

1. What did you learn from the assessment about student learning and your own teaching?
2. What do you plan to do next time to improve student learning in this course? Identify strategies to try that may improve student learning.
3. How will the results of this assessment be used to improve student learning in the program? What is your plan of action?

The next three text boxes all have the following text below:

Use this space for your department and/or discipline specific question(s) and answer(s) to that/those question(s). Simply type N/A if you are not creating any custom question(s) and answer(s).

This is for your department to include any discipline specific questions and/or analysis.
