BUSINESS: REPORTS	
3	<p>Public Comment</p> <p>A. Felero Smith- Asked Dale what the posters he was posting up were about. Dale said they were to raise awareness for the proven habitual discrimination against Asian-Americans in some universities in the United States. Dale wanted to be part of the Nationwide discussion about it. Felero does not think his actions will work because affirmative action has been shut down before, but Dale is still working on it, because there are still some places in the U.S. with affirmative action. Felero believes that the posters and some images YAF once put up can be eluding and opinionated which means they may not be factual. Felero believes that we should put more motivation in posting things that people can digest and look into it to know that it is factual. John said that people are allowed to post on the boards due to the first amendment, but the board will look at something to determine if it is accurate and if it is, then it stays up.</p> <p>B. Priscilla Tatmon- The school is starting to get tampons and different things for women in the bathrooms. She's been seeing signs posted up. One in the library said if you need pads or tampons go to the front desk.</p>
4	<p>Officer &amp; Senator Reports</p> <p>A. Marco Mendez- Attended the Halloween event last Friday. Saw everyone just enjoying themselves with their kids. microwave in Brentwood is installed now. Happy to see what speaking up can do where speaking up about an issue as simple as a microwave could change things. One of his associates was talking to him and she was saying that we aren't really supplying to the students in Brentwood and said that she wanted to get a food pantry going at Brentwood.</p> <p>B. Felero Smith- Attended and enjoyed the haunted house.</p> <p>C. Shagoofa Khan- Helped out for an hour at the haunted house Loved seeing the initiative and passion shown there.</p> <p>D. Diamond Agee- Attended and enjoyed the haunted house. Liked seeing clubs selling food. Helped clean up, it was so fast they were done at 10:15pm.</p>

<b>5</b>	Advisor Report	<p>I. From Advisor Nguyen:</p> <p>A. Said that the Halloween event this year was the best. Believes it was good for the kids because it's fun for them and gets them thinking about college at a very young age. <b>10</b>	Food for LMCAS Orientation	<p>I. From Advisor Nguyen:</p> <p>A. To get food for the LMCAS orientation, John requested roughly \$200 to feed roughly 20 students. Some senators questioned the point in buying food, since people eat food every day. John pointed out that the food is meant to accommodate students as they attend this educational event where everyone is learning something. If not funded, he will tap into other budget items. Some senators then believed it should be funded. The board will discuss this next week and vote.</p>
<b>11</b>	Feminine Products	<p>A. Dale Satre wants to improve the equity of female students in the campus life in general and also to provide some relief to people who might need products. 		<p>preferred joining forces with the committee to have more resources. Dale said we can set aside money for them on a check on the provision that they actually go forward with the provisions. Said it would be a great return on investment and equity, but still looking for line item, since this is the first time LMCAS has done it. Will be further discussed next week.</p>
<b>12</b>	Dedicated Brentwood Senator	<p>A. Dale Satre noticed that a lot of students at the Brentwood center are not being represented in the most effective sense and wanted to discuss the idea of amending the bylaws and having a dedicated senator that comes from the Brentwood campus to the meetings here to represent the students of that campus. Priscilla pointed out that a couple of members go to Brentwood already, so they can be effective. Marco said he is there 4 out 5 days and has office hours there. The board agreed on having him do it. Will discuss further next week.</p>
