FINGERTIP FACTS

The mission of the Contra Costa Community College District is to transform students and communities; to cultivate and sustain a culture of wellbeing, learning, success, and achievement for all students.

As a District we are dedicated to continuously increasing our ability to serve the evolving needs of our students and community by providing accessible, equitable, innovative and outstanding higher education learning opportunities and support services.

All decisions about resources and policies are informed by looking at access and success data through an equity lens.

The following five areas of educational focus advance the Mission:

- General and Transfer Education: Providing a challenging education in the liberal arts and sciences and providing career opportunities and transfer to four year institutions.
- Economic and Workforce Development: Supplying relevant and timely career and technical education to develop skills for the global workplace and to contribute to the region's economic vitality
- Basic Skills: Preparing students for success in life and academic programs by improving their skills in math, reading and writing
- English as a Second Language (ESL) Education: Implementing quality language programs for students speaking English as a second language
- Lifelong Learning: Offering a variety of courses and experiences that support learning throughout a lifetime

Did You Know?

For over 63 years our institutions have been a vital part of Contra Costa County. We continue to encourage young and old alike to take advantage of an incomparable array of educational choices – including studies leading to an associate of arts degree for transfer to four-year colleges and universities, short-term training to update professional skills, and specialized vocational and technical training programs, many in partnerships with businesses and industry, to help build a strong workforce in Contra Costa County.

- Each semester the District's colleges and satellite centers offer more than 3,300 classes or class sections from music, to computers, to managing a small business, to nursing and more. Many students pursue certificate programs and associate in arts or associate in science degrees.
- Courses are offered days, evenings, weekends and online.
- Enrollment fee for resident students is \$46 per unit. Out-of-state and foreign students pay higher fees.
- We are the East Bay leader in computer training!
- The Contra Costa Community College District has approximately 3,100 full and part time employees.

The Contra Costa Community College District (CCCCD) was founded by a public vote in December 1948 and first opened its doors in 1949. It is one of the largest multi-college community college districts in California. CCCC serves a population of 1,049,025 people, and its boundaries encompass all but 48 of the 734-square-mile land area of Contra Costa County. The District Office is located in historic downtown Martinez.

The Contra Costa Community College District is governed by an elected five-member Governing Board who serve four-year terms. One student member, selected by student government, serves a one-year term on a rotational basis among the Colleges. The Chancellor, appointed by the Governing Board, carries out the policies of the District.

Board Members:

Sheila A. Grilli,
President

John E. Márquez,
Vice President

John T. Nejedly,
Secretary

Greg Enholm,
Member

Vicki Gordon,
Member

Ivan Do Los Santos,
Student Trustee

Chancellor:

Helen Benjamin, Ph.D.
