

What can the Transfer Programs & Services do for you?

* Transfer Agreements*

Currently, most UC campuses, some private and out-of-state schools offer guaranteed admission to California Community College students who meet specific requirements*. By participating in a TAG (Transfer Agreement Guarantee) program, you become eligible to receive early review of your academic record, early admission notification, and specific guidance on major preparation and general education coursework.

A completed TAG signed by you, your counselor and a university representative, guarantees your admittance to the university in your chosen non-impacted major for the term you specify provided you follow and complete all of our terms of the agreement.
