 - Report due December 2026
 - Visit in Fall 2027

SUMMARY OF CHANGES

- Section A
 - Overall structure, themes and examples remained the same
 - Significant edits for content flow
 - Reduced size by eliminating redundancy
- Section B
 - Grammatical changes only
- Section C
 - Grammatical changes throughout
 - Added structure and language to part 3 to tie existing content together
 - Strong commitment to improvement in the area of disaggregated SLO data collection
- Section D
 - Added details to existing sections
 - Inclusion of some additional industry and community partnerships
 - An increased emphasis on our identity as an MSI and HSI

NEXT STEPS

Recieve approval from the Senates
and SGC and obtain signatures

Link evidence to report and make
last grammatical edits

Submit to the Governing Board for
approval in August/Sept.

Submit to ACCJC in October

QUESTIONS OR COMMENTS?

THANK YOU
