Dear Colleagues,

On Tuesday, June 18th from 11:00AM to 12:30PM at the Pittsburg Campus - Student Union Courtyard we will be celebrating Juneteenth. Join us for food, music, games and community! Please share the attached flyer with your students.

Juneteenth, also known as Emancipation Day or Freedom Day, is a holiday that marks the emancipation of enslaved African Americans in the United States. It celebrates the day when news of the Emancipation Proclamation reached the enslaved people in Texas on June 19, 1865, two and a half years after the proclamation was issued.

In the spirit of fostering a sense of community and promoting inclusivity, our Juneteenth Celebration will be a time for us to come together, reflect, and build community. It will provide an opportunity for us to honor the rich history and cultural contributions of African Americans.

This summer, we will be participating in the local community Juneteenth celebrations again (Antioch, Brentwood, Pittsburg, and Oakley). We encourage you to  [sign up and table for LMC at our community Juneteenth celebrations](#). Click on the excel link to view the community event details. Reach out to Robert Delgado if you have questions.

In partnership,

BHM 365 Work Group, Umoja, Equity & Inclusion, Student Life, Ethnic Studies and Social Justice Studies
