There is a lot of relocation going on. This map shows both areas that have moved and ones that are about to move but are not yet open.

The new areas are located on the 2nd floor of the College Complex. You can access these areas from any of the four staircases or from the elevator located on the west side of the core.

See pg 2 for a campus overview of where the Campus Complex is located.
CC FLOOR 2
To access the College Complex from lot A you must walk the length of the quad between the library and science building and take the elevator or stairs into the College Complex level 3. From level 3 take one of the stairs or elevator down to level 2.

From lot B walk past the Math building and turn left into the College Complex.

From Lot C enter between the little theater and the music building and go down the stairs to level 2.
