6	<b><i>Advisor Report</i></b> Our advisor will take the time to address the board about anything they wish to share about anything they have going on or any news pertaining to the board.	R. Delgado	1:20-1:30	Information Attended STACK last week. Good group of people out there tabling for LMCAS. Excited to hear about the Committee Reports.
7	<b><i>Committee Reports</i></b> Officers and senators will take the time to share any information they received about the committees they are a part of and educate the public about changes that may affect them.	A. Gonzalez	1:30-1:45	Information Tenisha: She attended the Planning Committee and expected a chill first day, but that is not what happened. Discussed surveys to implement for students and staff alike. Armon: They attended STACK and discussed CCCSA. DVC is sending about 20 students and CCC is sending 12. Student trustees need to take at least 5 units. They are thinking of amending that policy and implementing a new one so that you would need to take at least 1 in person class of the college you are representing.
