institutions.

Over 50 colleges and universities are available at the event to provide transfer information and guidance to students! This event will be a great way for students to discover their interests and learn about the differences in CSU, UC, private college, and Out-of-State schools.

Creating a successful college event requires campus wide support. Faculty and staff can have an important role in promoting LMC events since we interact with students each and every day. Some of you may know the student's interests and academic goals; this empowers you to encourage and support these students to achieve their highest aspirations! It's important for students to know that the LMC Community supports them and encourages the transfer experience.

Help Us to Help Them

There are many ways in which you can help promote Transfer Day and College Night at LMC:

- Wear college or university clothing every Tuesday in October, especially on Transfer Day and College Night.
- Set aside time to discuss your experiences at a university or even as a transfer student with your classes.
- Think about bringing your class to the event or incorporate this event into an assignment for your students, possibly as extra credit 😊!
- Tell people! Students, co-workers, friends and neighbors.

Volunteer for this Event

Are you interested in helping us with Transfer Day/College Night or setting up an LMC Booth? If so, contact Frances Moy at fmoy@losmedanos.edu.
