			<p>I. Advisor Archaga: There's a lot that happens in the spring term, but since we're remote everything will be different. Every spring they host an academic competition. LMCAS needs to start brainstorming ideas on what they could do in the spring semester that can engage students.</p> <p><i>D: Discussion</i></p> <p>I. VP Velazquez: She suggests having the academic competition virtually still with the money prize pot.</p> <p>II. Treasurer McLaurin: She suggests a jeopardy type thing and going into breakout rooms, a LMCAS member can be a moderator for each breakout room.</p> <p>III. Advisor Archaga: It's a whole day event, with groups of 4, focusing on the subjects math, english, and science.</p> <p>IV. Treasurer McLaurin: She asks if it has to be through ZOOM, what about a submission competition such as a writing contest?</p> <p>V. Advisor Archaga: Another thing to consider is that LMCAS contributes to welcome week, so brainstorm ideas for this as well.</p> <p>VI. VP Velazquez: Next week, think of things we can do for both the academic competition and welcome week.</p> <p>VII. Commissioner C'Corra: He asked if it's possible to do a drive thru movie night.</p> <p>VIII. Advisor Archaga: She says they've been brainstorming this idea and working with the senate on it.</p>

			<p>I. Catt Wood: Chabot college is pioneering a program for their African American students to increase their success. For a population of 2,000 students, they created 10 villages that include counseling, student employees, financial aid etc for each village. It's the idea of trying to create new ideas for underrepresented communities to help them succeed. They were talking about this in the IDEA committee, to promote equity. https://www.chabotcollege.edu/president/bec-10-by-10-taskforce/index.php</p> <p><i>D: Discussion</i></p> <p>I. VP Velazquez: She thinks it's a good idea.</p> <p>II. Treasurer McLaurin: She asks if they're trying to implement this on campus.</p> <p>III. Catt Wood: She replies this is the very beginning of a potential project, but needs to talk to everyone on campus. Though every campus is different, student needs are very similar.</p> <p>IV. Treasurer McLaurin: She's unsure of the demographics and numbers, but she thinks anything that helps bridge the equity gap should be done.</p> <p>V. VP Velazquez: She agrees that building communities that will gain the trust of students, will be beneficial for students to succeed.</p>
