

## CODE OF ETHICS

It is the policy of the District to apply the highest ethical principles and standards of conduct to all members of the District community -- managers, faculty, classified, and students. The District is committed to the principles of trustworthiness, respect, responsibility, fairness, and stewardship.

The District strives to achieve fairness and equity, and to ensure that all students have equal access to educational programs and related student support services. The District also strives to maximize opportunities for academic achievement, meaningful employment and cultural enrichment for all students. The District is guided by the belief that a sense of true community is achieved when these ideals and values are reflected in the behavior of its members towards one another, students and the community.
